CLARIFICATIONS

1. **Question:** Are we to use the existing NVR/Server and just add Cameras and Licenses to it OR they want us to add new NVR as well???

Answer: Per keyed note 1 on TY-101, there is a new NVR included in the scope and it will record data from the new cameras only. No cameras will be added to any existing NVR. All existing equipment and systems will remain in service unless noted otherwise.
