## Overview

The City of Houston is investing in our community. We create an atmosphere of transparency in posting procurement opportunities that are crucial to the health and strength of the economy. The FY 25 Procurement Forecast contains upcoming projects to peak interests of small businesses M/W/DBE and prime vendors that allow vendors to quickly prepare and participate in upcoming projects. The City offers informational resources associated with procurement opportunities including:

View information on potential opportunities including:

- Department(s) owner, project name and brief description
- Project Type
- Contract needed by month/year
- Anticipated cost
- Business program to be used (M/W/DSBE or DBE)

## Office of Business Opportunity

The Office of Business Opportunity (OBO) is committed to cultivating a competitive and diverse economic environment in the City of Houston by promoting the success of small businesses and developing Houston's workforce, with special emphasis on historically underutilized businesses and disenfranchised individuals.

# Solicitation Methods

The City of Houston announces formal and informal solicitations for goods and services on our website each fiscal year at <https://www.houstontx.gov/bizwithou/ProcurementPlan.html>

Competitive bidding specifications are available through Bid Documents (awarded to low bidder), Requests for Proposal (RFPs), Requests for Qualifications (RFQs), Best Value Bid (BVB) and Competitive Sealed Proposal (CSP). The type of method used depends upon the type of commodity or service being procured.

RFP/RFQ notices specify a scope of work and request that prospective vendors/providers supply a written statement of qualifications and related experience to perform the work. The City of Houston evaluates proposers based upon their capabilities and experience to perform the work specified and negotiates a contract with the best qualified vendor.
