REAL PEOPLE, REAL PROBLEMS, REAL SOLUTIONS.

Founded in 1990, the South Texas College of Law Legal Clinic has been committed to serving the community and their legal needs. The faculty, staff attorneys, and students work together to provide clients with the best representation possible.

Unfortunately, we do not currently handle criminal, landlord/tenant, real estate, or consumer issues. We also cannot assist with protective orders or cases that have already been scheduled for hearing.

If you currently have a legal problem in one of our practice areas, please come by during intake and screening on the third Thursday of each month from 1:00 - 3:00 p.m. or call our office directly. Contact Kaitlyn Tracy, Mayor's Office for People with Disabilities, at 281.936.0770 (VP) or [Kaitlyn.tracy@houstontx.gov](mailto:Kaitlyn.tracy@houstontx.gov) at least 2 days prior to interview if you need accommodations for a disability.
