

CALENDAR YEAR 2024

This year, we faced two significant disasters that posed unique challenges for BARC and our key rescue partners: Hurricane Beryl and the Derecho. Despite these setbacks, BARC saw an increase in adoptions this year that was the credit to several new partnerships and the expansion of existing collaborations. Houston PetSet has become an invaluable ally, particularly when it comes to media relations and marketing. Houston Pets Alive! has also come on board to focus their own volunteers on adoption counseling at BARC.

COMPARING THE DATA

Remarkably, we were able to increase our intake by more than 1,600 additional animals, marking the highest number of intakes since 2019. Adoption numbers have improved by 923 animals as well. Our Animal Enforcement Officers have successfully improved call response to our tax payers in spite of being short staffed at the beginning and mid point of calendar year 2024.
