Community Development Block Grant - Mitigation

COUNCIL DISTRICTS [B](#), [C](#), [H](#), [K](#)

PROJECTED COST \$61.8 Million

TYPE Drainage

DETAILS The City of Houston will receive more than \$61 million in Community Development Block Grant Mitigation (CDBG-MIT) to fund mitigation projects that will lower the risk of impacts from future disasters. The Housing & Community Development Department is creating an action plan for how this money will be spent. This action plan is our grant application to the U.S. Department of Housing & Urban Development (HUD). Money for mitigation projects cannot be used for emergency response services. Projects will focus on local and regional mitigation priorities that will have long-lasting effects.

Community Development Block Grant - Mitigation Harris County

COUNCIL DISTRICTS [B](#), [C](#), [H](#), [K](#)

PROJECTED COST \$181 Million

TYPE Drainage

DETAILS The U.S. Department of Housing and Urban Development (HUD) has allocated Community Development Block Grant Mitigation (CDBG-MIT) funds to the State of Texas to reduce or eliminate the risks related to disasters. The State has passed this allocation to Harris County, and the County has created a 'Method of Distribution' for partner applications. The City of Houston is seeking input on applications it has submitted to Harris County for funding of flood mitigation projects.
