Instruction Guide
GENERAL INSTRUCTIONS

Copies of Article V, Chapter 18 of the Code of Ordinances, Houston, Texas, (lobby ordinance) are available from the Office of the City Secretary upon payment of the required charge of \$0.10 per page.

The following instructions are substantially similar to those used by the State of Texas. References in parentheses are to sections of the City of Houston Code of Ordinances.

DEFINITIONS.

Refer to Sec. 18-71 for applicable definitions.

FILLING OUT THE FORMS.

All forms must be typewritten or handwritten in ink.

PHOTOCOPIES OF FORMS.

You may use photocopies of blank City of Houston forms. Any form filed with the City Secretary, however, must have an original signature.

Note: You should retain copies of all reports filed with the City Secretary.

REQUIRED FILING OF DUPLICATE RECORDS.

Each person required to file a registration or report shall file:

- The original registration or report; and
- One copy of the original registration or report.

FILING DEADLINES.

A registration form must be filed by a person meeting either the compensation or expenditure threshold of \$200 or more in a calendar quarter, or \$800 or more in a calendar year, not later than five working days after the first direct communication with a member of the legislative or executive branch that requires the person's registration. (Sec. 18-74(a)). For purposes of

registration, a direct communication includes a gift or transfer of anything of value to a member as an expression of good will or the extension of hospitality to a member even if no business is discussed.

If you are registered as a lobbyist with the Office of the City Secretary, you are required to file quarterly reports on your lobby expenditures as well as any amended registration information. The quarterly reports are due no later than the tenth day of the month following each calendar quarter covering lobby activities that occurred during the preceding quarter unless no reportable activity occurred during that quarter.

A document is considered "filed" with the City Secretary *once received* on either:

- (1) the workday it is hand-delivered, as long as it is received by 5 p.m.; or
- (2) the date it is mailed, as evidenced by the post office cancellation mark or a receipt mark from a common or contract carrier. (A postage meter cancellation date is not, by itself, evidence of the date of mailing.) (Sec. 18-79).

Note: When a filing deadline falls on a City holiday or a weekend, the deadline is extended to the next City business day.

The Office of the City Secretary is located at 900 Bagby, Public Level, City Hall Annex, Houston, Texas 77002. The mailing address for the City Secretary is P.O. Box 1562, Houston, TX 77251.

CHANGES TO LOBBY REGISTRATION.

To change information provided in your initial LOBBY REGISTRATION, you must file a quarterly LOBBY ACTIVITIES REPORT showing the changed information.

REPORTING EXPENDITURES.

LOBBY EXPENDITURE. For reporting purposes, a “lobby expenditure” is an expenditure made to communicate to influence legislation or administrative action.

DATE OF EXPENDITURE. A lobby expenditure is made when the amount of the expenditure is readily determinable by the registrant or a person acting on his behalf who makes the expenditure. If the normal business of a vendor or service provider is to make the amount charged known by sending a bill after expenses are incurred, the date of the expenditure, for reporting purposes, is the date you receive the bill. If you pay for a restaurant meal with a credit card, however, your bill is the restaurant receipt, not the statement from the credit card company that arrives the following month.

REIMBURSED EXPENDITURES. You must report any lobby expenditure you make on the Lobbying Activities Report form, even if you were reimbursed for that expenditure (for example, by your employer or client).

EXPENDITURES MADE BY OTHERS ON YOUR BEHALF. A lobby expenditure made by someone else with your consent or ratification must be included on your Activities Report form.

NO DOUBLE REPORTING REQUIRED. You are not required to report a lobby expenditure that you know is being

reported by another person who is required or permitted to report that lobby expenditure.

APPORTIONING EXPENSES. You may reasonably apportion the expenditure you made for a group if you cannot determine the actual amount you spent for each person.

YOUR OWN EXPENSES. A lobby expenditure for your own transportation, food and beverages, lodging, or entertainment is not reportable.

TAXES AND TIPS. You do not have to include in the amount you report any sales tax or tip associated with a lobby expenditure.
