The screenshot shows the website for the City of Houston - HISD Art Contest. The header features a cityscape image and the text "CITY OF HOUSTON - HISD ART CONTEST". Below the header is a navigation menu with "DEPARTMENT LINKS" including Home, Environmental Serv. Center, Tree/Junk Waste, Collection Schedules, Services, Recycling, Know Your Service Days, and News, Press and Media. The main content area is titled "CITY OF HOUSTON - HISD ART CONTEST" and features the "Truck Art CONTEST" logo. The text describes the "First Annual Truck Art Contest" and states that student artists are asked to showcase their talents by entering the first annual City of Houston Solid Waste Management Department and HISD Truck Art Contest. It explains that the contest was created to promote the three R's (reuse, reduce, and recycle) and to raise public awareness and support educational programming focused on recycling, reducing, and reusing. The winning entries will inspire Houston residents as they are displayed on the recycling trucks bringing Art and education around the city. Grand Prize winners will have their artwork displayed on the Houston Recycling Trucks. A "CONTEST OVERVIEW" section lists the following details: Open to all HISD registered students (K to 12 Grades) in City service area; Recycling artwork submission between January 26, 2023, and February 28, 2023; Only one entry per student.
