Texas Government Code, Section 551.042, Inquiry Made at Meeting – If at a meeting of a governmental body, a member of the public or of the governmental body inquires about a subject for which notice has not been given as required by this subchapter, the notice provisions of this subchapter do not apply to: 1) a statement of specific factual information given in response to the inquiry, or 2) a recitation of existing policy in response to the inquiry. Any deliberation or decision about the subject of the inquiry shall be limited to a proposal to place on the agenda for subsequent meeting.
