**CITY OF HOUSTON
EB-5 (TEA) CERTIFICATION REQUEST FORM**

In accordance with Title 8, Code of Federal Regulations Section 204.6(i), the City of Houston Economic Development Division has been delegated the authority by the State of Texas to certify and/or designate a particular geographic or political subdivision located within a metropolitan statistical areas (MSA) or within a city or town having a population over 20,000 (Subdivision), such as, by way of example only, counties, census designated places (CDP), that meet the "high unemployment area" definition and therefore qualify for the \$500,000 minimum investment threshold as non-rural TEAs for EB- 5 program purposes. Unemployment rates for MSAs, counties, CDPs, cities, and their consisting census tracts are published annually through the U.S. Bureau of Labor Statistics (BLS) or American Community Survey. At the current time, the most recent unemployment information available at the census tract level is the American Community Survey (ACS) 2015-2019 - 5 Year Estimate.

DESIGNATION REQUESTS *(Petitioners should consider the following prior to and in submitting a request)*

STEP 1 - A specific address for the proposed investment will be needed to determine whether the new business is situated in a qualifying area. However, if a specific address is not yet available, a general description of the location or close area will suffice to tie the request to a qualifying area within a MSA, county, CDP, or city.

STEP 2 - Verify that the designated census tracts combined qualifies as a High Unemployment Area (has an unemployment rate equal to or exceeding 150 percent of the national unemployment average) using the current statistical analysis. The City of Houston requires that you use the most up to date labor data. At the current time, the most recent unemployment information available at the census tract level is the American Community Survey (ACS) 2015-2019 - 5 Year Estimate.

OUR GUIDELINES
Effective January 2014, in order to qualify for TEA certification, the following requirements need to be met: **The Census tract(s) and/or block group(s) used toward a contiguous or shared method designation CANNOT consist of more than 12 tracts within a 5-mile radius of the proposed site.**

PROCESSING TIME
Turnaround time for most requests is a **minimum of 15 business days from the day we receive your request in our office.**
