Find Your Path Career Day Expo

hosted by The City of Houston Human Resources Department

**George R. Brown
Convention Center
9 a.m. - 2 p.m.**

High school students are invited to discover a variety of career opportunities available in local government, as well as in Houston's major growth industries. College representatives and counselors will be on hand.

This opportunity is sponsored by a partnership between the City of Houston, HISD, METRO, Workforce Solutions, Project Grad, the Port of Houston and Shaw-Harris Educational Services.

About Grow Your Own Workforce ...

Grow Your Own Workforce seeks to plant seeds in the minds of students about the variety of career opportunities in local government, and to “grow our own” workforce for the future. Departments across the city offer internships and co-op opportunities, guest speakers, tours, Adopt-a-School programs, and the Find Your Path Career Day Expo. We want students to consider, prepare for, and even experience a job with the city, creating a “pipeline” from our educational institutions for future employees.

If you are interested in becoming a GYOW partner or want more information about the program, call 713-837-9410.
