

Public Notice

The City of Houston (City) will receive \$1,175,954,338 in Community Development Block Grant Disaster Recovery (CDBG-DR) funds for assisting in long-term housing recovery from Hurricane Harvey. To receive this funding, the City submitted action plan to the Texas General Land Office (GLO), which has been incorporated into the State of Texas Plan for Disaster Recovery: Hurricane Harvey – Round 1. To implement this funding, the City's Housing and Community Development Department (HCDD) is developing guidelines for the Harvey Public Services Program (Program), which are being presented to the public for comments. The Program will aid extremely low and low- to moderate-income residents that have been impacted by Hurricane Harvey with social service needs, including but not limited to homeless services, job training, workforce development, education services, and case management services.

These draft guidelines are available for review and public comment from Monday, November 19, 2018 through Wednesday, December 19, 2018.
