Summer is just around the corner --- every schoolchild's favorite time of year, and we adults like it, too! With these long, bright evenings, this is the best time for the whole family to get outdoors and make the most of life! If you are looking for fun activities to do that get you outside and into a park, then take a moment to look through the pages of this catalog to find information on classes, sports leagues, and recreation opportunities available at your neighborhood parks.

Whatever your daily schedule includes, we have long summer days and mild evenings beckoning you to enjoy the wide open spaces in Houston's 371 developed parks and more than 200 greenspaces. Seven municipal golf courses invite golfers with skills great and small. Adults who want to stay fit and active can sign up with sports leagues that play out on fields all over town. If swimming is more your thing, take a few laps in one of our excellent aquatic centers, or just float in the cool water while you escape the heat of the day. And Houston has 153 miles of trails in parks and along area bayou banks for those who like a good bike ride, a stroll with their friends, or exercising the dog. And if your four-legged friend likes to run off leash, try out a dog park. We have fenced-in dog areas in parks across the city.

Children can take part in the Summer Enrichment Program activities offered by the Department at community centers across the city. Registration for this day camp-style program is underway, and spaces will fill up quickly. For those who depend on the school district's free lunch program, you can fill the summertime void through our Summer Food Service Program, which provides free snacks and lunches for children ages 1 - 18. No registration is required. For a Summer Food Service Program site near you, please call (713) 676-6832 or 2-1-1.

Wildlife enthusiasts, take note: Lake Houston Wilderness Park is a woodland paradise, with miles of hiking and equestrian trails in a forested setting and creeks where you can enjoy your canoes and kayaks. This is the only HPARD property that offers camping, with a wide range of camp facilities available, from sites where you can pitch a tent to screen shelters to cabins. The Nature Center is a must-see for campers with children.

We hope you will take a few minutes to read all the opportunities that await you in the pages of this catalog. This is a great place to launch your plan for the summer.

SUMMER FOOD SERVICE PROGRAM

Summer Food Service Program

Register today to become a Summer Food Service Site and help provide FREE lunches and snacks to area youth, ages 1-18, this summer! The Summer Food Service Program (SFSP) works to fill the meal gap that area youth experience when school cafeterias are closed for the summer.

The program is a federally funded and administered by the Texas Department of Agriculture. The Houston Parks and Recreation Department has sponsored and coordinated the program since 1980. Various organizations and groups can apply to become a Summer Food Program site and participate in the program at no cost to themselves. Participating sites have included HPARD Community Centers, churches, apartment complexes, learning centers, YMCA's and many other nonprofit organizations. Organizations must apply and qualify to become a Summer Food Service Site. The program operates on a weekday basis. Meals are prepared and delivered daily to participating sites. The meals consist of a sandwich, a fruit, juice and milk. Each year over 1.3 million meals are distributed at more than 400 participating sites throughout Houston and Harris County. The need for more sites is great and we encourage interested groups and organizations to consider becoming a Summer Food Service Site and help us feed area youth throughout the summer. This year's Summer Food Service Program will run from June 1, 2016 through August 19, 2016.

Applications must be received by April 15, 2016. Apply today to become a Summer Food Service Site and help us provide nutritious meals this summer to Houston's young people.

ADAPTIVE SUMMER SPORTS LEAGUES

Adult Wheelchair Rugby

Wheelchair Rugby is a unique sport combining some elements of Basketball, Handball, and Ice Hockey. The object of the game is to carry the ball across the opposing team's goal line. Two wheels must cross the goal line for a goal to count, and the player must have firm control of the ball when he or she crosses the line. Contact between wheelchairs is permitted and forms an integral part of the game. Collisions are frequent as players try to stop their opponents and take control of the ball. This is the 7th annual summer wheelchair rugby league and it is open to anyone brave enough to give it a try.

Adult Wheelchair Basketball

This integrated summer wheelchair basketball league will include five weeks of regular season games followed by two weeks of playoffs. Wheelchair basketball is played in accordance with NCAA rules with very few exceptions. The main exception for this summer league is dribbling; instead of a dribble every two steps players must dribble every two pushes. After registration a player draft will be held with local wheelchair basketball players serving as team captains. Teams must have at least three players with a physical disability on the court at all times.

Adult Wheelchair Soccer

Power Soccer is the first competitive team sport designed and developed specifically for power wheelchair users. The game is played in a gymnasium on a regulation basketball court. Two teams of four players attack, defend, and spin-kick a 13-inch soccer ball in a skilled and challenging game similar to able-bodied soccer. This 6-week integrated summer league is open to all and will be played at the Metropolitan Multi-Service Center! Registration is required.

2016 RUGBY SUMMER LEAGUE

Get ready for fast, full-court action & the clash of metal to metal in this fast paced wheelchair sport!

League is open to paraplegics, amputees, quadriplegics, and able-bodied athletes with independent functioning skills. Includes 6 weeks of regular season games and two weeks for playoffs.

Motorized chairs are not permitted.

WATER SPRAYGROUNDS

The Houston Parks and Recreation Department's water playgrounds provide an engaging and interactive fun activity year-round for children, especially during the hot summer months. Water playgrounds have distinct advantages over swimming pools in that they are cost effective, low maintenance, and water-play activities extend well beyond normal pool season. Water playgrounds are controlled using a timer and touch-sensor. The timer is set for 12 hours of water activation. The touch-sensor turns on the water for a two to three minute cycle.

H-E-B Grocery Company has generously donated more than \$1.1 million to the Houston Parks and Recreation Department through the Houston Parks Board Inc., to create and build additional water playgrounds in Houston city parks. These are brightly colored facilities featuring equipment that squirts, sprays, mists and shoots water. Children will be able to enjoy everything from oversized flowers that mist to a whale that spouts and squirts water and in-ground elements that resemble geysers.

GOLF COURSES

The Houston Parks and Recreation Department provides 7 challenging golf courses for citizens' enjoyment. From the highly acclaimed Memorial Park (the #1 municipal course in the state!), to the well maintained and lower priced Brock Park and Gus Wortham Park Glenbrook courses, there is something for every golfer.

Memorial, Hermann, and Gus Wortham are all located inside the loop. Sharpstown, one of Houston's most popular and most walkable courses, is close in on the Southwest side. Brock offers opportunities to Northeast golfers, while Glenbrook provides a venue in the Southeast area of the City. Melrose, in the North Central part of the city, offers a chance to practice short-game skills with its 18 par -3 holes. All courses except Glenbrook have driving ranges. All have practice putting and chipping greens. Pro shops are available at all courses. Dining facilities are available at all courses except Melrose.

All courses are non-metal spike facilities. Weekday fees apply Monday through Thursday. Weekend fees apply Friday through Sunday, and all city holidays. Junior (under 18) and Senior (65 - older) rates are offered on weekdays only. Twilight start times vary by season and courses. Call individual courses for more information. For tee time reservations log on to www.houstonparks.org and access the tee time reservation system. This innovative tee time system includes Memorial, Sharpstown, Brock, and Gus Wortham Glenbrook. For tee times at other courses call the pro shop. For information on all the courses, visit www.houstonparks.org. Lessons from qualified instructors are available at all courses. Tournament and corporate outings may be scheduled by calling any of the courses.

Memorial Park Golf Course

Memorial Park Golf Course began in 1923 as a 9-hole sand green course built near the hospital at Camp Logan. In 1935, in an ambitious effort to enhance parks across the city, the Houston Parks and Recreation Department began constructing an illustrious 18-hole golf course. In July of 1936, the first ball was teed off on what architect John Bredemus called his "greatest golf course ever."

Through the years, Memorial Park Golf Course hosted many famous golfers like Arnold Palmer, Babe Didrikson, and Charlie Sifford. It also hosted the Houston Open PGA Tour event from 1951 to 1963. In 1995, a newly renovated 260-acre course opened with a lighted driving range, putting and chipping greens, and a beautiful new clubhouse facility featuring an expanded pro shop and a Beck's Prime Restaurant.

Today, Memorial Park Golf Course is known as one of the best municipal courses in the nation and is visited by more than 60,000 patrons each year. Houston is proud to call Memorial Park Golf Course the crown jewel of Memorial Park. Memorial Park Golf Course is closed on Tuesdays. Tee times are available online at www.houstonparks.org. Hermann Park Golf Course

Hermann Park Golf Course is a jewel nestled in the center of the Bayou City. Since 1922, this lush parkland course has been at the center of a rich tradition of golfing excellence. Water toughens the course, coming into play on half the holes.

You'll find no more enjoyable way to experience George Hermann's legacy than playing this 18-hole oasis in the very heart of Houston.

Sharpstown Park Golf Course

Welcome to Sharpstown Park Golf Course, Houston's "Best Golfing Value." Sharpstown has earned this reputation by providing outstanding customer service and excellent facility conditions, while offering some of the lowest fees in the Gulf Coast area. Sharpstown Golf Course is located in the heart of southwest Houston, one mile west of Hwy 59 and just 1 block north of Bellaire Blvd. on Harbor Town Drive. Sharpstown's convenient location allows for quick access from anywhere in the greater Houston area. Recent improvements at Sharpstown include new cart paths, improved drainage, and resurfaced greens with high quality mini-verde ultra-dwarf bermuda. The 18 hole, par 70 course has 4 sets of tees, allowing moderate degrees of difficulty for the novice and beginner, yet enough length (6,660 from the back tees) to test the avid and skilled player.

Brock Park Golf Course

Brock Park is one of Houston's "Best Kept Secrets." Quietly tucked in northeast Houston, far from the noise, this tree-lined course has been one of the City's fine municipal courses since 1972. Brock plays to 6,427 yards with elevation changes unlike most courses in the area. It combines risk and reward on many holes, and requires good shot selection and execution on others. Greens Bayou comes into play on 4 holes, and creeks cross 4 others. Good scores can be found at Brock, provided you stay out of the trees!

A driving range is available for practice or for warming up. Additional practice areas include a putting green, chipping green and practice bunker. The pro shop staff is available for lessons. Brock Park is a non-metal spike facility with a fully stocked pro shop and snack bar. Visit www.houstonparks.org for tee times. Located on Canino Road, between Airline Drive and the Hardy Toll Road, Melrose also offers a lighted driving range with a grass hitting area, chipping green, practice bunker and practice putting green. With holes ranging in length from 70 yards to 145 yards, you will get the opportunity to work on all aspects of your short iron game. Melrose is managed for HPARD by Walton Golf Enterprises. Individual lessons and group clinics are available. Summer hours are from 8:00 am to 9:00 pm. Contact the course for further information.

Glenbrook Park Golf Course

Glenbrook Park Golf Course is located in the Hobby Airport area, south/ southeast of downtown Houston. Located along Sims Bayou, Glenbrook has 7 holes that cross the waterway. Recent improvements at Glenbrook include new tees on many holes, expanding the distance from the rear tees. Glenbrook Golf Course is located just outside the 610 Loop off of I-45. The City of Houston Parks and Recreation Department acquired Glenbrook Golf Course in 1941. The golf course is not extremely long but accuracy is a must off of the tee. The greens are small targets requiring great accuracy with the irons. Many of the greens have challenging slopes putting a premium on putting.

The clubhouse and golf course have been renovated. The bunkers on the golf course have been reworked. The clubhouse has a stocked pro shop and the café will have hot and cold food items for your enjoyment while playing a relaxing round of golf at Glenbrook Golf Course.

Come out and see the changes and enjoy the golf course!

Gus Wortham Park Golf Course

Come play on living history. Gus Wortham opened in 1908 as the original Houston Country Club. Today, Gus Wortham is the oldest continually operating 18 hole course in the state. Gus Wortham provides challenges not regularly found in Houston. Elevated tees and uphill carries to greens make you use all your clubs. The course is relatively wide open, making it attractive for all levels of golfers. The front 9 features 3 consecutive par 5 holes, 2 of which you may want to go for in 2. Your shot-making skills will be tested on several of the "short but challenging" par 4 holes. Playing to more than 6,400 yards, Gus Wortham is a fun course, located only minutes from downtown and inside the loop. A full driving range is available for practice or warming up. Additional practice areas include a putting green, chipping green and practice bunker. The pro shop staff are available for lessons. Gus Wortham has a fully stocked pro shop and full snack bar.

The McGovern Centennial Gardens were designed by the landscape design firm Hoerr Schaudt, in collaboration with White Oak Studio and Dr. William C. Welch of Texas A & M University. Japanese Garden at Hermann Park

Nestled in a pine grove near the Sam Houston Monument in Hermann Park, you'll find an island of serenity known as the Japanese Garden. Designed by world-renowned Japanese landscape architect Ken Nakajima, the garden was built to symbolize the friendship between Japan and the US, and to recognize Houston's thriving Japanese community.

The Japanese Garden in Hermann Park is built in the Daimyo Style, a traditional design that dates back to the 17th, 18th, and 19th century stroll gardens. Like most stroll gardens, this 5-acre oasis is designed around a sequence of landscape elements, which combine together to create a work of living art.
