PARTNER TOOKIT
Regional Transportation Plan 2050
Released: June 2025

Help Shape the Future of Transportation in Our Region

Thank you for supporting the outreach and engagement efforts for RTP 2050. This toolkit includes everything your organization needs to help promote public meetings, the community survey, and stakeholder involvement throughout the eight-county region.

There are three keyways you can support our public engagement and participation efforts:

1. **Promote Public Meetings**
   Help us spread the word about in-person engagement opportunities happening across the region from July 10 through August 12, 2025.
2. **Promote the Survey**
   Encourage your audiences to complete the survey and help shape the future of transportation.
3. **Encourage Stakeholder Participation**
   We're forming a stakeholder group to provide deeper input throughout the planning process. Partners can nominate themselves or others to serve.

Resources You Can Use
We appreciate your support and are pleased to provide the following resources and downloadable assets to assist you in helping promote this important endeavor:

Resources for Download:
- ✓ Meeting Schedule Flier (Printable & Digital)
- ✓ County-Specific Flyers (optional)

Sample Copy for Newsletters & Emails (Promoting Public Meetings and Survey):
Shape the Future of Transportation in Our Region

The Houston-Galveston Area Council is developing the 2050 Regional Transportation Plan—and your voice is needed. Tell us what matters most to you: better roads, safer intersections, reliable transit, or easier biking and walking.

Take the survey or attend an upcoming public meeting and make your voice count: RTP2050.com

Social Media Graphics + Captions (Ready to Share):
- County-specific meeting graphics for use on Facebook/Instagram/Twitter/X
- Captions with hashtags: #RTP2050 #MobilityMatters #HGAC #FutureReady
  - "What's your ideal way to get around? Take the 2050 RTP Survey!"
  - "Do you feel safe while traveling in the region? Share your thoughts!"
  - "Let's build a future-ready transportation system—together."
