The above summarizes the FY2015 Budget, the FY2015 Estimate and the FY2016 Budget for the Central Service Revolving Fund. Also included are the beginning and ending fund balances, total revenues and total expenditures.

The Central Service Revolving Fund provides budgetary accounts for a centralized service function that provides for the purchase of goods and/or services for citywide operating departments. This method allows for the purchase of large quantities of goods and services for a large number of departments in a planned and well-managed manner. In addition, it provides for the efficient and effective audit of billings for such purchases.

Appropriations for these accounts are made from the respective operating departmental budgets as a part of the general appropriations ordinance. Sufficient appropriations are authorized from each department to allow for minimal encumbrance balances in each supply and service account in the Central Service Revolving Fund. After the delivery of goods and services, the actual cost is billed to the operating departments. At the end of each fiscal year, the fund is treated as a sub-fund of the General Fund and is not shown as a separate entity in the Comprehensive Annual Financial Report.

The Finance Department is responsible for administering the electricity and natural gas accounts for the City. They are also responsible for overseeing procurement contracts, forecasting, providing price certainty and financial reporting. The role of Energy Management is the responsibility of the General Services Department. The Administration and Regulatory Affairs Department manages the reprographics and office services accounts. The communications and data services fees are administered by the Houston Information Technology Services Department. The Planning and Development Department provides a centralized service for geographic information system purchases. The Human Resources Department administers the accounts for temporary personnel services, client relation services, employee drug and alcohol testing and employee training. The revenue and expenditure summaries include: General Services, Administration and Regulatory Affairs, Houston Information Technology Services, Planning and Development, Human Resources and Finance.

Significant Budget Changes and Highlights	o The FY2016 Budget provides funding for health benefits and pension contribution.				
	o The City of Houston ranks #1 in REC (Renewable Energy Credits) purchases among municipalities and the nation.				
	o As a result of recent low natural gas market prices, the City of Houston has locked lower rates for both natural gas and electricity in FY2016.				
	o The City of Houston is listed eighth in the nation by the Environmental Protection Agency (EPA) for metropolitan areas with most buildings certified under the Energy Star Efficiency program.

Significant Budget Changes and Highlights	o The FY2016 Budget provides funding for health benefits and pension contributions.				
	o Provides HR services (employee relations, benefits support, retirement, staffing, succession planning, monitoring of legal compliance, reporting and transactional duties). HR to employee ratio is 1:114.				
	o Through prudent management, the Client Relations section was able to resolve 84% of grievance cases at the department level.				
	o The rollout of the KRONOS Workforce Absence Manager module in FY2016 will ensure consistent enforcement of attendance policies. The Family and Medical Leave Act (FMLA) will be tracked to ensure compliance with the law as well as standardization throughout the City.				
	o The replacement of the existing aged web based system will further promote administration efficiency by reducing paper usage, and improving service delivery, through record keeping and management reports.
