

Public Notice

The City of Houston Housing and Community Development Department (HCDD) will receive \$1,175,954,338 in Community Development Block Grant Disaster Recovery (CDBG-DR) funds, from the Texas General Land Office (GLO), to assist in long-term housing recovery from Hurricane Harvey. To receive this CDBG-DR funding, the City of Houston must submit a local needs assessment to the GLO.

The **Hurricane Harvey Housing Needs Assessment** reviews the damage to housing in Houston caused by Hurricane Harvey, assesses the needs of impacted residents through analyses of residential, socio-economic, and locational factors, and describes the intended uses of the CDBG-DR funds. This local needs assessment will help direct funds within programs and serve as the basis for program outreach.
