**LOAN AGREEMENT (CDBG-DR 17/HOME AND HOUSTON HOUSING BOND  
REINVESTMENT TRANSACTION)**

The parties to this Loan Agreement (this “Agreement”) are the **CITY OF HOUSTON, TEXAS**, a home-rule city organized under the laws of the State of Texas (“City”), and **TEMENOS COMMUNITY DEVELOPMENT CORPORATION**, a Texas non profit corporation (“Borrower”) and is joined herein by **TEMENOS PERMANENT AFFORDABLE, LLC**, a Texas limited liability company (“Owner”).

Unless the context otherwise requires, the initial capitalized words shall have the meanings ascribed to them in **Schedule A** attached to this Agreement if they are not otherwise defined in the main body of this Agreement.

Borrower, City and Owner hereby agree as follows:

**SECTION ONE  
BACKGROUND**

A. Borrower has requested and this Agreement provides for a loan to be made from the City to the Borrower in the maximum principal amount of TWELVE MILLION FIVE HUNDRED THOUSAND AND NO/100 DOLLARS (\$12,500,000.00), (“Loan Amount”) (“City Loan” or the “City’s Loan”). The City’s Loan will provide for the rehabilitation, reconstruction, acquisition and/or construction of replacement affordable housing that was damaged or destroyed by Hurricane Harvey, and will serve a Low and Moderate Income (“LMI”) benefit by providing or improving residential structures to be occupied by households qualifying for LMI (“LMI Persons” or “City’s LMI Persons”).

B. Funding for the City Loan is being provided to the City pursuant to (i) 2017 Community Development Block Grant (“CDBG”) Disaster Recovery program funds (“CDBG-DR17 Program”) in the amount of EIGHT MILLION AND NO/100 DOLLARS (\$8,000,000.00) awarded by the United States Department of

Housing and Urban Development (“HUD”) through the Texas General Land Office (“GLO”) under the Continuing Appropriations Act, 2018 and Supplemental Appropriations for Disaster Relief Requirements Act, 2017 (Public Law 115-56) and the Further Additional Supplemental Appropriations for Disaster Relief Requirements Act, 2018 (Public Law 115-23), and the requirements published by HUD under 83 Fed. Reg. 5844 and 83 Fed. Reg. 40314, and is subject to the terms and conditions of that certain Contract Numbered 19-147-001-B489 (“2019 Subrecipient Agreement”) and 21-134-000-C788 (“2021 Subrecipient Agreement”), as may be amended from time to time (“GLO Contract”) between GLO and the City; (ii) reinvestment of THREE MILLION AND NO/100 DOLLARS from the proceeds of the HOME Investment Partnership Agreement between the City and the United States of America acting by and through its Department of Housing and Urban Development (“HUD”) for federal funding of a HOME Investment Partnership Program Grant under Cranston-Gonzalez National Affordable Housing Act., as amended (“Home Program”); and (iii) reinvestment of proceeds in the amount of ONE MILLION FIVE HUNDRED THOUSAND AND NO/100 DOLLARS (\$1,500,000.00) of Houston Housing Bonds. Pursuant to the GLO Contract, the provisions of that certain City of Houston Local Action Plan – Hurricane Harvey Housing Recovery passed and approved by City Council of the City of Houston (“City Council”) by Ordinance No. 2018-518 on June 27, 2018, as amended by that certain State of Texas Plan for Disaster Recovery: Hurricane Harvey Round 1, as amended from time to time (as so amended, the “Action Plan”), Federal regulations, as published in 24 C.F.R. Part 570 (“CDBG Regulations”), the

State of Texas CDBG Housing Rules, as published in 10 TAC Chapter 60; the City's Harvey Multifamily Program Guidelines, as amended from time to time, and other related administrative rules and regulations issued by the Federal Government or State of Texas that are applicable to rental activities funded under the CDBG-DR17 Program ("Other Requirements") are hereby included or incorporated in this Agreement and sub-agreements, as applicable. Furthermore, Borrower and Owner have been notified that the information related to the development, its operations and its residents are covered under Chapter 552, Texas Government Code, the Texas Public Information Act, unless a valid exception exists, and Chapter 2306 of the Texas Government Code. Borrower and Owner acknowledge that on the date HUD approves the eighth amendment to the Action Plan, the City's 2019 Subrecipient Agreement shall automatically terminate and the 2021 Subrecipient Agreement will become effective to govern this Agreement from that date forward.

C. The term of the City Loan shall commence on the Closing Date and shall mature on the last day of the Affordability Period (as same may be extended). No payment of principal or interest shall be payable under this Note except in the event of a Default (as hereinafter defined) during the Term of this Note. Upon the expiration of the Affordability Period (as defined in the Loan Agreement), if no Default has occurred which remains uncured, the amount of the deferred principal and interest shall be deemed paid. The Maturity Date is the date of expiration of the Affordability Period. Upon the event of a Default, at the option of the City after all applicable notice and cure periods have expired without cure, the outstanding deferred principal balance shall be immediately due and payable, without further notice or opportunity to cure. Interest will not be charged on the deferred principal and interest unless there is a Default then existing.

Provided that no Default then exists beyond the expiration of all applicable notice and cure periods and subject to the Director's consent and the conditions of this Section, Borrower may, at its option, extend the Term of this City Loan for a maximum of three (3) successive renewal periods of five (5) years each (the "Renewal Periods") by written notice to the City of Borrower's desire to renew the City Loan (the "Renewal Notice") which Renewal Notice shall be given no earlier than ninety (90) days prior to the expiration of the then current Term and no later than thirty (30) days prior to the expiration of the then current Term (as it may have previously been extended). For each Renewal Period, Borrower will pay the City a fee equal to one percent (1.0%) of the then outstanding balance of the City Loan which is a good faith estimate of the additional legal fees, monitoring costs and other expenses to be incurred by the City as a result of such extension and which sum must be paid simultaneously with the giving of the Renewal Notice. The extension option may only be exercised as to one Renewal Period at a time. (For clarity purposes, the second extension option may be exercised no earlier than ninety (90) days prior to the expiration of the first Renewal Period and will not be available if the first extension option is not exercised and the third extension option may be exercised no earlier than ninety (90) days prior to the expiration of the second Renewal Period and will not be available if the first and second extension options are not exercised.) As a condition to each such extension, the Affordability Period must be extended to cover the applicable Renewal Period, and the parties shall execute a written extension agreement and any other documentation which may be required to extend the City Loan, the Affordability Period and the Restrictive Covenants for the Renewal Period in form and substance reasonably acceptable to the City and Owner. In addition, as a further condition to the renewal, (i) Borrower shall provide the City with a title company endorsement to the City's loan policy of title insurance for such extension under Texas Title Insurance Procedural Rule

P.9.b.3 (or the equivalent), and (ii) the Project must pass the inspection of the City to ensure compliance with the Minimum Property Standards as the same are revised from time to time and if necessary, the Borrower shall cause Owner and Owner shall additionally make all necessary repairs to bring the Project into compliance. If Borrower requests an extension, the City may also, as a condition of renewal, require that the Replacement Reserve Account(s) be collaterally assigned to the City, subject, however, to Harris County's interest in the Replacement Reserve Account(s) under the Harris County Loan Documents (if applicable).

D. No payment of principal shall be payable under the City Loan except (and subject to the next sentence) in the event of Borrower's or Owner's Default of its obligations or representations and warranties and the expiration of all applicable notice and cure periods under (a) this Agreement, (b) the terms of the Note, the Collateral Note or any security or other Loan Documents securing or evidencing the City Loan, and/or (c) the City's Restrictive Covenants, provided, however, the Director, in his or her sole discretion, may waive in full or in part any requirement of this sentence. In the event the Director elects to accelerate payment of the Note and declare that all sums under the City Loan are immediately due and payable upon the declaration by the Director of a Default and the expiration of all applicable notice and cure periods under (a) this Agreement, (b) the terms of the Note or other documents securing or evidencing the City Loan, (c) the City's Restrictive Covenants, (d) the terms of the Owner Loan Agreement or the terms of any of the Owner Loan Documents, or (e) the Collateral Assignment (Owner Loan), the principal balance of the City Loan together with accrued but unpaid interest thereon shall become immediately due and payable at the Director's option.

E. Borrower's obligations to the City under this Agreement, including, but not limited to repayment of the City's Loan as evidenced by the Note, will be secured by, among other things,

the Collateral Assignment (Owner Loan) in favor of the City and the Owner Loan Documents. In furtherance of the foregoing, Borrower and Owner shall execute and deliver any instruments, documents and/or agreements necessary to create or perfect the security interests referenced hereunder.

F. Borrower shall loan the proceeds of the City Loan to Owner pursuant to the Owner Loan Agreement which has been or will be approved by the Director, for the Owner Loan from Borrower to Owner. Owner shall use the proceeds of the Owner Loan for the payment of the costs to acquire and rehabilitate, reconstruct, construct or replace rental housing to be known as Temenos Place Apartments, located in Houston, Harris County, Texas. The Land on which the Project is located is described in Exhibit A attached to this Agreement. A purpose of the Project is to house the City's LMI Persons in compliance with the affordability agreements set forth in this Agreement and in the Restrictive Covenants.

G. Guarantor will sign a Construction Completion Guaranty in the form set forth in the Attachments to this Agreement ("Construction Completion Guaranty") of Borrower's and Owner's requirements under this Agreement and the Construction Contract.

H. To secure the City Loan, Borrower will collaterally assign the Owner Loan and the Owner Loan Documents pursuant to the Collateral Assignment (Owner Loan) executed by Borrower in favor of the City covering the Owner Loan, the Leasehold Deed of Trust Security Agreement and Financing Statement executed by Owner covering the Project and the other Owner Loan Documents. Notwithstanding anything to the contrary in this Agreement, the Owner shall remain obligated to repay the Owner Loan to the holder thereof according to its terms and conditions until satisfied in full. To further secure the City Loan, Borrower shall execute in favor

of the City a Fee Deed of Trust Security Agreement and Financing Statement and Financing Statement covering Borrower's interest in the Project.

I. The City is obligated to comply with certain requirements with respect to reporting to GLO and HUD about the use of the Loan Proceeds and the operations and maintenance of the Project, among other matters, and this Agreement contains provisions for the Borrower and Owner to submit information to the Director on various aspects of the Project. Borrower shall, and shall cause Owner to submit, and Owner shall submit this information to the Director on the forms from time to time provided and required by the Director to be used by the Borrower and/or Owner ("Monitoring Forms"), the initial form of which is attached as **APPENDIX 5** hereto.

J. The City Loan is issued subject to the conditions and terms of this Agreement.

K. Borrower and Owner shall comply and shall cause their contractors to comply with the City's Minority, Women and Small Business Enterprise ("MWSBE") programs as set out in Chapter 15, Article V of the City's Code of Ordinances. Borrower and Owner shall make good faith efforts as described by the City's Office of Business Opportunity ("OBO") policy attached hereto as **APPENDIX 9**, to award subcontracts or supply agreements in at least 34% of the Loan Amount to MWSBEs. Borrower and Owner acknowledge that they have reviewed the requirements for good faith efforts on file with the OBO and shall comply with them.

Borrower and Owner shall ensure and shall cause their contractors to ensure that all subcontracts with MWSBE subcontractors and suppliers contain the following terms:

1. "[MWSBE subcontractor] shall not delegate or subcontract more than 50% of the work under this Subcontract to any other subcontractor or supplier without the express written consent of the City of Houston's OBO Director.

2. [MWSBE subcontractor] shall permit representatives of the City of Houston (including without limitation the Director and City Controller), at all reasonable times, to perform (a) inspections of all places where work is to be undertaken in connection with this Subcontract, and (b) audits of the books and records of [MWSBE subcontractor]. [MWSBE subcontractor] shall keep such books and records available for such purpose for at least four (4) years after the completion of its performance under this Subcontract. Nothing in this provision shall affect the time for bringing a cause of action nor the applicable statute of limitations.

3. Within five (5) business days of execution of this Subcontract, the prime contractor and [MWSBE Subcontractor] shall designate in writing to the Director an agent for receiving any notice required or permitted to be given pursuant to Chapter 15 of the City's Code of Ordinances, together with the mailing address and telephone number of such agent.

4. Any controversy between the parties involving the construction or application of any terms, covenants, or conditions of this Subcontract may be submitted to the OBO Director. The OBO Director may prescribe procedures to provide dispute resolution by neutrals, in accordance with the requirements of Chapter 15 of the City's Code of Ordinances.

L. Borrower and Owner hereby agree to comply with all conditions required by the GLO as a condition of GLO's approval of the Project for fair housing and affirmatively further fair housing purposes:

1. The Borrower and Owner shall implement the Affirmatively Furthering Housing Requirements ("AFFH Requirements") and the Authority to Use Grant Funds ("AUGF") issued in connection with the Project.

N. If the Loan Proceeds do not cover all of the costs of the Project, Owner shall have obtained at the time of Closing a firm commitment for the funding of the remaining acquisition costs (if applicable) and the costs to repair, renovate, construct and/or reconstruct the Project (collectively, together with the Harris County Loan, the "Other Financings"), all of which combined with the Loan Proceeds, total at least the amount required by the Approved Final Project Budget ("Final Project Budget") in form and content approved by the Director and attached hereto in the Exhibits to this Agreement. In any case, Owner shall be responsible for funding or obtaining funding for any costs or expenses of the Work, other Project cost under the Final Project Budget or otherwise payable under this Agreement to the extent not covered by the Loan Proceeds.

O. It is the policy of the City to ensure that construction work it finances protects workers on those projects by making sure they are safe, are compensated in accordance with Applicable Law, and have access to pathways for sustainable careers in the construction industry. All contractors who work on the Project are required to implement the workforce protection measures at Appendix 15.

P. The replacement reserve ("Replacement Reserve") shall be no less than \$300.00 per unit annually, increasing by 3% annually pursuant to Section 6.24 of this Agreement. Together with Harris County under the Harris County Loan Documents, the City shall have a security interest in the Replacement Reserve, and Borrower and Owner shall execute any instruments or other documents necessary to create or perfect such interest if required by the Director.

**5.1. Dependency Upon Federal Funding.** Borrower and Owner understand that the availability of the Loan Proceeds is dependent upon federal and state funding. Unless and until the City receives adequate funds from GLO and HUD, the City shall have no obligation to Borrower or Owner under this Agreement. In the event that the funds received by the City under the CDBG-DR17 Program and HOME Program are insufficient to meet the City's prior commitments, the Director may reallocate all or a portion of the funds that are budgeted for this Agreement.

**5.2. No Liability for Interruption of Funding.** In the event that GLO, HUD or other applicable governmental agency (for whatever reason) instructs the City to cease funding of the City Loan, the City may do so without obligation to Borrower or Owner and without being liable to Borrower or Owner for any damages Borrower or Owner may incur as a result of such cessation in funding. The City shall give Borrower and Owner written notice of such instructions promptly upon receiving such instruction, at which time, any and all of the City's obligations under this Agreement or any of the Loan Documents shall cease. In furtherance of the foregoing, in the event that the City provides Borrower and Owner with notice of interruption as contemplated in this Section Five, Borrower and Owner shall execute any releases or other documents or agreements

that the City determines necessary to enable the City to reallocate all or a portion of funds that are available pursuant to this Agreement that have not been funded to Borrower.

**5.4. Environmental Clearance and Release of Funds.** Notwithstanding any provision of this Agreement, the parties hereto agree and acknowledge that this Agreement does not constitute the City's commitment of funds or site approval, and that such commitment of funds and site approval may occur only upon satisfactory completion of the Environmental Review, receipt by the City of a written "release of funds" authorization from HUD (Authority to Use Grant Funds, form HUD-7015.16 or successor form) in accordance with 24 C.F.R. Part 58 and Executive Order 11988 ("Authority to Use Grant Funds") and the Authority to Use Grant Funds from the GLO and any Environmental Mitigation required in such Authorities to Use Grant Funds. The parties further agree that if the City is to provide any funds to the Borrower or the Owner in connection with the Project, such disbursement is conditioned on the City's determination to proceed with, modify, or cancel the City's Loan based on the results of a subsequent environmental review of the Land and the improvements thereon.

**5.5. City Council Approval Required.** This Agreement is subject to the approval of the City Council which may occur before the City receives the Authority to Use Grant Funds, as further described above. Unless and until the City receives the Authority to Use Grant Fund, the City has no obligation to Borrower or Owner under this Agreement.

Agreement for the Project was not made in compliance with this Agreement (including without limitation, for the purposes set forth in Section Six, Paragraph 6.1.1 hereof) or Applicable Law. Notwithstanding anything to the contrary, this provision shall survive the end of the term of this Agreement.

The amounts, types, and other specifications of such insurance are described in the "Insurance Requirements" pages of the Appendices (although the Appendices contain the Insurance Requirements as of the Effective Date of this Agreement, the version of Insurance Requirements in effect for the City's General Conditions of Construction Contract at the date of Closing of the City's Loan shall supersede the requirements set forth in the Appendices during the Approved Construction Period). Borrower shall cause Owner to, and Owner shall also comply with all insurance requirements of any Other Financings. In the event of a conflict between the insurance requirements of the Other Financings and this Agreement, the stricter of the two requirements for each type of insurance shall control. Notwithstanding the foregoing, during any period of time when construction is ongoing, Borrower shall cause Owner to, and Owner shall cause builder's risk insurance to be maintained by Contractor for those buildings at the Project undergoing construction in coverage amounts not less than the total respective amount of City provided funds and the Other Financings that will be allocated to Work on those buildings.

**6.2.7 Debarment, etc.** No contractor or subcontractor shall be employed who is debarred or suspended by the City's Housing and Community Development Department, GLO, HUD, or any other federal, state or local governmental agency or program. The Debarment form

**6.8. Designated Units; Compliance With Affordability Requirements.**

**6.8.1.** The Director has determined that the number of Designated Units for the Project covered by this Agreement shall consist of forty-nine (49) units, being at least fifty-one percent (51.0%) of the ninety-five (95) total residential units in the Project, the location of which may float during the Affordability Period. The size and type of the Home Designate Units (as defined below) shall be set forth on the Certificate of Satisfaction of Closing Conditions. At least thirty (30) days prior to the occupancy of any unit, the Owner shall notify the Director in writing of the addresses of the HOME Designated Units.

**6.8.2.** The number of Home Designated Units rented or available for rent to Very Low-Income Households shall be twenty-six (26) which is 100% of the HOME Designated Units. In the event that the formula set forth in 24 CFR Sec. 92.252 in the future would require a greater or lesser number of Designated Units to be rented or available for rent to Very Low-

Income Households, the number of Designated Units rented or available for rent to Very Low-Income Households shall not change from the number specified in this Section.

**6.8.3.** With respect to the Designated Units, Borrower shall cause Owner to, and Owner shall comply with the following rent and income requirements determined in accordance with the Restrictive Covenants (collectively, the “Affordability Requirements”):

- (a) Each of the Designated Units shall be rented or be available for rent only to the City’s LMI Persons, being those households whose gross income does not exceed eighty percent (80%) of the Area Median Income (“AMI”), as determined by HUD.
- (b) Designated Units shall be rent restricted based upon the following criteria:

  - (2) forty-three percent (43%) or twenty-one (21) of the Designated Units shall be restricted to households with gross incomes that do not exceed fifty percent (50%) of AMI.
  - (3) forty-seven percent (47%) or twenty-three (23) of the Designated Units shall be restricted to households with gross incomes that do not exceed sixty percent (60%) of AMI.

Twenty-six (26) of the Designated Units (as described in subsections (a) and (b) above) will be under the HOME Program (“HOME Designated Units”) and subject to Low HOME Rents as described below.

- (c) With respect to the HOME Designated Units, Borrower shall cause Owner to, and Owner shall comply with the following rent and income requirements determined in accordance with the Restrictive Covenants (collectively, the “Affordability Requirements”):
  - (1) **High HOME Rents.** Designated Units rented or available for rent to Low Income Families shall have a maximum rent that is the lesser of the following:

- (A) the fair market rent for existing housing for comparable units in the area as established by HUD under 24 CFR Sec. 888.111; or
  - (B) a rent that does not exceed thirty percent (30%) of the adjusted income of a family whose annual income equals sixty five percent (65%) of the median income for the area (“Area Median Income”), as determined by HUD, with adjustments for the number of bedrooms in the Designated Unit as well as for family size.
- (2) **Low HOME Rents.** Designated Units rented or available for rent to Very Low-Income Households must meet one of the following rent requirements:
- (A) the rent does not exceed thirty percent (30%) of the annual income of a household whose income equals fifty percent (50%) of the Area Median Income for the area, as determined by HUD, with adjustments for smaller and larger households (if the rent determined by this calculation is higher than the rent determined by following the formula in Section Six, Paragraph 6.8.3(c)(1) above, then the amount determined in Section Six, Paragraph 6.8.3(c)(1) shall be the rent); or
  - (B) the rent does not exceed thirty percent (30%) of the household’s adjusted income. If the household receives a federal or Texas project-based rental subsidy and the tenant pays as a contribution toward rent not more than thirty percent (30%) of the household’s adjusted income, then the maximum rent is the rent allowable under the federal or Texas project-based rental subsidy program.

With respect to the Designated Units which are not HOME Designated Units, the rental amount for each Designated Unit (other than the HOME Designated Units) shall not exceed the applicable maximum rental limitations published annually by HUD for the low-income housing tax credit program, adjusted for household and unit size and applicable to the City, as such rental limitation is further described at 26 U.S.C. §§ 42(g)(2)(A) and (B).

**6.8.4.** The location of the Designated Units shall “float” within the Project. The size and type of the Designated Units shall be set forth on the Certificate of Satisfaction of Closing Conditions. No later than ninety (90) days prior to the initiation of rental activities at the Project, Borrower shall cause Owner to, and Owner shall contact the Director to establish a procedure for identifying the initial Designated Units to be occupied by qualified tenants and a procedure for identifying the floating Designated Units on a periodic basis thereafter, all in compliance with applicable HUD regulations and directives. Floating Designated Units shall conform with the requirements of this Section and the Restrictive Covenants. The initial proposed rents for the Designated Units will be set in the Certificate of Satisfaction of Closing Conditions provided that no later than ninety (90) days prior to the occupancy of any Designated Unit, the Borrower or Owner may request the Director to consent to an adjustment of the rents (subject to applicable HOME requirements), and the Director may agree to or reject the request in his or her sole discretion.

**6.8.5. Reserved.**

**6.8.6.** If the income of the tenant family occupying a Designated Unit increases above the threshold eligible AMI level as provided for in this Agreement and in the Restrictive Covenants, then the next available non-Designated Unit at the Project must be set aside for an eligible family, and that new unit then becomes a Designated Unit.

**6.9. Annual Reevaluation of Rents.** For purposes of monitoring compliance with the Affordability Requirements, Borrower shall cause Owner to, and Owner shall, prior to the occupancy of any tenant in a Designated Unit and thereafter annually, submit to the Director for his approval, the rents proposed to be charged by Owner for the coming year for Designated Units

and the monthly allowances proposed by Owner for the coming year for utilities and services to be paid by the tenant. In connection with Owner's annual submission of proposed rents, Borrower shall cause Owner to, and Owner shall reexamine the income of each tenant family living in a Designated Unit. Borrower shall cause Owner to, and Owner shall calculate the maximum monthly rent in accordance with the Affordability Requirements, and such maximum monthly rent shall be reviewed and approved by the Director prior to the date that such rent becomes effective ("Approved Rents"). Any increase in the Approved Rents for Designated Units is subject to the provisions of the leases, in any event, and Borrower shall cause Owner to, and Owner shall provide tenants not less than thirty (30) days prior written notice before implementing any increase in Approved Rents.

**6.10. Compliance With Property Standards.** Borrower shall cause Owner to, and Owner shall, throughout the Affordability Period, maintain the Project in good condition and repair, ordinary wear and tear excepted, in accordance with the Minimum Property Standards. City shall have the right to inspect the Project from time to time to ensure compliance with such requirements, and may require Owner to make any necessary repairs to comply with such requirements in a reasonable period of time; provided, however, any repairs to correct a dangerous condition or imminent hazard shall be commenced immediately upon notice of such dangerous condition or imminent hazard and prosecuted diligently to completion.

**6.11. Tenant Lease Requirements.** Prior to the date that any new or renewal leases for Designated Units and PSH Units are entered into, the Director shall approve a form lease that shall be used for occupancy of the Designated Units and PSH Units. No modifications to such form lease shall be made without the Director's prior written approval. Borrower shall cause Owner to, and Owner shall enter into leases on such approved form with each tenant of a

Designated Unit and/or PSH Unit. The term of each lease of a Designated Unit and PSH Unit shall not be less than one year unless Owner and the tenant mutually agree otherwise. No lease of any Designated Unit may contain a provision prohibited under 24 CFR 92.253(b). All HOME Designated Units must be initially leased to qualifying tenants within six (6) months of Project Completion in accordance with 24 CFR Sec. 92.252 (and the comments thereto). After six (6) months if all of the HOME Designated Units have not been initially leased, the City may require the Borrower and the Borrower shall cause the Owner to intensify affirmative marketing efforts in accordance with an adjusted Affirmative Fair Marketing Plan approved by the City. If a HOME Designated Unit is not initially leased within eighteen (18) months of Project Completion, the City may require repayment of the portion of the City's Loan invested in such unleased HOME Designated Units.

**6.12. PSH.** All units will be Permanent Supportive Housing units ("PSH Units") and Borrower shall and shall cause Owner to comply with the PSH requirements of this Agreement. The Project is covered by a long term Section 8 Project Based Housing Assistance Contract through the Houston Housing Authority. The Borrower and Owner shall provide PSH Units for homeless adults and for those experiencing homelessness who have gone through the Coalition of the Homeless ("CoC"), a Houston area collaborative of service agencies, local governments, public housing authorities, and other nonprofits providing them with nationally-recognized and effective programs.

The Homeless Management Information System ("HMIS") is a tool designed to capture client-level, system-wide information over time on the characteristics and services needs of individuals and households experiencing homelessness. As a recipient of funds designated for PSH, the

Borrower and Owner shall provide a certain number of units accessible to the HMIS system operated and managed by the CoC (“CoC”) during the Affordability Period. As a condition for funding and Closing, the Borrower will make available for rental a minimum of 30 1 Bedroom units (“CoC PSH Units”) referred by CoC or separate agency determined by the CoC during the Affordability Period. Commencing with lease-up of the Project and thereafter as PSH Units become available for rental, the CoC will be permitted to have access to these units for a minimum of a 30 days period that will include application review. The initial thirty (30) PSH Units shall be occupied by the relocated residents of the related Temenos project which was condemned.

Prior to closing, the Borrower shall or will cause Owner to provide a management plan (“PSH Management Plan”) that outlines housing and services to be based on a Housing First model. Housing First is a homeless assistance approach that prioritizes providing permanent housing to people experiencing homelessness. A Housing First approach does not require people experiencing homelessness to address all of their basic needs or problems including but not limited to behavioral health or substance use issues. Housing First is based on client choice is valuable in housing selection and supportive service participation, and that exercising that choice is likely to make a client more successful in remaining housed and improving their life. The PSH Management Plan must also outline procedures to evaluate referrals and applicants that have been evicted from its own portfolio or other properties.

The City will review the management plan with The Way Home to ensure a Housing First approach will be achieved. Additional information can be found at:

<http://fendhomelessness.org/wpcontent/uploads/2016/04/houslnq-first-fact-sheet.pdf>.

Upon approval the PSH Management Plan must be implemented and utilized at the Project during the Affordability Period.

**6.13. Tenant Selection Policy; Marketing.** Borrower shall cause Owner to, and Owner shall comply at all times with the approved Tenant Selection Policy and shall not amend the Tenant Selection Policy without the prior written approval of the Director.

**6.13.1.** Borrower shall cause Owner to, and Owner shall comply with the Affirmative Fair Marketing Plan compliance regulations (24 CFR 108.15).

**6.13.2.** Borrower shall cause Owner not to, and Owner shall not refuse to lease a Designated Unit or a PSH Unit to a prospective tenant because of the status of the prospective tenant as a holder of a certificate of family participation, rental voucher, or comparable tenant-based assistance document under any federal or state assistance program (unless such rental is in conflict with other applicable federal or state requirements).

**6.14. Use of Project.** During the term of the Affordability Period, the Designated Units and PSH Units shall be used solely for the purpose of providing affordable housing as herein provided for the City's LMI Persons, Low Income Families and Very Low Income Families in accordance with the provisions of this Agreement, and for no other purpose. Owner shall list the Project on the Houston Housing Authority's ("HHA") landlords list and shall notify HHA that the Designated Units are available for affordable housing. A Designated Unit may also be a PSH Unit.

**6.15. Maintenance of Records; Financial and Operating Reports; Monitoring.**

**6.15.1.** Borrower shall cause Owner to, and Owner shall follow the recordkeeping requirements set forth in this Agreement or required by the City or the Director, including to establish and maintain such records as may be necessary to facilitate review and audit by City representatives (including without limitation the Director and City Controller) (collectively, the "City Representatives") or GLO or HUD of the City Loan and any documentation required in connection with the CDBG Regulations under 24 C.F.R. § 570.492 and 24 C.F.R. § 570.493 and

the applicable HOME Program regulations under 24 CFR Sec. 92.508. With respect to the Designated Units, the Borrower shall or shall cause Owner to submit annual reports to the City concerning tenant income eligibility, status and certification, rents owed and collected, and the Owner's affirmative marketing efforts. The data required and reporting forms will be specified by the Director. All reports, records, information and data prepared or collected in connection with the Designated Units are confidential, and the Borrower agrees and shall cause Owner to agree not to disclose the same to any person (other than the Owner's employees and agents, the City, and anyone else to whom disclosure is required by applicable law) without the prior written approval of the Director. The City Representatives, GLO and/or HUD or any of their authorized representatives shall have the right to audit Borrower's and Owner's books and record and compliance with this Agreement upon reasonable notice to Borrower or Owner, as applicable. If such books and records are located outside of Harris County, Texas, Borrower and Owner agree to make them available in Harris County, Texas.

With respect to the Designated Units and PSH Units, the Borrower shall or shall cause Owner to submit annual reports to the City concerning tenant income eligibility, status and certification, rents owed and collected, and the affirmative marketing efforts. The data required and reporting forms will be specified by the Director. All reports, records, information and data prepared or collected in connection with the Designated Units and PSH Units are confidential, and the Borrower agrees and shall cause Owner to agree not to disclose the same to any person (other than the Owner's employees, investors, lenders, and agents, the City, and anyone else to whom disclosure is required by applicable law) without the prior written approval of the Director.

**6.15.4** The City shall have ownership of all information, including reports and data, prepared or assembled by Borrower or Owner for purposes of meeting CDBG-DR17 Program and HOME Program requirements and the contractual requirements of this Agreement; provided, however, Borrower and Owner may provide copies of such information to third parties.

**6.15.6** Borrower and Owner shall maintain all records and other information relating to the Project for a period of not less than five (5) years following the expiration of the Affordability Period or as otherwise provided at 24 CFR Sec 92.508(c).

**6.15.7** Borrower shall pay or cause Owner to pay an annual monitoring compliance fee to the City in the amount of \$30.00 per Designated Unit.

**6.16 Notice of Claims or Suits.** Borrower shall cause Owner to and Owner shall, give the Director prompt written notice of any causes of action, suits, or other proceedings filed or any claims made against the Project, Borrower, Owner, Master Landlord or Guarantor, or, to the extent that it would have a material adverse effect on the Project, and Borrower and/or Owner have notice thereof, any other persons involved in the implementation or administration of the transactions contemplated by this Agreement.

**6.17 Minority, Women and Small Business Enterprises.** For purposes of this Paragraph 6.17, the term "Owner" shall mean and include, collectively, Owner, the Master Landlord its Construction Project Manager(s) and its general contractor(s). If the Land for the Project was acquired by Borrower or Owner from any director, officer, employee, partner, or affiliate of Borrower or Owner, the sales price for the Land may not have been any greater than most recent assessed value for ad valorem tax purposes, or the value set out in an independent appraisal report. If the leasehold interest in the Land for the Project was acquired by Borrower or Owner from any director, officer, employee, partner, or affiliate of Borrower or Owner, the sales price for the leasehold interest in the Land may not have been any greater than the most recent assessed value for ad valorem tax purposes, or the value set out in an independent appraisal report. Neither Owner, Borrower nor any other owner, developer or sponsor of the Project nor any officer, employee, agent, elected or appointed official, or consultant of such parties, nor any immediate family member of such persons may occupy a Designated Unit during the Affordability Period, provided, however, that this provision shall not apply to any employee or agent of any owner or developer of the Project (including Owner and Borrower) who occupy a housing unit as a project manager or maintenance worker. The Director may grant an exception to the occupancy limitation set forth in the preceding sentence on a case by case basis, to the extent

permitted in 24 CFR Sec. 2.356(f) or other applicable regulation. Notwithstanding the foregoing, Borrower or Owner may enter into a transaction with an affiliate in connection with this Agreement for the provision of resident services.

**6.19 Taxes and Insurance.** Borrower shall cause Owner to and Owner shall pay all applicable taxes for the Project before delinquency and all insurance premiums for the Project at least 15 days before the due date to prevent any lapse in coverage. Borrower shall cause Owner and Owner at its option shall either: (1) fund an escrow account with its managing member for the payment of taxes and insurance premiums; or (2) provide the Director with written evidence acceptable to the Director that taxes and insurance premiums are paid prior to the date that such taxes and insurance premiums are due. To the extent that Owner escrows funds with its managing member, Owner shall provide the City with evidence of the adequacy of such escrows. Further, to the extent that Owner fails to escrow funds with its managing member, the Director reserves the right to require Owner to escrow funds for taxes and insurance premiums with the City.

Borrower shall cause Owner to report Section 3 compliance in accordance with 24 C.F.R. Part 135 and 83 Fed. Reg. 5844. Section 3 requirements are applicable to Borrower and/or Owner if the assistance provided for in this Agreement exceeds \$200,000.00, and to contractors and subcontractors for contracts or subcontracts that exceed \$100,000.00.

**6.21 Public Relations and Signage.** All news releases and other public relations efforts,

including advertising (except for advertisements solely for the purpose of obtaining tenants for the Project) and signage, must be approved in advance by the Director, and must properly refer to the City's Loan by the City and the City's Housing and Community Development Department.

**6.22 Expertise.** Upon request by the City, the City shall have the right to approve Owner's intention to retain any person or firm for the purpose of constructing, leasing and managing the Project and Borrower shall cause Owner to, and Owner shall provide evidence of the expertise and competence of such persons and firms that Owner intends to engage for the purpose of constructing, leasing and managing the Project.

**6.23 Compliance with Applicable Law.**

**6.23.1** Borrower shall cause Owner to, and Owner shall acquire, repair/re-construct, lease, maintain and operate the Project, and conduct all activities under this Agreement in accordance with all applicable federal, state, and local laws, rules, regulations and ordinances including, without limitation, the those included in the Appendices and specifically set forth in this Agreement, as they may be from time to time amended (collectively, the "Applicable Law"). Borrower and Owner will conduct all activities under this Agreement and the Loan Documents in accordance with Applicable Law. This Project is being funded in part with funds from the CDBG-DR17 Program grant and the HOME Program grant reinvestment. In the event of a conflict between the Applicable Law or program requirements between the CDBG-DR17 Program and the HOME Program, the stricter requirements shall control.

**6.23.2** Borrower and Owner acknowledge and agree that they are required to comply with all Applicable Law with respect to lead-based paint (42 U.S.C. Sec. 4831(b)) and asbestos containing materials within the Project.

**6.23.3** Borrower shall cause Owner, and Owner shall cause the Project and the Work to comply with the requirements of the 2010 ADA Standards (as hereafter defined) under the Americans With Disabilities Act of 1990 (42 U.S.C. § 12101 et seq.), the Architectural Barriers Act (42 U.S.C. §§ 4151-4157), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794 et seq.) ("Section 504"), and regulations and guidelines promulgated thereunder, as all of the same may be amended and supplemented from time to time, the Texas Architectural Barriers Act, Tex. Gov't. Code Ann. § 469.001 et seq. (1994) and the regulations and guidelines promulgated thereunder, and Chapter 10, subsection 60 of the Texas Administrative Code and the regulations and guidelines promulgated thereunder ("Chapter 10") as all of the same may be amended and supplemented from time to time (collectively, "Accessibility Requirements"). Five percent (5%) of the total number of units at the Project (i.e. five (5) units), disbursed throughout the Project, shall be designated accessible in accordance with Section 504 and Chapter 10 using the 2010 ADA Standards for Accessible Design, promulgated by the United States Department of Justice, found at 28 C.F.R. § 35.151 (2013) and 36 C.F.R. Part 1191, App. B and D (2013) (the "2010 ADA Standards") as modified by HUD. In addition, two percent (2%) of the units at the Project (i.e. two (2) units) shall meet the standards to accommodate the hearing and visually impaired in accordance with Applicable Laws (as defined herein).

**6.23.4** If applicable, Borrower shall cause Owner, and Owner shall comply with CDBG and HOME Regulations at 24 C.F.R. Part 570, the Uniform Relocation Assistance and Real Property Policies Act of 1970 ("URA"), as amended, at 49 C.F.R. § 24, and Section 104(d) of the Housing and Community Development Act of 1974, as amended, at 24 C.F.R. § 42. Borrower shall cause Owner, and Owner shall also comply with the tenant protection requirements set forth in the American Recovery and Reinvestment Act of 2009 ("ARRA") and the Protecting Tenants

at Foreclosure Act of 2009, as amended and extended, (“PTAF”), as well as with any local codes or ordinances with respect to tenants’ rights or tenant protection. If required by Applicable Law, Borrower shall cause Owner, and Owner shall also comply with the Multifamily Relocation Requirements (“Multifamily Relocation Requirements”) in the Appendices and shall submit to the Director copies of all documentation required by the Multifamily Relocation Requirements or relating to URA, which may include, without limitation, (i) a certification or affidavit, unless waived by the Director, affirming Owner has performed all appropriate due diligence in order to confirm compliance with the tenant protection requirements set forth herein, (ii) a Notice to Real Property Owner/Seller, (iii) Tenant Status Reports, (iv) all Notices with Tenant Acknowledgements as required by the URA and (v) other related forms described in the Multifamily Requirements. If required by Applicable Law, Borrower shall cause Owner, and Owner shall also submit to Director copies of all tenant notices and the Seller’s Occupancy Certification required under PTAF with respect to the tenant protection requirements, to substantiate that such notices, if required by Applicable Law, were provided either by the foreclosing lender or by Borrower or Owner, as applicable.

***6.24 Replacement Reserve and Operating Reserve.*** Not later than the first (1<sup>st</sup>) anniversary following Project Completion, Borrower shall cause Owner to, and Owner shall establish with its managing member, or to the extent not funded with the managing member, a financial institution acceptable to the Director in his or her sole and absolute discretion, and fund as an Operating Expense a “replacement reserve escrow account” (“Replacement Reserve Account”) for the replacement of furniture, fixtures, and equipment used in connection with those units at the Project for which the Work has been completed and for repair of capitalized improvements, in an amount not less than \$300.00 per unit annually, increased by 3% annually.

The reserve shall be deposited in equal monthly installments on an amortized basis. (For example, if the Project had 100 Units, the monthly payment would be calculated as follows: 100 Units x \$300 ÷ 12 = \$2,500 monthly escrow payment). The City shall have the right to cause Owner to fund such Replacement Reserve Account, in an annual amount not less than \$300.00 per unit, increased by 3% annually, in accordance with the terms of this Section 6.24. Unless a Default exists beyond all applicable notice and cure periods, Owner shall be entitled to utilize amounts in the Replacement Reserve Account as necessary, provided that Owner shall replenish the amount withdrawn by continuing to fund deposits to the Replacement Reserve Account in accordance with the preceding sentence. If required by the Director, the Replacement Reserve Account and all amounts held therein shall be collaterally assigned to the City (and which may be collaterally assigned to Harris County under the Harris County Loan Documents) pursuant to a pledge and account control agreement in form and substance acceptable to the Director in his or her sole and absolute discretion. The City shall have a first lien priority interest in the Replacement Reserve Account and the funds contained therein on a pari passu basis with Harris County. On an annual basis, Borrower shall cause Owner to, and Owner shall provide the Director with an accounting of the Replacement Reserve Account. The Director may, at its option require Owner to establish an Operating Reserve for the Project at Project Completion on terms and conditions as approved by the Director.

**6.25 Insurance Provisions in the Deed of Trust.** Borrower shall cause Owner to, and Owner shall comply with all insurance requirements set out in the Deed of Trust securing the City Loan and this Agreement.

**6.26 Reserved.**

**6.27 Consulting and Developer's Fees.** During the Term, without the prior written

approval of the Director, no consulting or developer's fees shall be paid directly or indirectly out of the proceeds of the City's Loan or out of the revenue of the Project (except as provided in the Approved Final Construction Budget or the Approved Final Operating Budget).

**6.28 Distributions Covenant.** If the Project exceeds a debt service ratio of 1.5 to 1 on an annual (calendar year) basis, the available cash for distribution for such calendar year shall be limited to the cash available between breakeven (1:1 debt service ratio) and a 1.5 to 1 debt service ratio. Notwithstanding anything to the contrary contained in this Agreement, any distribution whether to Borrower, Owner, Master Landlord or any of their respective partners, shareholders, members or affiliates as applicable in excess of such amount shall entitle the Director to declare a Default hereunder without prior notice and opportunity to cure. For example: If the debt service on the Project was \$100,000 per year and the available cash before payment of debts was \$200,000, the Project would have a debt service ratio of 2:1. \$100,000 of the cash would be used to pay debt service, \$50,000 (only) would be available for distribution and the remaining \$50,000 would be reserved by Owner and promptly invested in the capital improvement of the Project, invested in additional services for residents, or deposited in the Replacement Reserve Account. Cash flow in excess of a 1.5 to 1 debt service ratio shall not be available for distribution and shall be invested in the Project, invested in additional services for residents, or deposited in the Replacement Reserve Account as provided above. Borrower and Owner covenant to notify the City in writing at least ten (10) days in advance of any distribution of Project income to Borrower's, Owner's or Master Landlord's partners, shareholders, members or affiliates as applicable. Cash flow from the Project shall be calculated prior to the payment of any rent under the Master Lease, and distributions shall include distributions including rent made to the Owner or the partners of Owner and Master Landlord. Payment of the following fees and payments to the Tax Credit Investor shall

not constitute distributions: Annual asset management fees in the amount of \$7,125 per annum, which shall increase by 3% per annum, repayment of any “Voluntary Funding” (as defined in the Owner’s Amended and Restated Operating Agreement), payment of any “Tax Credit Adjusters” (as defined in the Owner’s Amended and Restated Operating Agreement).

**6.29 Modification Fees.** In the event that a modification of this Agreement or any change in any City Loan terms is required after Closing which requires the Director’s or City Council’s approval, Borrower shall be responsible for all costs in connection therewith together a fee of no less than \$25,000.00 with the amount of the fee to be determined at the time of request.

**SECTION SEVEN**  
**RESERVED**

**SECTION EIGHT**  
**RESERVED**

**SECTION NINE**  
**DISBURSEMENT PROCEDURES**

**9.1 Disbursement Limitations.** The proceeds of the City Loan shall be disbursed only for eligible and approved costs of the Work, relocation costs or acquisition costs that (i) are included in the Approved Final Project Budget, (ii) have been approved by the Director, (iii) if for Work, are for Work that has been completed and which Work has been approved by the Director, and (iv) if for materials, are for materials purchased and stored on site and approved by the Director.

**9.2 Retainage.** Disbursement for the Work, acquisition costs or other expenses under the Approved Final Construction Budget shall be subject to a ten percent (10.0%) retainage under Section 53.101, et seq. of the Texas Property Code (as it may be amended from time to time), but notwithstanding the foregoing, in no case shall retainage be released prior to thirty (30) days following completion of the Work as certified by the Architect or other person acceptable to the

City. At the time of the release of the retainage, the Project is or will be as a result of the release of retainage free of all liens relating to the Project, other than liens that are bonded around. At the time of the release of the retainage, Borrower shall cause Owner and Owner shall provide the City with a down-date endorsement (T-3), final lien waivers and/or such other documentation as may be required by the Director.

**9.3 Reallocation of Loan Proceeds.** Any Loan Proceeds that are allocated for the Project but that are not expended for eligible costs under the Approved Final Project Budget pursuant to the terms of this Agreement shall be returned to the City for reallocation.

**9.4 Reallocation of Savings and Contingencies.** Borrower or Owner may, with the Director's approval, such approval not to be unreasonably withheld, reallocate savings from one category of the Approved Final Construction Budget or from the contingency category of the Approved Final Construction Budget to another category of the Approved Final Construction Budget for the Project.

**9.5 Drawdown Procedure.** Borrower shall not request a disbursement of the Loan Proceeds except in accordance with the Approved Construction Schedule and Approved Final Project Budget and in accordance with the provisions of this Paragraph 9.5. When a disbursement of Loan Proceeds is requested, Owner shall provide to Borrower for delivery to the Director, or Owner shall provide directly to Director (but in no event more often than once a month and for an amount of not less than \$5,000) an application for the disbursement (in a form required by the Director) (the "Disbursement Request") together with supporting documentation required by the Director (which shall include but not be limited to invoices and draw requests submitted by Contractor, interim lien waivers using forms provided by the GLO attached hereto as APPENDIX 13, and monthly construction progress reports on a unit by unit basis for verification by a third

party inspector or a representative of the City) and evidence of required permits. In addition to the other information required by the Director, the initial disbursement request shall include a copy of all required permits necessary to commence construction. If the Director objects to an item (or the applicable portion thereof to which the Director objected) included in any Disbursement Request or if all required information has not been submitted, then the Director shall notify Owner within 10 business days of receipt of the applicable Disbursement Request of the Director's objection and shall thereupon be relieved of any obligation to make a disbursement for that item (or portion thereof) until such time as Owner cures the objection(s) to the satisfaction of the Director. If the Disbursement Request is otherwise complete (as determined by the Director) and provided no Default exists or event that with the passage of time or giving of notice would constitute a Default has occurred and is continuing, the City shall, within 30 calendar days following approval of Owner's request, fund the requested disbursement from the City Loan less any amounts for items to which the Director has raised an objection and that have not been cured and less any retainage; provided, however, that the City shall not be required to make a disbursement (other than the last disbursement) in an amount less than \$5,000 nor shall the City be required to make more than one disbursement per month. With each draw, the Owner shall provide a down-date endorsement (T-3) to the City Loan Title Policy together with partial lien releases from the Contractor and subcontractors for the Work performed through the date of the draw request.

**SECTION TEN**  
**DEFAULT AND REMEDIES**

**10.1 Default.** The Director may declare a default ("Default") under this Agreement or any one or more of the Loan Documents upon the occurrence of any one or more of the following circumstances that is continuing beyond the expiration of all applicable notice, grace, and cure periods (and in all events, subject to the rights of Tax Credit Investor under Section 10.3 hereof):

**10.1.1 Failure to Pay.**

(a) If Borrower fails to pay, when due, any portion of the indebtedness evidenced by the Note and/or this Agreement and/or secured by the Collateral Assignment (Owner Loan) and such failure continues for ten (10) days after written notice thereof from the Director to Borrower.

(b) If Owner fails to pay the Borrower when due any portion of the indebtedness evidenced by the Owner Loan and such failure continues beyond all applicable notice and cure periods contained in the Owner Loan Agreement.

**10.1.2 Breach of Affordability Requirements and/or Restrictive Covenants.** If Borrower or Owner breaches (i) the Affordability Requirements in this Agreement or the parallel Affordability Requirements set forth in the Restrictive Covenants and such breach continues for thirty (30) days after written notice thereof from the City to Borrower and Owner or (ii) any other covenant, condition, representation or warranty contained in the Restrictive Covenants and such breach continues for thirty (30) days after the City delivers written notice thereof to Borrower and Owner, Borrower and Owner shall not have any additional cure rights hereunder.

**10.1.3 Breach of Other Covenants or Conditions.**

(a) Except for the breaches of covenants or conditions covered by Section Ten, Paragraphs 10.1.1 and 10.1.2 above, if Borrower or Owner fails, refuses or neglects to perform fully and timely any obligation, or breaches any covenant or condition (including any condition prior to or subsequent to the issuance of the City Loan) under this Agreement, or under any other

Loan Document, and such failure continues for thirty (30) days after written notice from the City to Borrower and Owner, or, if the failure is not susceptible to cure within said 30-day period, such greater period of time (not to exceed sixty (60) days) as is necessary to cure such failure provided Borrower commences to cure such failure within said 30-day period and diligently works to cure such failure; provided, however that in the event that (i) any such cure periods would cause a violation to occur under Applicable Law or (ii) any breach or failure of performance of a life safety requirement, such event may be deemed and declared a Default hereunder without any notice or opportunity to cure;

(b) Except for the breaches of covenants or conditions covered by Section Ten, Paragraphs 10.1.1 and 10.1.2 above, if Owner fails, refuses or neglects to perform fully and timely any obligation, or breaches any covenant or condition under any of the documents evidencing, securing or otherwise pertaining to the Owner Loan, and such failure continues for thirty (30) days after written notice from Borrower or City to Owner; provided, however that in the event that (i) any such cure periods would cause a violation to occur under Applicable Law or (ii) any breach or failure of performance of a life safety covenant, such event shall be deemed a Default hereunder without any notice or opportunity to cure.

**10.1.4 Breach of Representations or Warranties.** If any representation or warranty made by Borrower or Owner in its application(s) for the City Loan or in any of the Loan Documents, or this Agreement, or the Restrictive Covenants is false or misleading in any material respect, provided, however, that solely with regard to non-financial misrepresentations or warranties, Borrower and Owner shall have thirty (30) days after written notice to the Borrower and Owner from the City in which to take such action as may be necessary to cause the matter or thing represented to become true or not misleading; provided, however that in the event that any

such cure periods would cause a violation to occur under Applicable Law, such event shall be deemed a Default hereunder without any notice or opportunity to cure.

**10.1.5 Voluntary Actions.** If Borrower, Owner, or Guarantor (if any) is voluntarily adjudicated bankrupt, seeks, consents or does not contest the appointment of a receiver or trustee for itself or for all or part of its property, makes a general assignment for the benefit of creditors, does not pay its debts as they become due, or files a petition seeking relief under United States Bankruptcy Law.

**10.1.6 Involuntary Actions.** If a petition is filed against Borrower, Owner, Master Landlord or Guarantor (if any) under United States Bankruptcy Law or if a court of competent jurisdiction enters an order appointing a receiver or trustee for Borrower, Owner, Master Landlord or Guarantor (if any) for all or any material part of such party's property, and the order or petition is not discharged, dismissed or stayed within a period of ninety (90) days.

**10.1.7 Dissolution or Liquidation.** If Borrower, Owner or Master Landlord is a partnership, limited liability company, corporation or other legal entity and dissolves, liquidates, or merges with or is consolidated into any other entity without the written approval of the Director.

**10.1.8 Destruction of the Project.** If the Project is demolished, destroyed or substantially damaged, and it is not restored or rebuilt in accordance with the requirements of the Loan Documents.

**10.1.9 Cessation of Work.** If Work on the Project ceases for ninety (90) or more consecutive days unless such cessation of Work is caused by cessation of funding under the City Loan or by an event of Force Majeure which does not extend more than sixty (60) days.

**10.1.10 Failure to Obtain or Default Under Other Financing.** If Borrower or Owner fails to obtain any funding of the Other Financing in the order required under the Intercreditor Agreement (if applicable) or if Owner or Borrower has been declared in default under any regulatory agreement or document evidencing or related to the Other Financing and such default is not cured within ten (10) business days, or if longer, the cure period set forth in such regulatory agreement or other document but not to exceed thirty (30) days; provided, however, that any cure of the underlying default shall also constitute acceptable cure of the Default.

**10.1.11 Liens and Other Encumbrances.** If any mechanics', materialman's or other similar lien or encumbrance is filed against the Project, or the fixtures, materials, machinery and equipment to be used in the Project or other collateral that secures the City Loan, and the same is not discharged (by payment, bonding, which may include payment bond furnished by contractor, or otherwise) within fifteen (15) business days following written notice thereof from the City to Borrower and Owner.

**10.1.12 Change of Ownership or Management.**

(a) Except as otherwise permitted by the terms of this Agreement, if all or any part of Owner's interest (as Master Tenant) or the Master Landlord's interest in the Project and/or the Master Lease is directly or indirectly transferred including transfers of membership interests in Owner (excluding transfers of membership interests in the Owner by the Tax Credit Investor permitted pursuant to Paragraph 10.1.16 or any entity permitted pursuant to Paragraph 10.1.15) or by its members or partners holding less than forty-nine percent (49%) ownership interest in Owner, unless such interests being transferred are general partner or managing interests),, sold or assigned, voluntarily or involuntarily, or there is a change of management of the Project, at any

time within the Affordability Period, such transfer of interest or change of management must first be approved in writing by the Director, which approval may be granted or withheld by the Director in the Director's reasonable determination. In the case of a transfer of Owner's interest in the Project and/or the Master Lease, the Director's consent, if any, shall not be effective unless or until the purchaser or transferee assumes in writing all obligations and covenants of Borrower and Owner under the Loan Documents and the Master Lease in a form acceptable to the Director and the City Attorney; or

(b) If there is otherwise a change in control of Borrower in violation of this Agreement.

(c) There is a change in the Property Manager without Director's consent, which consent shall not be unreasonably withheld.

**10.1.13 Failure to Complete.** If Owner or Borrower fails to complete the Work in accordance with the Approved Plans, Specifications, and Drawings that are approved by the Director within the Approved Construction Period.

**10.1.14 GLO, HUD, IRS or other Audit Findings or Exceptions.** If the GLO, HUD, the Internal Revenue Service, or other federal or state agency makes an audit finding or exception that relates to the Project, the funds provided under this Agreement, or the Other Financing, provided, however, that if the audit finding or exception is curable, there shall be no Default unless the audit finding or exception is not cured within thirty (30) days after written notice to Borrower and Owner of such finding or exception or for such greater period as shall be necessary to cure such finding or exception so long as Borrower or Owner commences to cure such finding or exception within thirty (30) days after written notice thereof to Borrower and Owner and satisfactorily completes such cure.

**10.1.15 Removal of Owner's Managing Member.** Notwithstanding anything to the contrary contained in this Agreement or the Loan Documents, the removal and/or replacement of Owner's managing member or manager for cause in accordance with Owner's Operating Agreement shall not require the consent of the City or Director, shall not constitute a default under this Agreement or the Loan Documents or accelerate the maturity of the City Loan. The consent of the Director shall be required for the appointment of a new managing member or manager, but if the Tax Credit Investor exercises its right to remove the Owner's managing member or manager for cause, City will not unreasonably withhold its consent to the substitute managing member or manager; provided however, the consent of neither the City nor the Director shall be required if the substitute managing member or manager is an affiliate of the Tax Credit Investor. The substitute managing member or manager shall assume all of the rights and obligations of the removed managing member of Owner hereunder.

**10.1.16 Transfer of Tax Credit Investor's Membership Interest.**

Notwithstanding anything to the contrary contained in this Agreement or the Loan Documents, no consent shall be required from the City or the Director (and the same shall not be deemed a Default or an event of default under any of the Loan Documents), in connection with (a) the pledge and encumbrance of the Tax Credit Investor's investor membership interest in Owner to or for the benefit of any financial institution that enables such Tax Credit Investor to make its capital contribution to Owner, or (b) the transfer and/or the assignment by Tax Credit Investor of its interest in the Borrower to an entity controlled or managed by an entity which is related to or under common control with Tax Credit Investor.

**10.2 Temporary Non-Compliance Not a Default.** Notwithstanding the

foregoing or any other provision of this Agreement or any of the other Loan Documents to the contrary, neither Borrower nor Owner shall be in Default hereunder or thereunder if such Default occurs solely as a result of temporary noncompliance with Section Six, Paragraphs 6.8.1, 6.8.3 or 6.8.4, or comparable or similar provisions of this Agreement or any of the other Loan Documents, and such temporary noncompliance is caused by increases in incomes of existing tenants, provided that actions satisfactory to GLO, HUD and the City are being taken to ensure that all vacancies are filled with eligible tenants until the noncompliance is corrected. ***10.5 City's Remedies.*** Upon the declaration of a Default by the Director and the failure by Borrower or Owner or Harris County or Tax Credit Investor to cure same within a time period specified herein (if any), the Director may in his or her sole discretion: (i) terminate this Agreement; (ii) accelerate payment of the Note and declare that all sums under the City Loan are immediately due and payable; (iii) foreclose on the Project; (iv) cease funding any disbursements under the City Loan ; (v) foreclose on the Collateral Note and/or (vi) take any other action authorized or available under this Agreement, any of the Loan Documents or under Applicable Law or in equity. $$\frac{\text{(The total amount of the City Loan disbursed for Work)} \times \text{(amount of cost savings realized or damages received)}}{\text{(The total Work cost)}}$$

**18.4 Non-waiver.** Failure or forbearance of any party hereto to insist on the strict performance of any obligation under this Agreement or to exercise any rights or remedies accruing upon default shall not be considered a waiver of the right to insist on and to enforce, by any appropriate remedy, strict compliance with any other obligation or to exercise any right or remedy occurring as a result of any future default or failure of performance.

**18.7 Choice of Law.** This Agreement shall be performable and enforced in Harris County, Texas, and shall be construed and interpreted in accordance with the laws of the City, the State of Texas and other Applicable Law. Venue for any disputes relating in any way to this Agreement shall lie exclusively in Harris County, Texas.

The parties agree that the COVID-19 pandemic may have an impact on the timing of performance under this Agreement due to closures or reductions in staffing of government offices and private businesses, travel and contact restrictions and other issues beyond the control of the parties. The parties will work together in good faith to extend any such period in accordance with this Section.

3. **Insured Parties:** Each policy, except those for Workers’ Compensation and Professional Liability, must name the City (and its officers, agents and employees) as additional insured parties on the original policy and all renewals or replacements during the term of this Agreement. The City’s status as an additional insured under the Owner’s insurance does not extend to instances of sole negligence of the City unmixed with any fault of the Owner or general contractor.

C. **PROOF OF INSURANCE.** Owner shall provide proof of insurance as indicated below.

1. Prior to commencing any Work under this Agreement, Owner shall furnish the Director with Certificates of Insurance, along with an affidavit from the Owner confirming that the Certificate accurately reflects the insurance coverage that will be available during the term of the Agreement. If requested in writing by the Director, the Owner shall furnish the City with certified copies of Owner's actual insurance policies. Failure of Owner to provide certified copies, as requested, may be deemed, in the Director's and/or City Attorney's discretion, to constitute a breach of this Agreement.

2. Notwithstanding the proof of insurance requirements set forth above, it is the intention of the parties hereto that Owner, continuously and without interruption, maintain in force the required insurance coverages set forth above. Failure of the Owner to comply with this requirement shall constitute a default of Owner under this Agreement. Owner agrees that the City shall never be argued to have waived or be estopped to assert its rights to terminate this Agreement because of any acts of omissions by the City regarding its review of insurance documents provided by the Owner, its general contractor, or any agents, employees or assigns.

## II. **ADDITIONAL INSURANCE REQUIREMENTS:**

A. **WORKMAN'S COMPENSATION.** Owner agrees to comply with the Worker's Compensation insurance requirements set forth below.

The definitions set out below shall apply only for the purposes of this Section:

**Definitions:**

**Certificate of coverage (Certificate):** A copy of a certificate of insurance, a certificate of authority to self-insure issued by the commission (included in original definition under Rule 110.110 but excluded from this Agreement), or a coverage agreement (TWCC-81, TWCC-82, TWCC-83 or TWCC-84), showing statutory Workers' Compensation insurance coverage for the Owner's, Subcontractor's, or Supplier's employees providing service on a Project, for the duration of the Project.

**Duration of the Project:** Includes the time from the beginning of the Work on the Project until the Owner's Work on the Project has been completed and accepted by the City.

**Persons providing services on the Project (Subcontractor in Texas Labor Code § 406.096):** Includes all persons or entities performing all or part of the services the Owner has undertaken to perform on the Project, regardless of whether that person contracted directly with the Owner and regardless of whether that person has employees. This includes, without limitation, independent contractors, subcontractors, leasing companies, motor carriers, owner-operators, employees of any such entity, or employees of any entity which furnishes persons to provide services on the Project. "Services" include, without limitation, providing, hauling or delivering equipment or materials, or providing labor, transportation, or other service related to a Project. "Services" does not include activities unrelated to the Project, such as food/beverage vendors, office supply deliveries and delivery of portable toilets.

2. The Owner shall provide coverage, based on proper reporting of classification codes and payroll amounts and filing of any coverage agreements, which meets the statutory requirements of Texas Labor Code, Section 401.011 (44) for all employees of the Owner providing services on the Project, for the duration of the Project.

3. The Owner must provide a certificate of coverage to the City prior to receiving funds under the Agreement.

4. If the coverage period shown on the Owner's current certificate of coverage ends during the duration of the Project, the Owner must file a new certificate of coverage with the City showing that coverage has been extended.

5. The Owner shall obtain from each person providing services on a Project and provide to the City:

- (i) a certificate of coverage, prior to that person beginning Work on the Project, so the City will have on file certificates of coverage showing coverage for all persons providing services on the Project; and
- (ii) no later than seven (7) days after receipt by the Owner, a new certificate of coverage showing extension of coverage, if the coverage period shown on the current certificate of coverage ends during the duration of the Project.

6. The Owner shall retain all required certificates of coverage for the duration of the Project and for one (1) year thereafter.

7. The Owner shall notify the City in writing by certified mail or personal delivery, within ten (10) days after the Owner knew or should have known, of any change that materially affects the provision of coverage of any person providing services on the Project.

8. The Owner shall post on each Project site a notice, in the text, form and manner prescribed by the Texas Workers' Compensation Commission, informing all persons providing services on the Project that they are required to be covered and stating how a person may verify coverage and report lack of coverage.

9. The Owner shall contractually require each person with whom it contracts to provide services on a Project to:

- (i) provide coverage, based on proper reporting of classification codes and payroll amounts and filing of any coverage agreements, which meets the statutory requirements of Texas Labor Code, Section 401.011(44) for all of its employees providing services on the Project, for the duration of the Project;
- (ii) provide to the Owner, prior to that person beginning Work on the Project, a certificate of coverage showing that coverage is being provided for all employees of the person providing services on the Project, for the duration of the Project;
- (iii) provide to the Owner, prior to the end of the coverage period, a new certificate of coverage, if the coverage period shown on the current certificate of coverage ends during the duration of the Project;
- (iv) obtain from each other person with whom it contracts and provide to the Owner: (1) a certificate of coverage, prior to the other person beginning Work on the project; and (2) a new certificate of coverage showing extension of coverage, prior to the end of the coverage period, if the coverage period shown on the current certificate of coverage ends during the duration of the Project;

- (v) retain all required certificates of coverage on file for the duration of the Project and for one (1) year thereafter;
- (vi) notify the City in writing by certified mail or personal delivery, within ten (10) days after the person knew or should have known, of any change that materially affects the provisions of coverage of any person providing services on the Project; and
- (vii) contractually require each person with whom it contracts, to perform as required under this Subparagraph 5.1 A-G, with the certificates of coverage to be provided to the persons for whom they are providing services.

10. By signing this Agreement or providing or causing to be provided a certificate of coverage, the Owner is representing to the City that all employees of the Owner who will provide services on the Project will be covered by Workers' Compensation coverage for the duration of the Project, that the coverage will be based on proper reporting of classification codes and payroll amounts, and that all coverage agreements will be filed with the appropriate insurance carrier. Owner shall not be allowed to self-insure Workers' Compensation. Providing false or misleading information may subject the Owner to administrative penalties, criminal penalties, civil penalties, or other civil actions.

11. The Owner's failure to comply with any of these provisions is a breach of contract by the Owner which entitles the City to declare the Agreement void if the Owner does not remedy the breach within ten (10) days after receipt of notice of breach from the City.

**B. FLOOD AND HAZARD INSURANCE REQUIREMENTS.** Owner must comply with the flood hazard insurance requirements set forth below.

1. Flood hazard insurance is required for projects located in a Special Flood Area (or 100-year floodplain). The Owner shall apply for flood insurance on all insurable structures built under this Agreement, if applicable. A copy of the completed application must be provided to the City before commencing construction on the Project. The Owner shall obtain flood hazard insurance as soon as possible and submit a copy of the policy to the City, if applicable. The Owner also has a statutory responsibility to inform any transferee who receives or purchases the project of any applicable requirement to obtain and maintain flood insurance, and that the transferring owner may be liable if he or she fails to do so. These requirements are enumerated at <https://www.govinfo.gov/content/pkg/USCODE-2010-title42/pdf/USCODE-2010-title42-chap68-subchapIII-sec5154a.pdf>.

## First Source Hiring Agreement

This agreement is entered this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_ by and between the City of Houston and, hereinafter referred to as the "City", and hereinafter referred to the "Contractor", in connection with work to be performed in relation to the City's HUD-assisted project entitled, hereinafter referred to as the "project".

Whereas, HUD has promulgated certain regulations to implement Section 3 of the Housing and Urban Development (HUD) Act of 1968 (12 U.S.C. 1701n) (Section 3), which regulations were published in the Federal Register June 30, 1994 at page 33865, hereinafter referred to as the "Section 3 regulations"; and

Whereas, the purpose of Section 3 regulations is to ensure that employment and other economic opportunities generated by Section 3 covered assistance shall, to the greatest extent feasible, and consistent with existing Federal, State and local laws and regulations, be directed to low and very low-income persons, and to business concerns, which provide economic opportunities to such persons,

Whereas, HUD has set forth numerical employment, and contracting goals to be achieved by all Community Development recipients of Section 3 covered assistance and by other recipients of such assistance in which HUD's share exceeds \$200,000 per project and by those Contractors whose share of such projects exceeds \$100,000; and

Whereas, the numerical goal so established by HUD applicable to the Project is set forth below; and

Whereas, recipients of Section 3-covered assistance and their contractors can demonstrate compliance with the Section 3 regulations by committing to employ Section 3 eligible persons as the applicable percentage of the aggregate number of new hires during the time period involved in the Section 3-covered project; and

Whereas, the City and the Contractor are desirous of being in compliance with the Section 3 regulations as they relate to the Project;

Now Therefore, the City and the Contractor agree as follows:

1. The Contractor and any of its subcontractors shall supply the City with a list of all full-time employees currently employed, indicating which, if any, of said employees were hired within the past three years and were also low or very low-income persons when so hired;
2. The Contractor and any of its subcontractors shall provide a listing of any and all positions for which new hires are expected to be required as a result of the Project;
3. The Contractor and any of its contractors will, to the greatest extent feasible, endeavor to hire 30% percent of the new hires generated by the Project from the following list of Section 3-eligible groups, in the order of priority listed:
  - a. Section 3 residents of service area or neighborhood;
  - b. Youth build participants;
  - c. Homeless projects; Homeless persons; and
  - d. Other Section 3 residents.
4. The Contractor and any of its subcontractors will be encouraged to make new hires from the list of Section 3-eligible groups in Paragraph 3 above for any and all other projects assisted with Federal funding, whether or not such project is subject to the Section 3 regulations;

5. The Contractor and any of its subcontractors shall accept referrals of Section 3-eligible persons from the City.

Provided, however, that nothing in this agreement is to be construed requiring any party hereto, or its subcontractors, to hire any person or persons who are unqualified to or incapable of carrying out the work required of any such new hires.

## Federal Labor Standards Provisions

U.S. Department of Housing  
and Urban Development  
Office of Labor Relations

### Applicability

The Project or Program to which the construction work covered by this contract pertains is being assisted by the United States of America and the following Federal Labor Standards Provisions are included in this Contract pursuant to the provisions applicable to such Federal assistance.

A. 1. (i) **Minimum Wages.** All laborers and mechanics employed or working upon the site of the work will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR Part 3), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the contractor and such laborers and mechanics. Contributions made or costs reasonably anticipated for bona fide fringe benefits under Section 1(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of 29 CFR 5.5(a)(1)(iv); also regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs, which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period.

Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in 29 CFR 5.5(m)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein. Provided, that the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classification and wage rates conformed under 29 CFR 5.5(m)(1)(ii) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the contractor and its subcontractors at the site of the work in a prominent and accessible place where it can be easily seen by the workers.

(ii) (a) Any class of laborers or mechanics which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. HUD shall approve an additional classification and wage rate and fringe benefits therefor only when the following criteria have been met:

(1) The work to be performed by the classification requested is not performed by a classification in the wage determination; and

(2) The classification is utilized in the area by the construction industry; and

(3) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

(b) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives and HUD or its designee agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by HUD or its designee to the Administrator of the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, Washington, D.C. 20210. The Administrator or an authorized representative will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary. (Approved by the Office of Management and Budget under OMB control number 1215-0140.)

(c) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and HUD or its designee do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits where appropriate), HUD or its designee shall refer the questions, including the views of all interested parties and the recommendation of HUD or its designee to the Administrator for determination.

The Administrator or an authorized representative will issue a determination within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary. (Approved by the Office of Management and Budget under OMB Control Number 1215-0140.)

(d) The wage rate (including fringe benefits where appropriate) determined pursuant to subparagraphs (i)(ii)(b) or (c) of this paragraph, shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

(iii) Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.

(iv) If the contractor does not make payments to a trustee or other third person, the contractor may consider as part

of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program. Provided, That the Secretary of Labor has found, upon the written request of the contractor, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the contractor to set aside in a separate account assets for the meeting of obligations under the plan or program. (Approved by the Office of Management and Budget under OMB Control Number 1215-0140.)

2. **Withholding.** HUD or its designee shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from the contractor under this contract or any other Federal contract with the same prime contractor, or any other Federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime contractor so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees and helpers, employed by the contractor or any subcontractor the full amount of wages required by the contract in the event of failure to pay any laborer or mechanic, including any apprentice, trainee, or helper, employed or working on the site of the work, all or part of the wages required by the contract. HUD or its designee may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased. HUD or its designee may, after written notice to the contractor, disburse such amounts withheld for and on account of the contractor or subcontractor to the respective employees to whom they are due. The Comptroller General shall make such disbursements in the case of direct Davis-Bacon Act contracts.

3. (I) **Payrolls and basic records.** Payrolls and basic records relating thereto shall be maintained by the contractor during the course of the work preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work. Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in Section 1(b)(2)(B) of the Davis-Bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5.5 (a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in Section 1(b)(2)(B) of the Davis-Bacon Act, the contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been

communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs. (Approved by the Office of Management and Budget under OMB Control Numbers 1215-0140 and 1215-0017.)

(II) (a) The contractor shall submit weekly for each week in which any contract work is performed a copy of all payrolls to HUD or its designee if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit the payrolls to the applicant sponsor, or owner, as the case may be, for transmission to HUD or its designee. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under 29 CFR 5.5(a)(3)(i) except that full social security numbers and home addresses shall not be included on weekly transmittals. Instead the payrolls shall only need to include an individually identifying number for each employee (e.g., the last four digits of the employee's social security number). The required weekly payroll information may be submitted in any form desired. Optional Form WH-347 is available for this purpose from the Wage and Hour Division Web site at <http://www.dol.gov/eisa/whd/forms/wh347insr.htm> or its successor site. The prime contractor is responsible for the submission of copies of payrolls by all subcontractors. Contractors and subcontractors shall maintain the full social security number and current address of each covered worker and shall provide them upon request to HUD or its designee if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit the payrolls to the applicant sponsor, or owner, as the case may be, for transmission to HUD or its designee, the contractor, or the Wage and Hour Division of the Department of Labor for purposes of an investigation or audit of compliance with prevailing wage requirements. It is not a violation of this subparagraph for a prime contractor to require a subcontractor to provide addresses and social security numbers to the prime contractor for its own records, without weekly submission to HUD or its designee. (Approved by the Office of Management and Budget under OMB Control Number 1215-0149.)

(b) Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:

(1) That the payroll for the payroll period contains the information required to be provided under 29 CFR 5.5 (a)(2)(ii), the appropriate information is being maintained under 29 CFR 5.5(a)(3)(i) and that such information is correct and complete;

(2) That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in 29 CFR Part 3;

(3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.

(c) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the "Statement of Compliance" required by subparagraph A 3 (iii)(b).

(d) The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under Section 1001 of Title 18 and Section 231 of Title 31 of the United States Code.

(iii) The contractor or subcontractor shall make the records required under subparagraph A 3 (i) available for inspection, copying or transcription by authorized representatives of HUD or its designee or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the contractor or subcontractor fails to submit the required records or to make them available, HUD or its designee may, after written notice to the contractor, sponsor, applicant or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR 5.12.

#### A. Apprentices and Trainees.

(i) Apprentices. Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship Training, Employer and Labor Services or with a State Apprenticeship Agency recognized by the Office, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program who is not individually registered in the program, but who has been certified by the Office of Apprenticeship Training, Employer and Labor Services or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice. The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who

is not registered or otherwise employed as stated above shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the contractor's or subcontractor's registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event the Office of Apprenticeship Training, Employer and Labor Services, or a State Apprenticeship Agency recognized by the Office withdraws approval of an apprenticeship program, the contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(ii) Trainees. Except as provided in 29 CFR 5.16 trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate who is not registered and participating in a training plan approved by

The Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed.

In the event the Employment and Training Administration withdraws approval of a training program, the contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(III) Equal employment opportunity. The utilization of apprentices, trainees and journeymen under 29 CFR Part 5 shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended, and 29 CFR Part 30.

5. Compliance with Copeland Act requirements. The contractor shall comply with the requirements of 29 CFR Part 3 which are incorporated by reference in this contract.

6. Subcontracts. The contractor or subcontractor will insert in any subcontracts the clauses contained in subparagraphs 1 through 11 in this paragraph A and such other clauses as HUD or its designee may by appropriate instructions require, and a copy of the applicable prevailing wage decision, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses in this paragraph.

7. Contract termination; debarment. A breach of the contract clauses in 29 CFR 5.5 may be grounds for termination of the contract and for debarment as a contractor and a subcontractor as provided in 29 CFR 5.12.

8. Compliance with Davis-Bacon and Related Act Requirements. All rulings and interpretations of the Davis-Bacon and Related Acts contained in 29 CFR Parts 1, 3, and 5 are herein incorporated by reference in this contract.

9. Disputes concerning labor standards. Disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR Parts 6, 8, and 7. Disputes within the meaning of this clause include disputes between the contractor (or any of its subcontractors) and HUD or its designee, the U.S. Department of Labor, or the employees or their representatives.

10. (i) Certification of Eligibility. By entering into this contract the contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of Section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(b)(1) or to be

awarded HUD contracts or participate in HUD programs pursuant to 24 CFR Part 24.

(ii) No part of this contract shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of Section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(b)(1) or to be awarded HUD contracts or participate in HUD programs pursuant to 24 CFR Part 24.

(iii) The penalty for making false statements is prescribed in the U.S. Criminal Code, 18 U.S.C. 1001. Additionally, U.S. Criminal Code, Section 1010, Title 18, U.S.C. "Federal Housing Administration Transactions" provides in part: "Whoever for the purpose of influencing in any way the action of such Administration makes utter or publishes any statement knowing the same to be false... shall be fined not more than \$5,000 or imprisoned not more than two years, or both."

11. Complaints, Proceedings, or Testimony by Employees. No laborer or mechanic to whom the wage, salary, or other labor standards provisions of this Contract are applicable shall be discharged or in any other manner discriminated against by the Contractor or any subcontractor because such employee has filed any complaint or instituted or caused to be instituted any proceeding or has testified or is about to testify in any proceeding under or relating to the labor standards applicable under this Contract to his employer.

B. Contract Work Hours and Safety Standards Act. The provisions of this paragraph B are applicable where the amount of the prime contract exceeds \$100,000. As used in this paragraph, the terms "laborers" and "mechanics" include watchmen and guards.

(1) Overtime requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which the individual is employed on such work to work in excess of 40 hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of 40 hours in such workweek.

(2) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in subparagraph (1) of this paragraph, the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in subparagraph (1) of this paragraph, in the sum of \$25 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of 40 hours without payment of the overtime wages required by the clause set forth in subparagraph (1) of this paragraph.

(3) **Withholding for unpaid wages and liquidated damages.** HUD or its designee shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contract, or any other Federally-assisted contract subject to the Contract Work Hours and Safety Standards Act which is held by the same prime contractor such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in subparagraph (2) of this paragraph.

(4) **Subcontracts.** The contractor or subcontractor shall insert in any subcontracts the clauses set forth in subparagraph (1) through (4) of this paragraph and also a clause requiring the subcontractors to include those clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in subparagraphs (1) through (4) of this paragraph.

**C. Health and Safety.** The provisions of this paragraph C are applicable where the amount of the prime contract exceeds \$100,000.

(1) No laborer or mechanic shall be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous to his health and safety as determined under construction safety and health standards promulgated by the Secretary of Labor by regulation.

(2) The Contractor shall comply with all regulations issued by the Secretary of Labor pursuant to Title 29 Part 1928 and failure to comply may result in imposition of sanctions pursuant to the Contract Work Hours and Safety Standards Act, (Public Law 81-54 83 Stat 96) 40 USC 3701 et seq.

(3) The contractor shall include the provisions of this paragraph in every subcontract so that such provisions will be binding on each subcontractor. The contractor shall take such action with respect to any subcontractor as the Secretary of Housing and Urban Development or the Secretary of Labor shall direct as a means of enforcing such provisions.

  - (4) To increase opportunities for such local firms to serve as contractors, in addition to acting as subcontractors to others, where applicable, in an effort to remedy discriminatory practices and eliminate statistical disparities in city contracting.
- (b) This article is intended to be remedial in nature and to continue only until its purposes and objectives are achieved. At least every five years the city shall make its best efforts to initiate a review of its minority and women business enterprise program, the results of which shall be provided to city council, who shall determine, upon its receipt of recommendations and the consideration of other relevant information from the OBO director, whether there is strong statistical and anecdotal evidence of discrimination against minority and women business enterprises in city contracting warranting the continuation of a race and gender conscious minority and women business enterprise program.

Sec. 15-83. - Program elements.

- (a) Based upon a review of annual awards and purchases by affected city departments, the office of business opportunity shall each year submit a progress report to the city council. The report shall include two percentage figures that are intended to as closely as possible represent the ratio of the prior year's measured utilization and availability of local MWSBEs to do business in:
  - (1) The supply of goods and nonpersonal or nonprofessional services; and
  - (2) The performance of personal or professional services;

to the prior year's total local business community utilization and availability to do business in each of the two named fields of city contracting.

In addition, the report shall include percentage figures that are intended to as closely as possible represent the ratio of the prior year's measured utilization and availability of local MWSBEs to do business in construction to the prior year's total local business community utilization and availability to do business in city construction contracting. The report may also include figures and other evidence of factors prescribed in Part 26, Title 49 of the Code of Federal Regulations in the year the report is made that may affect the aforementioned ratio of utilization and availability.

- (b) Based upon the measured utilization and availability and any other relevant factors prescribed in Part 26, Title 49 of the Code of Federal Regulations and identified in the report submitted pursuant to subsection (a) above, city council shall from time to time set annual city-wide percentage goals for city contracting with MWSBEs in each of the two named categories described in subsection (a)(1) and (2) above and for contracting with MWSBEs in the construction category. The adjustment, if any, in the percentage goals shall be made during the first quarter of the fiscal year.
- (c) It is the responsibility of each city department to determine which contracts initiated by it are goal-oriented contracts and which are regulated contracts. If the determination is made that a contract is a goal-oriented contract or a regulated contract, the initiating department shall review the contract and shall determine, by reference to the MWSBE register, the number of certified MWSBEs in each of the two named categories described in subsection (a)(1) and (2), above, and for construction, the number of certified MWSBEs in the construction category. The initiating department director or his or her designee shall determine whether the contract is one to which MWSBE provisions should be applied.

- (1) These provisions are not required to be applied in the following circumstances:

- a. A public or administrative emergency exists which requires the goods or services to be provided with unusual immediacy;
- b. The service or goods requested are of such a specialized, technical or unique nature as to require the city department to be able to select its contractor without application of MWSBE provisions (such as contracts for expert witnesses, certain financial advisors or technical consultants);
- c. If application of MWSBE provisions would impose an unwarranted economic burden or risk on the city or unduly delay acquisition of the goods or services, or would otherwise not be in the best interest of the city; or
- d. If the possible MWSBE participation level based on MWSBE availability would produce negligible MWSBE participation.

If one of the above-listed conditions is determined to exist, the department director shall certify that determination in writing prior to the award of the contract, specifying the conditions which lead to the determination, and submit the determination to the OBO director for review and approval.

- (2) If the contract does not fall within one of the above-listed exceptions, based upon its overall review, the initiating department shall assign an appropriate MWSBE participation level, if any, for the contract (whether goal-oriented or regulated) considering the local availability of certified MWSBEs in the contract field.

The intention of this article is to provide administrative flexibility in the application of MWSBE provisions of this Code and in the percentage participation level on a contract-by-contract basis so as not to limit access to city contracting by nonminority-owned, nonwomen-owned or established business enterprises to a greater degree than necessary to meet the city-wide annual goal and the policies and objectives of this article.

- (d) The bidding documents and the contract documents for goal-oriented contracts for which a MWSBE participation level has been established shall contain a provision detailing the purposes and objectives of the city's MWSBE ordinance and shall incorporate by reference this article and the then-current motion or ordinance establishing MWSBE annual goals. Regulated contracts which are determined to have significant subcontracting potential for which a MWSBE participation level has been established shall contain contractual provisions (and proposal provisions if submitted for proposals or for bids) requiring the contractor to meet or exceed the determined MWSBE participation level for that contract, or to establish that it has made good-faith efforts to do so, and that notwithstanding such efforts, was unable to meet or exceed the determined participation levels. The OBO director shall establish procedures defining good-faith efforts. These procedures will be reviewed and approved by the mayor and the city attorney.

(Ord. No. 2013-428, § 10(Exh. A), 5-8-2013, eff. 7-1-2013)

Sec. 15-84. - Office of business opportunity.

- (a) Applications for certification as a MWSBE and any addenda thereto shall be made on a form promulgated by the OBO director, and the requirements for certification shall be consistent with the applicable requirements set forth in subsection (b) below.
- (b) The office of business opportunity has responsibility for:
  - (1) Establishing procedures for the implementation of this article, and reviewing and approving procedures established by city departments, such procedures to be narrowly designed to attain the purposes and objectives specified herein without unduly limiting nonminority-owned or nonwoman-owned or established business enterprises. Such procedures shall be reviewed and approved by the mayor and by the city attorney prior to implementation;
  - (2) Certifying businesses as minority, small or women business enterprises and maintaining and distributing to affected city departments a current register, updated monthly, of such business (including a separate listing of such businesses whose applications for certification are pending) specifying the categories of city contracting represented by the certified MWSBEs;

- (3) Developing educational programs for and otherwise assisting (without offering favoritism in relation to the competitive bidding system) MWSBEs to compete effectively for city contracts;
- (4) Making recommendations to the mayor, city council and city departments to further the policies and objectives of this article, including but not limited to assisting city departments in setting contract-specific MWSBE goals;
- (5) Reviewing documentation from potential contractors and from contractors concerning good-faith efforts made to meet or exceed the participation level for contracts. The final recommendation to city council for award or for acceptance of work shall be the city department's, although the office of business opportunity may take exception;
- (6) Compiling a report of the progress of city departments, by department, in attaining the city-wide goals set by city council. This report shall be based upon MWSBE contractor and subcontractor information, to be specified by the office of business opportunity. Upon completion, the report is to be submitted quarterly to city council members, the mayor and all affected city department directors for their information;
- (7) Receiving and reviewing complaints and suggestions concerning the MWSBE program from contractors, MWSBEs and city departments; and
- (8) Without limiting the authority of the office of business opportunity to establish procedures that are consistent with the terms of this article, the office of business opportunity is specifically directed to promulgate and implement procedures as follows:
  - a. Grievance procedures for any person aggrieved by any decision of the office of business opportunity under this article. The procedures shall include notice and a hearing before an impartial hearing officer who shall be appointed by the mayor;
  - b. Mediation procedures for the resolution of disputes between contractors or bidders and MWSBE participants or potential participants with respect to any aspect of compliance with this article, including, without limitation, any assertion that a contractor, subcontractor, or MWSBE has failed to make good faith efforts to comply with this article;
  - c. Procedures to implement and enforce any sanctions provided under this article;
  - d. Procedures to ensure performance of work by MWSBEs, which procedures shall include: (i) a requirement that no more than 50 percent of their work may be subcontracted, without a specific waiver from the office of business opportunity for cause; (ii) a requirement that the minority person, small business or woman owner of a MWSBE have the necessary experience, expertise, credentials and regulatory authority to conduct the type of business for which the business is certified; (iii) a requirement that bidders and contractors make good faith efforts to meet or exceed contract MWSBE goals; and (iv) a requirement that MWSBEs accurately represent all material information required for certification and truly perform a commercially useful function;
  - e. Procedures for counting participation by MWSBEs as prime contractors, subcontractors, suppliers and joint venturers on city contracts, which procedures shall ensure that all work performed by MWSBEs is included in the computation of the progress made toward meeting the annual city-wide goals;
  - f. Procedures to ensure that this article is limited in its application to the certification of locally based MWSBEs;
  - g. Procedures to coordinate the operation of this article with other local MWSBE programs, which may include reliance upon certification procedures of other entities that are determined to be reliable and equivalent to this article;
  - h. Procedures to ensure access to necessary records of prime contractors and subcontractors on city contracts; and
  - i. Procedures for handling theft of services (wage theft) complaints of employees of city contractors and subcontractors.

- (c) MWSBE certification shall be valid for a period of three years from the date of certification; provided, however, all applicants certified as MWSBEs shall be subject to review on an annual basis pursuant to procedures established by the OBO director to ensure compliance with all applicable provisions of this article.
- (d) Applications for renewal of MWSBE certification shall be evaluated under the same criteria and subject to the same manner of review as original applications.
- (e) All procedures established under this section shall be reviewed and approved by the city attorney prior to implementation. A copy of all procedures hereunder shall be maintained in the office of business opportunity for inspection, and copies may be purchased at the fees prescribed by law.

(Ord. No. 2013-428, § 10(Exh. A), 5-8-2013, eff. 7-1-2013)

- (b) Each department that has procured goods and services in excess of three million dollars during the fiscal year ending on June 30<sup>th</sup> of the preceding calendar year shall be required to submit a departmental utilization plan for the following fiscal year commencing on July 1<sup>st</sup>. Departmental utilization plans shall be submitted on or before June 15, 2014, and not later than June 15<sup>th</sup> of each calendar year thereafter.
- (c) Each department director shall be responsible for creating, submitting, and implementing an annual departmental utilization plan that shall include, at a minimum, the following:

- (e) A departmental utilization plan may be amended to reflect changes in the department's projected procurements, expenditures, or other relevant circumstances and resulting changes in the department's participation goals. Such amendments shall be submitted to the OBO director for review and shall be submitted to city council for final approval not less than 30 days prior to the proposed date of implementation.

- (f) Each department director shall be accountable for setting and making reasonable efforts to meet the participation goals stated its departmental utilization plan. (Ord. No. 2013-428, § 10(Exh. A), 5-8-2013, eff. 7-1-2013)

Sec. 15-85. - Filing of plan.

Before execution of any contract or issuance of any purchase order for which a MWSBE goal has been established, a bidder or potential contractor shall submit a plan setting forth how it intends to meet the contract MWSBE goal or documentation demonstrating its proof of good faith efforts to meet the contract MWSBE goal. After execution of a contract or receipt of a purchase order, the contractor shall comply with the submitted plan, unless it has received approval from the OBO director for a deviation therefrom. Approval shall not be unreasonably withheld. While it is not a requirement that a contractor meet its goal, it is required that the contractor objectively demonstrate to the office of business opportunity that it has made good faith efforts to meet the goal. To this end, the contractor shall maintain records as prescribed by the office of business opportunity demonstrating its efforts at compliance. The contractor shall be required to submit to the office of business opportunity reports of its efforts under this article in such form or manner as shall be prescribed by the OBO director.

(Ord. No. 2013-428, § 10(Exh. A), 5-8-2013, eff. 7-1-2013)

Sec. 15-86. - Sanctions.

- (a) The OBO director is authorized to suspend any contractor who has failed to make good faith efforts to meet any goal established under this article from engaging in any contract with the city for a period up to, but not to exceed, five years. The OBO director is also authorized to suspend any MWSBE who has failed to make good faith efforts to meet all requirements necessary for participation as a MWSBE from engaging in any contract affected by this article for a period up to, but not to exceed, five years.
- (b) In accordance with section 15-84 of this Code, the office of business opportunity shall establish procedures for the imposition of sanctions and shall ensure that no sanction is imposed without notice of the grounds being given and an opportunity for a hearing consistent with the procedures set forth in sections 15-22, 15-23, and 15-24 of this Code. Any procedure established shall be consistent with state law.

(Ord. No. 2013-428, § 10(Exh. A), 5-8-2013, eff. 7-1-2013)

Sec. 15-87. - Determination of established business enterprise status.

- (a) Based upon a review of data submitted by MWSBEs or MWSBE applicants and any other information available from its files or the files of any other governmental entity, the office of business opportunity shall determine the size of each MWSBE or MWSBE applicant by determining the average of the gross receipts for the prior three years and the average number of employees for the 12 calendar months immediately preceding the review, as applicable. The calculation of size shall be based solely upon the size standards and methods of calculation identified by the U.S. Small Business Administration (SBA) including, without limitation those set forth in 13 C.F.R. part 121, subpart A, secs. 121.101 through 121.107, and sec. 121.201, any amendment or successor thereto, or any other document defining such size standards or the calculation thereof that has been fully and finally adopted by the SBA. The review shall be applicable to business entities applying for initial certification as a MWSBE or to certified MWSBEs, provided that such review may not be initiated until the applicant or certified MWSBE has established a business history of sufficient length to allow calculation of size based on the three year financial or 12 month employee data, as applicable.
- (b) Following the review described in this section, each certified MWSBE or MWSBE applicant shall be re-evaluated under this section on an annual basis based upon the size standards and methods of calculation

identified by the SBA and procedures established by the OBO director to ensure compliance with all applicable provisions of this article.

- (c) All MWSBEs and MWSBE applicants shall, upon written request of the OBO director, provide to the office of business opportunity copies of any and all documents, including without limitation financial statements and tax records, requested by the director in connection with the review authorized in subsection (a) of this section, not later than 20 business days following the date of mailing of the request. Failure to timely and completely comply with any such request will authorize the imposition of sanctions under section 15-86 of this Code, or denial of certification in the case of a MWSBE applicant.
- (d) Following the review authorized by subsection (a) of this section, the office of business opportunity shall classify each MWSBE or MWSBE applicant whose size meets or exceeds the size standard identified by the SBA for that class of enterprise as an established business enterprise. The classification shall be effective as of the date of mailing of the notice provided in section 15-88 of this Code.

(Ord. No. 2013-428, § 10(Exh. A), 5-8-2013, eff. 7-1-2013)

Sec. 15-88. - Notice, appeal and waiver.

- (a) Immediately upon classification of a certified MWSBE or MWSBE applicant as an established business enterprise pursuant to section 15-87 of this Code, the office of business opportunity shall notify the business so classified of the action by United States certified mail, return receipt requested, addressed to the last known address of the business and deemed given when placed in a United States mail depository.
  - (b) Each notice shall inform the affected MWSBE or MWSBE applicant of the following matters: (1) That the MWSBE or MWSBE applicant has been classified as an established business enterprise;
  - (2) That the classification is effective as of the date of mailing of the notice;
  - (3) That the MWSBE or MWSBE applicant may appeal the classification or seek a waiver of the classification pursuant to the procedures established under this section;
  - (4) That the provisions of section 15-89 of this chapter shall become enforceable with respect to any certified MWSBE one year following the notice of classification, unless the decision is reversed or a waiver is granted and the classification is withdrawn prior to the expiration of the one-year period; and
  - (5) That any MWSBE applicant deemed ineligible for certification based upon its classification as an established business enterprise shall remain ineligible for certification unless and until any withdrawal of the classification as an established business enterprise is granted pursuant to an appeal or a request for waiver conducted under this section.
- (c) In order to appeal a classification as an established business enterprise, a MWSBE or MWSBE applicant must submit to the OBO director a written notice of appeal no later than 60 days following the date of mailing of the notice of classification. The sole basis for an appeal shall be that the office of business opportunity has incorrectly calculated the size of the business according to SBA standards based upon incorrect information or error in computation. The notice of appeal shall be accompanied by any documentation necessary to demonstrate the asserted error. If the OBO director finds that an error or errors were made in calculating the size of the business and that any such error resulted in an incorrect classification as an established business enterprise, the classification shall be withdrawn and the business promptly notified of the withdrawal. If the OBO director finds that no error was made, or that any error would not materially alter the classification, he shall notify the business that the classification is not altered, by certified mail, return receipt requested. The business may within ten days of the date of mailing of the notice submit to the OBO director a written request for a hearing, which hearing shall be conducted under the procedures set forth in subsections (e) through (g) of this section.
- (d) In order to seek a waiver of a classification as an established business enterprise, a MWSBE or MWSBE applicant must submit to the OBO director a written request for a hearing no later than 60 days following the date of mailing of the notice of classification. The written request shall include documentary evidence, including but not limited to financial statements and tax records, relevant to the following criteria:

- (1) Profitability of the enterprise;
  - (2) Sales of the enterprise, including a demonstration that 55 percent or more of the enterprise's sales, within the period utilized by the office of business opportunity in its classification determination, are not related to city contracts;
  - (3) Ability of the MWSBE or MWSBE applicant to obtain bonding, if the enterprise acts as a prime contractor or in a category in which obtaining bonding is required; and
  - (4) Positive comparison of the enterprise's business and financial profile with those of non-MWSBE firms in the same business category based on an objective industry standard.
- (e) The OBO director shall notify the affected MWSBE or MWSBE applicant of the place and time of a hearing before the OBO director or his designee to consider an appeal requested under subsection (c) of this section, or a request for waiver of the classification under subsection (d) of this section, or both, as applicable, by United States certified mail, return receipt requested. The hearing shall be set not later than 30 days following receipt of the request, provided that the OBO director or his designee may in his discretion extend such date by a reasonable period for good and sufficient cause shown. Hearings for businesses that have both appealed under subsection (c) of this section and requested a waiver under subsection (d) of this section may be consolidated in a single hearing at the discretion of the OBO director or his designee.
- (f) The OBO director shall promulgate written procedures for the conduct of hearings. The OBO director or his designee shall hear each appeal or request for waiver and shall consider only the criteria set forth under subsections (c) and (d)(1) through (d)(4) of this section, as applicable, in determining whether to withdraw the classification of the affected business as an established business enterprise. The OBO director shall develop objective standards for evaluating each factor set forth under subsections (d)(1) through (d)(4) based upon recognized industry or governmental practices or standards. The burden shall be on the business to demonstrate by clear, convincing and cogent evidence either that a material error in classification was made or that the granting of a waiver is justified by at least two of the criteria set forth in subsections (d)(1) through (d)(4) of this section.
- (g) Notwithstanding any provision of this Code or of the rules or regulations of the office of business opportunity to the contrary, including any provision for mediation of a decision of the OBO director, the decision of the OBO director or his designee regarding appeal or waiver shall be final.

(Ord. No. 2013-428, § 10(Exh. A), 5-8-2013, eff. 7-1-2013)

Sec. 15-89. - Effect of classification; re-application.

- (a) Upon the expiration of one year following the notice of classification as an established business enterprise referenced in section 15-88(a) of this Code, and in the absence of any withdrawal of such classification by the OBO director, each certified MWSBE so classified shall be ineligible for future participation in any city contract as a MWSBE and its certification shall be withdrawn. No application for re-certification shall be granted absent the prior determination of the OBO director that the applicant does not meet or exceed the SBA size standards referenced in section 15-87(a) of this Code. Certified businesses whose evaluation results in classification as an established business enterprise shall timely file any re-certification application due prior to expiration of the one year extension of program eligibility referenced in this section, but the application shall not be granted unless and until the classification is withdrawn or waived.
- (b) Notwithstanding any provision of this Code or the rules or regulations of the office of business opportunity to the contrary, including any provision for mediation of a decision of the OBO director, any initial applicant for MWSBE certification who meets the criteria for an established business enterprise at the time of its application and is so classified shall be denied certification on that basis alone and shall have no recourse for the denial except through challenging the classification in the manner set forth in section 15-88 of this chapter. Any and all other matters pertaining to the eligibility of the applicant shall be abated and shall only be reinstated if the classification as an established business enterprise is withdrawn.
- (c) The office of business opportunity may continue to assist established business enterprises following ineligibility as follows:

- (1) Such businesses, if formerly certified by the city, may continue to be listed in any listing of MWSBE firms in a separate category of established MWSBE firms for the information of other private or public entities; and
  - (2) Such businesses, if formerly certified by the city, may receive information, counseling and referrals to other agencies supporting business enterprises from the office of business opportunity after their classification as established business enterprises.
- (d) No sooner than one year following the date of program ineligibility provided in subsection (a) of this section or the denial of certification provided in subsection (b) of this section, any established business enterprise may apply for reinstatement as a fully eligible, certified MWSBE or reinstatement of an application for certification abated under subsection (b) of this section, as applicable, upon demonstrating the existence of one or more of the following conditions:
- (1) That the subsequent history from the date of initial classification as an established business enterprise demonstrates that a size calculation as of the date of application for reinstatement would place the business below the SBA size standards for that category of business;
  - (2) That the established business enterprise has successfully obtained an SBA size determination from a federal agency authorized to make such a determination, or has prevailed in an SBA size protest under 13 CFR § 121.1001, et seq., as amended, including any judicial review thereof, establishing that the business does not meet or exceed the applicable SBA size standard;
  - (3) That the SBA size standards have been revised in such a manner that the subject business no longer meets or exceeds the size standard for its category based upon the most recent three-year average for receipts or 12 month average for employees, as applicable; or
  - (4) That the criteria listed in section 15-88(d) of this Code demonstrate the need to grant a waiver and withdraw the classification of the business as an established business enterprise.
- (e) Applications for reinstatement shall be on a form prescribed by the OBO director and shall be accompanied by relevant documentary evidence supporting the ground or grounds for reinstatement asserted, as requested by the OBO director.
- (f) Within 30 days following receipt of a completed application for reinstatement, the OBO director shall grant the application or deny the application and set the matter for hearing within 30 days of the date of mailing notice of such denial.
- (g) The burden on the business applying for reinstatement shall be to demonstrate the existence of one or more of the conditions set forth in subsections d(1) through d(4) of this section by clear, convincing and cogent evidence, to be evaluated by the director under hearing procedures consistent with the nature of the application and, to the extent applicable, with the provisions of subsections (c), (d), (e) and (f) of section 15-88 of this Code. In addition, a business seeking reinstatement under subsection (b)(4) of this section that has previously sought a waiver of classification as an established business enterprise pursuant to section 15-88(d) of this chapter must present evidence of a material and substantial change in circumstances not shown at the preceding hearing, and the OBO director or his designee shall disregard evidence that is repetitious or cumulative of the prior hearing on the matter.
- (h) The decision of the OBO director or his designee following a hearing on reinstatement shall be final, and any applicant denied reinstatement is to be notified in writing of the decision within ten days following the hearing. No business denied reinstatement may subsequently apply for reinstatement until the expiration of one year from the date of the denial.

The Bidder shall submit MWSBE documents in accordance with the requirements of Document 00410 – Bid Form Part A.

  - a. In accordance with the Code of Ordinances and the OBO Good Faith Efforts Policy (Attachment A), the Department shall approve an Apparent Low Bidder's MWSBE Participation Plan, Document 00470 (the "Bidder's Plan" or "Plan"), within three business days of the Bid Opening only if the Department representative determines that Bidder's Plan meets the advertised Contract Goal and is administratively complete.

- b. If the Department cannot approve the Bidder's Plan, it shall forward the Plan to OBO, who shall review the Bidder's Plan, and if applicable, the Bidder's Document 00471 (Record of Good Faith Efforts) and Document 00472 (Pre-Award Deviation Request) and determine whether the Bidder has made Good Faith Efforts to meet the Contract Goals within 10 business days of the Bid Opening.
- c. If OBO determines that the Bidder has failed to provide a valid participation plan or make Good Faith Efforts or if the Bidder fails to provide documents and associated information required by this Document 00808 or reasonably requested in writing by OBO, OBO may declare the Bidder to be non-responsible.
- d. If OBO determines that the Bidder has made Good Faith Efforts, OBO may approve the Bidder's Contract Goal Deviation request. Thereafter, the Bidder/Contractor shall be bound by the Plan, as approved or modified by OBO.
- e. The Contractor shall:
  - (1) ensure that all MWSBE firms listed in the Plan are certified by the Office of Business Opportunity prior to bid date. - d. OBO shall approve a deviation request if:

In such cases, the Contractor shall use and document Good Faith Efforts to find a similarly qualified, certified MWSBE firm to perform such specified work; or

#### **F. ELIGIBILITY OF MWSBE FIRMS FOR SUBCONTRACTING**

- 1. To ensure that the City's Business Enterprise Program benefits only those firms that are owned and controlled by a minority person(s), a woman (women), a person(s) with a disability, or a small business enterprise, the Office of Business Opportunity will certify the eligibility of MWSBE and PDBE Contractors, Subcontractors, and Suppliers. Contact the OBO Certification Division at 832-393-0600 for information regarding certification.
- 2. Firms must be certified by OBO at the time of bid in order to be counted towards meeting MWSBE goals. OBO maintains a Certified Minority, Women and Small Business Enterprises and Persons with Disabilities Business Enterprises Directory on the City's website. This Directory also lists federally-designated Disadvantaged Business Enterprises (DBEs).

#### **G. DETERMINATION OF MWSBE PARTICIPATION**

MWSBE participation shall be counted toward meeting the Contract Goals in

response to the following:

1. Contractor may count toward its Contract Goals only those MWSBE Subcontractors/ Suppliers performing a Commercially Useful Function.
  - a. **COMMERCIALLY USEFUL FUNCTION** means a discrete task or group of tasks, the responsibility for performance of which shall be discharged by the MWSBE firm by using its own forces or by actively supervising on-site the execution of the tasks by another entity for whose work the MWSBE firm is responsible. In determining whether a certified firm is performing a commercially useful function, factors including but not limited to the following shall be considered: (1) whether the firm has the skill and expertise to perform the work for which it is being utilized and possesses all necessary licenses; (2) whether the firm is in the business of performing, managing, or supervising the work for which it has been certified and is being utilized; and (3) whether it is performing a real and actual service that is a distinct and verifiable element of the work called for in a contract. Without limiting the generality of the foregoing, a MWSBE will not be considered to be performing a commercially useful function, if it subcontracts more than 50 percent of a contract being counted toward the applicable Contract Goals, unless such subcontracting in excess of 50 percent has been expressly approved by OBO either pre-bid or post award.
  - b. OBO shall approve a Plan Deviation Request if the Contractor demonstrates that the industry standard for the type of work involved is to subcontract over 50 percent of the work.
2. Once a firm is certified as a MWSBE firm, the total dollar value of the subcontract awarded to the MWSBE firm is counted toward the Contract Goals, counting only the work in which the MWSBE has performed a Commercially Useful Function. The use of one MWSBE certified firm to meet multiple goals (e.g. MBE, WBE, SBE goals) on a contract is prohibited, unless expressly approved by OBO. Safety and Participation goals do not count as a single goal concerning MWSBE/DBE requirements.
3. The dollar value of the work performed by a certified Prime Contractor may not be counted toward the MWSBE goal unless the certified Prime Contractor is a part of a joint venture. When the Contractor or Subcontractor is in a joint venture with one or more MWSBE firms, OBO shall determine the percent of participation resulting from such joint venture to be counted toward the Contract Goals. The City may count towards the Contractor's MWSBE contract goal that portion of the total value of the contract amount paid to an MWSBE joint venturer equal

to the distinct, clearly defined portion of the contract work performed by the MWSBE.

4. A MWSBE Supplier's participation will be counted towards the MWSBE goals if all of the following criteria are met. The MWSBE Supplier must:
  - (a) negotiate price;
  - (b) determine quality and quantity;
  - (c) order the materials;
  - (d) show that the invoice is in the certified firm's name;
  - (e) pay for the material itself;
  - (f) control delivery; and
  - (g) be certified to provide the supplies in the appropriate NAICS code.

If the listed criteria above are not met, only the entire amount of fees or commissions charged for assistance in the procurement of the supplies and materials, or fees or transportation charges for the delivery of supplies or materials required on a job site will be counted towards the MWSBE goal. To be counted, proof must be provided of the fees paid and the fees must be reasonable and not excessive as compared with fees customarily allowed for similar services. MWSBE Supplier participation may account for no more than 50% of the MWSBE participation plan.

5. The OBO Policy and Procedures Manual, as amended from time to time, shall apply to the Contract for other determinations regarding counting MWSBE participation not explicitly provided for in the Contract.

#### H. CONTRACTOR COMPLIANCE

To ensure compliance with MWSBE requirements, OBO and the Department will monitor Contractor's efforts regarding MWSBE Subcontractors/Suppliers during the performance of this Contract. This may be accomplished through the following: job site visits; reviewing of records and reports; and interviews of randomly selected personnel.

#### I. RECORDS AND REPORTS

1. In accordance with II.A of this Document, the Contractor shall submit an initial report outlining MWSBE participation 40 days after the Notice to Proceed date, and on or before the 15th day of each month thereafter until all MWSBE subcontracting or material supply activity is completed. Each report shall cover the preceding month's activity. The Contractor shall use the MWSBE Contract Compliance and Monitoring System (B2G Now) to meet this requirement.
2. Contractor shall maintain the following records for review upon request by OBO or the Department:

- a. Copies of executed Subcontractor agreements and purchase orders;
  - b. Documentation of payments and other transactions with MWSBE Subcontractors/ Suppliers; and
  - c. Appropriate explanations of any changes or replacements of MWSBE Subcontractors/Suppliers. All replacement MWSBE Subcontractors/Suppliers must be certified by OBO.
  - d. Any other records required by OBO or Contracting Department.
3. If a Participation Plan Percentage is not being met, the monthly report shall include a narrative description of the progress being made in MWSBE participation. If sufficient MWSBE Subcontractors or Suppliers to meet the Participation Plan Percentage are being utilized, they should be identified by name and the dollar amount paid to date for work performed or materials furnished by each MWSBE during the monthly period. Reports are required when no activity has occurred in a monthly period.
  4. Contractor shall retain all such records for a period of four years following completion of the Work and shall be available at reasonable times and places for inspection by authorized representatives of the City including the City Controller.

#### **IV. SANCTIONS:**

##### **A. SUSPENSION PERIOD AND WAIVER**

Pursuant to Section 15-86 of the Code of Ordinances, OBO is authorized to suspend any Contractor who has failed to make Good Faith Efforts for a period of up to, but not to exceed, five years.

##### **B. GUIDELINES FOR IMPOSITION OF SANCTIONS**

###### **1. General:**

- a. OBO shall not impose any sanction except upon evidence of specific conduct on the part of a MWSBE or Contractor that is inconsistent with, or in direct contravention of, specific applicable requirements for Good Faith Efforts.
- b. Imposition and enforcement of suspensions shall be consistent with applicable state law.

###### **2. Severity of Sanctions:**

- a. In determining the length of any suspension, OBO shall consider the following factors:
  - (1) Whether the failure to comply with applicable requirements involved intentional conduct or, alternatively,

may be reasonably concluded to have resulted from a misunderstanding on the part of the Contractor or MWSBE of the duties imposed on them by Article V of Chapter 15 of the Code of Ordinances and these procedures;

- (2) The number of specific incidences of failure by Contractor or MWSBE to comply;
- (3) Whether the Contractor or MWSBE has been previously suspended;
- (4) Whether the Contractor or MWSBE has failed or refused to provide OBO with any information requested by OBO's Director or required to be submitted to OBO's Director pursuant to law or these procedures;
- (5) Whether the Contractor or MWSBE has materially misrepresented any applicable facts in any filing or communication to OBO; and
- (6) Whether any subsequent restructuring of the subject business or other action has been undertaken to cure the deficiencies in meeting applicable requirements.

- b. Suspensions may be for any length of time not to exceed five years. Suspensions in excess of one year shall be reserved for cases involving intentional or fraudulent misrepresentation or concealment of material facts, multiple acts in contravention of applicable requirements, cases where the Contractor or MWSBE has been previously suspended, or other similarly egregious conduct.

#### C. APPEALS

A decision to implement a suspension may be taken after notice and an opportunity for an informal conciliation conference with OBO and a hearing by the Contract Compliance Commission. Commission members shall not have participated in the actions or investigations giving rise to the suspension hearing.

#### D. NOTICE

1. Prior to imposing any suspension, OBO shall deliver written notice to the Contractor or MWSBE setting forth the grounds for the proposed suspension and setting a date, time, and place to appear for an informal conciliation conference with OBO, in addition to information regarding the appearance before the Contract Compliance Commission for a hearing on the matter.
2. Any notice required or permitted to be given hereunder to any Contractor or MWSBE may be given either by personal delivery or by certified United States mail, postage prepaid, return receipt requested, addressed to their

most recent address as specified in the records of the Office of Business Opportunity or in the Contract if no address is on file with the Office of Business Opportunity.

**E. HEARING PROCEDURES**

Proceedings before the Contract Compliance Commission shall be conducted in accordance with Section 15-23 of the Code of Ordinances. If the Commission, in a written decision, finds that a suspension is supported by the evidence presented, the Commission shall submit its recommendation to the Mayor and City Council.

ATTACHMENT A

**City of Houston  
Office of Business Opportunity  
Good Faith Efforts Policy**

**General Policy.**

Good Faith Efforts are steps taken to achieve an Contract Goal or other requirements which, by their scope, intensity and usefulness demonstrates the bidder's responsiveness to fulfill the business opportunity objective prior to the award of a contract, as well as the contractor's responsibility to put forth measures to meet or exceed the Contract Goal throughout the duration of the contract.

Good Faith Efforts are required to be made and demonstrated by an apparent successful bidder on goal oriented contracts or proposer on a regulated contract prior to award of a contract. Good Faith Efforts are required on professional services and construction contracts and on procurement of goods and non-professional service contracts with goals. If a bidder, when submitting a participation plan at the time of bid or proposal submission, anticipates it cannot or will not meet the Contract Goal prior to the award, the bidder must demonstrate to Office of Business Opportunity ("OBO") it has made Good Faith Efforts to meet the Contract Goal, to be eligible for the contract award.

Good Faith Efforts shall be evaluated on a case-by-case basis in making a determination whether a bidder or contractor is in compliance with this policy. The efforts employed by a bidder or contractor should be those that one could reasonably expect a bidder or contractor to take if the bidder were actively and aggressively attempting to obtain MWSBE participation sufficient to meet the Contract Goal. Efforts taken that are mere formalities or other perfunctory acts shall not be considered Good Faith Efforts to meet Contract Goals.

The factors provided herein are representative of the types of actions OBO will consider in determining whether the bidder or contractor made Good Faith Efforts to obtain MWSBE participation to meet the Contract Goal. The factors prescribed below are not intended to be a mandatory checklist, nor is it intended to be exhaustive or exclusive. OBO may consider other factors or types of efforts that may be relevant in appropriate cases.

If a contractor fails to submit Good Faith Efforts documentation as provided in this Policy, it waives the right to appeal OBO decisions related to this Policy. OBO will review all the efforts made by the contractor, including the quality and quantity of those efforts.

**Pre-Award.**

A bidder must submit a participation plan (Document 00470) to OBO at the time the bidder

submits the bid. If the participation by certified MWSBE subcontractors documented on the participation plan ("participation") is less than the Contract Goal, a bidder should submit a Record of Good Faith Efforts (Document 00471) with the bid. A bidder should also submit a request for a deviation (Document 00472) if the bidder, having used Good Faith Efforts, reasonably believes that it cannot meet the Contract Goal or a commercially useful deviation.

In making a determination that the bidder has made a good faith effort to meet the Contract Goals, OBO shall consider specific documentation<sup>1</sup> concerning the steps taken to obtain MWSBE participation, with a consideration of, by way of illustration and not limitation, whether the bidder demonstrated a genuine effort to comply with the following factors.

1. Attended any pre-bid or pre-proposal meetings scheduled by the City Department;
2. Followed up with MWSBEs that attended the pre-bid or pre-proposal meetings to discuss subcontracting and supplier opportunities and contacted MWSBEs listed in the City's online directory;
3. Conducted outreach with minority and women focused organizations and associations far in advance of solicitation due date (no less than 10 business days);
4. Identified and designated portions of the work to be performed by MWSBEs to increase the likelihood of meeting the Contract Goals (including where appropriate breaking down the contract into reasonably sized subcontracts to ensure participation);
5. Advertised subcontracting opportunities in news media focused towards minority and women persons far in advance of solicitation due date;
6. Provided MWSBEs with a point of contact that was knowledgeable about the project and possessed decision-making authority to answer questions from interested MWSBEs;
7. Provided a reasonable number of MWSBEs certified with timely written notices via email, mail, and/or fax and/or with documented contact regarding the subcontracting/supplier opportunities. A "reasonable number of MWSBEs" shall be based on the number of MWSBEs available in the directory;
8. Solicited the MWSBEs within a reasonable amount of time (no less than seven business days) before bid submission, as well as followed up with the MWSBEs solicited to determine if they were interested in submitting a bid or proposal or participating on a team.

---

<sup>1</sup> A list of common supporting documentation that may allow Contractors to support their good faith efforts can be found on the Office of Business Opportunity website at [www.houstontx.gov/obo](http://www.houstontx.gov/obo).

9. Provided interested MWSBEs certified to perform the solicited work with prompt access to the plans, specifications, scope of work and requirements of the contract;
10. Negotiated in good faith with interested MWSBEs, and not rejecting MWSBEs as unqualified without sound reasons based on a thorough investigation of their capabilities;
11. Entered into a formal contract, or signing enforceable letters of intent with MWSBEs;
12. Provided an explanation to any MWSBE whose bid or price quotation is rejected, unless another MWSBE is accepted for the same work, as follows:
  - a. Where price competitiveness is not the reason for rejection, a written rejection notice including the reason for rejection will be sent to the rejected MWSBE firm;
  - b. Where price competitiveness is the reason for rejection, a meeting must be held with the price-rejected MWSBE, if requested, to discuss the rejection;
13. Made efforts to assist interested MWSBEs in obtaining bonding, lines of credit, insurance required for the contract, and documenting MWSBE denied by bona fide surety agents;
14. Ensured that the conditions and requirements for subcontracts are commensurate with industry standards and would not cause an economic hardship on MWSBEs, such as unnecessary insurance or coupling bid bonds with retainage;
15. Incorporated efforts not attempted earlier or on previous bids that appear more likely to lead to attaining the Contract Goal. Past performance on similar contracts with similar scopes will also be taken in consideration when determining Good Faith Efforts. A bidder that continues to make same efforts without any significant change in the level of participation may not be making Good Faith Efforts.

### **Post-Award.**

The contractor must sign the approved participation plan (Document 00470 or Document 00570) prior to starting work on the Project. A contractor should submit a request for deviation (Document 00572) from OBO if the contractor, having made Good Faith Efforts, reasonably believes that it will not achieve the Participation Plan Percentage documented in the approved participation plan. Unless OBO approves a deviation, a contractor must submit to OBO a Participation Summary (Document 00660) prior to City Council's consideration of any close-out, term extension, or change order. If participation is less than anticipated in the approved

participation plan, the contractor must submit a Record of Good Faith Efforts (Document 00571) along with the Participation Summary. A contractor that fails to submit a deviation request and Good Faith Efforts documentation waives the right to appeal OBO decisions related to this Policy.

If the contractor is awarded the contract and fails to achieve the established Participation Plan Percentage, the contractor must demonstrate to OBO its efforts to meet the Participation Plan Percentage and failure to do so based on circumstances that the contractor could not reasonably control. In determining whether the contractor made Good Faith Efforts to ensure full participation and achievement of the Participation Plan Percentage, OBO shall consider the following factors:

1. Whether the contractor designated an MWSBE liaison officer to administer the Contractor's MWSBE programs and to be responsible for maintenance of records of Good Faith Efforts.
2. Whether the contractor furnished prompt MWSBE Utilization Reports in a timely and accurate manner through the online Contract Monitoring System or via hard copy.
3. Whether the contractor responded to efforts to resolve disputes with MWSBEs, and genuinely attempted to resolve these issues.
4. Whether the contractor disclosed payment discrepancies timely and within the monthly reporting period;
5. Whether the contractor complied with the participation plan, unless the contractor received a deviation from the OBO Director and whether upon approval, the contractor made Good Faith Efforts to replace a removed MWSBE with another certified firm;
6. Whether the contractor furnished prompt written responses to written inquiries from the Director or any employee of OBO regarding the MWSBE's performance or information germane to the MWSBE's certification;
7. Whether the contractor ensured that at all times during the performance of any contract or subcontract the MWSBE firm is engaging in a commercially useful function as that term is defined in Chapter 15 of the City of Houston Code of Ordinances;
8. Whether the contractor provided the OBO information, or other material, that was factually accurate and free of material misrepresentation; and
9. Whether the contractor furnished prompt responses to requests for information, books and records needed to verify compliance from the department administering the Contract, the City Attorney and the City Controller;

10. Whether the contractor attended all meetings and mediation hearings as requested by the Director or his/her designee; and
11. How the contractor may be affected by change orders, with consideration given to the size of the change orders.

**Change Orders.**

The requirement to make Good Faith Efforts to achieve the approved Participation Plan Percentage is applicable to change orders. Contractors should make Good Faith Efforts to ensure that the Participation Plan Percentage remains substantially the same after the issuance of change orders. If a contractor cannot maintain substantially the same level of participation provided in the latest approved Participation Plan (Document 00470 or Document 00570) due to a change order, the contractor shall submit to the OBO Director and Contracting Department a Document 00571 (Post-Award Record of Good Faith Efforts) and Document 00572 (Post-Award Plan Deviation Request) in a timely manner that does not cause disruption to the project. In addition to other relevant factors, in evaluating whether Good Faith Efforts were made by the contractor to meet the Participation Plan Percentage despite change orders, the OBO Director shall consider the contractor's efforts to timely and efficiently deliver the project.

(3) *Thresholds—(i) No thresholds for section 3 covered public and Indian housing assistance.* The requirements of this part apply to section 3 covered assistance provided to recipients, notwithstanding the amount of the assistance provided to the recipient. The requirements of this part apply to all contractors and subcontractors performing work in connection with projects and activities funded by public and Indian housing assistance covered by section 3, regardless of the amount of the contractor subcontract.

(ii) *Thresholds for section 3 covered housing and community development assistance—(A) Recipient thresholds.* The requirements of this part apply to recipients of other housing and community development program assistance for a section 3 covered project(s) for which the amount of the assistance exceeds \$200,000.

(B) *Contractor and subcontractor thresholds.* The requirements of this part apply to contractors and subcontractors performing work on section 3 covered project(s) for which the amount of the assistance exceeds \$200,000; and the contract or subcontract exceeds \$100,000.

§ 135.5

(C) *Threshold met for recipients, but not contractors or subcontractors.* If a recipient receives section 3 covered housing or community development assistance in excess of \$200,000, but no contract exceeds \$100,000, the section 3 preference requirements only apply to the recipient.

(a) of this section shall comply with the procedures and requirements of this part to the maximum extent consistent with, but not in derogation of, compliance with section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450c(b)). (See 24 CFR part 905.)

(d) *Other HUD assistance and other Federal assistance.* Recipients, contractors and subcontractors that receive HUD assistance, not listed in paragraph (a) of this section, or other Federal assistance, are encouraged to provide, to the greatest extent feasible, training, employment, and contracting opportunities generated by the expenditure of this assistance to low- and very low-income persons, and business concerns owned by low- and very low-income persons, or which employ low- and very low-income persons.

## § 135.5

## 24 CFR Subtitle B, Ch. I (4--1--03 Edition)

*Metropolitan area* means a metropolitan statistical area (MSA), as established by the Office of Management and Budget.

*Neighborhood area* means:

(1) For HUD housing programs, a geographical location within the jurisdiction of a unit of general local government (but not the entire jurisdiction) designated in ordinances, or other local documents as a neighborhood, village, or similar geographical designation.

*New hires* mean full-time employees for permanent, temporary or seasonal employment opportunities.

*Nonmetropolitan county* means any county outside of a metropolitan area. *Other HUD programs* means HUD programs, other than HUD public and Indian housing programs, that provide housing and community development assistance for "section 3 covered projects," as defined in this section.

*Section 3 clause* means the contract provisions set forth in § 135.38.

*Section 3 covered contract* means a contract or subcontract (including a professional service contract) awarded by a recipient or contractor for work generated by the expenditure of section 3 covered assistance, or for work arising in connection with a section 3 covered project. "Section 3 covered contracts" do not include contracts awarded under HUD's procurement program, which are governed by the Federal Acquisition Regulation System (see 48 CFR, Chapter 1). "Section 3 covered contracts" also do not include contracts for the purchase of supplies and

materials. However, whenever a contract for materials includes the installation of the materials, the contract constitutes a section 3 covered contract. For example, a contract for the purchase and installation of a furnace would be a section 3 covered contract because the contract is for work (i.e., the installation of the furnace) and thus is covered by section 3.

*Section 3 covered project* means the construction, reconstruction, conversion or rehabilitation of housing (including reduction and abatement of lead-based paint hazards), other public construction which includes buildings or improvements (regardless of ownership) assisted with housing or community development assistance.

Section 3(b)(2) of the 1937 Act defines this term to mean families (including single persons) whose incomes do not exceed 80 per centum of the median income for the area, as determined by the Secretary, with adjustments for smaller and larger families, except that the Secretary may establish income ceilings higher or lower than 80 per centum of the median for the area on the basis of the Secretary's findings that such variations are necessary because of prevailing levels of construction costs or unusually high or low-income families; or

(ii) *A very low-income person*, as this term is defined in section 3(b)(2) of the 1937 Act (42 U.S.C. 1437a(b)(2)). Section 3(b)(2) of the 1937 Act (42 U.S.C. 1437a(b)(2)) defines this term to mean families (including single persons) whose incomes do not exceed 50 per centum of the median family income for the area, as determined by the Secretary with adjustments for smaller and larger families, except that the Secretary may establish income ceilings higher or lower than 50 per centum of the median for the area on the basis of the Secretary's findings that

## § 135.7

such variations are necessary because of unusually high or low family incomes.

(3) A person seeking the training and employment preference provided by section 3 bears the responsibility of providing evidence (if requested) that the person is eligible for the preference.

*Section 8 assistance* means assistance provided under section 8 of the 1937 Act (42 U.S.C. 1437f) pursuant to 24 CFR part 882, subpart G.

*Service area* means the geographical area in which the persons benefitting from the section 3 covered project reside. The service area shall not extend beyond the unit of general local government in which the section 3 covered assistance is expended. *Subcontractor* means any entity (other than a person who is an employee of the contractor) which has a contract with a contractor to undertake a portion of the contractor's obligation for the performance of work generated by the expenditure of section 3 covered assistance, or arising in connection with a section 3 covered project.

*Very low-income person.* See the definition of "section 3 resident" in this section.

*Youthbuild programs.* See the definition of "HUD Youthbuild programs" in this section. [59 FR 33880, June 30, 1994, as amended at 61 FR 5206, Feb. 9, 1996]

## § 135.7 Delegation of authority.

Except as may be otherwise provided in this part, the functions and responsibilities of the Secretary under section 3, and described in this part, are delegated to the Assistant Secretary for Fair Housing and Equal Opportunity. The Assistant Secretary is further authorized to redelegate functions and responsibilities to other employees of HUD; *provided however*, that the authority to issue rules and regulations under this part, which authority is delegated to the Assistant Secretary, may

## 24 CFR Subtitle B, Ch. I (4-1-03 Edition)

not be redelegated by the Assistant Secretary.

## § 135.9 Requirements applicable to HUD NOFAs for section 3 covered programs.

(a) *Certification of compliance with part 135.* All notices of funding availability (NOFAs) issued by HUD that announce the availability of funding covered by section 3 shall include a provision in the NOFA that notifies applicants that section 3 and the regulations in part

135 are applicable to funding awards made under the NOFA. Additionally the NOFA shall require as an application submission requirement (which may be specified in the NOFA or application kit) a certification by the applicant that the applicant will comply with the regulations in part 135. (For PHAs, this requirement will be met where a PHA Resolution in Support of the Application is submitted.) With respect to application evaluation, HUD will accept an applicant's certification unless there is evidence substantially challenging the certification.

(b) *Statement of purpose in NOFAs.*

(1) For competitively awarded assistance in which the grants are for activities administered by an HA, and those activities are anticipated to generate significant training, employment or contracting opportunities, the NOFA must include a statement that one of the purposes of the assistance is to give to the greatest extent feasible, and consistent with existing Federal, State and local laws and regulations, job training, employment, contracting and other economic opportunities to section 3 residents and section 3 business concerns.

(2) For competitively awarded assistance involving housing rehabilitation, construction or other public construction, where the amount awarded to the applicant may exceed \$200,000, the NOFA must include a statement that one of the purposes of the assistance is to give, to the greatest extent feasible, and consistent with existing Federal, State and local laws and regulations, job training, employment, contracting and other economic opportunities to section 3 residents and section 3 business concerns.

## Office of Asst. Secy., Equal Opportunity, HUD

§135.11

(c) *Section 3 as NOFA evaluation criteria.* Where not otherwise precluded by statute, in the evaluation of applications for the award of assistance, consideration shall be given to the extent to which an applicant has demonstrated that it will train and employ section 3 residents and contract with section 3 business concerns for economic opportunities generated in connection with the assisted project or activity. The evaluation criteria to be utilized, and the rating points to be assigned, will be specified in the NOFA.

**§ 135.11 Other laws governing training, employment, and contracting.**

Other laws and requirements that are applicable or may be applicable to the economic opportunities generated from the expenditure of section 3 covered assistance include, but are not necessarily limited to those listed in this section.

(a) *Procurement standards for States and local governments (24 CFR 85.36)*—(1) *General.* Nothing in this part 135 prescribes specific methods of procurement. However, neither section 3 nor the requirements of this part 135 supersede the general requirement of 24 CFR 85.36(c) that all procurement transactions be conducted in a competitive manner. Consistent with 24 CFR 85.36(c)(2), section 3 is a Federal statute that expressly encourages, to the maximum extent feasible, a geographic preference in the evaluation of bids or proposals.

(2) *Flexible Subsidy Program.* Multi-family project mortgagors in the Flexible Subsidy Program are not required to utilize the methods of procurement in 24 CFR 85.36(d), and are not permitted to utilize methods of procurement that would result in their award of a contract to a business concern that submits a bid higher than the lowest responsive bid. A multifamily project mortgagor, however, must ensure that, to the greatest extent feasible, the procurement practices it selects provide preference to section 3 business concerns.

(b) *Procurement standards for other recipients (OMB Circular No. A-110).* Nothing in this part prescribes specific methods of procurement for grants and other agreements with institutions of

higher education, hospitals, and other nonprofit organizations. Consistent with the requirements set forth in OMB Circular No. A-110, section 3 is a Federal statute that expressly encourages a geographic preference in the evaluation of bids or proposals.

(a) *Federal labor standards provisions.* Certain construction contracts are subject to compliance with the requirement to pay prevailing wages determined under Davis-Bacon Act (40 U.S.C. 276a-276a-7) and implementing U.S. Department of Labor regulations in 29 CFR part 5. Additionally, certain HUD-assisted rehabilitation and maintenance activities on public and Indian housing developments are subject to compliance with the requirement to pay prevailing wage rates, as determined or adopted by HUD, to laborers and mechanics employed in this work. Apprentices and trainees may be utilized on this work only to the extent permitted under either Department of Labor regulations at 29 CFR part 5 or for work subject to HUD-determined prevailing wage rates, HUD policies and guidelines. These requirements include adherence to the wage rates and ratios of apprentices or trainees to journeymen set out in "approved apprenticeship and training programs," as described in paragraph (d) of this section.

(b) *Approved apprenticeship and trainee programs.* Certain apprenticeship and trainee programs have been approved by various Federal agencies. Approved apprenticeship and trainee programs include: an apprenticeship program approved by the Bureau of Apprenticeship and Training of the Department of Labor, or a State Apprenticeship Agency, or an on-the-job training program approved by the Bureau of Apprenticeship and Training, in accordance with the regulations at 29 CFR part 5; or a training program approved by HUD in accordance with HUD policies and guidelines, as applicable. Participation in an approved apprenticeship program does not, in and of itself, demonstrate compliance with the regulations of this part.

(c) *Compliance with Executive Order 11246.* Certain contractors covered by this part are subject to compliance with Executive Order 11246, as amended

§ 135.30

by Executive Order 12086, and the Department of Labor regulations issued pursuant thereto (41 CFR chapter 60) which provide that no person shall be discriminated against on the basis of race, color, religion, sex, or national origin in all phases of employment during the performance of Federal or Federally assisted construction contracts.

**Subpart B—Economic Opportunities for Section 3 Residents and Section 3 Business Concerns**

**§ 135.30 Numerical goals for meeting the greatest extent feasible requirement.**

(a) *General.* (1) Recipients and covered contractor may demonstrate compliance with the “greatest extent feasible” requirement of section 3 by meeting the numerical goals set forth in this section for providing training, employment, and contracting opportunities to section 3 residents and section 3 business concerns.

(2) The goals established in this section apply to the entire amount of section 3 covered assistance awarded to a recipient in any Federal Fiscal Year (FY), commencing with the first FY following the effective date of this rule.

(3) For recipients that do not engage in training, or hiring, but award contracts to contractors that will engage in training, hiring, and subcontracting, recipients must ensure that, to the greatest extent feasible, contractors will provide training, employment, and contracting opportunities to section 3 residents and section 3 business concerns.

(4) The numerical goals established in this section represent minimum numerical targets.

b. *Training and employment.* The numerical goals set forth in paragraph (b) of this section apply to new hires. The numerical goals reflect the aggregate hires. Efforts to employ section 3 residents, to the greatest extent feasible, should be made at all job levels.

(1) *Numerical goals for section 3 covered public and Indian housing programs.* Recipients of section 3 covered public and Indian housing assistance (as described in § 135.5) and their contractors and

**24 CFR Subtitle B, Ch. I (4-1-03 Edition)**

subcontractors may demonstrate compliance with this part by committing to employ section 3 residents as:

(i) 10 percent of the aggregate number of new hires for the one year period beginning in FY 1995;

(ii) 20 percent of the aggregate number of new hires for the one period beginning in FY 1996;

(iii) 30 percent of the aggregate number of new hires for one year period beginning in FY 1997 and continuing thereafter.

(2) *Numerical goals for other HUD programs*

*covered by section 3.* (i) Recipients of section 3 covered housing assistance provided under other HUD programs, and their contractors and subcontractors (unless the contract or sub-contract awards do not meet the threshold specified in § 135.3(a)(3)) may demonstrate compliance with this part by committing to employ section 3 residents as 10 percent of the aggregate number of new hires for each year over the duration of the section 3 project;

(ii) Where a managing general partner or management agent is affiliated, in a given metropolitan area, with recipients of section 3 covered housing assistance, for an aggregate of 500 or more units in any fiscal year, the managing partner or management agent may demonstrate compliance with this part by committing to employ section 3 residents as:

(A) 10 percent of the aggregate number of new hires for the one year period beginning in FY 1995;

(B) 20 percent of the aggregate number of new hires for the one year period beginning in FY 1996;

(C) 30 percent of the aggregate number of new hires for the one year period beginning in FY 1997, and continuing thereafter.

(3) Recipients of section 3 covered community development assistance, and their contractors and subcontractors (unless the contract or sub-contract awards do not meet the threshold specified in § 135.3(a)(3)) may demonstrate compliance with the requirements of this part by committing to employ section 3 residents as:

(i) 10 percent of the aggregate number of new hires for the one year period beginning in FY 1995;

## Office of Asst. Secy., Equal Opportunity, HUD

§ 135.32

(ii) 20 percent of the aggregate number of new hires for the one year period beginning in FY 1996; and  
 (iii) 30 percent of the aggregate number of new hires for the one year period beginning in FY 1997 and continuing thereafter.

(c) *Contracts.* Numerical goals set forth in paragraph (c) of this section apply to contracts awarded in connection with all section 3 covered projects and section 3 covered activities. Each recipient and contractor and subcontractor (unless the contract or sub-contract awards do not meet the threshold specified in § 135.3(a)(3)) may demonstrate compliance with the requirements of this part by committing to award to section 3 business concerns:

(1) At least 10 percent of the total dollar amount of all section 3 covered contracts for building trades work for maintenance, repair, modernization or development of public or Indian housing, or for building trades work arising in connection with housing rehabilitation, housing construction and other public construction; and

(2) At least three (3) percent of the total dollar amount of all other section 3 covered contracts.

(d) *Safe harbor and compliance determinations.*

(1) In the absence of evidence to the contrary, a recipient that meets the minimum numerical goals set forth in this section will be considered to have complied with the section 3 preference requirements.

(2) In evaluating compliance under subpart D of this part, a recipient that has not met the numerical goals set forth in this section has the burden of demonstrating why it was not feasible to meet the numerical goals set forth in this section. Such justification may include impediments encountered despite actions taken. A recipient or contractor also can indicate other economic opportunities, such as those listed in § 135.40, which were provided in its efforts to comply with section 3 and the requirements of this part.

#### § 135.32 Responsibilities of the recipient.

Each recipient has the responsibility to comply with section 3 in its own operations, and ensure compliance in the

operations of its contractors and sub-contractors. This responsibility includes but may not be necessarily limited to:

(a) Implementing procedures designed to notify section 3 residents about training and employment opportunities generated by section 3 covered assistance and section 3 business concerns about contracting opportunities generated by section 3 covered assistance;

(b) Notifying potential contractors for section 3 covered projects of the requirements of this part, and incorporating the section 3 clause set forth in § 135.38 in all solicitations and contracts.

(c) Facilitating the training and employment of section 3 residents and the award of contracts to section 3 business concerns by undertaking activities such as described in the Appendix to this part, as appropriate, to reach the goals set forth in § 135.30. Recipients, at their own discretion, may establish reasonable numerical goals for the training and employment of section 3 residents and contract award to section 3 business concerns that exceed those specified in § 135.30;

(d) Assisting and actively cooperating with the Assistant Secretary in obtaining the compliance of contractors and subcontractors with the requirements of this part, and refraining from entering into any contract with any contractor where the recipient has notice or knowledge that the contractor has been found in violation of the regulations in 24 CFR part 135.

(e) Documenting actions taken to comply with the requirements of this part, the results of actions taken and impediments, if any.

(f) A State or county which distributes funds for section 3 covered assistance to units of local governments, to the greatest extent feasible, must attempt to reach the numerical goals set forth in 135.30 regardless of the number of local governments receiving funds from the section 3 covered assistance which meet the thresholds for applicability set forth at 135.3. The State or county must inform units of local government to whom funds are distributed of the requirements of this part; assist

## § 135.34

local governments and their contractors in meeting the requirements and objectives of this part; and monitor the performance of local governments with respect to the objectives and requirements of this part.

**§ 135.34 Preference for section 3 residents in training and employment opportunities.**

(a) *Order of providing preference.* Recipients, contractors and subcontractors shall direct their efforts to provide, to the greatest extent feasible, training and employment opportunities generated from the expenditure of section 3 covered assistance to section 3 residents in the order of priority provided in paragraph (a) of this section.

(1) *Public and Indian housing programs.* In public and Indian housing programs, efforts shall be directed to provide training and employment opportunities to section 3 residents in the following order of priority:

- (i) Residents of the housing development or developments for which the section 3 covered assistance is expended (category 1 residents);
- (ii) Residents of other housing developments managed by the HA that is expending the section 3 covered housing assistance (category 2 residents);
- (iii) Participants in HUD Youthbuild programs being carried out in the metropolitan area (or nonmetropolitan county) in which the section 3 covered assistance is expended (category 3 residents);
- (iv) Other section 3 residents.

(2) *Housing and community development programs.* In housing and community development programs, priority consideration shall be given, where feasible, to:

- (i) Section 3 residents residing in the service area or neighborhood in which the section 3 covered project is located (collectively, referred to as category 1 residents); and
- (ii) Participants in HUD Youthbuild programs (category 2 residents).
- (iii) Where the section 3 project is assisted under the Stewart

B. McKinney Homeless Assistance Act (42 U.S.C. 11301 et seq.), homeless persons residing in the service area or neighborhood in which the section 3 covered project is

## 24 CFR Subtitle B, Ch. I (4-1-03 Edition)

located shall be given the highest priority;

(iv) Other section 3 residents.

(3) Recipients of housing assistance programs administered by the Assistant Secretary for Housing may, at their own discretion, provide preference to residents of the housing development receiving the section 3 covered assistance within the service area or neighborhood where the section 3 covered project is located.

(4) Recipients of community development programs may, at their own discretion, provide priority to recipients of government assistance for housing, including recipients of certificates or vouchers under the Section 8 housing assistance program, within the service area or neighborhood where the section 3 covered project is located.

(b) *Eligibility for preference.* A section 3 resident seeking the preference in training and employment provided by this part shall certify, or submit evidence to the recipient contractor or subcontractor, if requested, that the person is a section 3 resident, as defined in § 135.5. (An example of evidence of eligibility for the preference is evidence of receipt of public assistance, or evidence of participation in a public assistance program.)

(c) *Eligibility for employment.* Nothing in this part shall be construed to require the employment of a section 3 resident who does not meet the qualifications of the position to be filled.

**§ 135.36 Preference for section 3 business concerns in contracting opportunities.**

(a) *Order of providing preference.* Recipients, contractors and subcontractors shall direct their efforts to award section 3 covered contracts, to the greatest extent feasible, to section 3 business concerns in the order of priority provided in paragraph (a) of this section.

(1) *Public and Indian housing programs.* In public and Indian housing programs, efforts shall be directed to award contracts to section 3 business concerns in the following order of priority:

- (i) Business concerns that are 51 per cent or more owned by residents of the housing development or developments

## Office of Asst. Secy., Equal Opportunity, HUD

§ 135.38

for which the section 3 covered assistance is expended, or whose full-time, permanent workforce includes 30 percent of these persons as employees (category 1 businesses);

(ii) Business concerns that are 51 percent or more owned by residents of other housing developments or developments managed by the HA that is expending the section 3 covered assistance, or whose full-time, permanent workforce includes 30 percent of these persons as employees (category 2 businesses); or

(iii) HUD Youthbuild programs being carried out in the metropolitan area (or nonmetropolitan county) in which the section 3 covered assistance is expended (category 3 businesses).

(iv) Business concerns that are 51 percent or more owned by section 3 residents, or whose permanent, full-time workforce includes no less than 30 percent section 3 residents (category 4 businesses), or that subcontract in excess of 25 percent of the total amount of subcontracts to business concerns identified in paragraphs (a)(1)(i) and (a)(1)(ii) of this section.

(2) *Housing and community development programs.* In housing and community development programs, priority consideration shall be given, where feasible, to:

(i) Section 3 business concerns that provide economic opportunities for section 3 residents in the service area or neighborhood in which the section 3 covered project is located (category 1 businesses); and

(ii) Applicants (as this term is defined in 42 U.S.C. 12899) selected to carry out HUD Youthbuild programs (category 2 businesses);

(iii) Other section 3 business concerns.

(b) *Eligibility for preference.* A business concern seeking to qualify for a section 3 contracting preference shall certify or submit evidence, if requested, that the business concern is a section 3 business concern as defined in § 135.5.

(c) *Ability to complete contract.* A section 3 business concern seeking a contract or a subcontract shall submit evidence to the recipient, contractor, or subcontractor (as applicable), if requested, sufficient to demonstrate to the satisfaction of the party awarding

the contract that the business concern is responsible and has the ability to perform successfully under the terms and conditions of the proposed contract. (The ability to perform successfully under the terms and conditions of the proposed contract is required of all contractors and subcontractors subject to the procurement standards of 24 CFR 85.36 (see 24 CFR 85.36(b)(8)).) This

regulation requires consideration of, among other factors, the potential contractor's record in complying with public policy requirements. Section 3 compliance is a matter properly considered as part of this determination.

## § 135.38 Section 3 clause.

All section 3 covered contracts shall include the following clause (referred to as the section 3 clause):

A. The work to be performed under this contract is subject to the requirements of section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (section 3). The purpose of section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

B. The parties to this contract agree to comply with HUD's regulations in 24 CFR part 135, which implement section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations.

C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

D. The contractor agrees to include this section 3 clause in every subcontract subject to compliance with regulations in 24 CFR

## § 135.40

part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.

E. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135.

F. Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.

G. With respect to work performed in connection with section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of section 3 and section 7(b) agree to comply with section 3 to the maximum extent feasible, but not in derogation of compliance with section 7(b).

## § 135.40 Providing other economic opportunities.

(a) *General.* In accordance with the findings of the Congress, as stated in section 3, that other economic opportunities offer an effective means of empowering low-income persons, a recipient is encouraged to undertake efforts to provide to low-income persons economic opportunities other than training, employment, and contract awards, in connection with section 3 covered assistance.

(b) *Other training and employment related opportunities.* Other economic opportunities to train and employ section 3 residents include, but need not be limited to, use of "upward mobility", "bridge" and trainee positions to fill vacancies; hiring section 3 residents in

## 24 CFR Subtitle B, Ch. I (4-1-03 Edition)

management and maintenance positions within other housing developments; and hiring section 3 residents in part-time positions.

(c) *Other business related economic opportunities.* (1) A recipient or contractor may provide economic opportunities to establish, stabilize or expand section 3 business concerns, including microenterprises. Such opportunities include, but are not limited to the formation of section 3 joint ventures, financial support for affiliating with franchise development, use of labor only contracts for building trades, purchase of supplies and materials from housing authority resident-owned businesses, purchase of materials and supplies from PHA resident-owned businesses and use of procedures under 24 CFR part 963 regarding HA contracts to HA resident-owned businesses. A recipient or contractor may employ these methods directly or may provide incentives to non-section 3 businesses to utilize such methods to provide other economic opportunities to low-income persons.

(2) A *section 3 joint venture* means an association of business concerns, one of which qualifies as a section 3 business concern, formed by written joint venture agreement to engage in and carry out a specific business venture for which purpose the business concerns combine their efforts, resources, and skills for joint profit, but not necessarily on a continuing or permanent basis for conducting business generally, and for which the section 3 business concern:

(i) Is responsible for a clearly defined portion of the work to be performed and holds management responsibilities in the joint venture; and

(ii) Performs at least 25 percent of the work and is contractually entitled to compensation proportionate to its work.

## Subpart C [Reserved]

## Subpart D—Complaint and Compliance Review

## § 135.70 General.

(a) *Purpose.* The purpose of this subpart is to establish the procedures for handling complaints alleging non-compliance with the regulations of this

## Office of Asst. Secy., Equal Opportunity, HUD

§ 135.74

part, and the procedures governing the Assistant Secretary's review of a recipient's or contractor's compliance with the regulations in this part.

(b) *Definitions.* For purposes of this subpart:

(1) *Complaint* means an allegation of noncompliance with regulations of this part made in the form described in § 135.76(d).

(2) *Complainant* means the party which files a complaint with the Assistant Secretary alleging that a recipient or contractor has failed or refused to comply with the regulations in this part.

(3) *Noncompliance with section 3* means failure by a recipient or contractor to comply with the requirements of this part.

(4) *Respondent* means the recipient or contractor against which a complaint of noncompliance has been filed. The term "recipient" shall have the meaning set forth in § 135.7, which includes PHA and IHA.

## § 135.72 Cooperation in achieving compliance.

(a) The Assistant Secretary recognizes that the success of ensuring that section 3 residents and section 3 business concerns have the opportunity to apply for jobs and to bid for contracts generated by covered HUD financial assistance depends upon the cooperation and assistance of HUD recipients and their contractors and subcontractors. All recipients shall cooperate fully and promptly with the Assistant Secretary in section 3 compliance reviews, in investigations of allegations of noncompliance made under § 135.76, and with the distribution and collection of data and information that the Assistant Secretary may require in connection with achieving the economic objectives of section 3.

- (b) The recipient shall refrain from entering into a contract with any contractor after notification to the recipient by HUD that the contractor has been found in violation of the regulations in this part. The provisions of 24 CFR part 24 apply to the employment, engagement of services, awarding of contracts or funding of any contractors or subcontractors during any period of debarment, suspension or otherwise ineligible status.

## § 135.74 Section 3 compliance review procedures.

(a) *Compliance reviews by Assistant Secretary.* The Assistant Secretary shall periodically conduct section 3 compliance reviews of selected recipients and contractors to determine whether these recipients are in compliance with the regulations in this part.

(b) *Form of compliance review.* A section 3 compliance review shall consist of a comprehensive analysis and evaluation of the recipient's or contractor's compliance with the requirements and obligations imposed by the regulations of this part, including an analysis of the extent to which section 3 residents have been hired and section 3 business concerns have been awarded contracts as a result of the methods undertaken by the recipient to achieve the employment, contracting and other economic objectives of section 3.

(c) *Where compliance review reveals noncompliance with section 3 by recipient or contractor.* Where the section 3 compliance review reveals that a recipient or contractor has not complied with section 3, the Assistant Secretary shall notify the recipient or contractor of its specific deficiencies in compliance with the regulations of this part, and shall advise the recipient or contractor of the means by which these deficiencies may be corrected. HUD shall conduct a follow-up review with the recipient or contractor to ensure that action is being taken to correct the deficiencies.

(d) *Continuing noncompliance by recipient or contractor.* A continuing failure or refusal by the recipient or contractor to comply with the regulations in this part may result in the application of sanctions specified in the contract through which HUD assistance is provided, or the application of sanctions specified in the regulations governing the HUD program under which HUD financial assistance is provided. HUD will notify the recipient of any continuing failure or refusal by the contractor to comply with the regulations in this part for possible action under any procurement contract between the recipient and the contractor.

## § 135.76

Debarment, suspension and limited denial of participation pursuant to HUD's regulations in 24 CFR part 24, where appropriate, may be applied to the recipient or the contractor.

(e) *Conducting compliance review before the award of assistance.* Section 3 compliance reviews may be conducted before the award of contracts, and especially where the Assistant Secretary has reasonable grounds to believe that the recipient or contractor will be unable or unwilling to comply with the regulations in this part.

(f) *Consideration of complaints during compliance review.* Complaints alleging noncompliance with section 3, as provided in § 135.76, may also be considered during any compliance review conducted to determine the recipient's conformance with regulations in this part.

## § 135.76 Filing and processing complaints.

(a) *Who may file a complaint.* The following individuals and business concerns may, personally or through an authorized representative, file with the Assistant Secretary a complaint alleging noncompliance with section 3:

(1) Any section 3 resident on behalf of himself or herself, or as a representative of persons similarly situated, seeking employment, training or other economic opportunities generated from the expenditure of section 3 covered assistance with a recipient or contractor, or by a representative who is not a section 3 resident but who represents one or more section 3 residents;

(2) Any section 3 business concern on behalf of itself, or as a representative of other section 3 business concerns similarly situated, seeking contract opportunities generated from the expenditure of section 3 covered assistance from a recipient or contractor, or by an individual representative of section 3 business concerns.

(b) *Where to file a complaint.* A complaint must be filed with the Assistant Secretary for Fair Housing and Equal Opportunity, Department of Housing and Urban Development, Washington, DC, 20410.

(c) *Time of filing.* (1) A complaint must be received not later than 180 days from the date of the action or

## 24 CFR Subtitle B, Ch. I (4-1-03 Edition)

omission upon which the complaint is based, unless the time for filing is extended by the Assistant Secretary for good cause shown.

(2) Where a complaint alleges noncompliance with section 3 and the regulations of this part that is continuing, as manifested in a number of incidents of noncompliance, the complaint will be timely if filed within 180 days of the last alleged occurrence of noncompliance.

(3) Where a complaint contains incomplete information, the Assistant Secretary shall request the needed information from the complainant. In the event this information is not furnished to the Assistant Secretary within sixty (60) days of the date of the request, the complaint may be closed.

(d) *Contents of complaint—(1) Written complaints.* Each complaint must be in writing, signed by the complainant, and include:

(i) The complainant's name and address;

(ii) The name and address of the respondent;

(iii) A description of the acts or omissions by the respondent that is sufficient to inform the Assistant Secretary of the nature and date of the alleged noncompliance.

(iv) A complainant may provide information to be contained in a complaint by telephone to HUD or any HUD Field Office, and HUD will reduce the information provided by telephone to writing on the prescribed complaint form and send the form to the complainant for signature.

(2) *Amendment of complaint.* Complaints may be reasonably and fairly amended at any time. Such amendments may include, but are not limited to, amendments to cure technical defects or omissions, including failure to sign or affirm a complaint, to clarify or amplify the allegations in a complaint, or to join additional or substitute respondents. Except for the purposes of notifying respondents, amended complaints will be considered as having been made as of the original filing date.

(e) *Resolution of complaint by recipient.*

(1) Within ten (10) days of timely filing of a complaint that contains complete

information (in accordance with paragraphs (c) and (d) of this section), the Assistant Secretary shall determine whether the complainant alleges an action or omission by a recipient or the recipient's contractor that if proven qualifies as noncompliance with section 3. If a determination is made that there is an allegation of noncompliance with section 3, the complaint shall be sent to the recipient for resolution.

(2) If the recipient believes that the complaint lacks merit, the recipient must notify the Assistant Secretary in writing of this recommendation with supporting reasons, within 30 days of the date of receipt of the complaint. The determination that a complaint lacks merit is reserved to the Assistant Secretary.

(3) If the recipient determines that there is merit to the complaint, the recipient will have sixty (60) days from the date of receipt of the complaint to resolve the matter with the complainant. At the expiration of the 60-day period, the recipient must notify the Assistant Secretary in writing whether a resolution of the complaint has been reached. If resolution has been reached, the notification must be signed by both the recipient and the complainant, and must summarize the terms of the resolution reached between the two parties.

(4) Any request for an extension of the 60-day period by the recipient must be submitted in writing to the Assistant Secretary, and must include a statement explaining the need for the extension.

(5) If the recipient is unable to resolve the complaint within the 60-day period (or more if extended by the Assistant Secretary), the complaint shall be referred to the Assistant Secretary for handling.

(f) *Informal resolution of complaint by Assistant Secretary*—(1) *Dismissal of complaint.* Upon receipt of the recipient's written recommendation that there is no merit to the complaint, or upon failure of the recipient and complainant to reach resolution, the Assistant Secretary shall review the complaint to determine whether it presents a valid allegation of noncompliance with section 3. The Assistant Secretary may conduct further investigation if deemed necessary. Where the com-

plaint fails to present a valid allegation of noncompliance with section 3, the Assistant Secretary will dismiss the complaint without further action. The Assistant Secretary shall notify the complainant of the dismissal of the complaint and the reasons for the dismissal.

(2) *Informal resolution.* Where the allegations in a complaint on their face, or as amplified by the statements of the complainant, present a valid allegation of noncompliance with section 3, the Assistant Secretary will attempt, through informal methods, to obtain a voluntary and just resolution of the complaint. Where attempts to resolve the complaint informally fail, the Assistant Secretary will impose a resolution on the recipient and complainant. Any resolution imposed by the Assistant Secretary will be in accordance with requirements and procedures concerning the imposition of sanctions or resolutions as set forth in the regulations governing the HUD program under which the section 3 covered assistance was provided.

(3) *Effective date of informal resolution.* The imposed resolution will become effective and binding at the expiration of 15 days following notification to recipient and complainant by certified mail of the imposed resolution, unless either party appeals the resolution before the expiration of the 15 days. Any appeal shall be in writing to the Secretary and shall include the basis for the appeal.

(g) *Sanctions.* Sanctions that may be imposed on recipients that fail to comply with the regulations of this part include debarment, suspension and limited denial of participation in HUD programs.

(h) *Investigation of complaint.* The Assistant Secretary reserves the right to investigate a complaint directly when, in the Assistant Secretary's discretion, the investigation would further the purposes of section 3 and this part.

(i) *Intimidatory or retaliatory acts prohibited.* No recipient or other person shall intimidate, threaten, coerce, or discriminate against any person or business because the person or business has made a complaint, testified, assisted or participated in any manner in an investigation, proceeding, or hearing under this part. The identity of

## § 135.90

complainants shall be kept confidential except to the extent necessary to carry out the purposes of this part, including the conduct of any investigation, hearing or judicial proceeding arising thereunder.

(j) *Judicial relief.* Nothing in this sub-part D precludes a section 3 resident or section 3 business concerning from exercising the right, which may otherwise be available, to seek redress directly through judicial procedures.

### Subpart E—Reporting and Recordkeeping

#### § 135.90 Reporting.

Each recipient which receives directly from HUD financial assistance that is subject to the requirements of this part shall submit to the Assistant Secretary an annual report in such form and with such information as the Assistant Secretary may request, for the purpose of determining the effectiveness of section 3. Where the program providing the section 3 covered assistance requires submission of an annual performance report, the section

3 report will be submitted with that annual performance report. If the program providing the section 3 covered assistance does not require an annual performance report, the section 3 report is to be submitted by January 10 of each year or within 10 days of project completion, whichever is earlier. All reports submitted to HUD in accordance with the requirements of this part will be made available to the public.

(Approved by the Office of Management and Budget under control number 2529-0043)

### III. Examples of Procurement Procedures That Provide for Preference for Section 3 Business Concerns

This Section III provides specific procedures that may be followed by recipients and contractors (collectively, referred to as the "contracting party") for implementing the section 3 contracting preference for each of the competitive procurement methods authorized in 24 CFR 85.36(d).

(1) *Small Purchase Procedures.* For section 3 covered contracts aggregating no more than \$25,000, the methods set forth in this paragraph

### 24 CFR Subtitle B, Ch. I (4-1-03 Edition)

(1) or the more formal procedures set forth in paragraphs (2) and (3) of this Section III may be utilized.

(i) *Solicitation.* (A) Quotations may be solicited by telephone, letter or other informal procedure provided that the manner of solicitation provides for participation by a reasonable number of competitive sources. At the time of solicitation, the parties must be informed of:

- the section 3 covered contract to be awarded with sufficient specificity;
- the time within which quotations must be submitted; and
- the information that must be submitted with each quotation.

(B) If the method described in paragraph (i)(A) is utilized, there must be an attempt to obtain quotations from a minimum of three qualified sources in order to promote competition. Fewer than three quotations are acceptable when the contracting party has attempted, but has been unable, to obtain a sufficient number of competitive quotations. In unusual circumstances, the contracting party may accept the sole quotation received in response to a solicitation provided the price is reasonable. In all cases, the contracting party shall document the circumstances when it has been unable to obtain at least three quotations.

(ii) *Award.* (A) Where the section 3 covered contract is to be awarded based upon the lowest price, the contract shall be awarded to the qualified section 3 business concern with the lowest responsive quotation, if it is reasonable and no more than 10 percent higher than the quotation of the lowest responsive quotation from any qualified source. If no responsive quotation by a qualified section 3 business concern is within 10 percent of the lowest responsive quotation from any qualified source, the award shall be made to the source with the lowest quotation.

(B) Where the section 3 covered contract is to be awarded based on factors other than price, a request for quotations shall be issued by developing the particulars of the solicitation, including a rating system for the assignment of points to evaluate the merits of each quotation. The solicitation shall identify all factors to be considered, including price or cost. The rating system shall provide for a range of 15 to 25 percent of the total number of available rating points to be set aside for the provision of preference for section 3 business concerns. The purchase order shall be awarded to the responsible firm whose quotation is the most advantageous, considering price and all other factors specified in the rating system.

(2) *Procurement by sealed bids (Invitations for Bids).* Preference in the award of section 3 covered contracts that are awarded under a sealed bid (IFB) process may be provided as follows:

Office of Asst. Secy., Equal Opportunity, HUD

Pt. 146

(i) Bids shall be solicited from all businesses (section 3 business concerns, and non-section 3 business concerns). An award shall be made to the qualified section 3 business concern with the highest priority ranking and with the lowest responsive bid if that bid—

(A) is within the maximum total contract price established in the contracting party's budget for the specific project for which bids are being taken, and

(B) is not more than "X" higher than the total bid price of the lowest responsive bid from any responsible bidder. "X" is determined as follows:

	x=less or
When the lowest responsive bid is less than \$100,000	10% of that bid or \$9,000.
When the lowest responsive bid is:	
At least \$100,000, but less than \$200,000	9% of that bid, or \$16,000.
At least \$200,000, but less than \$300,000	8% of that bid, or \$21,000.
At least \$300,000, but less than \$400,000	7% of that bid, or \$24,000.
At least \$400,000, but less than \$500,000	6% of that bid, or \$25,000.
At least \$500,000, but less than \$1 million	5% of that bid, or \$40,000.
At least \$1 million, but less than \$2 million	4% of that bid, or \$60,000.
At least \$2 million, but less than \$4 million	3% of that bid, or \$80,000.
At least \$4 million, but less than \$7 million	2% of that bid, or \$105,000.
\$7 million or more	1 1/2% of the lowest responsive bid, with no dollar limit.

(ii) If no responsive bid by a section 3 business concern meets the requirements of paragraph (2)(i) of this section, the contract shall be awarded to a responsible bidder with the lowest responsive bid.

(3) *Procurement under the competitive proposals method of procurement (Request for Proposals (RFP)).* (i) For contracts and sub-contracts awarded under the competitive proposals method of procurement (24 CFR 85.36(d)(3)), a Request for Proposals (RFP) shall identify all evaluation factors (and their relative importance) to be used to rate proposals.

(ii) One of the evaluation factors shall address both the preference for section 3 business concerns and the acceptability of the strategy for meeting the greatest extent feasible requirement (section 3 strategy), as disclosed in proposals submitted by all business concerns (section 3 and non-section 3 business concerns). This factor shall provide for a range of 15 to 25 percent of the total number of available points to be set aside for the evaluation of these two components.

(iii) The component of this evaluation factor designed to address the preference for section 3 business concerns must establish a preference for these business concerns in the order of priority ranking as described in 24 CFR 135.36.

(iv) With respect to the second component (the acceptability of the section 3 strategy), the RFP shall require the disclosure of the contractor's section 3 strategy to comply with the section 3 training and employment preference, or contracting preference, or both, if applicable. A determination of the contractor's responsibility will include the submission of an acceptable section 3 strategy. The contract award shall be made to the responsible firm (either section 3 or non-section 3 business concern) whose proposal is determined most advantageous, considering

price and all other factors specified in the RFP.

CHAPTER 11

QUALIFIED ALLOCATION PLAN (QAP)

SUBCHAPTER D

UNDERWRITING AND LOAN POLICY

RULE §11.306

Scope and Cost Review Guidelines

(a) **General Provisions.** The objective of the Scope and Cost Review Report (SCR) required for Rehabilitation Developments (excluding Reconstruction) and Adaptive Reuse Developments is to provide a self-contained report that provides a comprehensive description and evaluation of the current conditions of the Development and identifies a scope of work for the proposed repairs, replacements and improvements to an existing multifamily property or identifies a scope of work for the conversion of a non-multifamily property to multifamily use. The SCR author must evaluate the sufficiency of the Applicant's scope of work and provide an independent review of the Applicant's proposed costs. The report must be in sufficient detail for the Underwriter to fully understand all current conditions, scope of work and cost estimates. It is the responsibility of the Applicant to ensure that the scope of work and cost estimates submitted in the Application is provided to the author. The SCR must include a copy of the Development Cost Schedule submitted in the Application. The report must also include the following statement, "any person signing this Report acknowledges that the Department may publish the full report on the Department's website, release the report in response to a request for public information and make other use of the report as authorized by law."

(b) For Rehabilitation Developments, the SCR must include analysis in conformity with the ASTM "Standard Guide for Property Condition Assessments. Baseline Property Condition Assessment Process (ASTM Standard Designation: E 2018)" except as provided for in subsections (f) and (g) of this section.

(c) The SCR must include good quality color photographs of the subject Real Estate (front, rear, and side elevations, on-site amenities, interior of the structure). Photographs should be properly labeled. Photographs of the neighborhood, street scenes, and comparables should be included.

(d) The SCR must also include discussion and analysis of:

(1) **Description of Current Conditions.** For both Rehabilitation and Adaptive Reuse, the SCR must contain a detailed description with good quality photographs of the current conditions of all major systems and components of the Development regardless of whether the system or component will be removed, repaired or replaced. For historic structures, the SCR must contain a description with photographs of each aspect of the building(s) that qualifies it as historic and must include a narrative explaining how the scope of work relates to maintaining the historic designation of the Development. Replacement or relocation of systems and components must be described;

(2) **Description of Scope of Work.** The SCR must provide a narrative of the consolidated scope of work either as a stand-alone section of the report or included with the description of the current conditions for each major system and components. Any New Construction must be described. Plans or drawings (that are in addition to any plans or drawings otherwise required by rule) and that relate to any part of the scope of work should be included, if available;

(3) **Useful Life Estimates.** For each system and component of the property the SCR must estimate its remaining useful life, citing the basis or the source from which such estimate is derived;

(4) **Code Compliance.** The SCR must document any known violations of any applicable federal, state, or local codes. In developing the cost estimates specified herein, it is the responsibility of the Applicant to ensure that

the SCR adequately considers any and all applicable federal, state, and local laws and regulations which are applicable and govern any work. For Applications requesting Direct Loan funding from the Department, the SCR author must include a comparison between the local building code and the International Existing Building Code of the International Code Council.;

(5) Program Rules. The SCR must assess the extent to which any systems or components must be modified, repaired, or replaced in order to comply with any specific requirements of the housing program under which the Development is proposed to be financed, the Department's Uniform Physical Condition Standards, and any scoring criteria including amenities for which the Applicant may claim points; for Direct Loan Developments this includes, but is not limited to the requirements in the Lead-Based Paint Poisoning Prevention Act (42 USC §§4821-4846), the Residential Lead-Based Paint Hazard Reduction Act of 1992 (42 USC §§4851-4856), and implementing regulations, Title X of the 1992 Housing and Community Development Act at 24 CFR Part 35 (including subparts A, B, J, K, and R), and the Lead: Renovation, Repair, and Painting Program Final Rule and Response to Children with Environmental Intervention Blood Lead Levels (40 CFR Part 745);

(6) Accessibility Requirements. The SCR report must include an analysis of compliance with the Department's accessibility requirements pursuant to Chapter 1, Subchapter B and §11.101(b)(8) of this title (relating to Site and Development Requirements and Restrictions) and identify the specific items in the scope of work and costs needed to ensure that the Development will meet these requirements upon Rehabilitation (including conversion and Adaptive Reuse);

(7) Reconciliation of Scope of Work and Costs. The SCR report must include the Department's Scope and Cost Review Supplement (SCR Supplement) with the signature of the SCR author. The SCR Supplement must reconcile the scope of work and costs of the immediate physical needs identified by the SCR author with the Applicant's scope of work and costs. The costs presented on the SCR Supplement must be consistent with both the scope of work and immediate costs identified in the body of the SCR report and the Applicant's scope of work and costs as presented in the Application. Variations between the costs listed on the SCR Supplement and the costs listed in the body of the SCR report or on the Applicant's Development Cost Schedule must be reconciled in a narrative analysis from the SCR provider. The consolidated scope of work and costs shown on the SCR Supplement will be used by the Underwriter in the analysis to the extent adequately supported in the report; and

(8) Cost Estimates. The Development Cost Schedule and SCR Supplement must include all costs identified below:

(A) Immediately Necessary Repairs and Replacement. For all Rehabilitation developments, and Adaptive Reuse developments if applicable, immediately necessary repair and replacement should be identified for systems or components which are expected to have a remaining useful life of less than one year, which are found to be in violation of any applicable codes, which must be modified, repaired or replaced in order to satisfy program rules, or which are otherwise in a state of deferred maintenance or pose health and safety hazards. The SCR must provide a separate estimate of the costs associated with the repair, replacement, or maintenance of each system or component which is identified as being an immediate need, citing the basis or the source from which such cost estimate is derived.

(B) Proposed Repair, Replacement, or New Construction. If the development plan calls for additional scope of work above and beyond the immediate repair and replacement items described in subparagraph (A) of this paragraph, the additional scope of work must be evaluated and either the nature or source of obsolescence to be cured or improvement to the operations of the Property discussed. The SCR must provide a separate estimate of the costs associated with the additional scope of work, citing the basis or the source from which such cost estimate is derived.

(C) Reconciliation of Costs. The combined costs described in subparagraphs (A) and (B) of this paragraph should be consistent with the costs presented on the Applicant's Development Cost Schedule and the SCR Supplement.

(D) Expected Repair and Replacement Over Time. The term during which the SCR should estimate the cost of expected repair and replacement over time must equal the lesser of 30 years or the longest term of any land use or regulatory restrictions which are, or will be, associated with the provision of housing on the Property. The SCR must estimate the periodic costs which are expected to arise for repairing or replacing each system or component of the property, based on the estimated remaining useful life of such system or component as described in paragraph (1) of this subsection adjusted for completion of repair and replacement immediately necessary and proposed as described in subparagraphs (A) and (B) of this paragraph. The SCR must include a separate table of the estimated long term costs which identifies in each line the individual component of the property being examined, and in each column the year during the term in which the costs are estimated to be incurred for a period and no less than 30 years. The estimated costs for future years should be given in both present dollar values and anticipated future dollar values assuming a reasonable inflation factor of not less than 2.5% per annum.

(e) Any costs not identified and discussed in sufficient detail in the SCR as part of subsection (d)(6), (d)(8)(A) and (d)(8)(B) of this section will not be included in the underwritten Total Development Cost in the Report.

(f) If a copy of such standards or a sample report have been provided for the Department's review, if such standards are widely used, and if all other criteria and requirements described in this section are satisfied, the Department will also accept copies of reports commissioned or required by the primary lender for a proposed transaction, which have been prepared in accordance with:

- (1) Fannie Mae's criteria for Physical Needs Assessments;
- (2) Federal Housing Administration's criteria for Project Capital Needs Assessments;
- (3) Freddie Mac's guidelines for Engineering and Property Condition Reports;
- (4) USDA guidelines for Capital Needs Assessment.

(g) The Department may consider for acceptance reports prepared according to other standards which are not specifically named in subsection (g) of this section, if a copy of such standards or a sample report have been provided for the Department's review, if such standards are widely used, and if all other criteria and requirements described in this section are satisfied.

(h) The SCR shall be conducted by a Third Party at the expense of the Applicant, and addressed to Texas Department of Housing and Community Affairs as the client. Copies of reports provided to the Department which were commissioned by other financial institutions should address Texas Department of Housing and Community Affairs as a co-recipient of the report, or letters from both the provider and the recipient of the report should be submitted extending reliance on the report to Texas Department of Housing and Community Affairs.

(i) The SCR report must include a statement that the individual and/or company preparing the SCR report will not materially benefit from the Development in any other way than receiving a fee for performing the SCR. Because of the Department's heavy reliance on the independent cost information, the provider must not be a Related Party to or an Affiliate of any other Development Team member. The SCR report must contain a statement indicating the report preparer has read and understood the requirements of this section.

MULTIFAMILY RELOCATION REQUIREMENTS, INCLUDING RELATED FORMS

## Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970

### *Regulation*

Per HUD, activities and projects assisted by CDBG-DR are subject to the Uniform Relocation Assistance (URA), a federal law which provides important protections and assistance for people affected by the acquisition, rehabilitation, or demolition of real property for federally funded projects.

The URA was enacted by Congress to ensure people whose real property is acquired, or who move as a direct result of projects receiving federal funds, are treated fairly and equitably and receive assistance in moving from the property they occupy.

Activities and projects assisted by CDBG-DR are subject to the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, (42 U.S.C. 4601 *et seq.*) ("URA") and section 104(d) of the HCD Act (42 U.S.C. 5304(d)) (Section 104(d)). The implementing regulations for the URA are at 49 CFR part 24. The regulations for Section 104(d) are at 24 CFR part 42, subpart C. Programs and projects must adhere to

- **49 CFR Part 24** is the government-wide regulation that implements the URA.
- **HUD Handbook 1378** provides HUD policy and guidance on implementing the URA and 49 CFR Part 24 for HUD funded programs and projects.
- Housing and Community Development (HCDD) Policies and Procedures.

### *CDBG-DR Waiver(s)*

One-for-One Replacement Housing, Relocation, and Real Property Acquisition Requirements. Activities and projects undertaken with CDBG-DR funds are subject to the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, (42 U.S.C. 4601 *et seq.*) ("URA") and section 104(d) of the HCD Act (42 U.S.C. 5304(d)) (section 104(d)). The implementing regulations for the URA are at 49 CFR part 24. The regulations for section 104(d) are at 24 CFR part 42, subpart C. For the purpose of promoting the availability of decent, safe, and sanitary housing, HUD is waiving the following URA and section 104(d) requirements with respect to the use of CDBG-DR funds.

The relocation assistance requirements at Section 104(d)(2)(A) of the Housing and Community Development Act and 24 CFR 42.350 are waived to the extent that they differ from the requirements of the URA and implementing regulations at 49 CFR Part 24, as modified by the notice for activities related to disaster recovery. Without this waiver, disparities exist in relocation assistance associated with activities typically funded by HUD and FEMA (e.g., buyouts and relocation). Both FEMA and CDBG funds are subject to the requirements of the URA; however, CDBG funds are subject to Section 104(d), while FEMA funds are not. The URA provides that a displaced person is eligible to receive a rental assistance payment that covers a period of 42 months. By contrast, Section 104(d) allows a lower-income displaced person to choose between the URA rental assistance payment and a rental assistance payment calculated over a period of 60 months. This waiver of the Section 104(d) requirements assures uniform and equitable treatment by setting the URA and its implementing regulations as the sole standard for relocation assistance under the federal register notice.

The HCDD's Residential Anti-displacement and Relocation Assistance Plan (RARAP) will be adhere to when direct or indirect permanent displacement of tenants occur. The following steps are required by subrecipients and developers to minimize the direct and indirect displacement of persons from their homes: Plan construction activities to allow tenants to remain in their units as long as possible, by rehabilitating empty units or buildings first; where feasible, give priority to rehabilitation of housing, as opposed to demolition, to avoid displacement; adopt policies to identify and mitigate displacement resulting from intensive public investment in neighborhoods; adopt tax assessment policies, such as deferred tax payment plans, to reduce impact of increasing property tax assessments on lower income owner-occupants or tenants in revitalizing areas; or target only those properties deemed essential to the need or success of the project.

***Monitoring***

If Relocation is triggered, periodic monitoring reviews will be conducted to inspect tenant files.

***Record Keeping***

If Relocation is triggered, relocation tenant files must be made available for periodic monitoring reviews. Tenant files and other related records must be maintained for a 3-years after construction completion.

***Forms***

All HUD approved forms and templates are provided by HCDD's URA section.

2. Displace Persons

The renovation of the property is expected to take approximately ( ) months and it is "NOT" anticipated that there will be any "displaced persons" who by definition are persons that must move from the property permanently. If it is determined that there are, the plan will be amended to address the special requirements particular to the tenants. These tenants would be given the Notice of Eligibility for Relocation Assistance (see example in Section F) which would inform them of their rights under URA.

B. RELOCATION DESTINATION

There have not been any new leases executed in the last ( ) months in order to have units available to move tenants into. The Relocation Specialist will track the vacant units each month during renovation and submit tracking documentation to HCDD. A tenant transition plan will be

mapped out and submitted to HCDD. This plan will show which tenants will be moved and the new rehabbed units they will be moved to. (See Section F, 3)

If there are no available units onsite the tenant will be provided temporary housing in the development listed below. (Property name) will assure that all temporary housing provided is decent, safe, and sanitary on a non-discriminating basis for families or individuals who may be moved offsite.

If it becomes necessary to house tenants in temporary units other than a subsidized housing complex, attempts will be made to find single family units. Rents paid by (your property name) will represent the difference in the tenant's current TTP and any additional rent that the tenant must pay. In addition, all relocations off site will be within a five-mile radius unless it is in response to a request to a "reasonable accommodation".

(INSERT TABLE WHICH LISTS "DEVELOPMENTS AVAILABLE FOR RELOCATION HERE-Include name and address of property, contact information)

#### C. TEMPORARY RELOCATION OF TENANTS

##### 1. Tenant Notice

In preparation for the relocations, (I) will conduct group meetings to notify the tenants of the plans for the complex. In addition to these group meetings, the tenants will also receive written notices of the overall renovation plans and notice of the plans for their relocation. Tenants will be notified that they should not move on their own or contact a mover because they would risk being held responsible for these costs and/or forfeit relocation benefits.

Each tenant will be given a packet of information that is included in Section F of this plan and it includes items mandated via URA. Every attempt will be made to keep the tenants informed and to answer any questions that they may have.

##### 2. Moving Assistance

Moving services will be made available to the tenants. Each resident will be given the option of receiving packing assistance. If a resident prefers to pack their own personal possessions, they will be provided packing supplies. All residents will be provided written notices of their scheduled moving date and time in their 30-day notice. (See Section F, 4)

##### 3. Utility Transfers

A letter will be sent to the utility providers of the property. It will explain the plans for the property renovation and for them to anticipate numerous requests for transfers within a short period of time. The tenant will be responsible for scheduling the transfer of their utilities and are expected to notify the relocation specialist of the date and time the transfer is scheduled. If there are any problems with any transfers the property will have the utilities turned on in the

properties name and the tenant will be given 10 days to resolve the issues with the utility company.

#### D. TENANT RELOCATION BENEFITS

##### 1. Tenant Notice

Tenants will be given notice of what charges and deposits will be covered in the relocation and they will have to sign it and indicate that they understand that there are no other costs that will be covered.

##### 2. Covered Cost

(Your property name) will pay for packing and moving costs that are scheduled by the relocation specialist. (Your property name) will also cover the cost of deposits or transfer fees for the utilities, any increase in rent of the off site temporary housing, if applicable; and telephone/cable at both the temporary unit and the return to the newly renovated unit. These costs will be paid directly to the providing agency and attached to the tenants unit and head of household. These costs will not be paid on behalf of anyone that moves prior to the coordination efforts of the Relocation Specialist or due to Eviction for Cause.

##### 3. Advisory Services

(Your property name) will contact and interview each person who is affected by the project to discuss his/her needs, preferences, concerns, and to answer questions. (Your property name) will use the Site Occupant Record (Exhibit 8 of HCDD Relocation Policy) to record interview of each household. (Your property name) will also provide information about the project and any benefits the tenant may be eligible for; as applicable to the tenants' circumstances (49CFR 24.205(c)).

#### E. RELOCATION SERVICES

##### 1. Transportation

Relocation of the tenants will be done in phases; the Relocation Specialist will be able to provide the necessary supportive services that may be required. If off site housing is used and there is a need, transportation will be provided to the tenant via taxi companies to tour the proposed unit.

##### 2. Communication

Each tenant will be given written information outlining the process and will be given group and individual access to the Relocation Specialist. The tenants that may require special assistance due to a disability will be identified and will be provided assistance in a non-discriminatory manner.

3. Delinquent Utility Bills

If the tenants do not have the financial resources to pay delinquent utility bills that would hinder services being transferred to their temporary unit, the property will have the services temporarily placed under the property name. The tenant would have 10 business days after move-in, to resolve the issue with the respective utility company.

Department of Housing and Urban Development (HUD) in accordance with the Uniform Relocation Assistance and Real Property Acquisition Policies Act as amended (URA), Section 24.101 (b)(2):

Dear \_\_\_\_\_:

\_\_\_\_\_, (City, County, State, Public Housing Authority (PHA), other) \_\_\_\_\_, is interested in rehabilitating the property you currently occupy at \_\_\_\_\_ (address) \_\_\_\_\_ for a proposed project which may receive funding assistance from the U.S. Department of Housing and Urban Development (HUD) under the \_\_\_\_\_ program.

The purpose of this notice is to inform you that you will not be displaced in connection with the proposed project.

If the project application is approved and federal financial assistance provided, you may be required to move temporarily so that the rehabilitation can be completed. If you must move temporarily, suitable housing will be made available to you and you will be reimbursed for all reasonable out of pocket expenses, including moving costs and any increase in housing costs. You will need to continue to pay your rent and comply with all other lease terms and conditions.

Upon completion of the rehabilitation, you will be able to lease and occupy your present apartment or another suitable, decent, safe and sanitary apartment in the same building/complex under reasonable terms and conditions. \*

If federal financial assistance is provided for the proposed project, you will be protected by a federal law known as the Uniform Relocation Assistance and Real Property Acquisition Policies Act (URA). One of the URA protections for persons temporarily relocated is that such relocations shall not extend beyond one year. If the temporary relocation lasts more than one year, you will be contacted and offered all permanent relocation assistance as a displaced person under the URA. This assistance would be in addition to any assistance you may receive in connection with temporary relocation and will not be reduced by the amount of any temporary relocation assistance previously provided. You will also have the right to appeal the agency's determination, if you feel that your application for assistance was not properly considered.

(NOTE: Pursuant to Public Law 105-117, aliens not lawfully present in the United States are not eligible for relocation assistance, unless such ineligibility would result in exceptional hardship to a qualifying spouse, parent, or child. All persons seeking relocation assistance will be required to certify that they are a United States citizen or national, or an alien lawfully present in the United States.)

Exhibit 10

We urge you not to move at this time. If you choose to move, you will not be provided relocation assistance.

Please remember:

- This is not a notice to vacate the premises.
- This is not a notice of relocation eligibility.

You will be contacted soon so that we can provide you with more information about the proposed project. If the project is approved, we will make every effort to accommodate your needs. In the meantime, if you have any questions about our plans, please contact:

Dear \_\_\_\_\_:

\_\_\_\_\_ (City, County, State, Public Housing Authority (PHA), other) is interested in \_\_\_\_\_ (acquiring, rehabilitating, demolishing) \_\_\_\_\_ (the property you currently occupy at \_\_\_\_\_ (address) for a proposed project which may receive funding assistance from the U.S. Department of Housing and Urban Development (HUD) under the \_\_\_\_\_ program.

The purpose of this notice is to inform you that you may be displaced as a result of the proposed project. This notice also serves to inform you of your potential rights as a displaced person under a federal law known as the Uniform Relocation Assistance and Real Property Acquisition Policies Act (URA). You may be eligible for relocation assistance and payments under the URA, if the proposed project receives HUD funding and if you are displaced as a result of acquisition, rehabilitation or demolition for the project.

- This is not a notice to vacate the premises.
- This is not a notice of relocation eligibility.

If you are determined to be eligible for relocation assistance in the future, you may be eligible for: 1) Relocation advisory services including help to you find another place to live; 2) At least 90 days advance written notice of the date you will be required to move; 3) Payment for your moving expenses; and 4) Replacement housing payments to enable you to rent, or if you prefer to purchase, a comparable replacement home. You will also have the right to appeal the agency's determination, if you feel that your application for assistance was not properly considered. The enclosed HUD brochure, "Relocation Assistance To Tenants Displaced From Their Homes" provides an explanation of this assistance and other helpful information.

(NOTE: Pursuant to Public Law 105-117, aliens not lawfully present in the United States are not eligible for relocation assistance, unless such ineligibility would result in exceptional hardship to a qualifying spouse, parent, or child. All persons seeking relocation assistance will be required to certify that they are a United States citizen or national, or an alien lawfully present in the United States.)

Please be advised that you should continue to pay your rent and meet any other obligations as specified in your lease agreement. Failure to do so may be cause for eviction. If you choose to move or if you are evicted prior to receiving a formal notice of

relocation eligibility you will not be eligible to receive relocation assistance. It is important for you to contact us before making any moving plans.

Again, this is not a notice to vacate the premises and does not establish your eligibility for relocation payments or assistance at this time. If you are determined to be displaced and are required to vacate the premises in the future, you will be informed in writing. In the event the proposed project does not proceed or if you are determined not to be displaced, you will also be notified in writing.

If you have any questions about this notice or the proposed project, please contact

NOTES

1. The case file must indicate the manner in which this notice was delivered (e.g., personally served or certified mail, return receipt requested) and the date of delivery. (See Paragraph 2-31 of Handbook 1378.)
2. This is a guideform. It should be revised to reflect the circumstances.
3. Optional paragraphs for displaced residents of public housing projects (may be modified based on the PHA's resident return policy):

"Even though you will be provided all of the assistance the URA requires for a permanent move, the Authority believes that every resident displaced from the site should have the right to reapply for occupancy once this project is complete. For this reason, after project completion, every resident who receives assistance as a "displaced person" will be contacted and offered an opportunity to reapply for occupancy in the newly-revitalized community. Furthermore, because you will be a former occupant who was "displaced" from the site, you will also receive a priority preference to return.

In the event the number of those who request to return and qualify for housing exceeds the number of units available, rating and ranking criteria will be used to identify those who will be offered a unit at the site until all available units are filled. If you do return, the Authority may help defray the costs of the return move. If you have Replacement Housing Payments not yet spent or obligated, you may be asked to forfeit these payments as a condition for returning to public housing, since this assistance will no longer be necessary to meet your housing needs. Such assistance, if not forfeited, must be considered as income and may affect your eligibility and rent."

On \_\_\_\_\_ (date), the project was approved and will receive federal funding. Repairs will begin soon.

URA RELOCATION ASSISTANCE  
RESIDENTIAL TENANT

Grantee or Agency Letterhead

(date)

Dear \_\_\_\_\_:

On \_\_\_\_\_ (date), the \_\_\_\_\_ (City, County, State, Public Housing Authority (PHA), other), notified you of proposed plans to \_\_\_\_\_ (acquire, rehabilitate, or demolish) the property you currently occupy at \_\_\_\_\_ (address) for a project which could receive funding assistance from the U.S. Department of Housing and Urban Development (HUD) under the \_\_\_\_\_ program. On \_\_\_\_\_ (date), the project was approved and will receive federal funding.

It has been determined that you will be displaced by the project. Since you are being displaced in connection with this federally funded project, you will be eligible for relocation assistance and payments under the Uniform Relocation Assistance and Real Property Acquisition Policies Act (URA).

- This is your Notice of Eligibility for relocation assistance
- The effective date of your eligibility is \_\_\_\_\_. (Insert date of Initiation of Negotiations, see 49 CFR 24.1(a)(15) or applicable HUD program regulations)

(NOTE: Pursuant to Public Law 105-117, aliens not lawfully present in the United States are not eligible for relocation assistance, unless such ineligibility would result in exceptional hardship to a qualifying spouse, parent, or child. All persons seeking relocation assistance will be required to certify that they are a United States citizen or national, or an alien lawfully present in the United States.)

To carry out the project, it will be necessary for you to move. However, you do not need to move now. You will be provided written notice of the date by which you will be required to move. This date will be no less than 90 days from the date comparable replacement housing has been made available to you.

Enclosed is a brochure entitled, "Relocation Assistance to Tenants Displaced From Their Homes." Please read the brochure carefully. It explains your rights and provides additional information on eligibility for relocation payments and what you must do in order to receive these payments.

The relocation assistance to which you are entitled includes:

Relocation Advisory Services. Including counseling and other assistance to help you find another home and prepare to move.

Payment for Moving Expenses. You may choose: (1) a payment for your actual reasonable moving and related expenses, or (2) a fixed moving payment in the amount of \$ \_\_\_\_\_ based on the URA Fixed Residential Moving Cost Schedule, or (3) a combination of both.

Replacement Housing Payment. You may be eligible for a replacement housing payment to rent or buy a replacement home. The payment is based on several factors including: (1) the monthly rent and cost of utility services for a comparable replacement dwelling, (2) the monthly rent and cost of utility services for your present home, and (3) for low-income persons, 30 percent of your average monthly gross household income. This payment is calculated on the difference in the old and new housing costs for a one-month period and multiplied by 42.

Listed below are three comparable replacement dwellings that you may wish to consider for your replacement home. If you would like, we can arrange transportation for you to inspect these and other replacement dwellings.

	Address	Rent & Utility Costs	Contact Info
1.	_____	_____	_____
2.	_____	_____	_____
3.	_____	_____	_____

We believe that the dwelling located at  (address)  is the most representative of your present home. The monthly rent and the estimated average monthly cost of utilities for this dwelling is \$ \_\_\_\_\_ and it will be used to calculate your maximum replacement housing payment. Please contact us immediately if you believe this dwelling is not comparable to your current home. We can explain our basis for selecting this dwelling as most representative of your current home and discuss your concerns.

Based on the information you have provided about your income and the rent and utilities you now pay, you may be eligible for a maximum replacement housing payment of approximately \$ \_\_\_\_\_ (42 x \$ \_\_\_\_\_), if you rent the dwelling identified above as the most comparable to your current home or rent another dwelling of equal cost.

Replacement housing payments are not adjusted to reflect future rent increases or changes in income. This is the maximum amount that you would be eligible to receive. If you rent a decent, safe and sanitary home where the monthly rent and average estimated utility costs are less than the comparable dwelling, your replacement housing payment will be based on the actual cost of the dwelling. We will not base your payment on any dwelling that is not a comparable replacement home. All replacement housing payments must be paid in installments. Your payment will be paid in   #   installments.

Should you choose to purchase (rather than rent) a decent, safe and sanitary replacement home, you would be eligible for a downpayment assistance payment which is equal to your maximum replacement housing payment, \$            \*. Let us know if you are interested in purchasing a replacement home and we will help you locate such housing.

Please note that all replacement housing must be inspected in order to ensure it is decent, safe and sanitary before any replacement housing payments are made.

If you have any questions about this letter and your eligibility for relocation assistance and payments, please contact           (name)          ,           (title)           at           (phone)          ,           (address)           before you make any moving plans. He/she will assist you with your move to a new home and help ensure that you preserve your eligibility for all relocation payments to which you may be entitled.

**Remember, do not move or commit to the purchase or lease of a replacement home before we have a chance to further discuss your eligibility for relocation assistance. This letter is important to you and should be retained.**

Sincerely,

          (name & title)

**NOTES.**

\* At the agency's discretion, a downpayment assistance payment that is less than \$5,250 may be increased to any amount not to exceed \$5,250. (See 49 CFR 24.402(c)(1))

1. The case file must indicate the manner in which this notice was delivered (e.g., personally served or certified mail, return receipt requested) and the date of delivery. (See Paragraph 2-3 I of Handbook 1378.)

# INTRODUCTION

This document is intended to provide the Minimum Property Standards (MPS) for new construction, reconstruction, rehabilitation, and maintenance of multifamily housing facilities that receive federal assistance through the City of Houston Housing & Community Development Department as required by 24CFR §200.925. The primary objective of the Minimum Property Standards is to establish the criteria for the life, health and safety of the residents at the property.

Pursuant to 24CFR§92.251, housing that is constructed or rehabilitated with HOME or CDBG funds must meet all applicable local codes, ordinances, and rehabilitation standards, at the time of project completion. In the absence of a local code addressing new construction, reconstruction, or rehabilitation, HOME-assisted new construction or rehabilitation must meet, as applicable, International Building Code (IBC) or its appropriate sub code, and/or the Minimum Property Standards(MPS) in 24CFR§200.925 and §200.926. Housing must meet the accessibility requirements at 24CFR Part 8, which implements Section 504 of the Rehabilitation Act of 1973 (29U.S.C.§794) and covered multifamily dwellings, as defined at 24CFR§100.201, and must also meet the design and construction requirements at 24CFR §100.205, which implement the Fair Housing Act (42U.S.C.§3601-§3619).

The MPS supplement local building codes by requiring properties to meet minimum standards of workmanship, durability and performance of various components of the multifamily property during the period of affordability. These components would include doors, windows, gates, stairwells, wall coverings, kitchen cabinets, carpeting, etc. of the property that would be maintained in good and safe working condition that ensures the life, health and safety of the residents at the property.

To achieve this objective, the Housing & Community Development Department conducts an annual inspection of the property in accordance with the 24CFR§92.251(a) and all local codes, construction standards, and city ordinances. Findings identified during the inspection are required to be resolved by the property owner and management. All repairs, materials, and installations must be meet the aforementioned standards of quality and workmanship.

City of Houston, Texas, Ordinance No. 2009-1043

**AN ORDINANCE AMENDING CHAPTER 10 OF THE CODE OF ORDINANCES, HOUSTON, TEXAS, RELATING TO THE HABITABILITY OF MULTI-FAMILY RENTAL BUILDINGS; CONTAINING FINDINGS AND OTHER PROVISIONS RELATING TO THE FOREGOING SUBJECT; PROVIDING FOR SEVERABILITY; CONTAINING A SAVINGS CLAUSE; AND DECLARING AN EMERGENCY.**

\* \* \* \* \*

**WHEREAS**, the 81<sup>st</sup> Texas Legislature (Regular Session) passed House Bill 1819 ("HB 1819"), which bill became law on June 19, 2009; and

**WHEREAS**, HB 1819 added Section 214.219 ("Section 214.219") to the Texas Local Government Code; and

**WHEREAS**, Section 214.219 requires a municipality with a population of 1.7 million or more to "adopt an ordinance to establish minimum habitability standards for multi-family rental buildings, including requiring maintenance of proper operating conditions" and to "establish a program for the inspection of multi-family rental buildings to determine if the buildings meet the minimum required habitability standards"; and

**WHEREAS**, HB 1819 requires a municipality subject to Section 214.219 to enact the said ordinance and to establish the said program not later than December 31, 2010; and

**WHEREAS**, the City is a municipality subject to Section 214.219; and

**WHEREAS**, the City Council finds that Article V and Divisions 3 and 4 of Article IX of Chapter 10 of the Code of Ordinances, City of Houston, Texas (the "Code of Ordinances") constitute habitability standards for multi-family rental buildings, which standards should be supplemented and strengthened as provided herein; **NOW, THEREFORE,**

**BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF HOUSTON, TEXAS:**

**Section 1.** That the findings contained in the preamble of this Ordinance are determined to be true and correct and are adopted as a part of this Ordinance.

**Section 2.** That Chapter 10 of the Code of Ordinances, Houston, Texas, is amended by adding a new Article IV that reads as follows:

## "ARTICLE IV. HOUSTON MULTI-FAMILY HABITABILITY CODE

### **Sec. 10-151. Title; purpose; conflict with other municipal laws.**

This article is, and may be cited as, the 'Houston Multi-Family Habitability Code.' One purpose of this Habitability Code is to comply with Section 214.219 of the Texas Local Government Code. The provisions of this Habitability Code are cumulative of all other laws and regulations of the city, as well as all applicable state and federal laws and regulations. In the event of a conflict between this Habitability Code and another law or regulation of the city, the provisions of this Habitability Code shall control.

### **Sec. 10-152. Definitions.**

In addition to definitions appearing elsewhere in this article, the following words and phrases when used in this article shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

*Building official* means the building official and all persons designated in writing by the building official to act on his or her behalf to construe and to enforce this article.

*Habitability* refers to the character of a multi-family rental building free of any condition constituting a material risk to the physical safety or health of the building's ordinary tenants. A multi-family rental building substantially free of such conditions is *habitable*.

*Multi-family rental building* or *MFRB* means a building that has three or more units. Only for the purposes of the Inspection Program established by this article, *multi-family rental building* or *MFRB* includes all MFRBs and all accessory buildings (such as a boiler room, laundry room, club house, or garage) on the same tract.

*Owner* means the current owner (or, collectively, the current owners) of the real property on which a multi-family rental building is located. For the purposes of this article, records available for public view at an official website maintained by the appraisal district in which the MFRB is located are presumed to be accurate with regard to the ownership of real property, but the presumption of ownership may be rebutted by documents properly recorded in the real property records of the county in which the MFRB is located.

*Tract* means the parcel or parcels of real property on which a

multi-family rental building is located.

*Unit* means one or more rooms rented for use as a permanent residence under a lease to one or more tenants, except that none of the following shall constitute a *unit*:

- (a) A room or rooms rented primarily for the purpose of receiving services regulated by a department or agency of the federal government or of the State of Texas (including, but not limited to, the Texas Department of State Health Services);
- (b) A room or rooms owned or operated by a public or private college or university accredited by a recognized accrediting agency within the meaning of Section 61.003, Texas Education Code;
- (c) An 'apartment' in a 'condominium' within the meaning of Chapter 81, Texas Property Code; or
- (d) A 'unit' in a 'condominium' within the meaning of Chapter 82, Texas Property Code.

**Sec. 10-153. Construction of this Habitability Code.**

This article shall not be construed to alter the terms of any lease or other agreement between an owner and a tenant relating to an MFRB, except that no provision of any such lease or other agreement shall be construed to excuse compliance with this article or with any other law or regulation of the city. It is not the purpose of this article to prescribe legal rights or liabilities as between an owner and a tenant.

**Sec. 10-154. MFRB Registration.**

- (a) The building official shall promulgate a form for the registration of MFRBs, which form shall require disclosure of:
  - (1) The physical address of the MFRB;
  - (2) The account number(s) assigned to the tract by the appraisal district in which the MFRB is located;
  - (3) The number of buildings on the tract;
  - (4) The number of units in each building on the tract;

- (5) A brief description of the intended use of each building on the tract (residential building, boiler room, laundry room, club house, garage, etc.);
- (6) The Project Number(s) appearing on the face of either the Certificate of Occupancy or the Life Safety Compliance Certificate issued by the city for each building on the tract; and
- (7) The name, mailing address, physical address, telephone number, and e-mail address (if available) of at least one owner of the MFRB.

(b) The form promulgated by the building official shall provide a physical address and a mailing address for filing completed MFRB Registration Forms. In addition, the building official shall establish a means by which MFRB Registration Forms may be completed and filed electronically.

(c) An owner of an MFRB shall register the MFRB by completing and filing an MFRB Registration Form with the building official.

(d) An owner of an MFRB shall post a hard copy of the current, completed MFRB Registration Form in or on the MFRB.

(e) If an MFRB was not in existence on January 1, 2010, the owner of the MFRB shall register the MFRB by completing and filing the MFRB Registration Form with the building official no later than 30 days after the MFRB receives a Certificate of Occupancy.

(f) Registration of an MFRB as required by this section shall constitute:

- (1) Registration of the MFRB under section 28-283 of the Code of Ordinances; and
- (2) Compliance with sections 250.003 and 250.004 of the Texas Local Government Code.

(g) No later than 30 days after an owner of an MFRB knows or reasonably should know that a statement on the MFRB Registration Form was incomplete or inaccurate when filed, or has become incomplete or inaccurate since filed, the owner must complete and file an amended MFRB Registration Form.

**Sec. 10-155. Habtability standards.**

In addition to the habitability standards established by article V and by divisions 3 and 4 of article IX of chapter 10 of this Code:

- (1) An owner of an MFRB violates this article if the MFRB does not comply with:
  - a. All applicable provisions of the Fire Code;
  - b. Sections L102 through L108 of appendix L of the Building Code (which provisions are part of the Building Code's 'Life Safety Appendix');
  - c. Sections 10-211 through 10-215 of this Code (which provisions pertain to the numbering of buildings);
  - d. Sections 43-18 through 43-20 and section 43-23 of this Code (which provisions pertain to swimming pools); and
  - e. Sections 92.153 through 92.162 of the Texas Property Code (which provisions pertain to security devices).
- (2) An owner of an MFRB at all times must post in or on the MFRB:
  - a. A valid Certificate of Occupancy or a valid Life Safety Compliance Certificate; and
  - b. A 'NOTICE TO ALL RESIDENTS' legibly typed or printed in a font 28 points or larger, in both English and Spanish, the substance of which Notice is as follows: 'IF ANY CONDITION of this building CREATES A HAZARD to human safety or health, REPORT THE CONDITION to the building's manager or owner. You also may report the condition to the City of Houston by calling the City's Service Helpline at 311.'
- (3) Any document required by this article to be posted in or on an MFRB must be posted either (a) as provided by the Building Code or (b) by posting an accurate copy of the document in a manner reasonably protected from weather and in a place conspicuous to ordinary tenants no more than five feet from each mailbox facility at which the United States Postal Service delivers mail to tenants or, if no such facility exists, in some

other place equally conspicuous to ordinary tenants of the MFRB.

**Sec. 10-156. Powers and duties of building official.**

(a) Except for applicable provisions of the Fire Code incorporated herein by reference, the building official has primary responsibility for the enforcement of this Habitability Code.

(b) With regard to MFRBs only, the terms 'director' and 'neighborhood protection official' as used in article V and in divisions 3 and 4 of article IX of chapter 10 of this Code refer to the building official.

(c) With regard to MFRBs only, the building official has powers and duties equal to and concurrent with the health officer for the enforcement of sections 43-18 through 43-20 and section 43-23 of this Code (which provisions pertain to swimming pools).

**Sec. 10-157. MFRB Inspection Program.**

(a) The building official shall inspect MFRBs pursuant to an inspection program (the 'Multi-Family Rental Building Inspection Program' or the 'MFRB Inspection Program'), as provided in this section.

(b) The building official shall promulgate a checklist (the 'Multi-Family Rental Building Checklist' or the 'MFRB Checklist') of criteria by which the building official shall determine the habitability of MFRBs.

(1) The MFRB Checklist shall have no force or effect until ninety days after copies of City of Houston Ordinance No. 2009-2009-1043 and the MFRB Checklist have been available for public view in the office of the city secretary and at a website maintained by the city.

(2) The building official may amend the MFRB Checklist; however, an amendment of the MFRB Checklist shall have no force or effect until ninety days after the MFRB Checklist has been available for public view in the office of the city secretary and at a website maintained by the city.

(c) No MFRB shall be inspected under the MFRB Inspection Program until at least forty-five days after the building official has mailed to

---

The City Secretary shall insert the number of this Ordinance

the owner a letter stating:

- (1) The first day of thirty consecutive days during which the building may be inspected under the MFRB Inspection Program;
- (2) The physical address of the office of the city secretary and the internet address of the website at which copies of the MFRB Checklist are available for public view;
- (3) The amount of the fee (the 'MFRB Inspection Fee') to be paid to the city prior to the first day of the said thirty consecutive days during which the building may be inspected; and
- (4) The mailing and physical addresses at which the MFRB Inspection Fee may be paid.

(d) The building official shall mail by first-class mail duplicate originals of the letter required by subsection (c) of this section to the owner of the MFRB at the respective addresses:

- (1) Of the owner, according to MFRB Registration Form filed with the building official, or, if the MFRB has not been registered with the building official, according to records available for public view at an official website maintained by the appraisal district in which the MFRB is located; and
- (2) Of the MFRB.

(e) No inspection of an MFRB under the MFRB Inspection Program shall be delayed solely because the owner did not receive or did not understand a letter prepared and sent as required by subsections (c) and (d) of this section.

(f) Notwithstanding anything to the contrary in this article, no employee of the city inspecting an MFRB under the MFRB Inspection Program shall enter a unit without the written permission of a person who has a legal right to occupy the unit.

**Sec. 10-158. Fees.**

For the inspection of an MFRB under the MFRB Inspection Program the owner shall pay to the city the MFRB Inspection Fee, which fee shall be in the amount of either \$4.00 per unit or \$100.00 (total), whichever amount is greater, plus an administrative fee in the amount of \$10.00.

**Sec. 10-159. Remedies.**

An owner who violates, or whose MFRB is in violation of, any provision of this article shall be guilty of a misdemeanor punishable upon conviction by a fine of not less than \$500 nor more than \$2,000. Each violation, and each day that a violation continues, shall constitute and be punishable as a separate offense."

**Section 3.** That nothing in this Ordinance shall delay or otherwise hamper a timely inspection of a multi-family rental building ("MFRB") by the City in response and relating to credible complaints by tenants or other members of the public, such inspections ("reactive inspections"), although not part of the Multi-Family Residential Building Inspection Program ("MFRB Inspection Program") established by this Ordinance, being essential to the public welfare.

**Section 4.** That, except as otherwise provided by this Ordinance, an owner of an MFRB shall register the MFRB by filing a completed registration form (the "the MFRB Registration Form") with the building official no later than January 31, 2010.

**Section 5.** That the building official shall use appropriate public and non-public databases to compile a list (the "MFRB List") of the City's MFRBs in numerical order, according to the following priorities:

First, MFRBs not registered with the building official as required by this Ordinance;

Second, MFRBs whose owners have not obtained Certificates of Occupancy or Life Safety Compliance Certificates as required by the Building Code;

Third, MFRBs that were subjects of one or more citations issued during 2009 for violations of the Building Code; and

Fourth, all other MFRBs.

Within the four groups described immediately above, MFRBs shall be ordered in a manner reasonably consistent with their respective dates of construction, older MFRBs first. For the purposes of this Ordinance, the date of an MFRB's construction is the most recent of (a) the date of construction according to the registration required by this Ordinance, unless the building official reasonably concludes that such information is not reliable; or (b) the date of construction according to an official website maintained by the appraisal district in which the MFRB is located; or (c) the date on which the building official issued a Certificate of Occupancy or a Life Safety Compliance Certificate for the MFRB.

**Section 6.** That the MFRB List shall be available for public view in the office of the City Secretary and at a website maintained by the City at least forty-five days before the building official conducts an inspection pursuant to the MFRB Inspection Program. The office of the City Secretary and said website both shall provide a mailing address for the submission of additional buildings that members of the public believe should be included on the MFRB List. Any building so added to the MFRB List shall be assigned the next consecutive number. In addition:

- (1) A newly constructed or rehabilitated multi-family rental building shall be added to the MFRB List four years after the date on which a Certificate of Occupancy is issued for the building;
- (2) For the purposes of subsection (1) immediately above, a Life Safety Compliance Certificate is not a substitute for a Certificate of Occupancy;
- (3) The building official may add a building to, or delete a building from, the MFRB List as long as the addition or deletion is consistent with the purposes and requirements of this Ordinance; and
- (4) If the building official deletes a building from the MFRB List, the number to which the building had been assigned shall be marked "Deleted," and the building official shall make a reasonable effort to avoid reassigning numbers to buildings on the MFRB List.

**Section 7.** That the building official's enforcement of the MFRB Inspection Program shall include inspections conducted in the order the buildings appear on the MFRB List, except that, with regard to buildings to whose owners the building official properly has sent letters stating that the buildings will be inspected during the same thirty-day period, the building official may inspect the said buildings in any order during the said period.

**Section 8.** That, as soon as reasonably possible, the building official shall schedule for a reactive inspection any building added to the MFRB List after February 15, 2010, for which neither a Certificate of Occupancy nor a Life Safety Compliance Certificate has been issued.

**Section 9.** That, when all buildings on the MFRB List have been inspected under the MFRB Inspection Program, the building official shall reinspect the buildings in the order the buildings appear on the MFRB List, repeating the inspection cycle *ad infinitum*, except that the building official shall omit from the then-current reinspection cycle any building that during the preceding four years:

- (1) Has been inspected at least once pursuant to the MFRB Inspection Program;
- (2) Has not been the subject of a "notice of violation" within the meaning of the Building Code; and
- (3) Has not been the subject of a citation alleging a violation of the Building Code or of Division 3 or Division 4 of Article IX of Chapter 10 of the Code of Ordinances.

**Section 10.** That, if any provision, section, subsection, sentence, clause, or phrase of this Ordinance, or the application of same to any person or set of circumstances, is for any reason held to be unconstitutional, void, or invalid, the validity of the remaining portions of this Ordinance or their application to other persons or sets of circumstances shall not

be affected thereby, it being the intent of the City Council in adopting this Ordinance that no portion hereof or provision or regulation contained herein shall become inoperative or fail by reason of any unconstitutionality, voidness, or invalidity of any other portion hereof, and all provisions of this Ordinance are declared to be severable for that purpose.

**Section 11.** That there exists a public emergency requiring that this Ordinance be passed finally on the date of its introduction as requested in writing by the Mayor; therefore, this Ordinance shall be passed finally on such date and shall take effect at 12:01 a.m. on the ninetieth day next following the date of its passage and approval by the Mayor.

PASSED AND APPROVED this 4th day of November, 2009.

## Appendix 15 City Workforce Protection Measures

The City is committed to ensuring that the construction it finances protects workers on these projects by making sure they are safe, are compensated in accordance with applicable law and have access to pathways for sustainable careers in the construction industry. Contractors who work on developments financed under this NOFA will be required to implement certain policies designed to ensure every worker on the project is safe, receives appropriate pay, and has a path toward building a career in construction. All contractors of any tier that perform work on the development, unless otherwise specified, will be required to comply with the following workforce protection program and employment measures.

The City acknowledges many of these provisions may require additional costs. The department will consider award requests sufficient to cover additional costs associated with the new requirements. However, the City will still require the limitation of CDBG-DR awards to no greater than 50% of total development costs. The City reserves the right to revise the requirements of the workforce protection measures on an as-needed basis before and after issuance of CDBG-DR awards.

### **Pay or Play**

In an effort to create a level playing field for competing contractors, the Pay or Play program (POP) mandates City Contractors to offer their employees a minimum level of health benefits or contribute a prescribed amount towards "Contractors Responsibility Fund" to defray the costs of providing health care to uninsured people in the Houston and Harris County area.

This program applies to contracts for services in which the total expenditure by the City, including contingencies, amendments, supplemental terms and/or change orders equals or exceeds \$100,000. This program also applies to subcontracts for services in which the total value of the subcontract, including contingencies, amendments, supplemental terms and/or change orders equal or exceeds \$200,000.

**All project contractors (of any tier) must comply with the City's Pay or Play policies with regard to every Section 3 worker and apprentice-level worker that they employ for work on the project.** Prior to the commencement of a covered contract, the contractor will declare its intent to comply with the Program and will submit a plan for compliance. Contractors will report to the City regarding the identity of covered subcontracts and covered employees working under subcontracts in the form and manner prescribed by the Administer (060).

### **Pay**

If the contractor elects to comply by paying, the contractor will pay to the City \$1 for each regular hour of work performed by covered employees, including covered employees of covered subcontractors. All payments will be deposited into the City shall be deposited in the Contractor Responsibility Fund.

### **Play**

If the contractor elects to comply by "playing", the contractor will provide documentary proof in a form acceptable to the Administrator that it provides the requisite level of health benefits

to each covered employee, and that covered employees of covered subcontractors are provided with health benefits. A contractor must contribute no less than \$150 per covered employee per month toward the total premium cost; and the covered employee may not contribute more than \$150 per month toward the premium. A contractor is deemed to have complied with this provision with respect to a covered employee who is not provided health benefits if the employee refuses the benefits and the employee's contribution to the premium is no more than \$40 per month. Program exceptions such as waivers and types of contracts that do not require participation can be found in Executive Order 1-7. For additional information regarding the City of Houston, Housing and Community Development Department compliance requirements you may visit: <http://vwww.houstontx.gov/housing/multifamilycompliance.html>

### **Workers' Compensation**

The owner and general contractor will provide workers' compensation coverage provided with either project level policy or umbrella policy provided by the owner or GC HCDD will require that the owner and GC place signage onsite to properly inform workers of their benefits under this coverage. Developer must provide the Director of HCDD or his or her designee with evidence of worker's compensation coverage at the time of loan closing.

Awardees will be subject to these terms which will be included within the loan agreement.

### **Safety Training and Hourly Base Wage Rate**

The owner and general contractor will be required to ensure that (1) all individuals performing project work, regardless of job designation or employment status, have received OSHA 10 certification and (2) at least one (1) on-site supervisor with OSHA 30 certification is present on the job site at all times that work is being performed.

In addition, any individual performing project work, regardless of job designation or employment status, will receive a minimum hourly wage of no less than the higher of (1) \$15.00 per hour or (2) the Federal prevailing wage.

If the applicant elects to include their statement on safety training, they will be required to certify within the HCDD contract they will employ contractors with adequate OSHA training. HCDD will require the construction contract with the general contractor include this provision as an addendum. HCDD will test compliance during onsite visits and payment applications.

If the applicant elects to include their statement on an hourly base wage rate, they will be required to certify within the HCDD contract they will comply with the Hourly base rate requirement of \$15.00 per hour for each worker. HCDD will require the construction contract with the general contractor include the Hourly Base Rate of \$15.00 requirement along with the applicable DBRA wage scale as an addendum. HCDD will test compliance during construction.

Awardees will be subject to these terms which will be included within the loan agreement.

### **Employment Training and Apprenticeships**

HCDD expects project contractors to commit to the development of their craft workforce and invest in skills training linked to construction career paths. A minimum of 10% of all labor hours on each project must be performed by individuals enrolled in apprenticeship or craft training programs that are certified by the U.S. Department of Labor.

Owners will be required to certify within the HCDD contract they will employ contractors that adhere to the employment and apprenticeship policy. HCDD will require the construction contract with the general contractor include acknowledgement that 10% of all labor hours will be performed by apprentices enrolled in apprenticeship or craft training programs that are certified by the Department of Labor. HCDD will test compliance during construction. Awardees will be subject to these terms which will be included within the loan agreement.

### **Section 3**

Awardees must, to the greatest extent feasible, employ Section 3 Residents (as defined in Title 24 CFR Part 135) for 30 percent (30%) of the aggregate number of new hires for each year over the duration of the project. At a minimum, awardees must, to the greatest extent feasible, ensure that 10 percent (10%) of all project work hours are performed by Section 3 Residents.

Awardees will be subject to these terms which will be included within the loan agreement.

### **Employment Classification**

HCDD expects its awardees to hire responsible contractors who can reliably verify the proper employment classification of all individuals they engage to perform work on covered projects and provide verified reporting of wages owed and paid to employees and monthly certified payroll data to the City.

All Section 3 workers and apprentice-level workers must be directly employed by a project contractor. In addition, all self-employed workers will be subject to the same compensation standards and protections as other employees/contractors outlined in this policy.

Awardees will be subject to these terms which will be included within the loan agreement.

### **Davis Bacon and Related Acts (DBRA)/Labor Standards Provisions**

In connection with the annual submission of proposed rents, Master Tenant shall reexamine the income of each tenant family living in a Designated Unit. Master Tenant shall calculate the maximum monthly rent in accordance with the Affordability Requirements, and such maximum monthly rent shall be reviewed and approved by the Owner as Master Landlord prior to the date that such rent becomes effective and Owner's approval shall be contingent upon the City's approval of such maximum monthly rent ("Approved Rents"). Any increase in the Approved Rents for Designated Units is subject to the provisions of

the leases, in any event, and Master Tenant shall provide tenants not less than thirty (30) days prior written notice before implementing any increase in Approved Rents. Rents shall be calculated in accordance with Section 6.8.

5. **Compliance with Property Standards.** Master Tenant shall be required, throughout the Affordability Period, to maintain the Project in good condition and repair, ordinary wear and tear excepted, in accordance with the Minimum Property Standards set forth in Appendix 14 of this Agreement. City shall have the right to inspect the Project from time to time to ensure compliance with such requirements. Master Tenant shall be required to make any necessary repairs to comply with such requirements in a reasonable period of time; provided, however, any repairs to correct a dangerous condition or imminent hazard shall be commenced immediately upon notice of such dangerous condition or imminent hazard and prosecuted diligently to completion.

6. **Tenant Lease Requirements.** Any new or renewal leases for Designated Units and PSH Units, must be on a form lease approved by the Owner as Master Landlord (and which approval will be contingent upon approval by the City which approval shall not be unreasonably withheld) that shall be used for occupancy of the Designated Units and PSH Units. Master Tenant shall not make any modifications to such form lease without prior written approval from Owner as Master Landlord (which approval will be contingent upon approval from the City which approval shall not be unreasonably withheld). Master Tenant shall be required to enter into leases in such approved form with each tenant of a Designated Unit and PSH Unit. The term of each lease of a Designated Unit and PSH Unit shall not be less than one year unless Master Tenant and the tenant mutually agree otherwise.

Master Tenant shall not refuse to lease a Designated Unit or a PSH Unit to a prospective tenant because of the status of the prospective tenant as a holder of a certificate of family participation, rental voucher, or comparable tenant-based assistance document under any federal or state assistance program (unless such rental is in conflict with other applicable federal or state requirements).

8. **Use of Projects.** The Master Lease shall provide that during the term of the Affordability Period, the Designated Units shall be used solely for the purpose of providing housing for the City's LMI Persons in accordance with the provisions of this Agreement, and for no other purpose. Master Tenant shall list the Project on the Houston Housing Authority's ("HHA") landlords list and shall notify HHA that the Designated Units are available for affordable housing.

9. **Maintenance of Record; Financial and Operating Reports; Monitoring.** Master Tenant shall follow the recordkeeping requirements required by the City of Houston, including to establish and maintain such records as may be necessary to facilitate review and audit by City representatives (including, without limitation, the Director and City Controller) (collectively, the "City Representatives"), GLO or HUD of the City Loan and any documentation required in connection with the CDBG Regulations under 24 C.F.R. § 570.492 and 24 C.F.R. § 570.493 and the applicable HOME Program regulations under 24 CFR Sec. 92.508. The City Representatives, GLO and/or HUD or any of their authorized representatives shall have the right

to audit Master Tenant's books and record and compliance with these requirements upon reasonable notice to Borrower, Owner as Master Landlord and Master Tenant. If such books and records are located outside of Harris County, Master Tenant agrees to make them available in Harris County, Texas.

(A) Master Tenant shall provide to the Owner as Master Landlord and the Director: (a) quarterly balance sheets and operating statements not later than the 30<sup>th</sup> day of the month following the calendar quarter to which the statements relate; (b) monthly rent rolls for the Project not later than the 10<sup>th</sup> day of the following month which contain at a minimum the following information (or other information as the Master Landlord and/or Director may from time to time require) which correctly reflects, as of the first of each month, for each Designated Unit: the unit number, the number of bedrooms, the tenant name, the effective lease date, the monthly rent and the unit status (i.e., AMI); and (c) financial statements (balance sheet and operating statements) of Master Tenant, in a form acceptable to the Director, within 120 days (for unaudited statements) and six months (for audited statements) following the close of Master Tenant's fiscal years. The annual financial statements of Master Tenant shall be audited by an independent certified public accountant upon the request of the Director. If the Director requires, Master Tenant shall provide such reports at different intervals, but never more frequently than monthly.

(B) Using the Monitoring Forms or other forms from time to time established for use by the Director for monitoring purposes of the City's Loan Proceeds or to document compliance with the requirements of this Agreement, Master Tenant shall provide to Master Landlord (who shall provide to the Director) all monthly, quarterly or annual compliance reports as the Director requests.

(C) The City shall have ownership of all information, including reports and data, prepared or assembled by Master Tenant for purposes of meeting CDBG-DR17 Program requirements and the contractual requirements of the Lease; provided, however, Master Tenant or Master Landlord may provide copies of such information to third parties.

(D) Master Tenant shall upon the request of Master Landlord or the City make available to the City and Master Landlord at the location of the Project (or at another location in Houston, Texas) all records, reports and other information and data maintained by Master Tenant relating to the Project, and shall cooperate with the City and Master Landlord in connection with the City's review of such records and monitoring of the Project.

(E) Master Tenant shall maintain all records and other information relating to the Project for a period of not less than five (5) years following the expiration of the Affordability Period.

(F) Master Tenant shall pay to the City the annual monitoring compliance fee per restricted Unit. The fee is initially \$30.00 per restricted unit annually.

**10. Notice of Claims or Suits.** Master Tenant shall give the Master Landlord and Director prompt written notice of any causes of action, suits, or other proceedings filed or any claims made against the Project or Master Tenant to the extent that it would have a material adverse effect on the Project.

**11. Transactions with Affiliates.** Master Tenant shall not enter into any transaction in connection with the Master Lease or the Project with any director, officer, employee, partner, or affiliate of either Master Tenant, Master Landlord or the Borrower without the prior written approval of the Director.

12. **Taxes and Insurance.** Master Tenant shall pay or shall cause to be paid all applicable taxes for the Project before delinquency and all insurance premiums for the Project at least 15 days before the due date to prevent any lapse in coverage. Master Tenant shall: (1) fund an escrow account with [ ] for the payment of taxes and insurance premiums; or (2) provide the Master Landlord and Director with written evidence acceptable to the Master Landlord and Director that taxes and insurance premiums are paid prior to the date that such taxes and insurance premiums are due. Master Tenant shall provide the Master Landlord and City with evidence of the adequacy of such escrows. Further, to the extent that there is no escrow with [ ], the Director reserves the right to require Owner to escrow funds for taxes and insurance premiums with the City.

13. **HUD Section 3 Requirements.** If applicable, Master Tenant shall comply at all times with Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) as set forth and supplemented in the City's Housing and Community Development Department's Section 3 Plan and associated documents to the same extent as applicable to Master Tenant and Owner. Master Tenant shall report Section 3 compliance in accordance with 24 C.F.R. Part 135 and 83 Fed. Reg. 5844.

14. **Public Relations and Signage.** All news releases and other public relations efforts, including advertising (except for advertisements solely for the purpose of obtaining tenants for the Project) and signage, must be approved in advance by the Master Landlord and Director, and must properly refer to the City's Loan by the City and the City's Housing and Community Development Department.

15. **Expertise.** Owner shall have the right to approve (subject to the City's approval) Master Tenant's intention to retain any person or firm for the purpose of leasing and managing the Project and Master Tenant shall provide evidence of the expertise and competence of such persons and firms that Master Tenant intends to engage for the purpose of leasing and managing the

Project. In addition, the Owner as Master Landlord may require (and shall require at the request of the City) the retention of third party consultants if the Master Tenant fails to demonstrate capacity to handle the Project scope and leasing.

**16. Compliance with Applicable Law.**

(A) Master Tenant shall repair/re-construct, lease, maintain and operate the Project, and conduct all activities under the Master Lease in accordance with all applicable federal, state, and local laws, rules, regulations and ordinances including, without limitation, the those included in the Appendix 1 and those specifically set forth in the Master Lease, as they may be from time to time amended (collectively, the "Applicable Law").

(B) Master Tenant acknowledges and agrees that it is required to comply with all Applicable Law with respect to lead-based paint (42 U.S.C. Sec. 4831(b)) and asbestos containing materials within the Project.

(C) Master Tenant shall cause the Project to comply with the requirements of the Americans With Disabilities Act of 1990 (42 U.S.C. § 12101 et seq.), the Architectural Barriers Act (42 U.S.C. §§ 4151-4157), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794 et seq.) ("Section 504"), and regulations and guidelines promulgated thereunder, as all of the same may be amended and supplemented from time to time, the Texas Architectural Barriers Act, Tex. Gov't. Code Ann. § 469.001 et seq. (1994) and the regulations and guidelines promulgated thereunder, and Chapter 10, subsection 60 of the Texas Administrative Code and the regulations and guidelines promulgated thereunder ("Chapter 10") as all of the same may be amended and supplemented from time to time (collectively, "Accessibility Requirements"). The Project shall meet the Property and Construction Standards outlined in the Multifamily Disaster Recovery Guidelines of the CDBG-DR17 Disaster Recovery Guidelines including, without limitation, the

Accessibility Requirements, the Minimum Property Standards, energy efficiency standards (Energy Star, LEED, Enterprise Green ICC-700, and HUD CPD Green Building Checklist), and installation of broadband infrastructure. Five percent (5%) of the total number of units at the Project (i.e. five (5) units), disbursed throughout the Project, shall be designated accessible in accordance with Section 504 and Chapter 10 using the 2010 ADA Standards for Accessible Design, promulgated by the United States Department of Justice, found at 28 C.F.R. § 35.151 (2013) and 36 C.F.R. Part 1191, App. B and D (2013) (the “2010 ADA Standards”) as modified by HUD. In addition, two percent (2%) of the units at the Project (i.e. two (2) units) shall meet the standards to accommodate the hearing and visually impaired in accordance with Applicable Laws (as defined herein).

17. **Replacement Reserve and Operating Reserve.** Not later than the first (1<sup>st</sup>) anniversary after Project Completion, Master Tenant shall establish with a financial institution acceptable to the Master Landlord, and fund as an Operating Expense a “replacement reserve escrow account” (“Replacement Reserve Account”) for the replacement of furniture, fixtures, and equipment used in connection with those units at the Project for which the Work has been completed and for repair of capitalized improvements, in an amount not less than \$300.00 per unit annually, increased by 3% annually. The reserve shall be deposited in equal monthly installments on an amortized basis. (For example if the Project had 100 Units, the monthly payment would be calculated as follows:  $100 \text{ Units} \times \$300 \div 12 = \$2,500$  monthly escrow payment). Unless a Default exists, Master Tenant shall be entitled to utilize amounts in the Replacement Reserve Account as necessary, provided that Master Tenant shall replenish the amount withdrawn by continuing to fund deposits to the Replacement Reserve Account in accordance with the preceding sentence. The Replacement Reserve Account and all amounts held therein shall be collaterally assigned to

the City, at the option of the Director, pursuant to a pledge and account control agreement in form and substance acceptable to the Director in his or her sole and absolute discretion. On an annual basis, Master Tenant shall provide Master Landlord and City an accounting of the Replacement Reserve Account. Master Landlord shall require the Master Tenant to establish an Operating Reserve for the Project at Project Completion on terms and conditions reasonably acceptable to the Master Landlord and the City.

18. **Consulting, Developer's and Management Fees.** During the Term, no consulting, developer fees or fees to partners of the Master Tenant (but excluding fees payable to Master Tenant's tax credit investor member which are allowed under the Loan Agreement) shall be paid by Master Tenant, directly or indirectly out of the proceeds of the revenue of the Project (except as provided in the Approved Final Operating Budget). Any property management fee or similar fee shall be limited to 5.0% in the gross aggregate of the Project's gross annual income.

20. **Distributions Covenant.** If the Project exceeds a debt service ratio of 1.5 to 1 on an annual (calendar year) basis, the available cash for distribution for such calendar year shall be limited to the cash available between breakeven (1:1 debt service ratio) and a 1.5 to 1 debt service ratio. Notwithstanding anything to the contrary contained in this Agreement, any distribution in excess of such amount by the Master Tenant shall constitute a Default under the Master Lease by Master Tenant without prior notice and opportunity to cure. Master Tenant acknowledges that any distribution in excess of such amount shall cause a default under the City Loan Agreement with Borrower and Owner. For example: If the debt service on the Project (whether paid by the Master Landlord or Master Tenant) was \$100,000 per year and the available cash before payment of debts was \$200,000, the Project would have a debt service ratio of 2:1. \$100,000 of the cash would be used to pay debt service, \$50,000 (only) would be available for

distribution and the remaining \$50,000 would be reserved by the Landlord or Master Tenant and promptly invested in the capital improvement of the Project or deposited in the Replacement Reserve Account. Cash flow in excess of a 1.5 to 1 debt service ratio shall not be available for distribution and shall be invested in the Project or deposited in the Replacement Reserve Account as provided above. Master Tenant covenants to notify the Owner as Master Landlord and the City in writing at least ten (10) days in advance of any distribution of Project income to Master Tenant's partners, shareholders or members as applicable. Master Tenant shall also provide City with the amount of any Rent payments made to the Owner as Master Landlord which will be counted as a distribution for purposes of calculating distributions under this Section except to the extent utilized to pay debt service. Operating expenses, debt service, Rent and other expenses allowed by the Approved Final Operating Budget may be paid at the Master Tenant level, provided that they do not result in a violation of this Distributions Covenant or any other provisions of this Lease or the City Loan Agreement.

20. **SNDA**. Master Tenant, Borrower, Owner as Master Landlord and City shall enter into a Subordination, Nondisturbance and Attornment Agreement with respect to the Master Lease and the City Loan in form and substance acceptable to the parties thereto as a condition to the Master Lease.

21. **No Assignment of Interests**. No direct or indirect assignment, transfer, mortgage or encumbrance of any interest in the Project, the Master Lease, the Master Tenant or Owner as Master Landlord shall be made without the consent of the City except as allowed by the Subordination, Nondisturbance and Attornment Agreement between the City, Master Tenant, Borrower and Owner.

22. **Consents.** Any consents required under the Master Lease from Owner as Master Landlord shall also require the consent of the City.

23. **Financing.** Without the consent of the Director, Master Tenant shall not obtain any other financing for the Project (other than the Other Financing allowed by the Loan Agreement) and shall not place any lien, restrictions, easement or other encumbrance on the Project without the consent of the Director which consent shall not be unreasonably withheld.

24. **Consulting and Developer Fees.** During the Affordability Period, without the prior written approval of the Director, no consulting or developer's fees shall be paid by Master Tenant, directly or indirectly out of the proceeds of the City's Loan or out of the revenue of the Project (except as provided in the Approved Final Construction Budget or the Approved Final Operating Budget).

Re: Temenos Place Apartments  
Houston, Texas

Dear Mr. Green:

Thank you for giving us the opportunity to present this offer to provide equity financing for Temenos Place Apartments. WNC & Associates, Inc. has been investing in affordable housing for over 48 consecutive years and has capital to invest in quality tax credit properties. We have acquired over \$9.4 billion of real estate assets representing more than 1,400 properties nationwide.

This Letter of Understanding is designed to address the basic business terms under which WNC, on behalf of an affiliate (the "Investment Member") and WNC Housing, L.P., as the Special Member (the "SM"), will acquire limited liability company interests in Temenos Permanent Affordable, LLC (the "Project LLC") which owns Temenos Place Apartments. Based on the terms specified below, and further based on a Closing Date of July 23, 2021, the Investment Member and the SM agree to make a capital contribution payment to the Project LLC in the amount of \$9,585,127 ("Capital Contribution") (includes the SM's Capital Contribution) based on a price of \$0.91 for each dollar of Tax Credits allocated to the Investment Member over the Tax Credit Period. The Capital Contribution will be payable in installments based upon the schedule and conditions set forth below:

1. \$1,921,509 (20%) will be payable upon the Investment Member's admittance into the LLC.
2. \$2,882,113 (30%) will be payable upon the later of January 10, 2023 or the Investment Member's receipt and approval of the following: (a) documents substantiating lien free construction completion; (b) the issuance of a permanent certificate of occupancy; (c) payoff letter from the contractor; and (d) insurance required during operations.
3. \$4,303,152 (45%) will be payable upon the later of April 10, 2023 or the Investment Member's receipt and approval of the following: (a) fully signed permanent mortgage documents; (b) verification the Project LLC has maintained an expense coverage ratio of 1.15 for 90 consecutive days; (c) an updated title insurance policy; (d) 100% tax credit qualified occupancy and 90% actual occupancy for 90 consecutive days; (e) construction cost certification; and (f) an as-built survey.
4. \$455,352 (5% less \$25,000) will be payable upon the later of July 10, 2023 or the Investment Member's receipt and approval of the following: (a) verification that all the conditions

referenced above have been met; (b) tenant files to determine that 100% of the tax credit apartment units in the Apartment Complex qualify under Section 42 of the Internal Revenue Code; (c) a fully executed IRS Form 8609; (d) the first year tax return in which Tax Credits are taken; and (e) a copy of the Project LLC's property audited financial statement.

5. \$25,000 will be payable upon the SM receipt and approval of initial tenant files.

Funds from the Capital Contribution payments through completion of construction will be used to pay acquisition, hard and soft costs, including up to 50% of the cash portion of the development fee (subject to underwriting). Funds will be held by WNC or the construction lender and disbursed to the Project LLC or the contractor upon the submission of draw requests. The developer fee will be paid out as follows:

- 20% at Closing
- 30% at 100% Completion
- 45% at Conversion
- 5% at 8609

#### A. ASSUMPTIONS

1. The Project LLC will own, or owns, a 95 unit, new apartment complex intended for use as family housing in Houston, Texas (the "Apartment Complex"). The Project Partnership will be party to a 15 year project-based Section 8 HAP contract for all 95 of the apartments for a minimum term of the compliance period. The Project LLC is duly formed and validly existing under the laws of the State of Texas. The Project LLC holds, or will hold, legal title to the Apartment Complex as evidenced by an Owners ALTA Title Insurance Policy.

The managing member (the "Managing Member") and an acceptable guarantor (identified below) shall have sufficient financial resources to meet the obligations required by the Investment LLC.

- The NHP Foundation (65% member)
- Temenos CDC (35% member)
- TBD

The Apartment Complex will be managed by a property management company (identified below) that is experienced in managing tax credit properties.

- Allied Orion Management

2. The Project LLC will obtain permanent mortgage financing from a qualified commercial lender(s). Permanent mortgage loan(s) shall have a fixed interest rate and must be approved by the SM. The Project LLC will maintain an expense coverage ratio of 1.15, excluding any "soft" debt that is payable only from available cash flow based on an operating budget approved by the SM.

- The first mortgage loan will be from Harris County CDBG Disaster Relief Funds in the amount of \$11,000,000 for a term of 20 years at a compound interest rate equal to 0% with no payments of principal or interest until maturity.
- The second mortgage loan will be from City Reinvestment in the amount of \$4,500,000 for a term of 35 years at a compound interest rate equal to 0% with no payments of principal or interest until maturity.

- The third mortgage loan will be from City of Houston CDBG Disaster Relief Funds in the amount of \$8,000,000 for a term of 35 years at a compound interest rate equal to 0% with no payments of principal or interest until maturity.
- The fourth mortgage loan will be from Condemnation Proceeds in the amount of \$1,044,143 for a term of 20 years at a compound interest rate equal to AFR with no payments of principal or interest until maturity.

The first, second, third, and fourth mortgages may also be payable from available cash flow. All of the permanent debt financing for the Project will be nonrecourse to the Project LLC and its partners. None of the permanent debt financing constitutes related party debt. All debt must have automatic extensions in loan documents, with no conditions, to year 54 to pass the true debt test to satisfy Investor Member tax opinion. No financing secured in whole or in part by the property may be cross-collateralized or cross-defaulted with any other financing. In addition, the permanent loan commitment or documents evidencing the permanent loan must not require any on going debt coverage maintenance provisions.

We have utilized the above referenced loan terms in order to determine pricing. In the event that any of the terms change prior to the Investment Member's admission into the Project LLC, then an adjustment in price may need to be made in order to ensure a consistent yield.

3. The housing tax credits, depreciation, operating profits, and losses shall be allocated 99.99% to the Investment Member and SM and 0.01% to the Managing Member. This allocation assumes that the local state statutes allow for this structure.

4. The construction and rent-up schedule will be as follows:

Start Construction	7/23/2021
Complete Construction	1/01/2023
100% Qualified Occupancy	3/01/2023

5. The allocation of Tax Credits to the Apartment Complex, the Investment Member, and SM shall be as follows:

(a) Total Tax Credits to Apartment Complex during Tax Credit Period	\$10,558,358
(b) Total Tax Credits to Investment Member and SM during Tax Credit Period (99.99%)	\$10,557,302
(c) Annual Tax Credits to Investment Member and SM during Tax Credit Period	\$977,013 for 2023 \$1,055,730 for 2024 – 2032 \$78,717 for 2033

We have utilized this projected schedule in order to determine pricing. In the event that this schedule changes prior to the Investment Member's admission into the Project LLC, then an adjustment in price may need to be made in order to ensure a consistent yield.

6. During construction, the Project LLC shall obtain liability insurance and the Investment Member shall be named as an additional insured. In addition, the Investment Member shall be named as an additional insured on the contractor's builder's risk insurance and liability insurance. The contractor shall also maintain workers' compensation. During operations, the Project LLC shall obtain liability coverage, hazard coverage, business interruption coverage and worker's compensation (all insurance collectively referred to as "insurance"). The Investment Member shall be a named insured on all the insurance policies. All such insurance policies shall be purchased from a company rated A or better for financial safety by A.M. Best or Standard & Poor's, and shall prohibit cancellation without at least a 30 day prior written notice to the Investment Member. The Project LLC shall also carry an umbrella liability insurance policy.

## **B. ADJUSTMENTS**

1. The total Capital Contribution will be adjusted in the event that the total tax credits to the Investment Member and the SM are different than the amount set forth above in Section A.5 (b) based upon Form 8609. In this event, the Investment Member's and the SM's capital contributions shall be adjusted so that it equals \$0.91 of the actual total tax credits allocated to the Investment Member and the SM during the Tax Credit Period. Notwithstanding the foregoing, any increase in the Capital Contribution of the Investment Member and the SM shall be subject to the following: (a) the price per credit will be the actual price per credit paid at the closing of the LLC Agreement and (b) in no event will the Investment Member's additional Capital Contribution exceed 10% of its aggregate Capital Contribution. To the extent the upward adjuster contemplated herein exceeds the amount that the IM is required to purchase, the IM's interest shall be reduced commensurately and the MM shall be permitted to admit a non-voting Class B Member.

2. In the event the tax credits received by the Investment Member and SM in 2023 and 2024 are less than the amount set forth in Section A.5(c) for these years, then the total Capital Contribution from the Investment Member and SM shall be reduced by \$0.55 of each dollar of tax credits below such amounts.

## **C. GUARANTEES AND RESERVES**

1. The Managing Member and an acceptable guarantor will guarantee: a) lien free completion of construction at a fixed price amount in accordance with the plans and specifications and the construction budget approved by the SM; (b) the lease-up of the property and ensure the Project LLC achieves three consecutive months of 1.15 expense coverage; (c) the conversion of all permanent mortgages ("Permanent Mortgage Commencement"); (d) funding of all required reserves; and (e) all covenants, representations, and warranties of the Managing Member pursuant to the LLC Agreement. The Project LLC shall bear the cost of the monthly construction inspections of the SM's third party engineer. The SLP will provide invoices to the Project Partnership for payment and the Project Partnership will reimburse the SLP upon completion of construction.

2. The Managing Member and acceptable guarantor will fund operating deficits ("Operating Loans") for five years following the later of: (a) Permanent Mortgage Commencement or (b) The achievement of three consecutive months of 1.15 expense coverage (the "Operating Deficit Guarantee Period"); provided however, the Operating Deficit Guarantee Period shall not expire unless the Apartment Complex has achieved a 1.10 expense coverage for the most recent period of 12 consecutive months based on an audit. The guarantee is for a maximum cumulative amount equal to twelve months operating expenses, including debt service and reserves. Such advances shall constitute interest-free loans repayable

out of future cash flow or sale or refinancing proceeds as described in Sections D and E below. Guarantee is limited to developer fee.

3. The Managing Member and an acceptable guarantor shall guarantee the annual Tax Credit amount. Guarantee is limited to developer fee.

Commencing upon the receipt in our offices of this executed Letter of Understanding and terminating 45 days after the date WNC has received the documents listed in the Due Diligence Checklist (provided by WNC's underwriting team) ("Project Documents"), WNC shall have the exclusive right to acquire the interests in the Project LLC. Accordingly, by executing this Letter of Understanding, you agree on your own behalf and on behalf of any persons associated with or employed by you or the Project LLC, not to disclose any of the terms or provisions in this letter to any other person or entity other than those prospective parties having a direct and immediate need to review the information for the purpose of evaluating and underwriting the transaction.

3. RE: 2017 CDBG-DR Affordable Rental Housing Funding  
Temenos Permanent Affordable, LLC– Temenos IV  
Project Number: D2017-087

Dear Mr. Drobenare:

We are pleased to inform you that the above referenced project has received clearance from the Texas General Land Office (TXGLO) regarding their Affirmatively Furthering Fair Housing Review (AFFH) Review. Completion of the review and AFFH clearance indicates approval of the proposed Temenos IV site with conditions as detailed in the attached Exhibit of Loan Conditions. Additionally, the project has also been approved for a conditional award amount of \$11,000,000.00 of CDBG-DR funding and is part of a total project cost of \$33,205,902. This funding will assist Temenos Permanent Affordable, LLC. in developing property located at 1703, 1707, 1711 Gray Street; Houston, Texas 77003, in order to provide 95 units of supportive housing for homeless with on-site services from the local Continuum of Care's Coordinated Access System and for the relocation of Temenos II residents.

The terms and conditions of the proposed 2017 CDBG-DR loan are detailed in the attached *Exhibit of Loan Conditions*. It is important to note that as part of the implementation of the project, the Harris County Community Services Department (HCCSD) and Harris County Engineering Department (HCED) will provide project management, oversight, and inspection services. To cover these expenses, HCCSD has designated \$638,095 of the awarded 2017 CDBG-DR housing funding for this purpose. In addition, \$120,000 of \$638,095 of CDBG-DR funding is designated for construction management services.

This award is contingent upon the following:

- 1) Approval from the Harris County Commissioner's Court regarding the project scope, allocation of funds, and execution of a contract with Harris County
- 2) Approval from the U.S. Department of Housing and Urban Development (HUD) and the Texas General Land Office (GLO) regarding the project and Environmental Review Record

The project must also comply with the Mitigation Measures and Conditions identified in the required environmental review. A noise mitigation issue has been identified with more details provided in the attached *Exhibit of Loan Conditions*.

Letter to Mr. Drobenare  
March 29, 2021  
Page 2

As a condition of funding, you are required to provide the following items prior to contract execution:

1. A written response on letterhead acknowledging your organization's acceptance of the revised conditional award, loan terms, and conditions by April 12, 2021.
2. Submission of an updated design/construction timeline by April 12, 2021.
3. Copies of all project-related subcontracts currently in effect or that will be in effect as of April 12, 2021.

Non-receipt of these items will delay the contract development phase as well as funding of the project. Any awarded grant funds expended prior to contract execution and Commissioners Court approval will not be reimbursed. In addition, please retain a copy of all information submitted for your records. Any changes that alter the proposed project's scope, beneficiaries, services, or impacts the underwriting require notification to be sent to HCCSD for review and approval a minimum of 10 business days before the change.

- Applicant reconsiders the market area designation in its Affirmative Fair Housing Marketing Plan (AFHMP) beyond the development's zip code, or provides additional information supporting the use of this geography as the primary source of its tenants. The AFHMP instructions indicate a broader geography should be considered (county, metropolitan division) and compared with the Census Tract containing the development; even if zip codes provide the appropriate scale for the market area, the development is located in the extreme southwest corner of the zip code, which itself covers a relatively small area of central Houston. The Market Study provided with the application covers Harris County and several suburban counties. The scale of the market area will affect the demographic groups targeted for outreach—for example, if either Houston or Harris County is selected as the primary market area and the Houston-The Woodlands-Sugar Land MSA as the expanded market area, the data indicate groups least likely to seek housing include people identifying as Black/African Americans or Hispanic/Latino/Latina. Persons with disabilities and Spanish-speaking people with limited English proficiency are presumed to benefit from enhanced outreach regardless of the demographic data and should also be targeted in the Plan.

We are pleased to confirm the arrangement between the Temenos Permanent Affordable, LLC, and its affiliates/subsidiaries (the “**Obligor**” or “**Obligors**”) and KeyBanc Capital Markets Inc. (“**KBCM**”), whereby KBCM is hereby exclusively engaged to serve as Senior Underwriter in connection with the proposed offering by the Houston Housing Finance Corporation (the “**Issuer**”) of its Multifamily Housing Revenue Bonds (Temenos Apartments) (the “**Bonds**”). The offering of the Bonds shall be exempt from the registration requirements of the Securities Act of 1933, as amended (the “**1933 Act**”). Attached as Appendix B is an overview of the contemplated transaction at this time, of which all or part is subject to change.

The Obligor is aware of the “Municipal Advisor Rule” of the Securities and Exchange Commission (effective July 1, 2014) and the underwriter exclusion from the definition of “municipal advisor” for a firm serving as an underwriter for a particular issuance of municipal securities. The Obligor hereby engages KBCM as sole underwriter in the offering of the Bonds. As underwriter, KBCM may provide advice to the Obligor on the structure, timing, terms, and other similar matters concerning the Bonds.

Subject to the further provisions set forth in this letter agreement, KBCM is prepared to consider acting as underwriter in the offering based upon the following understandings and conditions:

1. To the extent that the Obligor proposes to sell the Bonds to KBCM as an underwriter, the terms of such sale shall be set forth in a bond purchase agreement (the “**Bond Purchase Agreement**”) among the Obligor, the Issuer and KBCM. Other similarly titled documents, including, but not limited to a Remarketing Agreement may be executed in lieu of this document and are collectively included in the term Bond Purchase Agreement.
2. The aggregate principal amount of Bonds to be sold in the offering will be determined at a future date subject to our mutual agreement and is currently estimated to be approximately \$14,520,000, although subject to final determination.
3. KBCM shall be entitled to purchase Bonds (an “**Underwriting**”), if any are purchased, pursuant to the Bond Purchase Agreement or Remarketing Agreement for a fee of 0.65% the Bond amount if issued. This fee shall include all costs related to CUSIP, initial MSRB filing and costs associated with trading & clearing of bonds when sold in the public market other than those assessed by the Bond Trustee.
4. In connection with any Underwriting, the Obligor will pay Underwriter’s Counsel and all fees pertaining to paying Credit Rating Costs (estimate: \$5,500) as it is not included as a part of fees paid and shall be paid by the Obligor.
5. The Obligor and KBCM agree that the Obligor’s engagement of KBCM as Senior Underwriter in connection with the transaction contemplated in this letter agreement shall be exclusive.

6. KBCM's participation as underwriter in any offering of Bonds is conditioned on preparation of an Official Statement satisfactory to KBCM and its counsel; satisfactory completion by KBCM and its counsel of a due diligence investigation of the Obligor and the Issuer, satisfactory comfort from the Obligor's accountants as KBCM deems necessary, the receipt of any ratings letters from nationally recognized ratings organizations as KBCM deems necessary, and the absence of any material adverse change in the condition, affairs or prospects of the Obligor and the Issuer at all times between the date hereof and the completion of such offering. KBCM's participation in the offering of Bonds is also subject to the approval of applicable KBCM transaction committees and, in the case of an Underwriting, the execution of a definitive Bond Purchase Agreement satisfactory to KBCM and its counsel and the satisfaction of all applicable closing conditions thereunder, including delivery to KBCM of any required opinions of bond counsel.
7. The Obligor represents that it is a sophisticated enterprise that has retained KBCM for the limited purposes set forth in this letter agreement, and the parties acknowledge and agree that their respective rights and obligations are contractual in nature. The Obligor acknowledges and agrees that KBCM will act as an independent contractor, that KBCM will not be an agent of the Obligor for any purpose, and that KBCM is being retained solely for the purpose of providing the services referred to above. Each party disclaims any intention to impose fiduciary obligations on the other by virtue of the engagement contemplated by this letter agreement. This letter agreement is solely for the benefit of KBCM and the Obligor and each of their respective officers, directors, employees and agents, and any person controlling KBCM within the meaning of the 1933 Act, and the respective legal representatives, successors and assigns of KBCM and the Obligor, and no other person shall acquire or have any right under or by virtue of this letter agreement.
8. Under no circumstance shall the fees paid to KeyBanc Capital Markets be paid from the loan proceeds of any credit facility extended by KeyBank, N.A. without the express written consent of KBCM.

Any additional or expanded services beyond those expressly described herein will require KBCM's agreement and may require the parties to enter into supplemental documentation to reflect such additional or expanded services.

In the event that KBCM becomes involved in any capacity in any action, proceeding or investigation brought by or against any person in connection with any matter related to the engagement described in this letter agreement, other than matters arising from the negligence or willful misconduct of KBCM or any of the other Indemnified parties, as hereinafter defined, the Obligor will reimburse KBCM, its affiliates and their respective directors, officers, employees and agents (collectively, "**Indemnified Persons**") for their reasonable legal and other expenses as such expenses are incurred. The Obligor shall indemnify and hold any such Indemnified Person harmless against any actual out-of-pocket losses, claims, damages or liabilities to KBCM in connection with any matter related to the engagement described in this letter agreement, except to the extent that any such loss, claim, damage or liability is finally judicially determined to have resulted from the negligence or willful misconduct of any Indemnified Person in performing the services that are the subject of this letter agreement. The Obligor also agrees that no Indemnified Person shall have any liability to the Obligor for or in connection with any matter referred to in this letter agreement, except to the extent that any losses, claims, damages, liabilities or expenses incurred by the Obligor are finally judicially determined to have resulted from the negligence or willful misconduct of such Indemnified Person in performing the services that are the subject of this letter agreement.

The Obligor acknowledges that KBCM is not an advisor as to legal, tax, accounting or regulatory matters in any jurisdiction. The Obligor should consult with its own advisors concerning such matters and is responsible for making its own independent investigation and appraisal of any transaction or product contemplated by this letter agreement, and KBCM has no responsibility or liability to the Obligor with respect to such matters.

Appendix A to this letter agreement, which is incorporated by reference herein, provides all disclosures that are required to be made by KBCM as underwriter under MSRB Rule G-17, including disclosures about the role of KBCM, KBCM's compensation, and actual or potential material conflicts of interest (excluding only those permitted

Disclosures Pursuant to MSRB Rule G-17

The following disclosures related to the captioned bond issue (Bonds), as required by the Municipal Securities Rulemaking Board (MSRB) Rule G-1.7 as set forth in MSRB Notice 2012-25 (May 7, 2012)<sup>1</sup>.

The Obligor has engaged KeyBanc Capital Markets Inc. (KBCM) to serve as an underwriter, and not as a financial advisor or municipal advisor, in connection with the issuance of the Bonds.

As part of our services as sole underwriter, KBCM may provide advice concerning the structure, timing, terms, and other similar matters concerning the issuance of the Bonds.

I. Disclosures Concerning the Underwriters' Role:

- (i) MSRB Rule G-17 requires an underwriter to deal fairly at all times with both municipal issuers and investors.
- (ii) The underwriters' primary role is to purchase the Bonds with a view to distribution in an arm's-length commercial transaction with the Issuer. The underwriters have financial and other interests that differ from those of the Issuer.
- (iii) Unlike a municipal advisor, the underwriters do not have a fiduciary duty to the Issuer under the federal securities laws and are, therefore, not required by federal law to act in the best interests of the Issuer without regard to their own financial or other interests.
- (iv) The underwriters have a duty to purchase the Bonds from the Issuer at a fair and reasonable price, but must balance that duty with their duty to sell the Bonds to investors at prices that are fair and reasonable.
- (v) The underwriters will review the official statement for the Bonds in accordance with, and as part of, their respective responsibilities to investors under the federal securities laws, as applied to the facts and circumstances of this transaction<sup>2</sup>.

II. Additional Conflicts Disclosures:

Except as otherwise disclosed below, KBCM has not identified any additional potential or actual material conflicts that require disclosure. In the ordinary course of business, we and/or our affiliates have engaged and may in the future engage in transactions with and/or perform services for the Issuer for which has been received or will be received customary fees and expenses. Those business activities may include (i) commercial banking services, including accepting deposits from the Issuer and extending various forms of credit to the Issuer and (ii) purchasing, selling or holding a broad array of investments and trading securities, derivatives, loans, currencies and other financial instruments for our own account and/or for the accounts of customers, including investment and trading activities relating to assets, securities and/or other financial instruments of the Issuer (whether directly, as collateral securing other obligations or otherwise) and/or persons and entities with relationships with the Issuer. We and/or our affiliates also may communicate independent investment recommendation, and market advice, or trading ideas and/or publish or express independent research views in respect of such assets, securities or other financial instruments and at any time may hold, or recommend to clients that they should acquire, long and/or short positions

1 Interpretive Notice Concerning the Application of MSRB Rule G-17 to Underwriters of Municipal Securities (effective August 2, 2012).

2 Under federal securities law, an issuer of securities has the primary responsibility for disclosure to investors. The review of the official statement by the underwriters is solely for purposes of satisfying the underwriters' obligations under the federal securities laws and such review should not be construed by an issuer as a guarantee of the accuracy or completeness of the information in the official statement.

in such assets, securities and other financial instruments. Furthermore, certain KeyCorp employees may receive various forms of revenue credit, in a manner consistent with applicable MSRB rules, for (i) having a mutual client relationship with the Issuer or (ii) referring this transaction to KBCM; which depending upon the compensation program applicable to any such employee, may impact such employee's compensation.

KBCM has identified the following additional potential or actual materials conflicts:

- I. The Obligor and its owners and/or affiliates, may enter into commercial banking arrangements with KeyBank, N.A.

### III. Disclosures Concerning Complex Municipal Securities Financing:

Since KBCM has not recommended a "complex municipal securities financing" to the Issuer, additional disclosures regarding the financing structure for the Bonds are not required under MSRB Rule G-17. You should consult with your financial advisor for more information and certain disclosures about the financing structure for the Bonds that has been recommended to you.

If you or any other Obligor officials have any questions or concerns about these disclosures, please make those questions or concerns known immediately to the KBCM officer who has executed the letter agreement to which this Appendix A is attached. In addition, you should consult with your own financial and/or municipal, legal, accounting, tax and other advisors, as applicable, to the extent you deem appropriate.

It is our understanding that you have the authority to bind the Obligor by contract with us, and that you are not a party to any undisclosed conflict of interest relating to the subject transaction. If our understanding is incorrect, please notify the KBCM officer who has executed the letter agreement to which this Appendix A is attached immediately.

This Appendix A is incorporated by reference into the letter agreement to which it is attached and the signature of an authorized officer of the Issuer shall serve as an acknowledgement that the Issuer has received the disclosures set forth in this Appendix A. Depending on the structure of the transaction that is pursued, or if additional potential or actual material conflicts are identified, we may be required to send you additional disclosures regarding the material financial characteristics and risks of such transaction and/or describing those conflicts. At that time, we also will seek your acknowledgement of receipt of any such additional disclosures.

### Bond Structure and Terms

The proposed bond structure and terms are consistent with what is commonly referred to as 'Cash-Collateralized' short-term bonds. KeyBanc Capital Markets ('KBCM') has Sole Managed similar transactions in recent years. After reviewing the project scope and expected financing structure of this project, the public offering of bonds totaling \$15,500,000<sup>3</sup>, which are secured at all times by cash and/or direct obligations of the U.S. Government, would be the most financially effective form of tax-exempt financing.

Based on current construction projections, we anticipate issuing bonds with a maturity of ~36 months and a 'mandatory tender' or 'hard put' at 24 months, subject to final underwriting. Market conditions at the time of bond pricing may impact this timeframe. This structure is rated 'Aaa' by Moody's Investor Services and as part of the bond offering, a letter confirming such a rating shall be a condition of closing. The bond indenture shall be structured to permit withdrawals from the Bond Proceeds fund (those generated by the bond sale) only upon permitted and sufficient deposit of other funds into a 'Collateral Fund'; both of these funds shall be held by a Trustee, who is mutually acceptable to the Underwriter, Issuer and Obligor.

Bonds are normally structured to pay semi-annual debt service on a 30/360 day-count basis with a principal repayment due at maturity and/or mandatory tender.

It is expected that the KBCM can sell these bonds at prevailing market rates and that there is sufficient market demand for such bonds to reasonably be assured of certainty of execution.

Bond are expected to be sold at par (Price: 100) and current market conditions would indicate an approximate interest rate of 0.35%, subject to future market conditions. Costs and fees associated with the issuance and preparation of the bonds shall be paid with project funds other than the tax-exempt bond proceeds generated with this bond sale.

Neither the Owner nor any one claiming by, through or under the Owner, nor any investment banking firm or potential purchaser of the Bonds shall have any claim against the Corporation whatsoever as a result of any decision by the Corporation not to issue the Bonds.

Section 8. That the issuance of the Bonds shall be subject to, among other things: (a) the execution by the Owner and the Corporation of contractual arrangements providing assurance satisfactory to the Corporation that at least 90 percent of the Project units will be occupied at all times by persons of low and moderate income as determined by the Board of Directors of the Corporation, that the requirements of Section 394.902 of the Act, relating to elderly individuals, and Section 394.027 of the Act relating to annual reports, as well as the requirements of the Corporation's Rules, will be satisfied, and that the Project will satisfy the requirements of Section 142(d) and other applicable Sections of the Code; (b) the receipt of a ruling from the Internal Revenue Service or an opinion from Bracewell LLP, or other bond counsel acceptable to the Corporation, substantially to the effect that the interest on the Bonds is excludable from gross income for federal income tax purposes under existing law; (c) a demonstrated commitment on the part of the Owner and its representatives to use local businesses in the financing and operations of the Project; (d) the execution by the Owner of contractual arrangements providing for the payment to the Corporation of an ongoing annual fee of .10% of the outstanding principal amount of the Bonds to the extent the Bonds are issued with the benefit of credit enhancement that results in at least an "A" rating on the Bonds, or an ongoing annual fee of .25% of the outstanding principal amount of the Bonds to the extent the Bonds are issued without the benefit of such credit enhancement, plus an amount required to pay the fees and expenses of the trustee, the paying agent and any tender agent; (e) the execution by the Owner of contractual arrangements providing for the delivery to the Corporation annually of the annual certification required to be delivered by the Owner pursuant to Section 142(d)(7) of the Code (which may be a copy of the certification submitted to the Internal Revenue Service); and (f) any other conditions reasonably imposed by the Corporation.

Section 9. That the Board of Directors of the Corporation hereby finds, determines, recites and declares that the issuance of the Bonds to provide financing for the Project will promote the public purposes set forth in Section 394.002 of the Act, including, without limitation, assisting persons of low and moderate income to obtain decent, safe and sanitary housing at rentals they can afford.

Section 10. That the Board of Directors of the Corporation acknowledges that financing of the Project may be undertaken by the Owner or any company or partnership that is a "related person" to the Owner within the meaning of the Code and the Treasury Regulations thereunder, including any entity controlled by or affiliated with the Owner.

Section 11. That the Board of Directors hereby finds, determines, recites and declares the Corporation's intent that this Resolution constitute its official intent for expenditures on Costs of the Project which will be reimbursed out of the issuance of the Bonds within the meaning of Sections 1.142-4(b) and 1.150-2, Title 26, Code of Federal Regulations, as amended, and applicable rulings of the Internal Revenue Service thereunder, to the end that the Bonds issued to reimburse Costs of the Project may qualify for the exemption provisions of Section 142 of the Code and that the interest on the Bonds will therefore be

excludable from the gross incomes of the holders thereof under the provisions of Section 103(a)(1) of the Code.

Section 12. That the Corporation hereby authorizes the filing and any resubmission of an Application with the Bond Review Board and any application for carryforward, that Bracewell LLP be designated as the authorized representative of the Corporation for purposes of an Application and that any officer of the Corporation is hereby authorized and directed to execute an Application on behalf of the Corporation and to take any and all other actions related to such Application or necessary or desirable to carry out the provisions of this Resolution.

b. With respect to the Designated Units, Owner shall comply with the following affordability requirements:

- (1) Each of the Designated Units shall be rented or be available for rent only to the City's LMI Persons, being those households whose gross income does not exceed eighty percent (80%) of the Area Median Income ("AMI"), as determined by HUD.
- (2) Designated Units shall be rent restricted based upon the following criteria:

  - c. forty-seven percent (47%) or twenty-three (23) of the Designated Units shall be restricted to households with gross incomes that do not exceed sixty percent (60%) of AMI.

Twenty-six (26) of the Designated Units (described in subsections (a) and (b) above) will be under the HOME Program ("HOME Designated Units") and subject to Low HOME Rents as described below.

- (3) With respect to the Designated Units, Borrower shall cause Owner to, and Owner shall comply with the following rent and income requirements determined in accordance with the Restrictive Covenants (collectively, the "Affordability Requirements"):

  - (b) **Low HOME Rents.** Designated Units rented or available for rent to Very Low-Income Households must meet one of the following rent requirements:
    - (i) the rent does not exceed thirty percent (30%) of the annual income of a household whose income equals fifty percent (50%) of the Area Median Income for the area, as determined by HUD, with adjustments for smaller and larger households (if the rent determined by this calculation is higher than the rent determined by following the formula in Paragraph 3.1b3(a) above, then the amount determined in Paragraph 3.1b3(a) shall be the rent); or

  - (c) With respect to the Designated Units which are not HOME Designated Units, the rental amount for each Designated Unit (other than the HOME Designated Units) shall not exceed the applicable maximum rental limitations published annually by HUD for the low-income housing tax credit program, adjusted for household and unit size and applicable to the City, as such rental limitation is further described at 26 U.S.C. §§ 42(g)(2)(A) and (B).
- (4) The location of the Designated Units shall "float" within the Project. The size and type of the Designated Units shall be set forth on the Certificate of Satisfaction of Closing Conditions. No later than ninety (90) days prior to the initiation of rental activities at the Project, Owner shall contact the Director to establish a procedure for identifying the initial Designated Units to be occupied by qualified tenants and a procedure for identifying the floating Designated Units on a periodic basis thereafter. Floating

Designated Units shall conform with the requirements of this Section and the City Loan Agreement. The initial proposed rents for the Designated Units will be set in the Certificate of Satisfaction of Closing Conditions provided that no later than ninety (90) days prior to the occupancy of any Designated Unit, the Borrower or Owner may request the Director to consent to an adjustment of the rents (subject to applicable HOME Program requirements), and the Director may agree to or reject the request in his or her sole discretion

c. The Owner will not refuse to lease a Designated Unit or a PSH Unit to a recipient of federal housing assistance or to the holder of a document evidencing participation in a tenant-based assistance program because of the status of the prospective tenant as a holder of such certificate of participation, rental voucher, or comparable tenant-based assistance document (unless such rental is in conflict with other applicable federal or state requirements).

#### **ARTICLE IV PERMANENT SUPPORTIVE HOUSING**

All units will be PHS Units, and Owner shall comply with the PSH requirements of this Agreement. The Project is covered by a long term Section 8 Project Based Housing Assistance Contract through the Houston Housing Authority. The Owner shall provide PSH Units for homeless adults and for those experiencing homelessness who have gone through the Coalition of the Homeless ("CoC"), a Houston area collaborative of service agencies, local governments, public housing authorities, and other nonprofits providing them with nationally-recognized and effective programs.

The Homeless Management Information System ("HMIS") is a tool designed to capture client-level, system-wide information over time on the characteristics and services needs of individuals and households experiencing homelessness. As a recipient of funds designated for PSH, the Owner shall provide a certain number of units accessible to the HMIS system operated and managed by the CoC ("CoC") during the Affordability Period. As a condition for funding and Closing, the Owner will make available for rental a minimum of 30 1 Bedroom units ("CoC PSH Units") referred by CoC or separate agency determined by the CoC during the Affordability Period. Commencing with lease-up of the Project and thereafter as PSH Units become available for rental, the CoC will be permitted to have access to these units for a minimum of a 30 days period that will include application review.

Prior to closing, the Owner shall provide a management plan ("PSH Management Plan") that outlines housing and services to be based on a Housing First model. Housing First is a homeless assistance approach that prioritizes providing permanent housing to people experiencing homelessness. A Housing First approach does not require people experiencing homelessness to address all of their basic needs or problems including but not limited to behavioral health or substance use issues. Housing First is based on client choice is valuable in housing selection and supportive service participation, and that exercising that choice is likely to make a client more successful in remaining housed and improving their life. The PSH Management Plan must also outline procedures to evaluate referrals and applicants that have been evicted from its own portfolio or other properties.

The City will review the management plan with The Way Home to ensure a Housing First approach will be achieved. Additional information can be found at:

<http://fendhomelessness.org/wpcontent/uploads/2016/04/housing-first-fact-sheet.pdf>.

Upon approval the PSH Management Plan must be implemented and utilized at the Project during the Affordability Period.

## **ARTICLE V**

**(vii)** the failure of the Maker to complete the construction of the Project by the date required under the Loan Agreement;

For purposes of this Note, "**Debtor Relief Law**" shall mean Title 11 of the United States Code, as now or hereafter in effect, or any other applicable law, domestic or foreign, as now or hereafter in effect, relating to bankruptcy, insolvency, liquidation, receivership, reorganization, arrangement or composition, extension or adjustment of debts or similar laws affecting the rights of creditors.

II.

**PAYMENT OF THE INDEBTEDNESS;  
DEFAULT; ENFORCEMENT OF TRUST**

A. **Payments.** If the Indebtedness is fully paid and if all of Grantor's covenants and agreements herein and in the Loan Agreement and the other Loan Documents are fully kept and performed, and if no Default then exists, then this conveyance shall thereupon become of no further force and effect and shall be released by Beneficiary or other holder(s) of the Indebtedness upon the written request and at the expense of Grantor.

B. **Enforcement.** But if any Default (as defined in the Loan Agreement) exists, the whole of the Indebtedness shall at the option of Beneficiary, without notice to Grantor or any other person, which notice is hereby waived, become immediately due and payable and thereupon, or at any time thereafter that the Indebtedness or any part thereof remains unpaid, it shall be the duty of the Trustee, or the Substitute Trustee, as hereinafter defined, at the request of Beneficiary, or the holder(s) of the Indebtedness, which request shall be presumed, to enforce this Trust and to sell as an entirety, or in parcels, by one sale or by several sales, held at one time or at different times, as the Trustee acting may elect (all rights to a marshaling of Grantor's assets, including Property, or to a sale in inverse order of alienation, being hereby expressly waived by Grantor), the Property in the county in which the Property, or a part of the Property to be sold, is situated (the "**County**") at such area at the courthouse or other location designated by the Commissioner's Court of the County as the area where sales are to take place, or if no area is designated, at the door of the County Courthouse, each sale to be made on the first Tuesday of a calendar month between the hours of 10:00 A.M. and 4:00 P.M. to the highest bidder for cash at public auction, after both posting or causing to be posted written or printed notice of the time (including the earliest time at which the sale will occur), place, and term of sale at the door of the Courthouse of the County and filing or causing to be filed a copy of the notice in the Office of the County Clerk of the County, for at least twenty-one (21) days preceding the day of sale, and to execute and to deliver to the purchaser(s) at each such sale proper conveyance(s) of the property interest sold, with general warranty of title binding upon Grantor and the successors and assigns of Grantor; or Beneficiary or other holder(s) of the Indebtedness may foreclose or cause to be foreclosed the Lien of this Deed of Trust, in whole or in part, through judicial foreclosure or in any manner as may at any time be authorized under the statutes of the State of Texas. In addition, the holder(s) of the Indebtedness to which the power is related shall, at least twenty-one (21) days preceding the date of sale, serve written notice of the proposed sale by certified mail on each person obligated to pay the Indebtedness according to the records of the holder(s). Service of the notice shall be completed upon deposit of the notice, enclosed in a postpaid wrapper, properly addressed to each debtor at the most recent address as shown by the records of the holder(s) of the Indebtedness, in a post office or official depository under the care and custody of the United States Postal Service. C. **Proceeds.** The Trustee acting shall apply the proceeds arising from each sale, first, to pay all reasonable expenses of the sale actually incurred, second, to reimburse Beneficiary for any expenses incurred by Beneficiary in protecting, administering or operating the Property after the occurrence of the applicable Default and prior to the foreclosure sale and third, to the payment of the Indebtedness (including all principal, interest and attorneys' fees owing as part of the Indebtedness). The proceeds of each sale paid to Beneficiary may be applied by Beneficiary on the Indebtedness in any order and manner as Beneficiary may elect. Any surplus funds from the foreclosure sale or sales hereunder shall be paid to Grantor or the person(s) lawfully entitled thereto.

III.

**UNMATURED INDEBTEDNESS**

If any Default exists, Beneficiary or other holder(s) thereof shall, in addition to any remedies available to Beneficiary at law or in equity, have the option to proceed with foreclosure in satisfaction of such item or items, either through the courts or by directing the Trustee, or the Substitute Trustee, as hereinafter provided for, to proceed as if under a foreclosure, conducting the sale as herein provided and without declaring the whole debt due, and if a sale is made because of such Default, the sale may be made subject to the unmatured part of the Indebtedness, but as to the unmatured part of the Indebtedness, this Deed of Trust shall remain in full force and effect just as though no sale had been made under the provisions of this paragraph. Several sales may be made hereunder without exhausting the right of sale for any unmatured part of the Indebtedness, it being the purpose hereof to provide for a foreclosure and sale of the Property, in whole or in part, for any matured portion of the Indebtedness without exhausting the power of foreclosure and the power to sell the Property, in whole or in part, for any other part of the Indebtedness subsequently maturing.

IV.

**SUBSTITUTE TRUSTEE**

In case of the resignation of the Trustee, or the inability (through death or otherwise), refusal or failure of the Trustee to act, or at the option of Beneficiary or the holder(s) of the Indebtedness for any other reason (which reason need not be stated), a substitute trustee ("**Substitute Trustee**") may be named, constituted and appointed by Beneficiary or the holder(s) of the Indebtedness, without other formality than an appointment and designation in writing; the appointment and designation shall be full evidence of the right and authority to make the same and of all facts therein recited; and this conveyance shall vest in the Substitute Trustee the title, power and duties herein conferred on the Trustee originally named herein and the conveyance of the Substitute Trustee to the purchaser(s) at any sale shall be equally valid and effective. The right to appoint a Substitute Trustee shall exist as often and whenever from any of said causes, the Trustee, original or Substitute, resigns, or cannot, will not, or does not act, or Beneficiary or the holder(s) of a majority of the Indebtedness desire to appoint a new Trustee. No bond shall ever be required of the Trustee, original or Substitute. The recitals in any conveyance made by the Trustee, original or Substitute, shall be accepted and construed in court and elsewhere as prima facie evidence and proof of the facts recited and no other proof shall be required as to the request by Beneficiary or the holder(s) of a majority of the Indebtedness to the Trustee to enforce this Trust, or as to the notice of or holding of the sale, or as to any particulars thereof, or as to the resignation of the Trustee, original or Substitute, or as to the inability, refusal or failure of the Trustee, original or Substitute, to act or as to the election of Beneficiary or the holder(s) of a majority of the Indebtedness to appoint a new Trustee, or as to appointment of a Substitute Trustee, and all prerequisites of the sale shall be presumed to have been performed; and each sale made under the powers herein granted shall be a perpetual bar against Grantor and the successors and assigns of Grantor.

V.

**REPRESENTATIONS, WARRANTIES, COVENANTS AND AGREEMENTS OF GRANTOR**

For the purpose of better securing to Beneficiary the payment of the Indebtedness, Grantor represents, warrants and covenants to Beneficiary as follows:

A. Title, Authority, and Performance under Leases. At the time of the execution and delivery of this Deed of Trust, Grantor is the sole and lawful owner of the Land in fee simple, and Grantor has the authority to execute this Deed of Trust. The Property is free from all encumbrances and charges whatsoever except for the Permitted Encumbrances and liens securing Harris County indebtedness described in the Intercreditor Agreement which are pari passu to the liens herein created. No assignments

or pledges are currently in effect with respect to any leases of or rentals or income from the Property except for assignments and/or pledges to Beneficiary and those expressly stated in **EXHIBIT B**, and until the Indebtedness is fully paid, at which time this Deed of Trust will be released. Grantor shall not make any additional assignment or pledge thereof without Beneficiary's prior written consent. Notwithstanding the foregoing, the Property is subject to a Ground Lease between Grantor as landlord and Temenos Permanent Affordable, LLC, a Texas limited liability company. ("**Tenant**"), as tenant. In addition, Grantor warrants that (a) the Ground Lease is in full force and effect; (b) there are no defaults under the Ground Lease and no event has occurred but for the passage of time or notice or both, would constitute a default under the Ground Lease; and (c) all rents and other sums due under the Ground Lease have been paid in full.

B. Tax and Insurance Escrow. Upon written request by Beneficiary, Grantor agrees to deposit with Beneficiary on a monthly basis, or at other intervals as specified, a sum that shall be sufficient to pay taxes, assessments, charges, and insurance premiums as they become due, all as reasonably estimated by Beneficiary, which sum shall be held by Beneficiary (or by a banking institution selected by Beneficiary whose funds are insured by a federal agency or instrumentality) in trust to pay taxes, assessments, charges and premiums, but which shall not bear interest and may be commingled with other funds. If at any time the funds so held by (or on behalf of) Beneficiary are insufficient to pay any tax, assessment, charge or insurance premium, Grantor shall, upon receipt of notice, deposit with Beneficiary (or such banking institution), all additional funds as are necessary to remove the deficiency. If the Indebtedness is for any reason declared immediately due and payable, funds held by (or on behalf of) Beneficiary for payment of taxes, assessments, charges or premiums as herein provided may, at Beneficiary's election, be applied on the Indebtedness in any manner as Beneficiary so elects. In the event that Beneficiary does not require the escrow deposits described in the paragraph, Grantor shall provide Beneficiary with written evidence that (i) all applicable taxes and assessments have been paid at least thirty (30) days prior to delinquency and (ii) all insurance premiums have been paid thirty (30) days before the renewal date of the applicable policies. Grantor shall duly pay and discharge, or cause to be paid and discharged, all taxes, assessments, charges, and insurance premiums before they become past due.

C. Insurance. Grantor shall, prior to or concurrently with the execution of this Deed of Trust, deliver to Beneficiary all of the following insurance policies together with evidence of such other insurance coverage as required pursuant to the Loan Agreement, accompanied by paid premium receipts evidencing payment in full of the required premiums for at least the first full year of coverage:

- (i) fire insurance with extended coverage and standard Beneficiary and replacement cost endorsement for the full insurable value of the insurable portion of the Property, but in no event for an amount less than the amount of the Note (90% shall be acceptable co-insurance rates for fire insurance); and
- (ii) public liability insurance in the amount of \$1,000,000.00 per occurrence and \$2,000,000.00 in the aggregate for a twelve (12) month policy period. Each renewal policy shall be delivered to Beneficiary not less than thirty (30) days before the termination of the prior policy and with each policy there shall be delivered to Beneficiary a receipt showing payment of the premium therefor.

Upon request, Grantor shall also carry additional insurance or additional reasonable amounts of insurance covering Grantor or the Property as Beneficiary shall reasonably require, insuring against such other insurable hazards which at the time are commonly insured against for property similar to the Property located in the region where the Property is located.

If the Property or any part thereof has been or at any time during the term of this Deed of Trust or any extension or renewal thereof is designated as a flood-prone or flood-risk area pursuant to the Flood Disaster Protection Act of 1973 or the National Flood Insurance Reform Act of 1994, as each have been or may be amended, or any successor law, Grantor shall obtain flood insurance in such total amounts as Beneficiary may from time to time require and shall otherwise comply with the requirements of the National

Flood Insurance Program as set forth in the Flood Disaster Protection Act of 1973 or the National Flood Insurance Reform Act of 1994, or any successor law.

All insurance required under this Deed of Trust and the Loan Agreement shall be fully paid for, non-assessable, and such policies shall contain such provisions, endorsements, and expiration dates as Beneficiary shall reasonably require. Such policies shall be issued by insurance companies authorized and licensed to transact business in the State of Texas with ratings acceptable to Beneficiary in its sole and absolute discretion and shall name Beneficiary as an additional insured.

D. Operations. Grantor will abstain from and not permit the commission of waste in or about the Property, will maintain the Property in good operating condition and repair at all times, ordinary wear and tear and insured casualty excepted, will not remove or demolish the buildings or other improvements now or hereafter constituting a part of the Property, or alter the design or structural character of any buildings or improvements unless Beneficiary shall first consent thereto in writing, which consent shall be granted or denied in Beneficiary's reasonable discretion, and will comply with the Ground Lease and will comply with all laws, ordinances, regulations, covenants, conditions and restrictions affecting the Property or the use thereof, which consent shall not be unreasonably withheld, delayed or conditioned. Grantor will not seek or acquiesce in a zoning reclassification of all or any portion of the Property or grant or consent to any easement, dedication, plat, or restriction (or allow any easement to become enforceable by prescription), or any amendment or modification thereof, covering all or any portion of the Property, without Beneficiary's prior written consent. Grantor will not, without the prior written consent of Beneficiary, permit any drilling or exploration for or extraction, removal, or production of, any Minerals from the surface or subsurface of the Land regardless of the depth thereof or the method of mining or extraction thereof.

E. Obligations Under Other Loan Documents. Grantor hereby agrees to comply with and perform all of its obligations under the other Loan Documents and agrees to be bound by the representations, warranties and covenants made by Grantor contained in the Loan Documents. All of representations, warranties and covenants contained in the other Loan Documents are hereby fully incorporated herein.

F. Casualty and Condemnation Proceeds. Subject to the terms of the Loan Agreement, and the Intercreditor Agreement (as defined below), in the event of any fire or other casualty to the Property or eminent domain proceedings resulting in condemnation of the Property or any part thereof, Grantor shall have the right to rebuild the Property, and to use all available insurance or condemnation proceeds therefor, provided that (a) such proceeds are sufficient to keep the Indebtedness in balance and rebuild the affected portion of the Property in a manner that provides adequate security to Beneficiary for repayment of the Indebtedness or if such proceeds are insufficient then Grantor shall have funded any deficiency, (b) Beneficiary shall have the right to approve plans and specifications for any major rebuilding and the right to approve disbursements of insurance or condemnation proceeds for rebuilding under a construction escrow or similar arrangement, and (c) no Default then exists under the Loan Documents that will not be cured by rebuilding the affected portion of the Property. If the casualty or condemnation affects only part of the Property and total rebuilding is infeasible, then proceeds may be used for partial rebuilding and partial repayment of the Indebtedness in a manner that provides adequate security to Beneficiary for repayment of the remaining balance of the Indebtedness.

G. Failure to Pay. All taxes and any assessments that are due and payable affecting the Property shall be paid and discharged in full prior to execution and delivery of this Deed of Trust, or as they subsequently become due and payable and prior to delinquency. If Grantor fails to pay any tax, assessment, charge or insurance premium affecting the Property in accordance with the terms of this Deed of Trust, Beneficiary may, at its option, pay the same, or if Grantor fails to perform any of Grantor's covenants or agreements set forth in this Deed of Trust in accordance with the terms hereof, Beneficiary may, at its option, correct or cause to be corrected the same and pay any sums in connection therewith as Beneficiary shall determine to be necessary or advisable, and all taxes, assessments, charges, insurance premiums and sums paid by Beneficiary in connection with such matters (collectively, whether one or more, an "**Assessment**") shall be immediately repayable by Grantor to Beneficiary, together with interest on each amount at the default rate provided in the Note from the date the sum is paid by Beneficiary, until the same

is refunded to Beneficiary and all such amounts and interest thereon, shall be secured hereby as part of the Indebtedness. Notwithstanding the foregoing, Grantor shall have the right to object and protest to ad valorem taxes on the Property in good faith and with due diligence provided that (i) no Default exists under this Deed of Trust or any of the other Loan Documents, (ii) Grantor gives Beneficiary prior written notice of its intent to contest an Assessment; (iii) Grantor demonstrates to Beneficiary's reasonable satisfaction that (A) the Property will not be sold to satisfy the Assessment prior to the final determination of the legal proceedings, (B) Grantor has taken such actions as are required or permitted to accomplish a stay of any such sale, and (C) Grantor has either (1) furnished a bond or surety (satisfactory to Beneficiary in form and amount) sufficient to prevent a sale of the Property or (2) at Beneficiary's option, deposited one hundred fifty percent (150%) of the full amount necessary to pay any unpaid portion of any Assessment with Beneficiary; and (iv) such proceeding shall be permitted under any other instrument to which Grantor or the Property is subject (whether superior or inferior to this Deed of Trust).

H. Title Litigation. Subject to title insurance coverage, in case of any litigation involving the title to any part of the Property, or the validity of this Deed of Trust, Beneficiary may be represented in the litigation through attorneys of its own selection and Grantor shall, upon demand, promptly reimburse Beneficiary for all court costs and reasonable attorneys' fees incurred by Beneficiary in defending and/or protecting its rights in any litigation.

I. Default. Subject to applicable notice and cure provisions and the other terms of this Deed of Trust and the other Loan Documents, if a Default (as defined in the Loan Agreement) occurs, the whole of the Indebtedness, at the option of Beneficiary, shall become immediately due and payable, without further notice or demand.

J. Tenancy at Sufferance. Following any sale of the Property, or any part thereof, under the provisions of this Deed of Trust, and to the extent permissible under applicable law, Grantor shall be obligated to immediately vacate the premises and prior to such vacation shall be a tenant at sufferance of the purchaser of the Property sold and shall be subject to eviction in an action of forcible detainer; provided, the provisions of this Subparagraph J shall be subject to any agreements made in writing by Beneficiary with reference to any existing and/or future leases; provided, further, to the extent permitted under applicable law, the purchaser at any foreclosure sale shall have the option to affirm any then existing leases or tenancies or otherwise to succeed to the rights of Grantor thereunder.

K. Subrogation. To the extent that any of the Indebtedness represents funds utilized to satisfy any outstanding Indebtedness or obligations secured by liens, rights, or claims against the Property or any part thereof, Beneficiary shall be subrogated to any and all liens, rights, superior titles and equities owned or claimed by the holder of any outstanding indebtedness or obligation so satisfied, however remote, regardless of whether the liens, rights, superior titles and equities are assigned to Beneficiary or released by the holder(s) thereof.

L. Homestead Disclaimer. Grantor represents and covenants that the Property forms no part of any property owned, used, or claimed by Grantor as a business or residential homestead, or as exempt from forced sale under the laws of the State of Texas and disclaims and renounces all and every such claim thereto.

M. Additional Transfers and Encumbrances. Beneficiary shall have the right to declare the Indebtedness secured hereby immediately due and payable in the event the Grantor sells, transfers, assigns, or conveys its interest, whether voluntarily or involuntarily, in the Property, or any part thereof, without the prior written consent of Beneficiary, such consent not to be unreasonably withheld, delayed or conditioned or in the event any junior or subordinate mortgage, lien, deed of trust, or other encumbrance is placed upon the Property without the prior written consent of Beneficiary, provided the foregoing shall not prohibit the removal of worn or obsolete Personalty that is replaced with new items of the same or similar quality. If Beneficiary consents to the sale, transfer, assignment, or conveyance of Grantor's interest in the Property, or any part thereof, and waives in writing its right to accelerate the Indebtedness secured hereby as provided in this Subparagraph M, Beneficiary may require that the transferee assume all the obligations of Grantor under this Deed of Trust, the Loan Agreement and the Note in a form reasonably acceptable to

Beneficiary and its legal counsel. For purposes of this Subparagraph M, "transfer" of the Property includes any direct or indirect transfer of any beneficial ownership in Grantor (except as allowed by the Loan Agreement) or the general partner or managing member of Grantor except to the extent that such transfer is permitted under the Loan Agreement after satisfaction of all requirements for such transfer including the consent of the City of Houston (the "**City**"), if required for such transfer.

Notwithstanding anything to the contrary contained in this Deed of Trust or the other Loan Documents, the removal and/or replacement of Grantor's general partner for cause in accordance with Grantor's partnership agreement shall not require the consent of the Beneficiary or the Trustee, shall not constitute a default or Default under this Deed of Trust or the Loan Documents or accelerate or give the Beneficiary the right to accelerate the maturity of the Loan. The consent of the Beneficiary and the City shall be required for the appointment of a new general partner, but if the Grantor's Tax Credit Investor (as defined in the Loan Agreement) exercises its right to remove the Grantor's general partner for cause, Beneficiary will not unreasonably withhold its consent to the substitute general partner; provided however, the consent of neither the Trustee nor the Beneficiary shall be required if the substitute general partner is an affiliate of such limited partner. The substitute general partner shall assume all of the rights and obligations of the removed general partner of Grantor hereunder.

N. No Reliance on Beneficiary. Grantor is experienced in the ownership and operation of properties similar to the Property, and Beneficiary is relying solely upon Grantor's expertise and business plan in connection with the construction of the Improvements and ownership and operation of the Property. Grantor is not relying on Beneficiary's expertise or business acumen in connection with the Property or in connection with the construction of the Improvements.

O. No Litigation. Except as disclosed in writing to Beneficiary, there are no (i) actions, suits, or proceedings, at law or in equity, before any Governmental Authority (as defined in the Loan Agreement) or arbitrator pending or threatened against or affecting Grantor, any guarantor, or involving the Property, (ii) outstanding or unpaid judgments against the Grantor or the Property, or (iii) defaults by Grantor with respect to any order, writ, injunction, decree, or demand of any Governmental Authority or arbitrator.

P. Payment for Labor and Materials. Grantor will timely pay all bills for labor, materials, and specifically fabricated materials incurred in connection with the Property (which shall be deemed an Assessment on the Property) and never permit to exist in respect of the Property or any part thereof any unbonded lien or security interest, even though inferior to the liens and security interests hereof, for any such bill, and in any event never permit to be created or exist in respect of the Property or any part thereof any other or additional lien or security interest on a parity with, superior, or inferior to any of the liens or security interests hereof, except for the Permitted Encumbrances. In the event that Grantor becomes aware that such lien has been recorded against the Property, Grantor shall have such lien released within thirty (30) days. If Grantor fails to pay or bond around any bills for labor, materials, and specifically fabricated materials incurred in connection with the Property, Beneficiary shall have the rights set forth in Section V.G for Grantor's failure to pay any Assessment, as well as the other rights and remedies provided under this Deed of Trust.

Q. Tax on Deed of Trust. At any time any law shall be enacted imposing or authorizing the imposition of any tax upon this Deed of Trust, or upon any rights, titles, liens, or security interests created hereby, or upon the Indebtedness or any part thereof, Grantor will pay when due all such taxes, provided that if such law as enacted makes it unlawful for Grantor to pay such tax, Grantor shall not pay nor be obligated to pay such tax. Nevertheless, if a law is enacted making it unlawful for Grantor to pay such taxes, then Grantor must prepay the Indebtedness in full within sixty (60) days after demand therefor by Beneficiary.

R. ERISA. If and to the extent that Grantor is obligated under any plan governed by or subject to the Employee Retirement Income Security Act, as amended ("**ERISA**"), Grantor shall fully discharge and satisfy all of its obligations and funding requirements under such plan, ERISA and the Internal Revenue Code, as amended ("**IRC**"). Furthermore, Grantor shall comply in all material respects with any and all

applicable provisions of ERISA and the IRC and will not incur or permit to exist any unfunded liabilities to the Pension Benefit Guaranty Corporation or to such plan under ERISA or the IRC.

S. Disclosures. If at any time Grantor shall become aware of the existence or occurrence of any financial or economic conditions or natural disasters which are likely to have a material adverse effect on the Property or Grantor's financial condition, Grantor shall promptly notify Beneficiary of the existence or occurrence thereof and of Grantor's opinion as to what effect such may have on the Property or Grantor. Grantor shall also give prompt notice to Beneficiary of (i) the serious illness or death of any principal or key employee of Grantor, (ii) any litigation or dispute, threatened or pending against or affecting Grantor, the Property or any guarantor which could have a material adverse effect on the Property or the financial condition or business of any of the aforementioned parties, (iii) any Default, (iv) any default by Grantor or any acceleration of any indebtedness owed by Grantor under any contract or loan agreement to which Grantor is a party, and (v) any change in the character of Grantor's business as it existed on the date hereof.

F. Obligations under Ground Lease. (i) Grantor as landlord shall promptly and fully keep, observe, perform or cause to be kept, observed and performed all of the material terms, covenants, provisions and agreements imposed upon or assumed by Grantor under the Ground Lease including any amendments or supplements thereto, and Grantor shall not do or fail to do or permit or fail to permit to be done, any act or thing, the doing or omission of which will give the Tenant a right to terminate the Ground Lease. Grantor shall not under any circumstances modify, cancel, amend or terminate the Ground Lease, without Beneficiary's prior written consent, and any attempted modification, cancellation, amendment or termination of the Ground Lease without such consent shall be void and of no force or effect whatsoever; (ii) If Grantor shall, in any manner, fail to comply with subsection (i) above, Grantor covenants and agrees that Beneficiary may (but shall not be obligated to) take, upon five (5) business days' written notice to Grantor (or upon lesser notice, or without notice, if Beneficiary reasonably deems that the same is required to protect its interest in the Property), any action that Beneficiary shall reasonably deem necessary or desirable to keep, observe and perform or cause to be kept, observed or performed any such terms, covenants, provisions or agreements and to enter upon the Property and take all action thereon as may be necessary therefor, or to prevent or cure any default by either Grantor in the performance of or compliance with any of such Grantor's covenants or obligations under the Ground Lease. Grantor shall promptly deliver to Beneficiary a copy of any notice relating to defaults received under the Ground Lease and allow Beneficiary the right to cure such default for a period of ninety (90) days. Beneficiary may expend such sums of money as are reasonable and necessary for any such purposes, and the Grantor hereby covenants and agrees to pay to Beneficiary, immediately upon demand, all sums so reasonably expended by Beneficiary, together with interest thereon from the date of such payment at the Default Rate, and until so paid by the Grantor, all sums so reasonable expended by Beneficiary and the interest thereon shall be added to the obligations secured by the lien and legal operation and effect of this Deed of Trust.

### ASSIGNMENT OF LEASES

As further security for the payment of the Indebtedness, Grantor hereby assigns to Beneficiary, its successors and assigns, all leases (including the Ground Lease), whether now in existence or hereafter created, covering all or any portion of the Property together with all rents to become due under each such

lease. For so long as no Default exists, Grantor may collect the rents, but not more than one (1) month in advance, in the ordinary course of business, unless otherwise provided by the express terms of the leases and approved by Beneficiary. In the event of any Default and at any and all times during the continuance thereof, in addition to all other rights and remedies of Beneficiary, Beneficiary shall have the exclusive right and power (but not the obligation) to enter upon and take possession of the Property or any part thereof, to rent or re-rent the same, either in the name of Beneficiary or Grantor, to receive all rents, revenues, profits, or other income from the Property and to apply all amounts received first, to the costs and expenses incurred by Beneficiary in protecting and operating the Property and next, to the payment of the Indebtedness in any manner and in any order of priority as Beneficiary shall determine. This action by Beneficiary shall not operate as a waiver of the Default, or as an affirmation of any lease or of the rights of any tenant of title to that part of the Property covered by the lease or held by the tenant, should the Property, or any part thereof, be acquired by Beneficiary or other purchaser at a foreclosure sale. The right of Beneficiary to receive all rents, revenues, profits, or other income from the Property during the continuance of any Default shall be applicable whether Beneficiary has entered upon or taken possession of the Property, or has otherwise attempted to exercise its rights hereunder and if any rents, revenues, profits, or other income are paid to or received by Grantor, Grantor shall immediately pay the same to Beneficiary, without the necessity of any request or demand therefor. Grantor agrees at any time and from time to time until the indebtedness is paid in full to execute and to deliver any additional assignments of leases and/or rents, security agreements and other instruments as Beneficiary shall from time to time reasonably require. The substance, form, execution and delivery of additional assignments of leases and/or rents, security agreements and other instruments shall be reasonably satisfactory to Beneficiary.

VIII.

**PERSONALTY**

This Deed of Trust covers and includes, without limitation, Grantor's interest in the Personalty hereinabove described.

IX.

**USE OF PERSONALTY**

Grantor represents that all Personalty is property for business use and is not consumer goods. Grantor further covenants that there are and shall be no conditional sales contracts that cover any of the Personalty.

X.

**SECURITY INTEREST IN PERSONALTY**

Without limiting any of the provisions of this instrument, Grantor, as referred to in this paragraph as "**Debtor**," expressly does the following:

A. Grant. Debtor hereby grants unto Beneficiary and its successors and assigns, described herein as Secured Party, and referred to in this paragraph as "**Secured Party**", a security interest in Debtor's interest in the Personalty.

B. UCC Remedies. Debtor agrees, in addition to any other remedies granted in this instrument to Secured Party or the Trustee, that Secured Party may, during the existence of any Default, proceed under Chapter 9 of the Texas Uniform Commercial Code (the "**UCC**") as to all or any part of the Personalty and shall have and may exercise with respect to the Personalty all the rights, remedies and powers of a Secured Party under the UCC, including, without limitation, the right and power to sell at public or private sale or sales, or otherwise to dispose of, to lease, or to utilize the Personalty and any part or parts thereof, in any manner authorized or permitted under the UCC after default by a debtor and to apply the

proceeds thereof toward payment of any costs, expenses and attorneys' fees and legal expenses thereby incurred by Secured Party and toward the payment of Debtor's obligations, including the Note and all other Indebtedness described in this instrument in any order or manner as Secured Party may elect. Among the rights of Secured Party during the existence of a Default, and without limitation, Secured Party shall have the right to take possession of the Personalty and to enter upon any premises where same may be situated for this purpose without being deemed guilty of trespass and without liability for damages thereby occasioned and to take any action deemed necessary or appropriate or desirable by Secured Party, at its option and in its discretion, to repair, refurbish or otherwise prepare the Personalty for sale, lease, or other use or disposition as herein authorized. Debtor agrees that if any notice of sale required under the UCC is mailed, postage prepaid, to Debtor at the address shown herein at least ten (10) days before the time of the sale or disposition, the notice shall be deemed reasonable and shall fully satisfy any requirement for giving of the notice.

If a Default exists, and to the extent it may lawfully do so and without limiting any rights and/or privileges herein granted to Secured Party, Debtor agrees that Secured Party and/or the above Trustee and any Substitute Trustee, may dispose of any or all of the Personalty at the same time and place and after giving the same notice provided for in this Deed of Trust in connection with a nonjudicial foreclosure sale under the terms and conditions set forth in this Deed of Trust. In this connection, Debtor agrees that the sale may be conducted by the Trustee or the Substitute Trustee; that the sale of the Land and Improvements described in this Deed of Trust and the Personalty or any part thereof, may be sold separately and/or together; and that if the Land and Improvements described herein and the Personalty or any part thereof, are sold together, the Secured Party will not be obligated to allocate the consideration received as between the Land and Improvements and the Personalty.

C. Possession. Debtor hereby grants to Secured Party the right, at its option upon a Default to transfer at any time to itself or to its nominee the Personalty, or any part thereof and to receive the monies, income, proceeds or benefits attributable or accruing thereto and to hold the same as security for Debtor's obligations or to apply it on the principal and interest or other amounts owing on any of Debtor's obligations, whether or not then due, in any order or manner as Secured Party may elect. All rights with respect to marshalling of assets of Debtor, including with respect to the Personalty, or to a sale in inverse order of alienation, are hereby waived.

D. Authority. Debtor hereby covenants, stipulates and agrees that all recitals in any instrument of assignment or any other instrument executed by Secured Party incident to the sale, transfer, assignment, lease or other disposition or utilization of the Personalty or any part thereof hereunder shall be prima facie evidence of the matters stated therein and all prerequisites of the sale or other action taken by Secured Party or of any fact, condition or thing incident thereto shall be rebuttably presumed to have been performed or to have occurred.

E. Assembly and Expenses. Debtor hereby covenants and agrees that Secured Party, during a Default, may require Debtor to assemble the Personalty and to make it available to Secured Party at a place to be designated by Secured Party that is reasonably convenient to both parties. All expenses of retaking, holding, preparing for sale, lease, or other use or disposition, selling, leasing or otherwise using or disposing of the Personalty and the like that are incurred or paid by Secured Party as authorized or permitted hereunder, including also all attorneys' fees, legal expenses and costs, shall be added to the Indebtedness and Debtor shall be liable therefor.

F. Financing Statement. A carbon, photographic, or other reproduction of this Deed of Trust may be filed as a Financing Statement under the UCC between Debtor and Secured Party whose addresses are set forth below. The security interest granted to the Subordinate Lender or otherwise expressly stated in **EXHIBIT B** hereto, Debtor is owner and holder of the Personalty free of any adverse claim, security interest or encumbrance, and Debtor will defend the Personalty against all claims and demands of any person at any time claiming the same or any interest therein. Debtor has not heretofore signed any financing statement and no financing statement signed by Debtor is now on file in any public office. So long as any amount remains unpaid on any Indebtedness described in this Deed of Trust, Debtor will not execute and there will not be filed in any public office any financing statement or statements affecting

the Personalty, unless the prior written specific consent and approval of Secured Party shall have first been obtained. Debtor authorizes Secured Party to file, in jurisdiction where this authorization will be given effect, a financing statement signed only by Secured Party covering the Personalty and at the request of Secured Party, Debtor will join Secured Party in executing one or more financing statements, pursuant to the UCC in form satisfactory to Secured Party and will pay the cost of filing the same or filing or recording this instrument as a financing statement, in all public offices at any time and from time to time whenever filing or recording of any financing statement or of this instrument is deemed by Secured Party to be necessary or desirable.

C. Remediation. If any investigation or monitoring of site conditions, or any cleanup, containment, restoration, removal or other Remedial Work (collectively, the "**Remedial Work**") is required under any applicable federal, state or local law or regulation, by any judicial order, or by any governmental entity, or in order to comply with any agreements affecting the Property because of, or in connection with any release of hazardous or toxic substances, Grantor shall perform, or cause to be performed, the

Remedial Work in compliance with such law, regulation, order or agreement. All costs of any Remedial Work shall be paid by Grantor, including, without limitation, the reasonable charges of contractor(s) and/or the consulting engineer and Beneficiary's reasonable attorneys' fees and costs incurred in connection with the monitoring or review of any Remedial Work. If Grantor shall fail to timely commence or cause to be timely commenced, or fail to diligently prosecute to completion, any Remedial Work, then Beneficiary may, but shall not be required to, cause such Remedial Work to be performed and all costs and expenses thereof, or incurred in connection therewith, shall be "**Costs**" within the meaning of Subparagraph B above. #### XIV.

#### MISCELLANEOUS

A. No Waiver. No delay by Beneficiary in exercising any right, option or remedy hereunder, or otherwise afforded by law, shall operate as a waiver thereof or preclude the exercise thereof during the continuance of any Default.

B. Cumulative Remedy. All rights and remedies of Beneficiary under this Deed of Trust and any and all other instruments evidencing or securing the Indebtedness, are cumulative and concurrent and may be exercised singularly, successively, or concurrently.

C. No Release. The granting to Grantor or to any other person or party of any extension(s) of time for payment of all or any part of the Indebtedness or the performance of any covenant or agreement contained herein, or the taking of other or additional security for the payment of the whole or any part of the Indebtedness, or the releasing of any part of the security at any time held in connection with the Indebtedness, shall not in any way release Grantor or any other person or party obligated for the payment of the Indebtedness, or release or impair this Deed of Trust or any other security held in connection with the Indebtedness, except to the extent of the person, party or property expressly released in writing by Beneficiary.

D. Severability. If any provision in this Deed of Trust is invalid or unenforceable in whole or in part, this instrument shall in all other respects remain in full force and effect.

E. Successors and Assigns. All of the provisions hereof shall apply to, inure to the benefit of, and be binding upon Beneficiary and Grantor and their respective successors and assigns (provided the foregoing shall not be construed as consent to any transfer by Grantor of the Property that is not permitted under the Loan Documents).

F. Further Assurances and Corrections. From time to time, at the request of Beneficiary, Grantor will (i) promptly correct any defect, error, or omission which may be discovered in the contents of this Deed of Trust or in any other Loan Document or in the execution or acknowledgment thereof; (ii) execute, acknowledge, deliver, record and/or file such further instruments (including, without limitation, further deeds of trust, security agreements, financing statements, continuation statements and assignments of rents or leases) and perform such further acts and provide such further assurances as may be necessary,

desirable, or proper, in Beneficiary's reasonable opinion, to carry out more effectively the purposes of this Deed of Trust and the Loan Documents and to subject to the liens and security interests hereof and thereof any property intended by the terms hereof or thereof to be covered hereby or thereby, including without limitation, any renewals, additions, substitutions, replacements, or appurtenances to the Property; (iii) execute, acknowledge, deliver, procure, file, and/or record any document or instrument (including without limitation, any financing statement) deemed advisable by Beneficiary to protect the liens and the security interests herein granted against the rights or interests of third persons; and (iv) pay all costs connected with any of the foregoing.

G. Choice of Law. This Deed of Trust shall be performable and enforced in Harris County, Texas, and shall be construed in accordance with the laws of the State of Texas from time to time in effect except to the extent preempted by the United States federal law. Venue shall be appropriate in Harris County, as applicable.

H. Usury. In no event shall any provision of this Deed of Trust, the Note, the Loan Agreement or any other instrument evidencing or securing the Indebtedness ever obligate Grantor to pay interest on the Note secured hereby at a rate greater than that permitted by law, or obligate Grantor to pay any taxes, assessments, charges, insurance premiums, or other amounts to the extent that the payments constitute interest under applicable law and when added to the interest payable on the Note secured hereby, would be held to constitute the payment by Grantor of interest at a rate greater than that permitted by law; and this provision shall control over any provision to the contrary.

It is expressly stipulated and agreed to be the intent of Grantor and Beneficiary at all times to comply strictly with the applicable Texas law governing the maximum rate or amount of interest payable on the Note or the Indebtedness or applicable United States federal law to the extent that it permits Beneficiary to contract for, charge, take, reserve or receive a greater amount of interest than under Texas law ("Highest Lawful Rate"). If the applicable law is ever judicially interpreted so as to render usurious any amount (i) contracted for, charged, taken, reserved or received pursuant to the Note, any of the other Loan Documents or any other communication or writing by or between Grantor and Beneficiary related to the transaction or transactions that are the subject matter of the Loan Documents, (ii) contracted for, charged or received by reason of Beneficiary's exercise of the option to accelerate the maturity of the Note and/or the Indebtedness, or (iii) Grantor will have paid or Beneficiary will have received by reason of any voluntary prepayment by Grantor of the Note and/or the Indebtedness, then it is Grantor's and Beneficiary's express intent that all amounts charged in excess of the Highest Lawful Rate shall be automatically cancelled, ab initio, and all amounts in excess of the Highest Lawful Rate theretofore collected by Beneficiary shall be credited on the principal balance of the Note and/or the Indebtedness (or, if the Note and all Indebtedness have been or would thereby be paid in full, refunded to Grantor), and the provisions of the Note and the other Loan Documents immediately be deemed reformed and the amounts thereafter collectible hereunder and thereunder reduced, without the necessity of the execution of any new document, so as to comply with the applicable law, but so as to permit the recovery of the fullest amount otherwise called for hereunder and thereunder. Grantor hereby agrees that as a condition precedent to any claim seeking usury penalties against Beneficiary, Grantor will provide written notice to Beneficiary, advising Beneficiary in reasonable detail of the nature and amount of the violation, and Beneficiary shall have sixty (60) days after receipt of such notice in which to correct such usury violation, if any, by either refunding such excess interest to Grantor, or crediting such excess interest against the Note and/or the Indebtedness then owing by Grantor to Beneficiary. All sums contracted for, charged or received by Beneficiary for the use, forbearance or detention of any debt evidenced by the Note and/or the Indebtedness shall, to the extent permitted by applicable law, be amortized or spread, using the actuarial method, throughout the stated term of the Note and/or the Indebtedness (including any and all renewal and extension periods) until payment in full so that the rate or amount of interest on account of the Note and/or the Indebtedness does not exceed the Highest Lawful Rate from time to time in effect and applicable to the Note and/or the Indebtedness for so long as debt is outstanding. In no event shall the provisions of Chapter 346 of the Texas Finance Code (which regulates certain revolving credit loan accounts and revolving triparty accounts) apply to the Note and/or the Indebtedness. Notwithstanding anything to the contrary contained herein or in any of the other Loan Documents, it is not the intention of Beneficiary to accelerate the maturity of any interest that has not accrued at the time of such acceleration or to collect unearned interest at the time of such acceleration.

I. Covenants Run with the Land. All obligations contained in this Deed of Trust and the other Loan Documents are intended by Grantor, Beneficiary and Trustee to be, and shall be construed as, covenants running with the Property until the lien of this Deed of Trust has been fully released by Beneficiary.

J. **JURY WAIVER. GRANTOR AND BENEFICIARY ACKNOWLEDGE THAT THE RIGHT TO TRIAL BY JURY IS A CONSTITUTIONAL ONE, BUT THAT IT MAY BE WAIVED, EACH PARTY, AFTER CONSULTING (OR HAVING HAD THE OPPORTUNITY TO CONSULT) WITH COUNSEL OF THEIR CHOICE, KNOWINGLY AND VOLUNTARILY, AND FOR THEIR MUTUAL BENEFIT, WAIVES ANY RIGHT TO TRIAL BY JURY IN THE EVENT OF LITIGATION REGARDING THE PERFORMANCE OR ENFORCEMENT OF, OR IN ANY WAY RELATED TO, THIS NOTE, THE INDEBTEDNESS OR THIS DEED OF TRUST.**

K. Entire Agreement. **THIS DEED OF TRUST, TOGETHER WITH THE NOTE AND LOAN AGREEMENT, THE OTHER LOAN DOCUMENTS, AND THE RESTRICTIVE COVENANTS CONSTITUTE A WRITTEN LOAN AGREEMENT AS DEFINED IN SECTION 26.02 OF THE TEXAS BUSINESS AND COMMERCE CODE. THIS WRITTEN LOAN AGREEMENT CONSTITUTES THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.**

L. Extended Low Income Housing Commitment. Pursuant to the terms of that Collateral Assignment of Note and Liens dated of even date herewith executed by Beneficiary for the benefit of the City (the "**Collateral Assignment**"), the City agreed that the liens securing the City Loan and evidenced by this Deed of Trust and collaterally assigned to the City pursuant to the Collateral Assignment shall be subordinate to any extended low income housing commitment (as such term is defined in Section 42(h)(6)(B) of the Internal Revenue Code)( the "Extended Use Agreement") recorded against the Land; provided that such Extended Use Agreement, by terms, must terminate upon foreclosure under this Deed of Trust or upon a transfer of the Land by instrument in lieu of foreclosure, in accordance with Section 42(h)(6)(E) of the Internal Revenue Code. The City's Restrictive Covenants shall not be subordinate to any extended low income housing commitment as such term is defined in the Extended Use Agreement.

Several sales may be made hereunder without exhausting the right of sale for any unmatured part of the Indebtedness, it being the purpose hereof to provide for a foreclosure and sale of the Property, in whole or in part, for any matured portion of the Indebtedness without exhausting the power of foreclosure and the power to sell the Property, in whole or in part, for any other part of the Indebtedness subsequently maturing.

IV.

### SUBSTITUTE TRUSTEE

In case of the resignation of the Trustee, or the inability (through death or otherwise), refusal or failure of the Trustee to act, or at the option of Beneficiary or the holder(s) of the Indebtedness for any other reason (which reason need not be stated), a substitute trustee ("**Substitute Trustee**") may be named, constituted and appointed by Beneficiary or the holder(s) of the Indebtedness, without other formality than an appointment and designation in writing; the appointment and designation shall be full evidence of the right and authority to make the same and of all facts therein recited; and this conveyance shall vest in the Substitute Trustee the title, power and duties herein conferred on the Trustee originally named herein and the conveyance of the Substitute Trustee to the purchaser(s) at any sale shall be equally valid and effective. The right to appoint a Substitute Trustee shall exist as often and whenever from any of said causes, the Trustee, original or Substitute, resigns, or cannot, will not, or does not act, or Beneficiary or the holder(s) of a majority of the Indebtedness desire to appoint a new Trustee. **REPRESENTATIONS, WARRANTIES, COVENANTS AND AGREEMENTS OF GRANTOR**

For the purpose of better securing to Beneficiary the payment of the Indebtedness, Grantor represents, warrants and covenants to Beneficiary as follows:

A. Title, Authority, and Performance under Leases. At the time of the execution and delivery of this Deed of Trust, Landlord is the sole and lawful owner of the Land in fee simple, and the Grantor holds a leasehold estate in the Property by virtue of the Ground Lease, and Grantor has the authority to execute this Deed of Trust. The Property is free from all encumbrances and charges whatsoever except for the the Permitted Encumbrances and the liens securing the Harris County indebtedness described in the Intercreditor Agreement which are pari passu to the liens herein created. No assignments or pledges are currently in effect with respect to any leases of or rentals or income from the Property except for assignments and/or pledges to Beneficiary and those expressly stated in **EXHIBIT B** and the pari passu assignments and/or pledges in favor of Harris County described in the Intercreditor Agreement, and until the Indebtedness is fully paid, at which time this Deed of Trust will be released. Grantor shall not make any additional assignment or pledge thereof without Beneficiary's prior written consent. In addition, Grantor warrants that (a) the Ground Lease is in full force and effect; (b) there is no existing Event of Default (as defined in the Ground Lease) and no event has occurred but for the passage of time or notice or both, would constitute an Event of Default; and (c) all rents and other sums due as of the date hereof under the Ground Lease have been paid in full.

B. Tax and Insurance Escrow. Unless Grantor is already required to maintain an escrow account with another lender upon written request by Beneficiary, Grantor agrees to deposit with Beneficiary on a monthly basis, or at other intervals as specified, a sum that shall be sufficient to pay taxes, assessments, charges, and insurance premiums as they become due, all as reasonably estimated by Beneficiary, which sum shall be held by Beneficiary (or by a banking institution selected by Beneficiary whose funds are insured by a federal agency or instrumentality) in trust to pay taxes, assessments, charges and premiums, but which shall not bear interest and may be commingled with other funds. If at any time the funds so held by (or on behalf of) Beneficiary are insufficient to pay any tax, assessment, charge or insurance premium, Grantor shall, upon receipt of notice, deposit with Beneficiary (or such banking institution), all additional funds as are necessary to remove the deficiency. If the Indebtedness is for any reason declared immediately due and payable, funds held by (or on behalf of) Beneficiary for payment of taxes, assessments, charges or premiums as herein provided may, at Beneficiary's election, be applied on the Indebtedness in any manner as Beneficiary so elects. In the event that Grantor is escrowing with another lender a sum for payment of taxes, assessments, charges and insurance premiums and such amount is sufficient to fully discharge such taxes, assessments, charges and insurance premiums, Beneficiary agrees not to require an additional escrow deposit under this paragraph. In the event that Beneficiary does not require the escrow deposits described in the paragraph, Grantor shall provide Beneficiary with written evidence that (i) all applicable taxes and assessments have been paid at least thirty (30) days prior to delinquency and (ii) all insurance premiums have been paid thirty (30) days before the renewal date of the applicable policies. Grantor shall duly pay and discharge, or cause to be paid and discharged, all taxes, assessments, charges, and insurance premiums before they become past due.

C. Insurance. Grantor shall, prior to or concurrently with the execution of this Deed of Trust, deliver to Beneficiary all of the following insurance policies together with evidence of such other insurance coverage as required pursuant to the Loan Agreement, accompanied by paid premium receipts evidencing payment in full of the required premiums for at least the first full year of coverage:

- (i) fire insurance with extended coverage and standard Beneficiary and replacement cost endorsement for the full insurable value of the insurable portion of the Property, but in no event for an amount less than the amount of the Note (90% shall be acceptable co-insurance rates for fire insurance); and

- (ii) public liability insurance in the amount of \$1,000,000.00 per occurrence and \$2,000,000.00 in the aggregate for a twelve (12) month policy period. Each renewal policy shall be delivered to Beneficiary not less than thirty (30) days before the termination of the prior policy and with each policy there shall be delivered to Beneficiary a receipt showing payment of the premium therefor.

Upon request, Grantor shall also carry additional insurance or additional reasonable amounts of insurance covering Grantor or the Property as Beneficiary shall reasonably require, insuring against such other insurable hazards which at the time are commonly insured against for property similar to the Property located in the region where the Property is located and shall further comply with the insurance requirements of the Ground Lease.

If the Property or any part thereof has been or at any time during the term of this Deed of Trust or any extension or renewal thereof is designated as a flood-prone or flood-risk area pursuant to the Flood Disaster Protection Act of 1973 or the National Flood Insurance Reform Act of 1994, as each have been or may be amended, or any successor law, Grantor shall obtain flood insurance in such total amounts as Beneficiary may from time to time require and shall otherwise comply with the requirements of the National Flood Insurance Program as set forth in the Flood Disaster Protection Act of 1973 or the National Flood Insurance Reform Act of 1994, or any successor law.

All insurance required under this Deed of Trust and the Loan Agreement shall be fully paid for, non-assessable, and such policies shall contain such provisions, endorsements, and expiration dates as Beneficiary shall reasonably require. Such policies shall be issued by insurance companies authorized and licensed to transact business in the State of Texas with ratings acceptable to Beneficiary in its sole and absolute discretion and shall name Beneficiary as an additional insured.

D. Operations. Grantor will abstain from and not permit the commission of waste in or about the Property, will maintain the Property in good operating condition and repair at all times, ordinary wear and tear and insured casualty excepted, will not remove or demolish the buildings or other improvements now or hereafter constituting a part of the Property, or alter the design or structural character of any buildings or improvements unless Beneficiary shall first consent thereto in writing, which consent shall be granted or denied in Beneficiary's reasonable discretion, and will comply with the Ground Lease and all laws, ordinances, regulations, covenants, conditions and restrictions affecting the Property or the use thereof, which consent shall not be unreasonably withheld, delayed or conditioned. Grantor will not seek or acquiesce in a zoning reclassification of all or any portion of the Property or grant or consent to any easement, dedication, plat, or restriction (or allow any easement to become enforceable by prescription), or any amendment or modification thereof, covering all or any portion of the Property, without Beneficiary's prior written consent. Grantor will not, without the prior written consent of Beneficiary, permit any drilling or exploration for or extraction, removal, or production of, any Minerals from the surface or subsurface of the Land regardless of the depth thereof or the method of mining or extraction thereof.

E. Obligations Under Other Loan Documents. Grantor hereby agrees to comply with and perform all of its obligations under the other Loan Documents and agrees to be bound by the representations, warranties and covenants made by Grantor contained in the Loan Documents. All of representations, warranties and covenants contained in the other Loan Documents are hereby fully incorporated herein.

F. Obligations under Ground Lease. (i) Grantor shall promptly and fully keep, observe, perform or cause to be kept, observed and performed all of the material terms, covenants, provisions and agreements imposed upon or assumed by Grantor under the Ground Lease including any amendments or supplements thereto, and Grantor shall not do or fail to do or permit or fail to permit to be done, any act or thing, the doing or omission of which will give the Fee Owner a right to terminate the Ground Lease. Subject to the terms and conditions of the Ground Lease, Grantor shall not under any circumstances materially modify, cancel, materially amend or terminate the Ground Lease, without Beneficiary's and the City's prior written consent, such consent not to be unreasonably withheld, and any attempted material modification, cancellation, material amendment or termination of the Ground Lease without such consent shall be void

and of no force or effect whatsoever; (ii) If Grantor shall, in any manner, fail to comply with subsection (i) above, Grantor covenants and agrees that Beneficiary may (but shall not be obligated to) take, upon five (5) business days' written notice to Grantor (or upon lesser notice, or without notice, if Beneficiary reasonably deems that the same is required to protect its interest in the Property), any action that Beneficiary shall reasonably deem necessary or desirable to keep, observe and perform or cause to be kept, observed or performed any such terms, covenants, provisions or agreements and to enter upon the Property and take all action thereon as may be necessary therefor, or to prevent or cure any default by either Grantor in the performance of or compliance with any of such Grantor's covenants or obligations under the Ground Lease. Grantor shall promptly deliver to Beneficiary a copy of any notice relating to an Event Default received under the Ground Lease and allow Beneficiary the right to cure such Event Default for a period of ninety (90) days. Beneficiary may expend such sums of money as are reasonable and necessary for any such purposes, and the Grantor hereby covenants and agrees to pay to Beneficiary, immediately upon demand, all sums so reasonably expended by Beneficiary, together with interest thereon from the date of such payment at the Default Rate, and until so paid by the Grantor, all sums so reasonable expended by Beneficiary and the interest thereon shall be added to the obligations secured by the lien and legal operation and effect of this Deed of Trust.

G. Casualty and Condemnation Proceeds. Subject to the terms of the Loan Agreement, and the Intercreditor Agreement (as defined below), in the event of any fire or other casualty to the Property or eminent domain proceedings resulting in condemnation of the Property or any part thereof, Grantor shall have the right to rebuild the Property, and to use all available insurance or condemnation proceeds therefor, provided that (a) such proceeds are sufficient to keep the Indebtedness in balance and rebuild the affected portion of the Property in a manner that provides adequate security to Beneficiary for repayment of the Indebtedness or if such proceeds are insufficient then Grantor shall have funded any deficiency, (b) Beneficiary shall have the right to approve plans and specifications for any major rebuilding and the right to approve disbursements of insurance or condemnation proceeds for rebuilding under a construction escrow or similar arrangement, and (c) no Default then exists under the Loan Documents that will not be cured by rebuilding the affected portion of the Property. If the casualty or condemnation affects only part of the Property and total rebuilding is infeasible, then proceeds may be used for partial rebuilding and partial repayment of the Indebtedness in a manner that provides adequate security to Beneficiary for repayment of the remaining balance of the Indebtedness.

H. Failure to Pay. All taxes and any assessments that are due and payable, as the date of the Deed of Trust, affecting the Property shall be paid and discharged in full prior to execution and delivery of this Deed of Trust, or as they subsequently become due and payable and prior to delinquency. If Grantor fails to pay any tax, assessment, charge or insurance premium required by the terms and conditions of this Deed of Trust, Beneficiary may, at its option, pay the same, or if Grantor fails to perform any of Grantor's covenants or agreements set forth in this Deed of Trust in accordance with the terms hereof, Beneficiary may, at its option, correct or cause to be corrected the same and pay any sums in connection therewith as Beneficiary shall determine to be necessary or advisable, and all taxes, assessments, charges, insurance premiums and sums paid by Beneficiary in connection with such matters (collectively, whether one or more, an "**Assessment**") shall be immediately repayable by Grantor to Beneficiary, together with interest on each amount at the default rate provided in the Note from the date the sum is paid by Beneficiary, until the same is refunded to Beneficiary and all such amounts and interest thereon, shall be secured hereby as part of the Indebtedness. Notwithstanding the foregoing or anything to the contrary set forth in the Loan Documents, Grantor shall have the right to object and protest to ad valorem taxes on the Property in good faith and with due diligence provided that (i) no Default exists under this Deed of Trust or any of the other Loan Documents, (ii) Grantor gives Beneficiary prior written notice of its intent to contest an Assessment; (iii) Grantor demonstrates to Beneficiary's reasonable satisfaction that (A) the Property will not be sold to satisfy the Assessment prior to the final determination of the legal proceedings, (B) Grantor has taken such actions as are required or permitted to accomplish a stay of any such sale, and (C) Grantor has either (1) furnished a bond or surety (satisfactory to Beneficiary in form and amount) sufficient to prevent a sale of the Property or (2) at Beneficiary's option, deposited one hundred fifty percent (150%) of the full amount necessary to pay any unpaid portion of any Assessment with Beneficiary; and (iv) such proceeding shall

be permitted under any other instrument to which Grantor or the Property is subject (whether superior or inferior to this Deed of Trust).

I. Title Litigation. Subject to title insurance coverage, in case of any litigation involving the title to any part of the Property, or the validity of this Deed of Trust, Beneficiary may be represented in the litigation through attorneys of its own selection and Grantor shall, upon demand, promptly reimburse Beneficiary for all court costs and reasonable attorneys' fees incurred by Beneficiary in defending and/or protecting its rights in any litigation.

J. Default. Subject to applicable notice and cure provisions and the other terms of this Deed of Trust and the other Loan Documents, if a Default (as defined in the Loan Agreement) occurs and is continuing, the whole of the Indebtedness, at the option of Beneficiary, shall become immediately due and payable, without further notice or demand.

K. Tenancy at Sufferance. Following any sale of the Property, or any part thereof, under the provisions of this Deed of Trust, and to the extent permissible under applicable law, Grantor shall be obligated to immediately vacate the premises and prior to such vacation shall be a tenant at sufferance of the purchaser of the Property sold and shall be subject to eviction in an action of forcible detainer; provided, the provisions of this Subparagraph K shall be subject to any agreements made in writing by Beneficiary with reference to any existing and/or future leases; provided, further, to the extent permitted under applicable law, the purchaser at any foreclosure sale shall have the option to affirm any then existing leases or tenancies or otherwise to succeed to the rights of Grantor thereunder.

L. Subrogation. To the extent that any of the Indebtedness represents funds utilized to satisfy any outstanding Indebtedness or obligations secured by liens, rights, or claims against the Property or any part thereof, Beneficiary shall be subrogated to any and all liens, rights, superior titles and equities owned or claimed by the holder of any outstanding indebtedness or obligation so satisfied, however remote, regardless of whether the liens, rights, superior titles and equities are assigned to Beneficiary or released by the holder(s) thereof.

M. Homestead Disclaimer. Grantor represents and covenants that the Property forms no part of any property owned, used, or claimed by Grantor as a business or residential homestead, or as exempt from forced sale under the laws of the State of Texas and disclaims and renounces all and every such claim thereto.

N. Additional Transfers and Encumbrances. Subject to the terms and conditions of the Loan Agreement and the City Loan Agreement. Beneficiary shall have the right to declare the Indebtedness secured hereby immediately due and payable in the event the Grantor sells, transfers, assigns, or conveys its interest, whether voluntarily or involuntarily, in the Property, or any part thereof, without the prior written consent of Beneficiary, such consent not to be unreasonably withheld, delayed or conditioned or in the event any junior or subordinate mortgage, lien, deed of trust, or other encumbrance is placed upon the Property without the prior written consent of Beneficiary, provided the foregoing shall not prohibit the removal of worn or obsolete Personalty that is replaced with new items of the same or similar quality or prohibit transfers that are permitted under the Loan Agreement or the City Loan Agreement. If Beneficiary consents to the sale, transfer, assignment, or conveyance of Grantor's interest in the Property, or any part thereof, and waives in writing its right to accelerate the Indebtedness secured hereby as provided in this Subparagraph N, Beneficiary may require that the transferee assume all the obligations of Grantor under this Deed of Trust, the Loan Agreement and the Note in a form reasonably acceptable to Beneficiary and its legal counsel. For purposes of this Subparagraph N, "transfer" of the Property includes any direct or indirect transfer of any beneficial ownership in Grantor (except as allowed by the City Loan Agreement) or the managing member of Grantor except to the extent that such transfer is permitted hereunder or under the Loan Agreement (or under the City Loan Agreement) after satisfaction of all requirements for such transfer including the consent of the City , if required for such transfer.

Notwithstanding anything to the contrary contained in this Deed of Trust or the other Loan Documents, the removal and/or replacement of Grantor's managing member for cause in accordance with Grantor's limited liability company agreement shall not require the consent of the Beneficiary or the Trustee, shall not constitute a default or Default under this Deed of Trust or the Loan Documents or accelerate or give the Beneficiary the right to accelerate the maturity of the Loan. The consent of the Beneficiary and the City shall be required for the appointment of a new managing member, but if the Grantor's Tax Credit Investor (as defined in the City Loan Agreement) exercises its right to remove the Grantor's managing member for cause, Beneficiary will not unreasonably withhold its consent to the substitute managing member; provided however, the consent of neither the Trustee nor the Beneficiary shall be required if the substitute managing member is an affiliate of such Tax Credit Investor. The substitute managing member shall assume all of the rights and obligations of the removed managing member of Grantor hereunder.

O. No Reliance on Beneficiary. Grantor is experienced in the ownership and operation of properties similar to the Property, and Beneficiary is relying solely upon Grantor's expertise and business plan in connection with the construction of the Improvements and ownership and operation of the Property. Grantor is not relying on Beneficiary's expertise or business acumen in connection with the Property or in connection with the construction of the Improvements.

P. No Litigation. Except as disclosed in writing to Beneficiary, there are no (i) causes of action, suits, or legal proceedings, at law or in equity, before any Governmental Authority (as defined in the City Loan Agreement) or arbitrator pending or threatened against or affecting Grantor, any guarantor, or involving the Property, (ii) outstanding or unpaid judgments against the Grantor or the Property, or (iii) defaults by Grantor with respect to any order, writ, injunction, decree, or demand of any Governmental Authority or arbitrator.

Q. Payment for Labor and Materials. Grantor will timely pay all bills for labor, materials, and specifically fabricated materials incurred in connection with the Property (which shall be deemed an Assessment on the Property) and never permit to exist in respect of the Property or any part thereof any unbonded lien or security interest, even though inferior to the liens and security interests hereof, for any such bill, and in any event never permit to be created or exist in respect of the Property or any part thereof any other or additional lien or security interest on a parity with, superior, or inferior to any of the liens or security interests hereof, except for the Permitted Encumbrances and the permitted liens or security interests described in the Intercreditor Agreement. In the event that Grantor becomes aware that such lien has been recorded against the Property, Grantor shall have such lien released within thirty (30) days. If Grantor fails to pay or bond around any bills for labor, materials, and specifically fabricated materials incurred in connection with the Property, Beneficiary shall have the rights set forth in Section V.H for Grantor's failure to pay any Assessment, as well as the other rights and remedies provided under this Deed of Trust.

R. Tax on Deed of Trust. At any time any law shall be enacted imposing or authorizing the imposition of any tax upon this Deed of Trust, or upon any rights, titles, liens, or security interests created hereby, or upon the Indebtedness or any part thereof, Grantor will pay when due all such taxes, provided that if such law as enacted makes it unlawful for Grantor to pay such tax, Grantor shall not pay nor be obligated to pay such tax.

S. ERISA. If and to the extent that Grantor is obligated under any plan governed by or subject to the Employee Retirement Income Security Act, as amended ("**ERISA**"), Grantor shall fully discharge and satisfy all of its obligations and funding requirements under such plan, ERISA and the Internal Revenue Code, as amended ("**IRC**"). Furthermore, Grantor shall comply in all material respects with any and all applicable provisions of ERISA and the IRC and will not incur or permit to exist any unfunded liabilities to the Pension Benefit Guaranty Corporation or to such plan under ERISA or the IRC.

T. Disclosures. If at any time Grantor shall become aware of the existence or occurrence of any financial or economic conditions or natural disasters which are likely to have a material adverse effect on the Property or Grantor's financial condition, Grantor shall promptly notify Beneficiary of the existence or occurrence thereof and of Grantor's opinion as to what effect such may have on the Property or Grantor.

Grantor shall also give prompt notice to Beneficiary of (i) any litigation or dispute, threatened or pending against or affecting Grantor, the Property or any guarantor which is likely to have a material adverse effect on the Property or the financial condition or business of any of the aforementioned parties, (ii) any Default, (iii) any default by Grantor continuing beyond all applicable notice and cure periods, or any acceleration of any indebtedness owed by Grantor under any contract or loan agreement to which Grantor is a party, and (iv) any change in the character of Grantor's business as it exists on the date hereof.

The captions contained in this Deed of Trust are for convenience only and shall not be taken into account in determining the meaning of any provision of this Deed of Trust.

VII.

**ASSIGNMENT OF LEASES**

As further security for the payment of the Indebtedness. Grantor hereby assigns to Beneficiary, its successors and assigns, all leases, whether now in existence or hereafter created, covering all or any portion of the Property (including its interest in the Ground Lease) together with all rents to become due under each such lease. For so long as no Default exists, Grantor may collect the rents, but not more than one (1) month in advance, in the ordinary course of business, unless otherwise provided by the express terms of the leases and approved by Beneficiary. In the event of any Default and at any and all times during the continuance thereof, in addition to all other rights and remedies of Beneficiary, Beneficiary shall have the exclusive right and power (but not the obligation) to enter upon and take possession of the Property or any part thereof, to rent or re-rent the same, either in the name of Beneficiary or Grantor, to receive all rents, revenues, profits, or other income from the Property and to apply all amounts received first, to the costs and expenses incurred by Beneficiary in protecting and operating the Property and next, to the payment of the Indebtedness in any manner and in any order of priority as Beneficiary shall determine. This action by Beneficiary shall not operate as a waiver of the Default, or as an affirmation of any lease or of the rights of any tenant of title to that part of the Property covered by the lease or held by the tenant, should the Property, or any part thereof, be acquired by Beneficiary or other purchaser at a foreclosure sale. The right of Beneficiary to receive all rents, revenues, profits, or other income from the Property during the continuance of any Default shall be applicable whether Beneficiary has entered upon or taken possession of the Property, or has otherwise attempted to exercise its rights hereunder and if any rents, revenues, profits, or other income are paid to or received by Grantor, Grantor shall immediately pay the same to Beneficiary, without the necessity of any request or demand therefor. Grantor agrees at any time and from time to time until the Indebtedness is paid in full (or deemed paid in full) to execute and to deliver any additional assignments of leases and/or rents, security agreements and other instruments as Beneficiary shall from time to time reasonably require; provided such instruments do not increase Grantor's obligations or decrease Grantor's rights under the Loan Documents and the City Loan Documents. The substance, form, execution and delivery of additional assignments of leases and/or rents, security agreements and other instruments shall be reasonably satisfactory to Beneficiary.

VIII.

**PERSONALTY**

This Deed of Trust covers and includes, without limitation, Grantor's interest in the Personality hereinabove described.

IX.

**USE OF PERSONALTY**

Grantor represents that all Personalty is property for business use and is not consumer goods. Grantor further covenants that there are and shall be no conditional sales contracts that cover any of the Personalty.

X.

**SECURITY INTEREST IN PERSONALTY**

Without limiting any of the provisions of this instrument, Grantor, as referred to in this paragraph as "**Debtor**," expressly does the following:

A. Grant. Debtor hereby grants unto Beneficiary and its successors and assigns, described herein as Secured Party, and referred to in this Section X as "**Secured Party**", a security interest in Debtor's interest in the Personalty (subject to the Permitted Encumbrances and the pari passu security interests and rights of Harris County described in the Intercreditor Agreements).

B. UCC Remedies. Debtor agrees, in addition to any other remedies granted in this instrument to Secured Party or the Trustee, that Secured Party may, during the existence of any Default, proceed under Chapter 9 of the Texas Uniform Commercial Code (the "**UCC**") as to all or any part of the Personalty and shall have and may exercise with respect to the Personalty all the rights, remedies and powers of a Secured Party under the UCC, including, without limitation, the right and power to sell at public or private sale or sales, or otherwise to dispose of, to lease, or to utilize the Personalty and any part or parts thereof, in any manner authorized or permitted under the UCC after default by a debtor and to apply the proceeds thereof toward payment of any reasonable costs, expenses and attorneys' fees and legal expenses thereby incurred by Secured Party and toward the payment of Debtor's obligations, including the Note and all other Indebtedness described in this instrument in any order or manner as Secured Party may elect. Among the rights of Secured Party during the existence of a Default, and without limitation, Secured Party shall have the right to take possession of the Personalty and to enter upon any premises where same may be situated for this purpose without being deemed guilty of trespass and without liability for damages thereby occasioned and to take any action deemed necessary or appropriate or desirable by Secured Party, at its option and in its discretion, to repair, refurbish or otherwise prepare the Personalty for sale, lease, or other use or disposition as herein authorized. Debtor agrees that if any notice of sale required under the UCC is mailed, postage prepaid, to Debtor at the address shown herein at least ten (10) days before the time of the sale or disposition, the notice shall be deemed reasonable and shall fully satisfy any requirement for giving of the notice.

If a Default exists, and to the extent it may lawfully do so and without limiting any rights and/or privileges herein granted to Secured Party, Debtor agrees that Secured Party and/or the above Trustee and any Substitute Trustee, may dispose of any or all of the Personalty at the same time and place and after giving the same notice provided for in this Deed of Trust in connection with a nonjudicial foreclosure sale under the terms and conditions set forth in this Deed of Trust. In this connection, Debtor agrees that the sale may be conducted by the Trustee or the Substitute Trustee; that the sale of the Land and Improvements described in this Deed of Trust and the Personalty or any part thereof, may be sold separately and/or together; and that if the Land and Improvements described herein and the Personalty or any part thereof, are sold together, the Secured Party will not be obligated to allocate the consideration received as between the Land and Improvements and the Personalty.

C. Possession. Debtor hereby grants to Secured Party the right, at its option during the existence of a Default to transfer at any time to itself or to its nominee the Personalty, or any part thereof and to receive the monies, income, proceeds or benefits attributable or accruing thereto and to hold the same as security for Debtor's obligations or to apply it on the principal and interest or other amounts owing on any of Debtor's obligations, whether or not then due, in any order or manner as Secured Party may

elect. All rights with respect to marshalling of assets of Debtor, including with respect to the Personality, or to a sale in inverse order of alienation, are hereby waived.

D. Authority. Debtor hereby covenants, stipulates and agrees that all recitals in any instrument of assignment or any other instrument executed by Secured Party incident to the sale, transfer, assignment, lease or other disposition or utilization of the Personality or any part thereof hereunder shall be prima facie evidence of the matters stated therein and all prerequisites of the sale or other action taken by Secured Party or of any fact, condition or thing incident thereto shall be rebuttably presumed to have been performed or to have occurred.

E. Assembly and Expenses. Debtor hereby covenants and agrees that Secured Party, during the existence of a Default, may require Debtor to assemble the Personality and to make it available to Secured Party at a place to be designated by Secured Party that is reasonably convenient to both parties. All reasonable expenses of retaking, holding, preparing for sale, lease, or other use or disposition, selling, leasing or otherwise using or disposing of the Personality and the like that are incurred or paid by Secured Party as authorized or permitted hereunder, including also all attorneys' fees, legal expenses and costs, shall be added to the Indebtedness and Debtor shall be liable therefor.

F. Financing Statement. A carbon, photographic, or other reproduction of this Deed of Trust may be filed as a Financing Statement under the UCC between Debtor and Secured Party whose addresses are set forth below. Except for the security interest granted hereby in the Personality and the pari passu security interests and rights in the Personality granted to Harris County as described in the Intercreditor Agreement, Debtor is owner and holder of the Personality free of any adverse claim, security interest or encumbrance, and Debtor will defend the Personality against all claims and demands of any person at any time claiming the same or any interest therein.

#### **ENVIRONMENTAL MATTERS**

A. Compliance with Laws. Grantor hereby represents, warrants, covenants and agrees to and with Beneficiary that:

- (i) Grantor will not and will not permit any tenant or occupant of the Property to, generate, store, handle or otherwise deal with hazardous or toxic substances in, on, about or under the Property; and
- (ii) Grantor has not at any time engaged in or permitted, nor, to the best of Grantor's knowledge after reasonable and prudent inquiry, which has consisted of the Phase I report previously delivered to Beneficiary, has any current or former tenant, occupant or owner of the Property, or any portion thereof, engaged in or permitted any generation, storage, handling, dumping, discharge, disposal, spillage or leakage of any hazardous or toxic substances, at, on, or about the Property that would violate applicable environmental laws and regulations or other applicable laws or the City's Minimum Property Standards as set forth in the City Loan Agreement, or any portion thereof, except as disclosed on the Phase I report previously delivered to Beneficiary.

Notwithstanding the foregoing, Grantor shall be permitted to have such chemicals, materials and supplies on the Property which are normally used in connection with the prudent operation, use, maintenance and ownership of a multi-family unit apartment complex and which are used in compliance with environmental laws.

B. Indemnification. GRANTOR HEREBY AGREES TO INDEMNIFY, PROTECT, DEFEND (WITH COUNSEL REASONABLY APPROVED BY BENEFICIARY) AND TO HOLD BENEFICIARY, ITS AGENTS, MEMBERS, OFFICERS, REPRESENTATIVES AND ITS EMPLOYEES FREE AND HARMLESS FROM AND AGAINST ANY AND ALL CLAIMS, ACTIONS, ADMINISTRATIVE PROCEEDINGS, JUDGMENTS, DAMAGES, PUNITIVE DAMAGES, PENALTIES, FINES, COSTS, LIABILITIES (INCLUDING SUMS PAID IN SETTLEMENT OF CLAIMS), INTEREST OR LOSSES, INCLUDING REASONABLE ATTORNEYS', CONSULTANTS' AND EXPERTS' FEES AND EXPENSES, OF ANY KIND OR NATURE (COLLECTIVELY, THE "COSTS") THAT ARISE DIRECTLY OR INDIRECTLY, FROM OR IN CONNECTION WITH THE PRESENCE, SUSPECTED PRESENCE, RELEASE OR SUSPECTED RELEASE (A "RELEASE") OF ANY HAZARDOUS OR TOXIC SUBSTANCE, FROM, ON, ABOUT, UNDER OR WITHIN THE PROPERTY, OR ANY PORTION THEREOF WHICH OCCURS DURING OR PRIOR TO SUCH TIME AS GRANTOR OWNS THE PROPERTY. NOTWITHSTANDING THE FOREGOING TO THE CONTRARY, GRANTOR'S LIABILITY HEREUNDER, SUBJECT TO THE DE MINIMIS PROVISIONS OF ARTICLE XIII(A)(ii) ABOVE, SHALL NOT INCLUDE ANY LOSS ARISING OUT OF THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF BENEFICIARY OR ANY EMPLOYEE, AGENT OR REPRESENTATIVE OF BENEFICIARY OR RELEASE OF HAZARDOUS OR TOXIC SUBSTANCES BY BENEFICIARY OR ANY EMPLOYEE, AGENT OR REPRESENTATIVE OF BENEFICIARY AFTER BENEFICIARY HAS TAKEN POSSESSION OF THE PROPERTY.

C. Remediation. If any investigation or monitoring of site conditions, or any cleanup, containment, restoration, removal or other remedial work (collectively, the "**Remedial Work**") is required under any applicable federal, state or local law or regulation, by any judicial order, or by any governmental entity, or in order to comply with any agreements affecting the Property because of, or in connection with any release of hazardous or toxic substances, Grantor shall perform, or cause to be performed, the Remedial Work in compliance with such law, regulation, order or agreement. All Remedial Work shall be performed by one or more contractors selected by Grantor and approved in advance, in writing, by Beneficiary and under the supervision of a consulting engineer selected by Grantor and approved in advance, in writing, by Beneficiary. All costs of any Remedial Work shall be paid by Grantor, including, without limitation, the reasonable charges of contractor(s) and/or the consulting engineer and Beneficiary's reasonable attorneys' fees and costs incurred in connection with the monitoring or review of any Remedial Work. If Grantor shall fail to timely commence or cause to be timely commenced, or fail to diligently prosecute to completion, any Remedial Work, then Beneficiary may, but shall not be required to, cause such Remedial Work to be performed and all costs and expenses thereof, or incurred in connection therewith, shall be "**Costs**" within the meaning of Subparagraph B above. All costs shall be due and payable upon demand therefor by Beneficiary, together with interest thereon at the Default Rate provided in the Note from the date such costs are paid by Beneficiary, until the same are refunded to Beneficiary and all such costs and the interest thereon shall be secured hereby.

D. Survival. Notwithstanding anything to the contrary contained herein, or in the Note or Loan Agreement, the obligations of Grantor under this Paragraph XIII shall survive any assumption of the Indebtedness by a successor to Grantor (whether or not the assumption has been approved or disapproved, or whether or not Grantor was released from liability on the Indebtedness), foreclosure of this Deed of Trust (or transfer of the Property in lieu of foreclosure) and release or termination of this Deed of Trust.

#### XIV.

#### MISCELLANEOUS

A. No Waiver. No delay by Beneficiary in exercising any right, option or remedy hereunder, or otherwise afforded by law, shall operate as a waiver thereof or preclude the exercise thereof during the continuance of any Default.

B. Cumulative Remedy. All rights and remedies of Beneficiary under this Deed of Trust and any and all other instruments evidencing or securing the Indebtedness, are cumulative and concurrent and may be exercised singularly, successively, or concurrently.

C. No Release. The granting to Grantor or to any other person or party of any extension(s) of time for payment of all or any part of the Indebtedness or the performance of any covenant or agreement contained herein, or the taking of other or additional security for the payment of the whole or any part of the Indebtedness, or the releasing of any part of the security at any time held in connection with the Indebtedness, shall not in any way release Grantor or any other person or party obligated for the payment of the Indebtedness, or release or impair this Deed of Trust or any other security held in connection with the Indebtedness, except to the extent of the person, party or property expressly released in writing by Beneficiary.

D. Severability. If any provision in this Deed of Trust is invalid or unenforceable in whole or in part, this instrument shall in all other respects remain in full force and effect.

E. Successors and Assigns. All of the provisions hereof shall apply to, inure to the benefit of, and be binding upon Beneficiary and Grantor and their respective successors and assigns (provided the foregoing shall not be construed as consent to any transfer by Grantor of the Property that is not permitted under the Loan Documents).

F. Further Assurances and Corrections. From time to time, at the request of Beneficiary, Grantor will (i) promptly correct any defect, error, or omission which may be discovered in the contents of this Deed of Trust or in any other Loan Document or in the execution or acknowledgment thereof; (ii) execute, acknowledge, deliver, record and/or file such further instruments (including, without limitation, further deeds of trust, security agreements, financing statements, continuation statements and assignments of rents or leases) and perform such further acts and provide such further assurances as may be necessary, desirable, or proper, in Beneficiary's reasonable opinion, to carry out more effectively the purposes of this Deed of Trust and the Loan Documents and to subject to the liens and security interests hereof and thereof any property intended by the terms hereof or thereof to be covered hereby or thereby, including without limitation, any renewals, additions, substitutions, replacements, or appurtenances to the Property; (iii) execute, acknowledge, deliver, procure, file, and/or record any document or instrument (including without limitation, any financing statement) deemed advisable by Beneficiary to protect the liens and the security interests herein granted against the rights or interests of third persons; and (iv) pay all reasonable costs connected with any of the foregoing.

G. Choice of Law. This Deed of Trust shall be performable and enforced in Harris County, Texas, and shall be construed in accordance with the laws of the State of Texas from time to time in effect except to the extent preempted by the United States federal law. Venue shall be appropriate in Harris County, as applicable.

H. Usury. In no event shall any provision of this Deed of Trust, the Note, the Loan Agreement or any other instrument evidencing or securing the Indebtedness ever obligate Grantor to pay interest on the Note secured hereby at a rate greater than that permitted by law, or obligate Grantor to pay any taxes, assessments, charges, insurance premiums, or other amounts to the extent that the payments constitute interest under applicable law and when added to the interest payable on the Note secured hereby, would be held to constitute the payment by Grantor of interest at a rate greater than that permitted by law; and this provision shall control over any provision to the contrary.

It is expressly stipulated and agreed to be the intent of Grantor and Beneficiary at all times to comply strictly with the applicable Texas law governing the maximum rate or amount of interest payable on the Note or the Indebtedness or applicable United States federal law to the extent that it permits Beneficiary to contract for, charge, take, reserve or receive a greater amount of interest than under Texas law ("Highest Lawful Rate"). If the applicable law is ever judicially interpreted so as to render usurious any amount (i) contracted for, charged, taken, reserved or received pursuant to the Note, any of the other Loan Documents or any other communication or writing by or between Grantor and Beneficiary related to the

transaction or transactions that are the subject matter of the Loan Documents, (ii) contracted for, charged or received by reason of Beneficiary's exercise of the option to accelerate the maturity of the Note and/or the Indebtedness, or (iii) Grantor will have paid or Beneficiary will have received by reason of any voluntary prepayment by Grantor of the Note and/or the Indebtedness, then it is Grantor's and Beneficiary's express intent that all amounts charged in excess of the Highest Lawful Rate shall be automatically cancelled, ab initio, and all amounts in excess of the Highest Lawful Rate theretofore collected by Beneficiary shall be credited on the principal balance of the Note and/or the Indebtedness (or, if the Note and all Indebtedness have been or would thereby be paid in full, refunded to Grantor), and the provisions of the Note and the other Loan Documents immediately be deemed reformed and the amounts thereafter collectible hereunder and thereunder reduced, without the necessity of the execution of any new document, so as to comply with the applicable law, but so as to permit the recovery of the fullest amount otherwise called for hereunder and thereunder. Grantor hereby agrees that as a condition precedent to any claim seeking usury penalties against Beneficiary, Grantor will provide written notice to Beneficiary, advising Beneficiary in reasonable detail of the nature and amount of the violation, and Beneficiary shall have sixty (60) days after receipt of such notice in which to correct such usury violation, if any, by either refunding such excess interest to Grantor, or crediting such excess interest against the Note and/or the Indebtedness then owing by Grantor to Beneficiary. All sums contracted for, charged or received by Beneficiary for the use, forbearance or detention of any debt evidenced by the Note and/or the Indebtedness shall, to the extent permitted by applicable law, be amortized or spread, using the actuarial method, throughout the stated term of the Note and/or the Indebtedness (including any and all renewal and extension periods) until payment in full so that the rate or amount of interest on account of the Note and/or the Indebtedness does not exceed the Highest Lawful Rate from time to time in effect and applicable to the Note and/or the Indebtedness for so long as debt is outstanding. In no event shall the provisions of Chapter 346 of the Texas Finance Code (which regulates certain revolving credit loan accounts and revolving triparty accounts) apply to the Note and/or the Indebtedness. Notwithstanding anything to the contrary contained herein or in any of the other Loan Documents, it is not the intention of Beneficiary to accelerate the maturity of any interest that has not accrued at the time of such acceleration or to collect unearned interest at the time of such acceleration.

I. Covenants Run with the Land. All obligations contained in this Deed of Trust and the other Loan Documents are intended by Grantor, Beneficiary and Trustee to be, and shall be construed as, covenants running with the Property until the lien of this Deed of Trust has been fully released by Beneficiary.

J. **JURY WAIVER. GRANTOR AND BENEFICIARY ACKNOWLEDGE THAT THE RIGHT TO TRIAL BY JURY IS A CONSTITUTIONAL ONE, BUT THAT IT MAY BE WAIVED, EACH PARTY, AFTER CONSULTING (OR HAVING HAD THE OPPORTUNITY TO CONSULT) WITH COUNSEL OF THEIR CHOICE, KNOWINGLY AND VOLUNTARILY, AND FOR THEIR MUTUAL BENEFIT, WAIVES ANY RIGHT TO TRIAL BY JURY IN THE EVENT OF LITIGATION REGARDING THE PERFORMANCE OR ENFORCEMENT OF, OR IN ANY WAY RELATED TO, THIS NOTE, THE INDEBTEDNESS OR THIS DEED OF TRUST.**

K. Entire Agreement. **THIS DEED OF TRUST, TOGETHER WITH THE NOTE AND LOAN AGREEMENT, THE OTHER LOAN DOCUMENTS, AND THE RESTRICTIVE COVENANTS CONSTITUTE A WRITTEN LOAN AGREEMENT AS DEFINED IN SECTION 26.02 OF THE TEXAS BUSINESS AND COMMERCE CODE. THIS WRITTEN LOAN AGREEMENT CONSTITUTES THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.**

L. Priority and Intercreditor Agreement. It is the intent of Beneficiary and Grantor that this Deed of Trust shall be subject to and the relative priority thereof be governed by one certain Intercreditor, Subordination and Funding Agreement ("Intercreditor Agreement") by and between Grantor, Beneficiary, Harris County, the City of Houston and certain other parties of approximate date herewith and filed of record in the Official Records of Harris County, Texas.

M. Extended Low Income Housing Commitment. Pursuant to the terms of that Collateral Assignment of Note and Liens dated of even date herewith executed by Beneficiary for the benefit of the City (the "**Collateral Assignment**"), the City agreed that the liens securing the City Loan and evidenced by this Deed of Trust and collaterally assigned to the City pursuant to the Collateral Assignment shall be subordinate to any extended low income housing commitment (as such term is defined in Section 42(h)(6)(B) of the Internal Revenue Code)( the "Extended Use Agreement") recorded against the Land; provided that such Extended Use Agreement, by terms, must terminate upon foreclosure under this Deed of Trust or upon a transfer of the Land by instrument in lieu of foreclosure, in accordance with Section 42(h)(6)(E) of the Internal Revenue Code. The City's Restrictive Covenants shall not be subordinate to any extended low income housing commitment as such term is defined in the Extended Use Agreement.

N. Non-Merger. It is the express intention of the parties hereto that in the event of foreclosure of this Deed of Trust, the leasehold estate so foreclosed shall not effect a merger with any liens (other than this Deed of Trust) in the Property held by the purchaser or any other estate in land in the Property held by the purchaser or any other party at foreclosure with the leasehold estate so acquired.

\$12,500,000.00

\_\_\_\_\_, 2021

**I. PROMISE TO REPAY.**

**FOR VALUE RECEIVED, TEMENOS PERMANENT AFFORDBALE, LLC**, a Texas limited liability company ("Maker"), hereby agrees and promises to pay to the order of **TEMENOS COMMUNITY DEVELOPMENT CORPORATION**, a Texas non-profit corporation ("Payee"), at 2200 Jefferson Street, Houston, Texas 77003y ("Payee"), at 122 East 42nd Street, Suite 4900, New York, New York 10168 or at any other place as the holder hereof may from time to time in writing designate, on the times hereinafter provided, in coin or currency, which at the time of payment shall constitute legal tender of the United States of America, the principal sum of TWELVE MILLION FIVE HUNDRED THOUSAND AND NO/100 DOLLARS (\$12,500,000.00) or so much thereof as may be advanced.

The loan ("Loan") evidenced by this Note is subject to the terms and conditions of that one certain Loan Agreement (Borrower/Owner) ("Owner Loan Agreement") between Maker and Payee of even date herewith which incorporates the terms and conditions of a Loan Agreement between the City of Houston ("City"), Maker and Payee dated \_\_\_\_\_, 2021 ("City Loan Agreement"). All capitalized terms used but not defined in this Note have the same meanings as assigned to such terms in the Owner Loan Agreement.

**II. TERM.**

The term of the Loan shall commence on the date of this Note ("Closing Date") and shall mature upon the date which is forty (40) years after Project Completion as defined in the City Loan Agreement (the "Maturity Date"). This Note is secured by and entitled to the benefits of a Deed of Trust, Security Agreement and Financing Statement of even date herewith ("Deed of Trust") executed by Maker to Tom McCasland, Trustee, covering fee ownership interest in the Property (as defined in the Deed of Trust).

**III. PAYMENTS.**

The unpaid principal balance of the Note together with accrued interest thereon shall be due and payable on the Maturity Date. Upon the event of a Default, the Payee may declare the outstanding deferred principal balance to be immediately due and payable, without notice or opportunity to cure subject to the requirements stated in the Loan Documents (as defined in the City Loan Agreement) or other legal requirements.

**IV. DEFAULT; ACCELERATION.**

If a Default exists the entire debt represented by this Note, consisting of the outstanding principal balance and all accrued interest thereon, shall, at the option of the holder hereof, become immediately due and payable, and except as otherwise provided herein or in any of the other Loan Documents, without notice, presentment for payment, demand, notice of nonpayment, notice of intention to accelerate, acceleration, or other notices of any type which are specifically waived. Time being of the essence hereof. Payee's rights under this paragraph shall be in addition to any other rights or remedies it may have under the Owner Loan Agreement and any other loan documents executed in connection therewith ("Loan Documents"), at law or in equity, to enforce Maker's obligations under the Loan Documents. At Payee's option during the continuance of any Default, interest shall accrue on the outstanding balance of this Note at a rate equal to the lower of ten percent (10.0%) per annum or the highest annual rate permitted by applicable law ("Default Rate"). For purposes of this Note, the term "Default" shall mean a default in payment of the Note or under the terms of this Note, the Deed of Trust, the Owner Loan Agreement, the City Loan Agreement or any other Loan Document securing or executed in connection with the Note that continues past the expiration of all applicable notice and cure periods. Should the terms of this paragraph IV conflict with the Intercreditor Agreement, the Intercreditor Agreement shall control in all respects.

**V. PREPAYMENT/MODIFICATION.**

**THIS NOTE MAY NOT BE PREPAID OR MODIFIED WITHOUT THE PRIOR WRITTEN CONSENT OF THE PAYEE, WHICH CONSENT MAY BE WITHHELD OR GRANTED IN THE SOLE DISCRETION OF THE PAYEE.**

**VI. APPLICATION OF PAYMENTS.**

Each payment made on this Note shall be credited first to accrued, unpaid interest (if any) and the remainder to principal.

**VII. WAIVER.**

Maker hereby waives presentment for payment, protest and demand, notice of protest, demand and dishonor, and non-payment of this Note, and except as otherwise specified in the Loan Agreement between the parties, waives notice of default, notice of acceleration, and notice of intent to accelerate, and hereby consents that the holder hereof may extend the time of payment or otherwise modify the terms of payment of any part or the whole of the debt evidenced by this Note, at the request of any other person liable hereon, and such consent shall not alter nor diminish the liability of any person. The failure to exercise any remedy available to Payee shall not be deemed to be a waiver of any rights or remedies of Payee under this Note or under any of the other Loan Documents, or at law or in equity. No extension of the time for the payment of this Note or any installment due hereunder, made by agreement with any person now or hereafter liable for the payment of this Note, shall operate to release, discharge, modify, change or affect the original liability of Maker under this Note, either in whole or in part, unless Payee specifically, unequivocally and expressly agrees otherwise in writing. This Note may not be changed orally, but only by an agreement in writing signed by the party against whom enforcement of any waiver, change or modification is sought.

**VIII. COSTS OF COLLECTION; ATTORNEYS' FEES.**

Maker agrees to pay all costs of collection, including reasonable attorneys' fees, if the principal of this Note or any payment on the principal or interest hereon is not paid at the respective maturity and to pay all reasonable costs including, attorneys' fees and court costs, if it becomes necessary to protect the security hereof, whether suit be brought or not, after default hereunder by Maker.

**IX. USURY LIMITATIONS.**

No provision of the Owner Loan Agreement, this Note, or any instrument securing payment of or relating to the indebtedness, shall require the payment or permit the collection of interest in excess of the Default Rate. If any excess of interest in such respect is herein or in any other instrument provided for, or shall be adjudicated to be so provided for herein or in any other instrument, the provisions of this paragraph shall govern and neither Maker nor any guarantor or endorser of this Note nor their respective heirs, personal representatives, successors, or assigns shall be obligated to pay such interest to the extent it is in excess of the Default Rate. exceeds the principal balance, the excess shall be refunded to Maker. Any interest computation under this Note and the Owner Loan Agreement shall be at not more than the Default Rate upon the portion of the face amount hereof representing principal that remains unpaid from time to time, it being the intention of the parties hereto to conform strictly to the laws applicable to the loan evidenced by this Note and the Owner Loan Agreement, and should it be held that interest payable under this Note and the Owner Loan Agreement is in excess of the Default Rate, the interest chargeable hereunder shall be reduced to the maximum amount permitted by law.

For purposes of this Note, "**Debtor Relief Law**" shall mean Title 11 of the United States Code, as now or hereafter in effect, or any other applicable law, domestic or foreign, as now or hereafter in effect, relating to bankruptcy, insolvency, liquidation, receivership, reorganization, arrangement or composition, extension or adjustment of debts or similar laws affecting the rights of creditors.

**(v)** failure to apply rents, revenues and profits, first, to the payment of reasonable operating expenses (other than property management fees that are not currently payable) and then to debt service amounts due, except that Maker will not be personally liable (i) to the extent that Maker lacks the legal right to direct the disbursement of such sums because of a senior loan deed of trust encumbering the Project, or bankruptcy, receivership or similar judicial proceedings, or (ii) with respect to surplus cash distributed in any calendar year if Maker has paid all operating expenses and debt service amounts due for that calendar year, provided that such distribution does not violate the terms of the City Loan Agreement;

**(vi)** failure of Maker to pay all deductibles required under any of the insurance policies required to be maintained under the Loan Agreement;

**(vii)** the failure of the Maker to complete the construction of the Project by the date required under the Loan Agreement;

**(viii)** the failure of the Maker to qualify the Project as a "qualified low-income housing project" under Section 42(g) of the Code; or

defined below), then the obligation to make such payment shall survive any cancellation or satisfaction of this Note or return thereof to Payee and shall not be discharged or satisfied with any prior payment thereof or cancellation of this Note, but shall remain a valid and binding obligation enforceable in accordance with the terms and provisions hereof, and such payment shall be immediately due and payable upon demand. For purposes of this Note, "**Debtor Relief Law**" shall mean Title 11 of the United States Code, as now or hereafter in effect, or any other applicable law, domestic or foreign, as now or hereafter in effect, relating to bankruptcy, insolvency, liquidation, receivership, reorganization, arrangement or composition, extension or adjustment of debts or similar laws affecting the rights of creditors.

Notwithstanding anything to the contrary set forth herein, in the Owner Loan Agreement, the City Loan Agreement or any other documents executed in connection with the City Loan or this Loan, as long as WNC Holding, LLC (or an affiliate of WNC Holding, LLC) is the Tax Credit Investor, Payee will not commence (i) foreclosure proceedings with respect to the Project or exercise any other rights or remedies it may have under the Loan Documents, including, but not limited to, accelerating the loan made under the Loan Documents, collecting rents, appoint (or seek appointment of) a receiver or exercising any other rights or remedies under any of the Loan Documents, or (ii) join with any other creditor in commencing any bankruptcy reorganization, arrangement, insolvency or liquidation proceedings with respect to the Borrower (collectively, the "Standstill Restrictions"). CONSTRUCTION COMPLETION GUARANTY**

## CONSTRUCTION COMPLETION GUARANTY

This Construction Completion Guaranty ("**Guaranty**") is made by the undersigned, **THE NHP FOUNDATION**, a District of Columbia non-profit corporation, (whether one or more, collectively, jointly and severally, hereinafter referred to as "**Guarantor**"), in favor of **THE CITY OF HOUSTON, TEXAS**, a home-rule city organized under the laws of the State of Texas ("**City**"), and is a guarantee of certain obligations of **TEMENOS PERMANENT AFFORDABLE, LLC**, a Texas limited liability company, ("**Owner**"), and **TEMENOS COMMUNITY DEVELOPMENT CORPORATION**, a Texas nonprofit corporation, ("**Borrower**"), (Borrower and Owner sometimes herein collectively referred to as "**Third Parties**").

### RECITALS:

**WHEREAS**, Third Parties have requested that the City enter into a certain Loan Agreement ("**Agreement**") of substantially even date herewith, by and between Borrower, Owner and the City, pursuant to which the City is being requested to lend to Borrower an amount not to exceed TWELVE MILLION FIVE HUNDRED THOUSAND AND NO/100 DOLLARS (\$12,500,000.00) ("**Loan**") to pay for eligible costs in connection with the acquisition and construction of a ninety-five (95) unit apartment complex (collectively, the "**Improvements**") upon certain real property owned by Owner and located in Harris County, Texas ("**Premises**") (the Premises and the Improvements are hereinafter referred collectively to from time to time as, the "**Project**");

**WHEREAS**, Borrower's obligations to the City are evidenced by a certain Note executed by Borrower ("**Note**") of even date herewith and are secured, in part, by (i) a Fee Deed of Trust Security Agreement and Financing Statement executed by Borrower for the benefit of the City covering the Project; and (ii) a certain Collateral Assignment of Note and Liens executed by Borrower assigning Borrower's right, title and interest in and to a loan made by Borrower to Owner in the maximum principal amount of the Loan, together with a Leasehold Deed of Trust, Security Agreement and Financing Statement (collectively with the Fee Deed of Trust, the "**Deed of Trust**") covering the Project, and all of the documents evidencing, securing, guaranteeing or governing the Loan, are sometimes referred to collectively as the "**Loan Documents**"; and

**WHEREAS**, the City is unwilling to enter into the Agreement and to make the Loan unless Guarantor delivers this Guaranty to the City.

**NOW, THEREFORE**, in consideration of the foregoing and in order to induce the City to enter into the Agreement and to make the Loan to Borrower subject to the terms and conditions of the Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and further acknowledging that the City intends to rely on the guaranty of Guarantor hereunder, the City and Guarantor hereby agree as follows:

1. **DEFINITIONS AND INTERPRETATIONS.** As used herein, the following capitalized terms shall have the following meanings:

"**Borrower**" shall mean Borrower and its successors and assigns.

"**Completion Date**" shall mean the date on which the Director executed the Certificate of Completion (as defined in the Agreement) and that the Guaranteed Obligations have been satisfied in full.

"**Guarantor**" shall mean and refer to each and all of the undersigned parties signing this Guaranty as Guarantor; and the liability of said parties for the performance of the covenants, duties and obligations of Guarantor hereunder shall be joint and several.

"**Owner**" shall mean Owner and its successors and assigns.

"**Third Parties**" shall mean Third Parties and their respective successors and assigns.

Capitalized words and phrases that are used herein and not defined herein shall have the meaning ascribed to them in the Agreement. Any defined term used in the plural shall refer to all members of the relevant

class, and any defined term used in the singular shall refer to any of the members of the relevant class. Any defined term used herein that is a document, instrument, drawing, survey, map, plan, technical description or other writing, and any other reference herein to a writing, shall include the original of such writing and any and all amendments, supplements, modifications, renewals, extensions, restatements, reinstatements, rearrangements, enlargements, or replacements of or to the same from time to time.

2. **OBLIGATIONS GUARANTEED.** In consideration of the City entering into the Agreement and agreeing to make the Loan, and upon the terms and provisions hereof, Guarantor hereby irrevocably, jointly and severally, absolutely and unconditionally warrants and guarantees to the City the payment and performance of the following (the "**Guaranteed Obligations**"), when due, whether by their terms, by acceleration, or otherwise: (a) that Third Parties shall cause construction of the Project to be completed on or before the Completion Date, which shall be eighteen (18) months after the Closing of the Loan (subject to extensions for Force Majeure not to exceed sixty (60) days) or (ii) the expiration date of the GLO Contract (as defined in the Agreement) and construction shall be commenced within thirty days after Closing, with time being of the essence for both deadlines; (b) that Third Parties shall cause the Project to be constructed and completed in accordance with the Loan Documents and all requirements of any governmental authority without material deviation unless approved by the City, in writing, or specifically permitted by applicable provisions of the Agreement; (c) that Third Parties shall cause the Project to be constructed and completed free and clear of all liens (except for liens that have been bonded as provided in the Loan Documents) other than those in favor of the City or Borrower (as collaterally assigned to City), Harris County, or as otherwise specifically permitted under the terms of the Deed of Trust; (d) that Owner shall strictly comply with the environmental covenants, representations and warranties contained in the Deed of Trust and (e) that Third Parties shall cause all costs of constructing the Project, including, but not limited to, all debt service and all operating deficits, to be paid when due, including without limitation, all costs in excess of those set forth in the Approved Final Project Budget (as defined in the Agreement) whether resulting from: (i) change orders; (ii) delays in obtaining any approvals from any governmental authority that are required for the construction, use, or occupancy of the Project (collectively, the "**Approvals**"); or (iii) otherwise. Guarantor further guarantees the payment and performance of the Guaranteed Obligations whether or not the same arise during or after the time that Owner is the owner of the Premises, whether subsequent owners of the Premises acquire the Premises by voluntary or involuntary means, by foreclosure or deed in lieu of foreclosure, or otherwise and notwithstanding that other persons or entities may be the subsequent owners of the Premises.

3. **CONSIDERATION.** Guarantor acknowledges that Guarantor has made this Guaranty to induce the City to make advances to Borrower of the Loan and that the City is making such advances to Borrower in reliance upon this Guaranty and would not make such advances without the appropriate execution and delivery of this Guaranty.

Guarantor represents and warrants to the City that Guarantor has a financial interest in Third Parties and will receive substantial economic benefit by reason of the City extending the Loan to Borrower, provided, however, that Guarantor's liability hereunder shall not be affected or impaired by such Guarantor's disposition or loss of its financial interest in Third Parties or by reason of the City's refusal in accordance with the terms of the Loan Documents to make Loan advances to Borrower.

4. **OBLIGATIONS OF GUARANTOR UPON DEFAULT.** If a Default exists that is a failure by any party to pay or to perform any part of the Guaranteed Obligations when due, Guarantor shall, within ten (10) business days after written demand of the City to Guarantor (a) cure such failure to pay and/or commence to perform diligently, continuously and in good faith the applicable part of the Guaranteed Obligations and complete same in the time frames required under the Loan Documents; (b) diligently procure completion of the Project at Guarantor's sole cost and expense and in the time frames required under the Loan Documents; (c) fully pay and discharge all claims, including for labor performed and material and services furnished in connection with the construction of the Project, subject to the provisions of the Loan Documents, including the right thereunder to contest or bond such claims; and (d) pay the City (x) all reasonable attorneys' fees and other costs the City incurs in enforcing the performance or the payment of the Guaranteed Obligations, with interest at the Default Rate (as defined in the Note), and/or (y) any and all sums the City has advanced to satisfy portions of the Guaranteed Obligations pursuant to the Agreement. The City agrees that: (i) in the event that and so long as Guarantor is not in default of the terms, conditions, provisions, and obligations hereunder beyond applicable grace periods; (ii) in the event

that and so long as Guarantor is timely paying or performing the Guaranteed Obligations as required herein based on the written request of the City and without the requirement of any legal proceeding to enforce the same; and (iii) after Guarantor commences and diligently and continuously continues, in good faith, to pay or perform the applicable portion of the Guaranteed Obligations after written request of the City and Guarantor has provided the City with evidence satisfactory to the City that such Guaranteed Obligations are being timely performed, lien-free (or bonded around) and in strict accordance with the Loan Documents, there is no further uncured Default by Third Parties under the Agreement or the other Loan Documents or uncured failure by Guarantor in payment or performance of the Guaranteed Obligations hereunder, the City shall continue to advance any Loan funds then available pursuant to the provisions of the Agreement as if no Default had occurred and shall not institute foreclosure proceedings under the Deed of Trust or charge interest at the rate under the Note during the period after which Guarantor first pays or performs the applicable portion of the Guaranteed Obligations (which portion is sufficient to the City to evidence that the Guaranteed Obligations will be timely completed in strict accordance with the Loan Documents) after written request of the City and prior to the date that one of the conditions described in items (i), (ii), and (iii) is no longer met. It is expressly understood and agreed that the City may institute such foreclosure proceedings and/or charge interest at the Default Rate under the Note, notwithstanding Guarantor's compliance and timely performance hereunder, should any Default exist that is not cured promptly after: (a) receipt by Guarantor of notice thereof, or (b) a demand by the City to Guarantor pursuant to this Section 4. **ANYTHING IN THIS GUARANTY TO THE CONTRARY NOTWITHSTANDING, GUARANTOR FURTHER AGREES TO INDEMNIFY AND HOLD HARMLESS THE CITY AGAINST ANY LOSS, DAMAGE, COST OR EXPENSE (INCLUDING WITHOUT LIMITATION, REASONABLE ATTORNEYS' FEES AND COSTS) THAT THE CITY MAY SUFFER OR INCUR BY REASON OF THE BREACH OR FAILURE OF GUARANTOR'S UNDERTAKINGS AND AGREEMENTS PURSUANT TO THIS GUARANTY.**

5. **TERMINATION.** The obligations of Guarantor hereunder shall terminate on the Completion Date as defined herein.

6. **CONTINUING GUARANTY.** This is a continuing Guaranty, and shall apply to and cover all of the Guaranteed Obligations and all renewals and extensions thereof until the termination date of Guarantor's obligations hereunder as established pursuant to Section 5 hereof

7. **INDEPENDENT OBLIGATION; BANKRUPTCY OF BORROWER OR OWNER.** The Guaranteed Obligations are independent of the obligations of Third Parties, or any other person; and the City may enforce any of the City's rights hereunder independently of any other right or remedy that the City may at any time hold with respect to the Guaranteed Obligations or any security or other guaranty therefor. Without limiting the generality of the foregoing, the City may bring a separate action against Guarantor without first proceeding against Third Parties, any other guarantor or any other person, or any security held by the City, and regardless of whether Third Parties or any other guarantor or any other Person is joined in any such action. The City's rights hereunder shall not be exhausted by any action taken by the City until all Guaranteed Obligations have been fully paid and performed or until the Guaranteed Obligations hereunder terminate pursuant to Section 5 hereof.

The liability of Guarantor hereunder shall be reinstated and revived, and the rights of the City shall continue, with respect to any amount at any time paid on account of the Guaranteed Obligations that shall thereafter be required to be restored or returned by the City upon the bankruptcy, insolvency, or reorganization of Third Parties, any other guarantor or any other person liable for the Guaranteed Obligations, or otherwise, all as though such amount had not been paid. In any bankruptcy or other proceeding in which the filing of claims is required by law, Guarantor shall file all claims which Guarantor may have against Borrower and/or Owner relating to any indebtedness of Borrower and/or Owner to Guarantor and shall assign to the City all rights of Guarantor thereunder. If Guarantor does not file any such claim, the City, as attorney-in-fact for Guarantor, is hereby authorized to do so in the name of Guarantor or, in the City's sole discretion, to assign the claim to a nominee and to cause proof of claim to be filed in the name of the City's nominee. The foregoing power of attorney is coupled with an interest and cannot be revoked. The City or its nominee shall have the right, in its reasonable discretion, to accept or reject any plan proposed in such proceeding and to take any other action which a party filing a claim is entitled to do. In all such cases, whether in administration, bankruptcy or otherwise, the person or persons authorized to pay such claim shall pay to the City the amount payable on such claim and, to the full extent necessary for that purpose, Guarantor hereby assigns to the City all of Guarantor's rights to any such

payments or distributions; provided, however, Guarantor's obligations hereunder shall not be satisfied except to the extent that the City receives cash by reason of any such payment or distribution. If the City receives anything hereunder other than cash, the same shall be held as collateral for amounts due under this Guaranty. If all or any portion of the Guaranteed Obligations hereunder are paid or performed, the Guaranteed Obligations hereunder shall continue and shall remain in full force and effect in the event that all or any part of such payment or performance is avoided or recovered directly or indirectly from the City as a preference, fraudulent transfer or otherwise under the Bankruptcy Code or other similar laws, irrespective of (a) any notice of revocation given by Guarantor prior to such avoidance or recovery, or (b) full payment and performance of all of the indebtedness and obligations evidenced and secured by the Loan Documents.

8. **WAIVER.** Except as otherwise provided in this Guaranty and/or the other Loan Documents, Guarantor hereby waives: (a) any defense based upon any legal disability or other defense of Borrower, any other guarantor or other person, or by reason of the cessation or limitation of the liability of Borrower or Owner from any cause other than full payment and performance of those obligations of Borrower or Owner which are Guaranteed Obligations hereunder; (b) any defense based upon any lack of authority of the officers, directors, partners, managers, members or agents acting or purporting to act on behalf of Borrower, Owner or any principal of Borrower or Owner or any defect in the formation of Borrower or Owner or any principal of Borrower or Owner; (c) any defense based upon the application by Borrower of the proceeds of the Loan for purposes other than the purposes represented by Borrower to the City or intended or understood by the City or Guarantor; (d) any and all rights and defenses arising out of an election of remedies by the City, even though that election of remedies has destroyed Guarantor's rights of subrogation or reimbursement against the principal; (e) any defense based upon the City's failure to disclose to Guarantor any information concerning Borrower's financial condition or any other circumstances bearing on Borrower's ability to pay and perform its obligations under the Note or any of the other Loan Documents or upon the failure of any other principals of Borrower to guaranty the Loan; (f) any defense based upon any statute or rule of law which provides that the obligation of a surety must be neither larger in amount nor in any other respects more burdensome than that of a principal; (g) any defense based upon the City's election, in any proceeding instituted under the Federal Bankruptcy Code, of the application of Section 1111(b)(2) of the Federal Bankruptcy Code or any successor statute; (h) any defense based upon any borrowing or any grant of a security interest under Section 364 of the Federal Bankruptcy Code; (i) any right of subrogation, any right to enforce any remedy which the City may have against Borrower or Owner and any right to participate in, or benefit from, any security for the Note or the other Loan Documents now or hereafter held by the City; (j) presentment, demand, protest and notice of any kind including notice of acceptance of this Guaranty; (k) the benefit of any statute of limitations affecting the liability of Guarantor hereunder or the enforcement hereof; (l) any right to require the City to institute suit or exhaust remedies against Borrower or others liable for any of such indebtedness, to enforce the City's rights against any collateral which shall have been given to secure the Loan, to enforce the City's rights against any other guarantors of such indebtedness, to join Borrower or any others liable on such indebtedness in any action seeking to enforce this Guaranty, to resort to any other means of obtaining payment of such indebtedness; (m) notices of disbursement of Loan proceeds, acceptance hereof, proof of non-payment, default under any Loan Document, notices and demands of any kind (it being Guarantor's and the City's intent that Guarantor shall not be considered a "debtor" in accordance with Section 9.102 of the Texas Business and Commerce Code, as now existing or hereafter amended); (n) the invalidity, illegality or unenforceability of all or any portion of the indebtedness guaranteed hereby or any of the Loan Documents for any reason whatsoever, including that interest on such indebtedness violates applicable usury laws, that Borrower or others liable for all or a portion thereof have valid defenses, claims or offsets to all or a portion of such indebtedness, or that the Note or other Loan Documents have been forged or otherwise are irregular or not genuine or authentic (it being agreed that Guarantor shall remain liable under this Guaranty regardless of whether Borrower or any other person shall be found not liable for repayment of all or a portion of such indebtedness); (o) notice of any advances made or credit extended to Borrower on the faith of this Guaranty and of the execution and delivery by Third Parties of any documents evidencing, securing, or pertaining to the Guaranteed Obligations; (p) notice of, and the right to consent to, the City's assignment of the benefits of this Guaranty; and (q) any and all benefits that might otherwise be available to Guarantor under applicable law. Guarantor further waives any and all rights and defenses that Guarantor may have because Borrower's debt is secured by real property; this means, among other things, that: (1) the City may collect from Guarantor without first foreclosing on any real or personal property collateral pledged by Borrower or Owner; (2) if the City forecloses on any real property collateral pledged by Borrower or Owner, then (A) the

amount of the debt may be reduced only by the price for which that collateral is sold at the foreclosure sale, even if the collateral is worth more than the sale price, and (B) the City may collect from Guarantor even if the City, by foreclosing on the real property collateral, has destroyed any right Guarantor may have to collect from Borrower or Owner. The foregoing sentence is an unconditional and irrevocable waiver of any rights and defenses Guarantor may have because Borrower's debt is secured by real property. These rights and defenses being waived by Guarantor include, but are not limited to, any rights or defenses based upon deficiency limitation, anti-deficiency, redemption or other similar rights. Without limiting the generality of the foregoing or any other provision hereof, Guarantor further expressly waives to the extent permitted by law any and all rights and defenses, including without limitation, any rights of subrogation, reimbursement, indemnification and contribution, and which might otherwise be available to Guarantor under Texas Property Code §§ 51.003, 51.004 and 51.005 or otherwise.

In addition, Guarantor agrees that the performance of any act or any payment which tolls any statute of limitations applicable to the Loan Documents shall similarly operate to toll the statute of limitations applicable to Guarantor's liability hereunder. Finally, Guarantor waives any rights and defenses it may have under Section 17.001 of the Texas Civil Practice & Remedies Code, Rule 31 of the Texas Rules of Civil Procedure, and Chapter 34 of the Texas Business & Commerce Code.

9. **GUARANTY UNIMPAIRED BY SUBSEQUENT EVENTS.** Except as otherwise provided herein, Guarantor hereby expressly waives the right to receive notice of, to consent to, or receive any additional consideration on account of any of the following, and Guarantor hereby agrees that its obligations under this Guaranty shall not be released, diminished, impaired, reduced, or otherwise affected by the occurrence of any of the following events (or the fact that any of such events have occurred):

- (a) The amendment, renewal, extension, restatement, or assignment of any part or all of the Guaranteed Obligations or any of the plans and specifications, the Loan Documents, or other documents evidencing, securing, or pertaining thereto, or any other forbearance or agreement by the City to accept a deferred payment or performance of any Guaranteed Obligations; and
- (b) The cancellation of any part of the Guaranteed Obligations or the release of Borrower, Guarantor, or any other Person from liability for all or any part of the Guaranteed Obligations; it being acknowledged and agreed by Guarantor that Guarantor may be required to pay or perform the Guaranteed Obligations in full without the assistance or support of any other party, and no Guarantor has been induced to enter into this Guaranty on the basis of any contemplation, belief, understanding, or agreement that any other party shall at all times be liable to pay or perform the Guaranteed Obligations or that the City shall look to other parties to pay or perform the Guaranteed Obligations.

10. **AUTHORITY TO MODIFY GUARANTEED OBLIGATIONS.** Guarantor authorizes the City at any time and from time to time without notice and without affecting the liability of Guarantor hereunder, to: (a) alter the terms of all or any part of the Guaranteed Obligations and any security and guaranties therefor, including without limitation modification of times for payment and rates of interest; (b) accept new or additional instruments, documents, agreements, security, or guaranties in connection with all or any part of the Guaranteed Obligations; (c) accept partial payments on the Guaranteed Obligations; (d) waive, release, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, compromise, liquidate, and enforce all or any part of the Guaranteed Obligations and any security or guaranties therefor, and apply any such security and direct the order or manner of sale thereof (and bid and purchase at any such sale), as the City, in the City's sole discretion, may determine; (e) release Borrower or Owner, any Guarantor, and/or any other Person from any personal liability with respect to all or any part of the Guaranteed Obligations; and (f) assign this Guaranty in whole or in part to a person or entity that becomes the holder or owner of the Note.

11. **SUBORDINATION.** Guarantor subordinates all present and future indebtedness owing by Borrower and Owner or, during the existence of a Default, by any other guarantor of the Loan, to Guarantor to the obligations at any time owing by Borrower and Owner to the City under the Note and the other Loan Documents. Guarantor assigns all such indebtedness to the City as security for this Guaranty, the Note and the other Loan Documents. Guarantor agrees to make no claim for such indebtedness until all

obligations of Borrower or Owner under the Note and the other Loan Documents have been fully discharged. Guarantor further agrees not to assign all or any part of such indebtedness unless the City is given prior notice and such assignment is expressly made subject to the terms of this Guaranty. If the City so requests, (a) all instruments evidencing such indebtedness shall be duly endorsed and delivered to the City, (b) all security for such indebtedness shall be duly assigned and delivered to the City, (c) such indebtedness shall be enforced, collected and held by Guarantor as trustee for the City and shall be paid over to the City on account of the Loan but without reducing or affecting in any manner the liability of Guarantor under the other provisions of this Guaranty, and (d) Guarantor shall execute, file and record such documents and instruments and take such other action as the City deems necessary or appropriate to perfect, preserve and enforce the City's rights in and to such indebtedness and any security therefor. If Guarantor fails to take such action, the City, as attorney-in-fact for Guarantor, is hereby authorized to do so in the name of Guarantor. The foregoing power of attorney is coupled with an interest and cannot be revoked.

12. **MISCELLANEOUS PROVISIONS.**

- (a) **Costs of Enforcement.** If the City incurs any reasonable attorney's fees or costs in enforcing or defending any provisions of this Guaranty and is the prevailing party with respect to the same or incurs any costs in collecting any amounts due hereunder, with or without the hiring of an attorney or the filing of any legal action or proceeding, Guarantor shall pay to the City, promptly upon demand, all such costs and the amount of all reasonable attorneys' fees incurred. Guarantor also agrees to pay interest at the Default Rate on the amount of any other payment it is required to make hereunder that it fails to make when due.
- (b) **Binding Effect.** This Guaranty and all the terms, provisions, and conditions hereof shall be binding upon Guarantor and Guarantor's heirs, legal representatives, successors, and assigns, and this Guaranty shall inure to the benefit of the City and its successors and assigns and all subsequent holders of the Guaranteed Obligations.
- (c) **Governing Law.** This Guaranty shall be governed by, and construed in accordance with, the laws of the State of Texas.
- (d) **No Waiver.** Any failure by the City to insist, or any election by the City not to insist, upon strict performance by Guarantor of any of the terms, provisions, or conditions of this Guaranty shall not be deemed to be a waiver of the same or of any other terms, provisions, or conditions thereof; and the City shall have the right at any time or times thereafter to insist upon strict performance by Guarantor of any and all of such terms, provisions, and conditions.
- (e) **Counterparts.** This Guaranty may be executed by the parties hereto separately in any number of counterparts, each of which shall be an original and all of which collectively shall constitute one and the same agreement.

D. The Loan will be (i) advanced pursuant to the terms of a certain Loan Agreement dated as of the date hereof between City, Borrower and Owner (as the same may be amended from time to time, the "**Loan Agreement**"); and (ii) secured by a (i) a Fee Deed of Trust, Security Agreement and financing Statement executed by Borrower for the benefit of the City against the Project ("**Fee Deed of Trust**") and (ii) a Collateral Assignment of Note and Liens ("**Collateral Assignment**") executed by Borrower assigning Borrower's right, title and interest in and to a loan made by Borrower to Owner, in the principal amount of the \$12,500,000.00 together with a Leasehold Deed of Trust, Security Agreement and Financing Statement (collectively with the Fee Deed of Trust, the "**Deed of Trust**") covering the Project.

E. City has required, as a condition to making the Loan and as additional security for the obligations of Borrower under the Loan, (i) that Owner assign to City all of Owner's right, title and interest in and to the Management Agreement; (ii) that Owner and Manager subordinate, to the extent herein provided, their respective right, title and interest in and to the Management Agreement to the liens and security interests securing performance of the Loan; and (iii) that Owner and Manager agree to the terms, covenants and conditions contained herein.

NOW, THEREFORE, in consideration of the mutual promises contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. **Terms.** Terms defined in the Loan Agreement have the same meanings when used herein unless otherwise defined herein or the context hereof otherwise requires.

2. **Assignment.** Subject to the terms and conditions hereof, to further secure the performance of the obligations under the Loan Agreement and documents executed in connection with and are evidencing, governing, and/or securing the Loan ("**Loan Documents**"), Owner hereby collaterally grants, transfers and assigns to City all of Owner's right, title and interest in, to and under the Management Agreement together with all right, power and authority of Owner to alter, modify or change the terms of the Management Agreement or to surrender, cancel or terminate the same, and Manager consents to such assignment pursuant to and in accordance with the agreements set forth herein. So long as no Default exists under the Loan Agreement or any of the Loan Documents, Owner shall have the license to perform under and receive performance under the Management Agreement. Neither this Assignment nor any action taken by City under or pursuant to this Assignment shall be deemed to impose any obligation or liability upon City to Manager under or with respect to the Management Agreement or any covenants of Owner thereunder; except that from and after the date upon which City (a) agrees in writing to assume performance of Owner's obligations under the terms of the Management Agreement, or

(b) acquires title to the Project by foreclosure or otherwise, Manager shall be entitled to the management fees and other sums provided in the Management Agreement which are due and payable after acquisition of the Project by City so long as Manager is performing its duties thereunder.

3. **Representations and Warranties.** Owner and Manager hereby represent and warrant to City that as of the date hereof (a) the only agreement affecting the management of the Project (as more particularly set forth in the Management Agreement) is the Management Agreement, (b) the Management Agreement constitutes the full agreement between Owner and Manager, and there are no amendments thereto, (c) the Management Agreement is in full force and effect, and (c) neither Owner nor Manager is in default under the Management Agreement, and no event has occurred which, with the giving of notice and/or the passage of time would constitute a default thereunder. Owner represents and warrants that but for this Assignment and the other Loan Documents and the lien and security interest in the management Agreement which was granted to Harris County which is *pari passu* with the City's lien and security agreement, Owner has not transferred, assigned or encumbered, in whole or in part, the Management Agreement or any of Owner's rights or interests thereunder. Owner further represents that, other than as provided in the immediately preceding sentence, Owner has not performed any act or executed any instrument which might prevent or limit City from proceeding under any of the terms and conditions hereof.

4. **Covenants.**

(a) Owner, at its sole cost and expense, shall fully perform every obligation under the Management Agreement by Owner to be performed, and shall enforce or secure the performance of every obligation of the Management Agreement by Manager to be performed for or on behalf of Owner (unless in Owner's good faith, prudent business judgment, it would not be in the best interest of the Project to do so and such obligation is not material). Owner shall not waive or release Manager from Manager's material obligations to be performed under the Management Agreement. Owner shall not enter into any agreement other than the Management Agreement for the management of the Project. Except as provided above, Owner will not transfer, assign or encumber, in whole or in part, the Management Agreement or any of Owner's rights or interests thereunder. Any violation of any of such covenants on the part of Owner without the prior written consent of City shall constitute a Default entitling City to exercise the remedies available to it hereunder and under the Loan Documents; provided, however, that this Assignment is subject to the notice and cure periods described in the Loan Agreement that are to be provided to Owner, which are incorporated herein by reference.

(b) Owner and Manager shall not modify or amend, in any material respect, or terminate, the Management Agreement without City's prior written consent (not to be unreasonably withheld); *provided*, however, that in the event City is given written notice of Owner's default and opportunity to cure in accordance with the first sentence of Section 5 below and such default is not cured by Owner or City within the applicable time period, Manager shall be permitted (subject to the third sentence of Section 7) to terminate the Management Agreement in accordance with the provisions thereof.

(c) Owner and Manager hereby agree that notwithstanding any provision to the contrary set forth herein or in the Management Agreement, Manager shall not receive any management fee in excess of five percent (5.0%) of gross annual income at any time.

(d) At Owner's sole cost and expense, Owner shall appear in and defend any action or proceeding connected with the Management Agreement and shall pay all necessary costs and expenses of City, including reasonable attorneys' fees, in any such action or proceeding in which City may appear.

5. **Default by Owner Under Management Agreement.** In the event of any material default by Owner under the Management Agreement, Manager shall give City written notice of such default, and City shall be permitted an opportunity (not less than forty-five (45) days from receipt of said notice) to cure such default by Owner, during which time Manager shall have no right to terminate the Management Agreement; *provided*, however, that City shall in no event be required to effect any such cure, and any

cure by City shall not release Owner or Manager from any of its obligations under the Management Agreement. City shall have the right to appear in and defend any action or proceeding purporting to affect the Project or the rights and powers of City hereunder. Owner agrees to protect, defend, indemnify and hold City harmless from and against any and all losses, damages, claims, liabilities, costs, and expenses (including, but not limited to, reasonable attorneys' fees) incurred in connection with any such actions or measures taken by City or otherwise incurred in the exercise of any other rights or remedies of City under this Assignment. Owner agrees that all sums so expended by City in curing any default by Owner, or in appearing in or defending any action or proceeding, or in taking any other action permitted hereby, in each case together with interest thereon at the Default Rate (as defined in the Loan Agreement) shall payable by Owner upon demand and shall be added to any obligations owing by Borrower under the Loan Agreement and shall be secured by the Deed of Trust, Collateral Assignment and any other security held for the Loan.

6. **No Duty to Perform; Indemnity.** City shall not be obligated to perform or discharge, nor does it hereby undertake to perform or discharge, any obligation, duty or liability under the Management Agreement, or under or by reason of this Assignment, and Owner shall and does hereby indemnify and hold City harmless against and from any and all liability, loss or damage arising or occurring prior to foreclosure which City may or might incur under the Management Agreement or under or by reason of this Assignment and of and from any and all claims and demands whatsoever which may be asserted against it by reason of any alleged obligations or undertakings on its part to perform or discharge any of the terms, covenants or agreements contained in the Management Agreement, except as a result of or in connection with the gross negligence or willful misconduct of City. Should City incur any such liability, loss or damage under the Management Agreement or under or by reason of this Assignment, or in the defense of any such claims or demands, except as a result of or in connection with the gross negligence or willful misconduct of City, the amount thereof, including costs, expenses and reasonable attorneys' fees, shall be secured by the Loan Documents, and Owner shall reimburse City therefor immediately upon demand, and upon the failure of Owner to do so, same shall constitute a Default and City may, upon thirty (30) days notice to Owner, if the amounts properly due and owing to City have not been paid, exercise the remedies available to it under the Loan Documents.

7. **Subordination.** Manager hereby subordinates any and all right, title and interest it may now or in the future have in the Management Agreement and/or to receive payment of any management or other fees set forth therein to the liens and security interests securing the obligations under the Loan Agreement; *provided*, however, that unless a Default then exists, Owner shall be entitled to pay, and Manager shall be entitled to receive, the management fee in accordance with the terms of the Management Agreement. Further, Manager agrees that any and all liens, rights, and interest owned, claimed, or held by it, in and to the Project, are and shall be in all respects subordinate to the lien and security interest created by the Deed of Trust and Collateral Assignment. In the event of any sale of the Project pursuant to foreclosure of the Deed of Trust, or a deed in lieu of foreclosure, Manager agrees that it will not exercise any rights it may have to terminate the Management Agreement by reason of such sale. Notwithstanding the foregoing, Manager agrees that such foreclosure or deed in lieu of foreclosure shall operate to cut off, extinguish, and otherwise terminate all liens that Manager, and those claiming by, through, or under Manager, may now or hereafter have in and to the Project, and Manager agrees that City or any purchaser at a foreclosure sale under Deed of Trust lien may terminate the Management Agreement upon foreclosure or at any time thereafter.

8. **Default.** Upon the occurrence and continuation of a Default under and as defined in the Loan Agreement or other Loan Documents or the occurrence of a default on the part of Owner or under the Management Agreement which remains uncured after after any applicable notice and cure period under the Loan Documents, then, without regard for the adequacy of the security for the Loan, City shall have the right (but not the obligation) to: (a) take possession of the Project and exercise and enjoy all right, title and interest of Owner under the Management Agreement; (b) whether or not possession of the Project is taken, to receive all funds, issues, and profits under the Management Agreement (other than management fee payable to and earned by Manager in accordance with the terms and provisions thereof) and apply the same, less costs and expenses of taking possession of the Project, operation and collection, including reasonable attorneys' fees, upon any obligations due under the Loan Documents whether or not then due and in such order as City may determine; (c) enforce or terminate (with or without

cause) the Management Agreement; (d) require Owner to install substitute management acceptable to City; and (e) do any acts which City deems proper to protect the Project or City's security interest therein or lien thereon, and thereupon and without further notice to Owner, Owner shall not have any further rights under the Management Agreement which would conflict with, impair, or interfere with any rights of City hereunder. Neither City's entering upon and taking possession of the Project nor the exercise of any of the aforesaid remedies shall cure or waive any such default on the part of Owner or waive, modify or affect any notice of default under the Loan Agreement or invalidate any act done pursuant to such notice. Any exercise by City of the right to terminate the Management Agreement shall be without liability to City for payment of any fees, charges or otherwise, notwithstanding any provisions in the Management Agreement to the contrary. After any such termination, City shall have the right to replace Manager with a manager selected by City in its sole discretion. Upon any termination of the Management Agreement, whether or not pursuant to this section, Manager agrees to deliver copies of all records, files, financial statements, and any other documents pertaining to management, construction, design and operation of the Project which are in the possession or under the control of Manager to Owner excluding, however, documents pertaining solely to the operation systems or procedures owned by Manager.

9. **Notice by City.** A notice in writing by City to Manager advising Manager that a Default exists and requesting that all future performance under the Management Agreement be made to City (or its agent), shall be construed by Manager as conclusive authority to Manager that such performance is to be made to City (or its agent) and Manager shall be fully protected in making such performance to City; and Owner hereby irrevocably constitutes and appoints City the attorney-in-fact and agent of Owner for the purpose of endorsing the consent of Owner on any such notice (such appointment only to be effective when a Default exists under and as defined in the Loan Agreement). The foregoing power is coupled with an interest and shall survive the liquidation, bankruptcy or insolvency of Owner.

10. **Attornment by Manager.** Manager hereby agrees that in the event of notification to Manager by City that City has acquired possession of the Project or obtained the appointment of a receiver for same, Manager shall, at City's request, attorn to City as owner thereunder; *provided*, however, that in no event shall City be liable for, or be obligated to cure, any default of Owner occurring prior to the date of such notification.

11. **No Limitations.** Owner and Manager agree that (a) nothing in this Assignment shall be construed to limit or restrict in any way the rights and powers granted to City under any of the Loan Documents, and (b) an action to foreclose may be commenced, notwithstanding that Owner continues in possession of the Project, both real and personal, herein referred to, and continues to collect the rents, issues and profits thereof.

12. **No Waiver.** This Assignment can be extended, modified or amended only in writing executed by Manager and Owner and consented to by the City, and none of the rights or benefits of City can be waived permanently except in a written document executed by City. City's rights, powers, privileges and remedies under or in connection with this Assignment are cumulative and not exclusive and shall not be waived, precluded or limited by any failure or delay in the exercise thereof or by the parties exercise thereof or by any course of dealing between Manager and/or Owner and City. No notice to or demand on Manager or Owner in any case shall entitle Manager or Owner to any other or further notice or demand in similar or other circumstances or constitute a waiver of the right of City to any other or further action in any circumstances without notice or demand.

13. **Counterparts.** This Assignment and any amendments, waivers, consents or supplements hereto or in connection herewith may be executed, including by transmission of facsimile, in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed an original, but all of such counterparts together shall constitute but one and the same instrument; signature pages may be detached from multiple separate counterparts and attached to a single counterpart so that all signature pages are physically attached to the same document. In the event this Assignment or any amendment, waiver, consent or supplement shall have been executed by transmission of facsimile, any party may request that the parties thereto execute original documents for record purposes, but no failure of any party to do so shall invalidate or in any other way affect the validity of such document. This Assignment shall become effective upon the

execution of a counterpart hereof by each of the parties hereto and receipt by the parties of written or telephonic notification of such execution and authorization of delivery thereof.

14. **Descriptive Headings; Recitals.** The descriptive headings used in this Assignment are for convenience only and shall not be deemed to affect the meaning or construction of any provision hereof. The Recitals set forth at the beginning of this Assignment are hereby incorporated into the substantive provisions of this Assignment.

15. **Notices.** Any notice, report, demand or other instrument authorized or required to be given or furnished hereunder shall be given in conformity with the terms and conditions of the Loan Agreement and to the parties hereto at the addresses set forth above.

16. **Benefit of Agreement.** This Assignment shall be binding upon each party hereto and its successors and assigns, and shall inure to the benefit of Owner, Borrower, City, and Manager and their respective successors and/or assigns, except the rights and remedies of Owner, Borrower, City, and Manager under this Assignment (except pursuant to Section 7 above) shall not inure to the benefit of (a) any purchaser of the Project at a foreclosure sale, (b) any Person taking title to the Project by deed in lieu of foreclosure, or (c) any successor or assign of any Person described in clauses (a) and (b) above, except that Owner's, Borrower's, City's, and Manager's rights shall inure to the benefit of the parties described in clauses (a), (b) and (c) hereof if such parties are City (including, for these purposes, its successors and assigns as holder of the Loan Documents), and any participant's or any of City's (or such successors, assigns, beneficiaries or participant's) affiliates or nominees.

17. **Inconsistencies.** In the event of any inconsistency between the terms and conditions hereof and the terms of the Management Agreement, the terms and conditions set forth herein shall govern.

18. **Severability.** In the event that any of the covenants, agreements, terms or provisions contained herein shall be invalid, illegal or unenforceable in any respect, the validity of the remaining covenants, agreements, terms and provisions contained herein shall be in no way affected, prejudiced or disturbed thereby.

19. **Further Assurances.** At any time, and from time to time, upon City's request, Owner and Manager shall make, execute and deliver, or cause to be made, executed and delivered, to City and, where appropriate, shall cause to be recorded or filed, and from time to time thereafter to be re-recorded and refiled, at such time and in such offices and places as shall be deemed desirable by City, such documents and/or instruments as City may consider necessary or desirable in order to effectuate, or to continue and preserve, the obligations of Owner and Manager under this Assignment. Upon any failure by either Owner or Manager to do so, City may make, execute, record, file, re-record or refile any and all such documents and/or instruments for and in the name of either Owner or Manager, and Owner and Manager hereby irrevocably appoint (which appointment is coupled with an interest with full power of substitution) City the agent and attorney-in-fact of either Owner or Manager to do so; and Owner and Manager shall reimburse City, on demand, for all costs and expenses (including reasonable attorneys' fees and expenses) incurred by City in connection therewith.

20. **Choice of Law and Venue.** **THIS ASSIGNMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS (BUT NOT THE RULES GOVERNING CONFLICTS OF LAWS) OF THE STATE OF TEXAS AND SHALL BE PERFORMABLE IN HARRIS COUNTY, TEXAS.**

21. **WAIVER OF JURY TRIAL**. **PERFORMANCE BOND**

**THAT WE, NHPF-T CONTRACTOR, LLC**, a Texas limited liability company, as Principal, (the "Contractor"), and the other subscriber hereto, \_\_\_\_\_, as Surety, do hereby acknowledge ourselves to be held and firmly bound to the City of Houston (the "City"), a municipal corporation, and **TEMENOS PERMANENT AFFORDABLE, LLC**, a Texas limited liability company, (individually, "Owner" and collectively with the City, the "Obligees"), in the penal sum of \$\_\_\_\_\_ for the payment of which sum, well and truly to be made to Obligees, their successors and assigns, Contractor and Surety do bind themselves, their heirs, executors, administrators, successors and assigns, jointly and severally.

**THE CONDITIONS OF THIS OBLIGATION ARE SUCH THAT:**

**WHEREAS**, the Contractor has on or about this day executed a Contract in writing with **NHPF-T CONTRACTOR, LLC** for the construction of a 95-unit apartment complex located at 1703 Gray Street, Houston, Harris County, Texas 77003, all of such work to be done as set out in full in said Contract documents therein referred to and adopted by the City Council, all of which are made a part of this instrument as fully and completely as if set out in full herein.

**NOW THEREFORE**, if the said Contractor shall faithfully and strictly perform the Contract in all its terms, provisions, and stipulations in accordance with its true meaning and effect, and in accordance with the Contract documents referred to therein and shall comply strictly with each and every provision of the Contract and with this Bond, then this obligation shall become null and void and shall have no further force and effect; otherwise the same is to remain in full force and effect. Should the Contractor fail to faithfully and strictly perform the Contract in all its terms, including but not limited to the indemnifications thereunder, the Surety shall be liable for all damages, losses, expenses and liabilities that Obligees may suffer in consequence thereof, as more fully set forth herein.

It is further understood and agreed that the Surety does hereby relieve the Obligees or their representatives from the exercise of any diligence whatever in securing compliance on the part of the Contractor with the terms of the Contract, and the Surety agrees that it shall be bound to take notice of and shall be held to have knowledge of all acts or omissions of the Contractor in all matters pertaining to the Contract. The Surety understands and agrees that the provision in the Contract that Owner will retain certain amounts due the Contractor until the expiration of 30 days from the acceptance of the Work is intended for the Obligee's benefit, and the Obligees will have the right to pay or withhold such retained amounts or any other amount owing under the Contract without changing or affecting the liability of the Surety hereon in any degree.

It is further expressly agreed by Surety that the Obligees or their representatives are at liberty at any time, without notice to the Surety, to make any change in the Contract documents and in the Work to be done thereunder, as provided in the Contract, and in the terms and conditions thereof, or to make any change in, addition to, or deduction from the Work to be done thereunder; and that such changes, if made, shall not in any way vitiate the obligation in this Bond and undertaking or release the Surety therefrom.

It is further expressly agreed and understood that the Contractor and Surety will fully indemnify and save harmless the Obligees from any liability, loss, cost, expense, or damage arising out of Contractor's performance of the Contract.

If the Obligee/s gives Surety notice of Contractor's default, Surety shall, within 45 days, take one of the following actions:

1. Arrange for Contractor, with consent of the Obligees, to perform and complete the Contract; or

2. Take over and assume completion of the Contract itself, through its agents or through independent contractors, and become entitled to the payment of the balance of the Contract Price.

If the Surety fails to take either of the actions set out above, it shall be deemed to have waived its right to perform and complete the Contract and receive payment of the balance of the Contract Price and the Obligees shall be entitled to enforce any remedies available at law, including but not limited to completing the Contract itself and recovering any cost in excess of the Original Contract Price from the Surety.

This Bond and all obligations created hereunder shall be performable in Harris County, Texas.

Notices required or permitted hereunder shall be in writing and shall be deemed delivered when actually received or, if earlier, on the third day following deposit in a United States Postal Service post office or receptacle, with proper postage affixed (certified mail, return receipt requested), addressed to the respective other party at the address prescribed in the Contract documents, or at such other address as the receiving party may hereafter prescribe by written notice to the sending party.

**IN WITNESS WHEREOF**, the said Contractor and Surety have signed and sealed this instrument on the respective dates written below their signatures and have attached current Power of Attorney.

**ATTACHMENT P  
TO LOAN AGREEMENT**

**LOAN AGREEMENT (BORROWER/OWNER)**

**Loan Agreement**  
**(Borrower/Owner)**

This Loan Agreement ("**Agreement**") is made and entered into this the \_\_\_ day of \_\_\_\_\_, 2021 by and between **TEMENOS COMMUNITY DEVELOPMENT CORPORATION**, a Texas nonprofit corporation company ("**Lender**"), and **TEMENOS PERMANENT AFFORDABLE, LLC**, a Texas limited liability company ("**Borrower**"), for the purposes and consideration hereinafter set forth.

**WHEREAS**, Lender has agreed to make a loan ("**Borrower Loan**") to Borrower in the original principal sum of \$12,500,000.00 as evidenced by a note ("**Borrower Note**") of even date herewith and secured by a Deed of Trust against the property described therein ("**Property**") and located on the Land, more particularly described in Exhibit A attached hereto;

**WHEREAS**, Borrower and Lender desire to enter into this Agreement to set forth certain terms and conditions of the Borrower Loan to supplement the provisions of the other documents executed in connection with, evidencing or securing the Borrower Loan ("**Loan Documents**").

**NOW THEREFORE**, for and in consideration of the Borrower Loan and the mutual covenants contained herein, the parties agree as follows:

1. Terms of Borrower Loan. The terms of the Borrower Loan are as follows:

(a) Borrower Note. Borrower's obligation to repay Lender is evidenced by a promissory note of even date herewith, payable to Lender in the original principal amount of \$12,500,000.00.

(b) Purpose. The purpose of the loan is to finance the acquisition and construction of a multifamily affordable housing project.

(c) Term. The term of the Loan shall commence on the date of Closing (as defined in the COH Loan Agreement (as defined below)) and shall mature on the Maturity Date (as defined in the Borrower Note).

(d) Interest. The Loan shall not bear interest in accordance with the terms of the Borrower Note except that in the event of a Default (as defined below) under the Borrower Loan or any of the Loan Documents, at Lender's option the Borrower Loan shall accrue interest at default rate interest in the amount equal to the lower of the highest lawful rate or ten percent (10.0%) per annum. Interest shall be payable as set out in Borrower's Note and COH Loan Agreement.

2. COH Loan and COH Loan Agreement. The Borrower, Lender and the City of Houston ("**City**") have entered into one certain Loan Agreement ("**COH Loan Agreement**") of even date herewith with respect to a \$12,500,000.00 loan ("**COH Loan**") from the City to Lender, the proceeds of which are funding the Borrower Loan. This Agreement, the Borrower Note and all of the Loan Documents executed in connection with or securing the Borrower Loan (including, without limitation, the Deed of Trust securing the Borrower Loan) have been collaterally assigned to the City to secure the COH Loan. The covenants, obligations, requirements, representations and warranties of Borrower under the COH Loan Agreement, to the extent applicable to Borrower or the Property, or to the ability of the Parties to perform their obligations related to the Property and the COH Loan Agreement, are incorporated in to and made a part of this Agreement and shall additionally constitute covenants, obligations, requirements, representations and warranties of Borrower to Lender and the City, as a third party beneficiary of this Agreement and as a collateral assignee of the Loan Documents. Borrower, the Borrower Loan and the Property shall be subject to all terms and conditions of the COH Loan Agreement. Borrower specifically assumes and agrees to perform all of the covenants, obligations, and requirements to be performed by Borrower as "Owner" set forth in the COH Loan

Agreement for the benefit of the City and confirms the representations and warranties of Borrower as "Owner" thereunder for the benefit of the City and as a condition of the COH Loan and the Borrower Loan. In the event of a conflict between the terms and conditions of this Agreement and the COH Loan Agreement, the terms and conditions of the COH Loan Agreement shall control.

3. Funding.

(a) No Liability for Interruption of Funding. In the event that the City ceases funding the COH Loan to Lender in accordance with the COH Loan Agreement, Lender may cease funding the Borrower Loan to the Borrower without obligation to the Borrower and without being liable to the Borrower for any damages Borrower may incur as a result of such cessation in funding; provided, however, Lender agrees to deliver to Borrower reasonably satisfactory documentation evidencing City's decision to cease funding, and Lender agrees to use reasonable efforts to resolve any City concerns.

(b) Deemed Funding under COH Loan. Disbursements under the COH Loan will be by check by the City made payable to Lender, Borrower or the entity which has provided the services entitled to be funded under the COH Loan Agreement and this Agreement. The entire amount of any funding provided by the City to Lender under the COH Loan shall be used by Lender to fund the Borrower Loan and shall be deemed to be funding of the Borrower Loan.

4. Borrower's Representations and Warranties.

Borrower hereby each represents, warrants and agrees for the benefit of the City and the Lender that as of the date hereof and continuing during the entire term of this Agreement, and for so long as the City shall have any commitment or obligation to make any disbursements of the COH Loan, and during the Affordability Period as follows:

(a) Ownership of Property. Borrower will hold on the Closing Date (as defined in the COH Loan Agreement) of the COH Loan and thereafter a leasehold title in and to the Property and shall provide the Director of the City's Housing and Community Development Department ("**Director**") with a copy of the deed thereto. Borrower shall promptly disclose to the Director if Borrower acquired the Property from Lender; or any director, officer, employee, partner, company or individual of, related to or affiliated with Lender or Borrower.

(b) Information Submitted True and Correct. The information contained in or submitted in connection with Lender's application to the City for the COH Loan, as amended by further information provided and disclosed to the City, is true and correct.

(c) Taxes and Assessments. There are no delinquent taxes, assessments, or other impositions on the Property, or if there are any delinquent taxes, assessments, or other impositions on the Property, same will be paid prior to or simultaneously with Closing of the COH Loan. The Property has not been subject to any special (reduced) real estate appraisal, or abatement, exemption or deferral of ad valorem taxes (other than statutorily permitted challenges as to the amount) in the five (5) years preceding the date of Borrower's acquisition of title, unless Borrower has an effective agreement providing that another party is liable for all liability, accruing prior to Borrower's acquisition of the Property for ad valorem taxes owing as a result of an change or revocation of such special (reduced) real estate appraisal, or abatement, exemption or deferral of ad valorem taxes.

(d) Financial Capacity. The financial representations made by Lender to the City and by Borrower to Lender or the City) concerning Lender's and Borrower's financial condition are true and correct and, upon the Closing of the COH Loan and the Borrower loan, Lender and Borrower have the financial capacity to carry out their respective obligations under this Agreement, the Loan Documents and the COH Loan Agreement and related documentation. If any material negative change in either Lender's or Borrower's

financial condition occurs, Lender and Borrower shall report such change to the City within five (5) business days.

(e) Authorization.
