

## Chapter 18 ETHICS AND FINANCIAL DISCLOSURE<sup>1</sup>

### ARTICLE I. IN GENERAL

#### Sec. 18-1. Policy.

It is the policy of the city that all city officials shall act and conduct themselves, both inside and outside the city's service, so as to give no occasion for distrust of their integrity, credibility or devotion to the best interests of the city and the public trust that it holds. To this end, there is established in this chapter an ethics commission for the city. The purpose of the commission is to accept and review complaints of impropriety on the part of city officials including, but not limited to, conflicts of interest such as the use of offices or employment for private gain, the granting and exchanging of favored treatment to persons, businesses, or organizations, and the conduct of activities that engender opportunities to influence government decisions for personal gain or advantage or that might otherwise bring discredit on or to the city. Additionally, the policy of the city in adopting article IV of this chapter is:

- (1) To eliminate any undue influence, and
- (2) To prohibit solicitation of campaign funds by city employees or certain appointed officials.
