AGENDA

May 18, 2010 – 10:00 a.m.
City Hall Council Chambers – 901 Bagby, 2nd Floor

- I. Call to order – Council Member Stephen C. Costello, Chair
- II. Mark Loethen, City Chief Engineer, will give an overview of the City's Low Impact Development (LID) pilot project in Cottage Grove, and how the City is integrating LID in its Storm Water Management Program.
- III. Robert Adair, Steering Committee Chair of Houston Land / Water Sustainability Forum, will give background on LID and present techniques being implemented around Houston.
- IV. Daniel Menendez and Harish Jajoo, both with the City of Houston's Public Works and Engineering Department, will brief the Committee on an ordinance authorizing the appropriation of additional funds to a professional engineering services contract between the City and AECOM for services associated with the Storm Water Management Program.
- V. Public comment
- VI. Adjournment

Texas Government Code, Section 551.042. Inquiry Made at Meeting – If at a meeting of a governmental body, a member of the public or the governmental body inquires about a subject for which notice has not been given as required by this subchapter, the notice provisions of this subchapter do not apply to: 1) a statement of specific factual information given in response to the inquiry; or 2) a recitation of existing policy in response to the inquiry. Any deliberation of or decision about the subject of the inquiry shall be limited to a proposal to place on the agenda for subsequent meeting.
