

# FALL 2024 COMMUNITY MEETINGS

Please join us at the 2024 Fall Community Meetings! The Housing and Community Development Department (HCD) is preparing a 5-year strategic plan, called the Consolidated Plan, and needs your help to determine how to spend an estimated \$250 million in federal grants on housing and community development programs and services to improve our community. The federal grants will include the Community Development Block Grant (CDBG), Home Investments Partnerships Program (HOME), Housing Opportunities for Persons with HIV/AIDS (HOPWA), and Emergency Solutions Grant (ESG).

We will highlight our recent accomplishments, while gathering valuable feedback on community needs and priorities to help inform our upcoming five-year strategies and goals to assist low- and moderate-income families in Houston.
