

All the events below include confirmed programming where the Texas Salsa Congress is part of the programming or is responsible for the programming. **The events below are free, open to the public, open to all ages and will include a free salsa lesson.**

For Latin Beats at the Downtown Aquarium the Texas Salsa Congress is responsible for ensuring that musicians, DJs, and performers are booked and provide revenue by the Downtown Aquarium.

For some of the new partnerships such as Karbach, the TSC is also booking talent for their programming and ensuring that artists from multi-disciplinary genres are included and provided payment for their services.
