Join us for our fourth annual Tapas on the Trails, one of the Arboretum's most popular events.

This very special evening features a romantic walk along our softly lit trails, with stops throughout the forest to dine on delicious courses paired with carefully chosen wines. The evening ends at the Meadow Deck, overlooking our one acre pond and demonstration meadow, where guests will enjoy sparkling wine, handcrafted desserts, coffee, and the company of a live owl.

Menu:

Savory phyllo bites with fresh vegetable dips and crudites

Roasted butternut squash bisque topped with toasted pepitas and coarse salt

Seasonal salad with citrus, fresh berries, spiced pecans, and infused vinaigrette

Spice-rubbed beef tenderloin accompanied by warm rolls, port-wine deglazed mushrooms, and pickled horseradish

Warm chocolate ganache griddle cakes and wild berry mash

Special Note: Dress comfortably for your walk through the woods (leave the sequins and stilettos at home!) In case of inclement weather, event will be held in the nature center building.
