# JUNIOR GOLF

## The First Tee of Houston at FM Law Park

Junior Golfers come and play one of America's favorite sports at HPARD'S First Tee of Houston at FM Law Park. Our mission is to positively impact the lives of young people in the greater Houston area by "promoting character development and life-enhancing values through the game of golf." The First Tee of Houston at FM Law Park strives to instill it's nine core values (Confidence, Courtesy, Honesty, Integrity, Judgment, Perseverance, Respect, Responsibility and Sportsmanship) into all participants. Through the Life Skills Experience, young people discover how skills essential to success on a golf course can help them flourish in life. These skills include self-management, interpersonal communication, goal setting, mentoring, and effective conflict resolution. The curriculum was developed by experts and is delivered by trained First Tee coaches. The First Tee of Houston at F.M Law Park is closed on Holidays, Sundays, and Mondays.

### TARGET

**TARGET** is the most basic Life Skill (LS) level and introduces beginners to the game of golf. **TARGET** is used primarily as a community outreach component. There is no certification process to advance from **TARGET** to **PLAYer**, and no prior golf experience is necessary.

### PLAYer

**PLAYer** introduces how to play the game of golf with special emphasis on learning golf and The First Tee Code of Conduct, appreciating the rules and etiquette of the game, and developing your game in golf and life. There are two levels of the **PLAYer** at our Chapter, **PLAYer6** and **PLAYer9**. **PLAYer6** is for ages 7-8 and **PLAYer 9** is for ages 9 and up. All new participants must begin in their respective age category. Unfortunately there will be no special advancement based on golfskill level. Upon reaching the required age participants may move on to Par once they are certified and the Coaches feel they are ready to move forward.

### PAR

All **Par** students must be **PLAYer** certified. Students work on their swing, grip, and stance as well as learn how to introduce themselves, the meaning of respect, and finding their "personal par". Participants must meet the appropriate age requirements and complete certification to advance to Birdie.

### PAR PLUS!

Par Plus! reinforces life skills learned in Par. This level of class allows participants to assist and lead brief intervals in PLAYer and Par class.

This independence promotes leadership and encourages younger participants to excel.

### ADVANCED PAR

The final stage of the Par curricula further promotes one of our 9 Core Values, Responsibility. This level allows participants to assist writing lesson plans and leading classes. It also encourages participants to speak in front of groups and be leaders. Participants will remain in the Par level for a period of at least 1 - 2 years.

### BIRDIE

All Birdie students must be Par level certified and meet the required age. Birdie focuses on goal setting and how to go about achieving both long term and short term goals. Golf skills include: course management, etiquette, and advanced swing/putting skills.

### BIRDIE II

We encourage participants to keep track of their goals on the golf course and away from the golf course. We further emphasize the importance of staying focused on tasks and keeping their goals close to heart. Participants must have a strong certification results in Birdie in order to advance to Eagle. Participants should expect to remain in Birdie level for a minimum of 1 year.

### EAGLE

All Eagle students must be Birdie certified. Eagle focuses on wellness and health for the mind and body as well as conflict resolution, diversity, and explores careers in the golf industry. Golf skills include: playing competitively, effective practice strategies, how to self-correct, and accuracy.

### ACE

All Ace participants must be Eagle certified. Ace focuses on personal planning, reinforces interpersonal communication, self-management, goal setting, self-coaching, and resistance skills. Ace encourages volunteerism and the pursuit of higher education, all while providing the student the support structure to flourish and excel in their lives after high school not only in golf but academically and socially as well.

# WATER PLAYGROUNDS

## Water Playgrounds

The **Houston Parks and Recreation Department's** water playgrounds provide an engaging and interactive fun activity year-round for children, especially during the hot summer months. Water playgrounds have distinct advantages over swimming pools in that they are cost effective, low maintenance, and water-play activities extend well beyond normal pool season. Water playgrounds are controlled using a timer and touch-sensor. The timer is set for 12 hours of water activation, and the touch-sensor turns on the water for a two to three minute cycle.

### Hermann Park 6100 Fannin

The water playground at Hermann Park features two large palm trees and a spiral provide a variety of water effects for all children to run through. Two large beaches create a sand play zone adjacent to the water play area.

### Burnett Bayland Park 6200 Chimney Rock

The water playground at Burnett Bayland Park has a multi-colored rubber surface, and spray and ground features that include three colorful arches, a flower, cactus, a spiral spray and two water cannons.

### Melrose Park 12200 Melrose Park Road

The water playground at Melrose Park features a multi-colored rubber surface and spray and ground features such as a flower, cactus and an arch.

### Nieto Park 500 Port

### Wiley Park 1414 Gillette

The water playground project was developed at a cost of \$243,000. Other park improvements include benches, landscaping, drinking fountains, electrical work and black vinyl coated chain link fence.

### Settegast Park 3000 Garrow

Settegast Park Water Playground includes a multi-colored rubber surface and spray ground features including a ground geyser, a bell-spray column, a misty arch, a magic touch bollard, a water trio, a donut and a flower.

# GOLF COURSES

The Parks and Recreation Department provides 7 challenging golf courses for citizens' enjoyment. From the highly acclaimed Memorial Park (the #1 municipal course in the state!), to the well maintained and lower priced Brock Park and Gus Wortham Park courses, there is something for every golfer. Memorial, Hermann and Gus Wortham are all located inside the loop. Sharpstown, one of Houston's most popular and most walkable courses, is close in on the Southwest side. Brock offers opportunities to Northeast golfers, while Glenbrook provides a venue in the Southeast area of the City. Melrose, in the North Central, offers a chance to practice short-game skills with its 18 par -3 holes. All courses except Glenbrook have driving ranges, and all have practice putting and chipping greens. Pro shops are available at all courses. Dining facilities are available at all courses except Melrose. All courses are non-metal spike facilities. Weekday fees apply Monday through Thursday. Weekend fees apply Friday through Sunday, and all city holidays. Junior (under 18) and Senior (65 – older) rates are offered on weekdays only. Twilight start times vary by season. Please call the course.

For tee time reservations, log on to [www.houstonparks.org](http://www.houstonparks.org) and access the tee time reservation system. This innovative tee time system includes Memorial, Sharpstown, Gus Wortham and Brock. For tee times at other courses call the pro shop. For information on all the courses, visit [www.houstonparks.org](http://www.houstonparks.org). Lessons from qualified instructors are available at all courses. Tournament and corporate outings may be scheduled by calling any of the courses. (Note: Prices subject to change without notice. Extra fee applies for use of electric golf car.)

## Memorial Park Golf Course

Memorial Park Golf Course began in 1923 as a 9-hole sand green course built near the hospital at Camp Logan. In an ambitious effort to enhance parks across the city, the Parks and Recreation

Department in 1935 began constructing an illustrious 18-hole golf course. In July of the following year, the first ball was teed off on what architect John Bredemus called his "greatest golf course ever."

Through the years, Memorial Park Golf Course hosted many famous golfers such as Arnold Palmer, Babe Didrikson and Charlie Sifford. It also hosted the Houston Open PGA Tour event from 1951 to 1963. In 1995, the newly renovated 260-acre course opened with a lighted driving range, putting and chipping greens and a beautiful new clubhouse facility featuring an expanded pro shop and a Beck's Prime Restaurant.

Today, Memorial Park Golf Course is known as one of the best municipal courses in the nation and is visited by more than 60,000 patrons each year. Houston is proud to call Memorial Park Golf Course the crown jewel of Memorial Park. Memorial Park Golf Course is closed on Tuesdays. Tee times are available by accessing the website.

Hermann Park  
Golf Course

Hermann Park Golf Course is a jewel nestled in the center of the Bayou City. Since 1922, this lush parkland course has been at the center of a rich tradition of golfing excellence. The course was fully renovated in 1998. The new clubhouse is located at the corner of Almeda and North MacGregor, and from there you set out on this short, but challenging and enjoyable course. Water toughens the course, coming into play on half the holes.

You'll find no more enjoyable way to experience George Hermann's legacy than playing this 18-hole oasis in the very heart of Houston. Hermann has a driving range, practice putting green, pro shop and complete snack bar. It is managed for HPARD by BSL Golf Corp. Sales tax is additional on all fees. Carts required Weekend mornings.

Gus Wortham  
Park Golf Course

Come play on living history. Gus Wortham opened in 1908 as the original Houston Country Club. Today, Wortham is the oldest continually operating 18 hole course in the state. Gus Wortham provides challenges not regularly found in Houston. Elevated tees and uphill carries to greens make you use all your clubs. The course is relatively wide open, making it attractive for all levels of golfers. The front 9 features 3 consecutive par 5 holes, 2 of which you may want to go for in 2. Your shot-making skills will be tested on several of the "short but challenging" par 4 holes. Playing to more than 6,400 yards, Gus Wortham is a fun course, located only minutes from downtown and inside the loop. A full driving range is available for practice or warming up. Additional practice areas include a putting green, chipping green and practice bunker. The proshop staff is available for lessons. Sharpstown Park  
Golf Course

Welcome to Houston's "Best Golfing Value." Sharpstown Golf Course has earned this reputation by providing outstanding customer service and excellent facility conditions, while offering some of the lowest fees in the gulf

coast area. Sharpstown Golf Course is located in the heart of southwest Houston, one mile west of Hwy 59 and just 1 block north of Bellaire Blvd. on Harbor Town Drive. Sharpstown's convenient location allows for quick access from anywhere in the greater Houston area. Recent improvements at Sharpstown include new cart paths, improved drainage, reconstructed bunkers, tees and lakes. The 18 hole, par 70 course has 4 sets of tees, allowing moderate degrees of difficulty for the novice and beginner, yet enough length (6,660 from the back tees) to test the avid and skilled player. Welcome to Houston's "Best Kept Secret," Brock Golf Course, quietly tucked in northeast Houston, far from the noise, but less than from downtown. Brock Park is managed and maintained by the Houston

Parks and Recreation Department's golf operations division staff. This tree-lined course has been one of the City's fine municipal courses since 1972. Brock plays to 6,427 yards with elevation changes unlike most courses in the area. It combines risk and reward on many holes, and requires good shot selection and execution on others. Greens Bayou comes into play on 4 holes, and creeks cross 4 others. Good scores can be found at Brock, provided you stay out of the trees! A driving range is available for practice or for warming up. Additional practice areas include a putting green, chipping green and practice bunker. The pro shop staff is available for lessons. ### Japanese Garden at Hermann Park

Nestled in a pine grove near the Sam Houston Monument in Hermann Park you'll find an island of serenity known as the Japanese Garden. Designed by world-renowned Japanese landscape architect Ken Nakajima, the garden was built to symbolize the friendship between Japan and the United States, and to recognize Houston's thriving Japanese community. The Japanese Garden in Hermann Park is built in the Daimyo Style, a traditional design that dates back to the 17th, 18th, and 19th century stroll gardens. Like most stroll gardens, this five acre oasis is designed around a sequence of landscape elements, which combine together to create a work of living art.

**Lake Houston Wilderness Park**  
 Lake Houston Wilderness Park is a 4,800-acre "natural" park northeast of Houston acquired by the City from TPWD in 2006. It is managed for the City by the Houston Parks and Recreation Department. The park is on the central flyway for migratory birds of the U.S. and is recognized on the Great Texas Coastal Birding Trail (Upper). It provides camping facilities; hiking, biking and equestrian trails; water activities for kayaks and canoes; and natural areas for nature lovers and birders alike. Partnership and funding opportunities exist in many areas including the development of a Lake Houston Park Master Plan, the creation of a vehicle bridge, the development of a park headquarters and pavilion, the development of canoe and kayak facilities and the building of cabins and stables.

**Playgrounds without Limits**  
 Playgrounds without Limits is a campaign to build inclusive playgrounds (1 in each geographic quadrant of the city) by the year 2010. These playgrounds surpass ADA accessibility guidelines and provide a variety of play elements and activities for children of all abilities. Ramps and transfer systems address mobility issues, elements like elevated sand boxes provide children with sight impairment sensory-rich activities to enjoy and porch swing gliders give children with wheelchairs the opportunity to enjoy a swing. Each Playground without Limits has an approximate cost of \$500,000.

**Park Playgrounds**  
 Playgrounds provide kids with an opportunity for **FREE** unstructured play. For children play is an important factor in how they develop both socially and physically. It offers significant health benefits a is a crucial factor in the overall well being of children. Kids who play build their confidence and learn the social skills that help them become happy, well-adjusted adults. Approximately 200 new public park playgrounds are needed in Houston of varying size and components to match the needs of the park, neighborhood and age of the children playing on them.

**Community Center Development**  
 HPARD Community Centers serve as the center of the department's Recreation and Wellness programs. They provide a neighborhood gathering place and provide programming and recreational leisure activities for all ages. They foster healthy activities, volunteerism, unite families, build cultural tolerance and support seniors, youth and people with disabilities. HPARD would like to build 10 more community centers to serve a greater number of Houston's citizens.

**Lighted Sports Fields**  
 HPARD is about to launch a fundraising campaign to light more of our existing sports fields. Under this "green lights" campaign, energy-efficient lighting is installed that has remote access and a 25-year light replacement warranty. Our wish list includes fields at the following parks: Alief, Beverly Hills, Blackhawk, Beech-White, Burnett-Bayland, Cullen, Herman Brown, Hicks, FM Law, Melrose, Milby, Montie Beach, Moody, Shady Lane, Sylvan Rodriquez and Tony Marron Parks!

### Signature Kiosks

Through the Signature Kiosks Program, the public learns their specific park ground maintenance supervisor and crew members by full name in a flyer placed on a kiosk.

This gives the public insight into how HPARD operates its cleaning and mowing schedule for their neighborhood park as well as the next date that their park will be mowed and delittered. Each flier states the crew's working hours, the city-wide mowing standard schedule, and the name and contact information for all the ascending levels of park managers over their ground maintenance supervisor.

Currently, the program is implemented at only 62 of the 369 parks throughout the city. The goal of the program is to extend this new "getting to know us" project to all parks.

**Urban Youth Academy**  
 This new Urban Youth Academy partnership with the Houston Astros and Major League Baseball has its Grand Opening at Sylvester Turner Park on Saturday April

10 at 11 am. The park is located at 2800 West Little York, 77091, and was improved using grant funds from Texas Parks and Wildlife Department, the Old Acres Homes Citizens Council, the Houston Astros and Major League Baseball, and CIP funds from the City of Houston. Come on out to check out the new Urban Youth Academy!
