

BARC Animal Shelter & Adoptions
FERAL CAT COLONY MANAGER APPLICATION

To be in accordance with City of Houston ordinance, all citizens feeding feral or stray cats must adhere with these requirements:

1. Citizens must be actively working towards getting the entire colony of cats spayed, neutered, and ear notched. If not proactive, you can be subject to citations even if you are registered as a Colony Manager.
2. Citizens must be feeding in a way that does not attract raccoons or possums. Cats must be fed at set times. If food is left out all day and/or scattered, and there is a complaint you might be subject to citations.
3. Citizens must have the permission of the property owner or manager to be feeding unless they are feeding on their own property or on city property.
4. Being part of this program does not provide you with legal assistance or protection against neighbor complaints and threats nor neighborhood association rules and board decisions.
5. BARC reserves the right to revoke Colony Manager status without prior notice to the Colony Manager if the ordinance is violated in any way.

Name: _____

Organization Associated with (if any): _____

Home Address: _____

Email Address: _____

Phone Number(s): _____

Driver's License Number: _____

Address of Colony: _____
