MAYOR'S REPORT

Mayor Whitmire touched on the Public Session, which occurred on yesterday where citizens were allowed to express themselves regarding the death of Lorenzo Araujo. He advised members of Council that the House Committee on Homeland Security will host hearings on Friday at 11 am where leaders such as Congresswoman Sylvia Garcia, Congressman Christian Menafee, Congresswoman Lizzie Fletcher and Congressman Al Green welcomed our community to participate. Mayor Whitmire encourages an active committee hearing and a plan for Congress to get control of ICE with more training, uniforms, marked cars, body cameras and other things that would make a significant difference. Mayor Whitmire also requested members to keep the McNair family in their prayers in the passing of Janice McNair. She was not only a leader in our community and sports but also in charitable activities. And to also keep the Yarbrough family in their prayers, as well, in the passing of Kenneth Yarbrough. He was a longtime State Representative and labor leader.

In regards to the weather, Houston is under an extreme heat advisory. The heat index is expected to reach 117°. Today, the City will be opening 112 sites to use as cooling centers and implementing the STEAR (State of Texas Emergency Assistance Register). We'll also be opening our community centers, libraries and multiservice centers to serve those who need help dealing with the heat. He encourages everyone to drink lots of liquids and try to stay out of the sun, especially those who work outside. This dome of high pressure, which is causing the extreme heat, is also keeping Tropical Storm Bertha from approaching the Houston area.

At 9:16 a.m., Mayor Whitmire left the meeting. Mayor Pro Tem Castex-Tatum presiding.

At 9:16 a.m., Mayor Pro Tem Castex-Tatum requested the City Secretary to call the Consent Agenda.
