# Grounds for Non-Certification or Temporary Certification

## Debarred, Excluded or Suspended by a Federal Agency

The business and all principal members of the business will be checked against the exclusion databases found on System for Award Management and HUD's Limited Denial of Participation/HUD Funding Disqualification/Voluntary Abstentions Database.

**If a principal member and/or business is listed as a debarred/excluded/suspended party, certification will be subject to HUD's approval.** Additional documentation may be requested by HCDD and/or HUD to complete the certification review.

In the event that certification is denied, the applicant may reapply once the debarment, exclusion or suspension has been lifted and is no longer listed on the reporting database.

[https://www5.hud.gov/ecpcis/main/ECPCIS\\_List.jsp](https://www5.hud.gov/ecpcis/main/ECPCIS_List.jsp)

## Delinquent Business Property Taxes and Business Personal Property Taxes

The business will be checked against delinquent property taxes (business location only) and delinquent business personal property taxes within applicable taxing jurisdictions.

In the event that the applicant is shown to have delinquent property taxes, a regular three-year certification can be issued if the following documentation can be provided:

**Proof of Payment in Full** - Receipt from taxing authority that all delinquent taxes have been paid.

A Temporary Certification will be given if the following documentation can be provided:

**Proof of Payment Plan** - Copy of signed payment plan agreement issued by taxing authority and copies of cancelled payment checks from start of payment plan to current.

The temporary certification will expire at the end of the payment plan agreement. At that time, applicant will need to provide proof of payment in full in order to receive a regular three-year certification.

## Incomplete Application Submission

Only complete applications will be processed. All sections of the application and requested supporting documentation are required (except where noted by the option to write N/A). **No exceptions will be given for incomplete applications.**

Applicant will be notified via email of any application discrepancies. As a courtesy, the applicant will be given 10 business days from the date the email is sent to resolve any discrepancies. In the event that the applicant fails to submit a complete application within the 10 days, the application will be denied certification and closed out. The applicant must submit a new application for future certification.

## Section 3 Business Certification Priority Preferences

Per the Section 3 Federal Regulation, 24 CFR Part 135.36 (2), certified businesses are assigned a priority number based on the following preferences:

**Priority 1** – Section 3 business concerns that provide economic opportunities for section 3 residents in the service area or neighborhood in which the section 3 covered project is located. This will include all businesses **located within in the City of Houston** and/or any zip code that is recognized by the City of Houston website search. **See page 16 for zip code look up instructions.**

**Priority 2** – Applicants selected to carry out HUD Youth build programs.

**Priority 3** – All other Section 3 business concerns. This includes all businesses that are **located outside of the City of Houston** and/or have a zip code that is not recognized by the City of Houston website search. **See page 16 for zip code look up instructions.**

## Priority of Preferences When Awarding Contracts on a Section 3 Covered Project

When bidding on a Section 3 Covered Project as a certified Section 3 Business (General Contractor, Subcontractor or Professional Service), bids are reviewed/awarded based on the Section 3 Bid Selection Process, stated in the Section 3 Federal Regulation, 24 CFR Part 135.92 III (2)(i)(ii); **see page 5.**

When multiple Section 3 Businesses submit bids on the same scope of work and all bid amounts fall within the allowed percentage gap stated in the Section 3 Bid Selection Process, then the reviewer will give preference based on the Section 3 Business's assigned priority number, along with their ability to perform the scope of work and meet all required qualifications. Please read the Section 3 Bid Selection Process for a complete understanding of the bid selection process between a Section 3 Business and Non-Section 3 Business, **see page 5.**

**Section 3 is not an entitlement program, there are no guarantees.** Businesses must be able to demonstrate that they have the ability or capacity to perform the specific job or successfully complete the contract they are seeking. Also, once the contractor has awarded the required dollar amount to Section 3 Business(es), the contractor is not required to follow the Section 3 Bid Selection Process for all subsequent scopes of work.

### Section 3 Bid Selection Process

Procurement by Sealed Bids (Invitations for Bids)

Preference in the award of Section 3 Covered Contracts that are awarded under a sealed bid process may be provided as follows:

Bids shall be solicited from all businesses (Section 3 Business Concerns, and non-Section 3 Business Concerns). An award shall be made to the qualified Section 3 Business Concern with the highest priority ranking and with the lowest responsive bid:

1. Bids shall be solicited from all businesses (i.e. Section 3 Business Concerns and non-Section 3 Business Concerns). An award shall be made to the qualified Section 3 Business Concern with the highest priority ranking (as defined in 24 CFR Part 135) and with the lowest responsive bid if that bid:
  - a. is within the maximum total contract price established in HCDD's budget for the specific project for which bids are being taken; and
  - b. is not more than "X" higher than the total bid price of the lowest responsive bid from any responsible bidder. "X" is determined as follows:

X = lesser of:

When the lowest responsive bid is less than \$100,000 . . . . 10% of that bid or \$9,000

When the lowest responsive bid is:

At least \$100,000, but less than \$200,000..... 9% of that bid or \$16,000

At least \$200,000, but less than \$300,000.....8% of that bid or \$21,000

At least \$300,000, but less than \$400,000.....7% of that bid or \$24,000

At least \$400,000, but less than \$500,000.....6% of that bid or \$25,000

At least \$500,000, but less than \$1 million.....5% of that bid or \$40,000

At least \$1 million, but less than \$2 million.....4% of that bid or \$60,000

At least \$2 million, but less than \$4 million.....3% of that bid or \$80,000

At least \$4 million, but less than \$7 million.....2% of that bid or \$105,000

\$7 million or more, 5% of the lowest responsive bid, with no dollar limit.
2. If no responsive bid by a Section 3 Business Concern meets the requirements of paragraph 1 of this section, the contract shall be awarded to a responsible bidder with the lowest responsive bid.
3. In both paragraph 1 and 2 above, a bidder, to be considered as responsible, must demonstrate compliance with the "greatest extent feasible" requirement of Section 3.
