CINDY ESTRADA
ADULT LEARNER

“Adult literacy in Houston is very important. Without schools like Eastside University, where I worked on my English, studied to get my GED, and was mentored while I attended HCC and University of Houston Downtown, I would not be working as an Accounting Department Manager. MOAL makes sure that more people like me succeed in this country.”

“When I started classes at Community Family Center (CFC) in 2008, the only English I knew was coffee and donuts. After many starts and stops, I moved up from basic classes and earned my Community Health Worker Certificate. Now I work at CFC and help families like mine get the help they deserve!”

“ I migrated from Dominican Republic to Texas a few years ago with a Bachelor’s degree in IT. I couldn’t find work in my area of expertise so I enrolled in the Pearland’s Adult Education Center’s ESL program. Later, I took their citizenship course and am now a citizen of the United States! ”

IVAN J. TAMAYO

ADULT LEARNER

“I embarked in Adult Literacy, first as a student and now as a passionate advocate for families and people needing representation in Aldine ISD. Adult Literacy transforms, empowers, and gives opportunities and hope to participants. The ultimate goal is to engender growth, cultivate well-being, generate professional opportunities, and furnish sanctuaries wherein voices resonate and are heard.”
