Dear Ms. Orozco:

I would like to sincerely express my gratitude for the amazing work that Burghli Homes did regarding my home on Daupart St.

I want to express my thanks to the many people that had a part in my home; the project coordinator, construction team and builders/contractors. My new house is beautiful. I watched the house go up within 3 weeks to amazing! The work shows dedication and commitment to your company's success. I cannot wait to see the end results.

I have been treated with kindness and respect by Mr. Jose the construction mgr. and you Ms. Brenda Orozco has returned my calls and answered my questions.

I recommend Burghli Homes to my friends, family and church organization in the event they need a new home built.

and let's not forget who made it possible for me to connect to Burghli Homes:

The City of Houston: who certified me through the Harvey Hurricane program.

Mr. Jose Reynado " [REDACTED] " who called me on 1/28/2020 to inform me that I was going to get a new home.

Ms. Cooper, Case worker: who went over the many pieces of paper, explaining to me many questions when I went to closing, regarding my responsibility as a new client.

Ms. Mullings, Case worker who did a home visit and went over papers + my signature, advised me + gave me assurance that she was available for questions. Ms. Mullings notified me of the date of my move-in too Extended Stay America. Thanks to Baker Ripley.

Mr. Harrington, who met me at the 5504 Dayport site so that I could sign documents. HOAP.

So again thanks to the City of Houston, who connected me to Burghli Homes. Thanks to the Builder, Contractors and employees of Burghli Homes. I am so pleased to have my house built by the team. I recommend your team highly.

I have informed all my friends + Church members of the program through the City of Houston "Harvey Program"

I Cannot Wait to see the final
result of my new home.

Sincere Thanks
