Grantee: Houston, TX

January 1, 2012 thru March 31, 2012 Performance Report
**Narratives**

**Areas of Greatest Need:**

The City of Houston Planning and Development Department estimates that as of January 2008, Houston had a population of 2,229,199 residents. Over fifty-three percent of Houstonians are low to moderate-income (LMI) residents, with a majority being minorities. The supply of affordable housing has become an issue in recent years. Rental rates and purchase prices have increased rapidly, therefore limiting LMI residents’ ability to afford housing. The supply of affordable housing, coupled with sub-prime lending practices, lender credit restrictions, and increased tax delinquencies, has destabilized many neighborhoods. As of March 2008, a total of 7,584 properties were foreclosed by lenders and municipalities, of which 758 properties are REO’s. Furthermore, recent hurricanes (Katrina, Rita, and Ike) have adversely impacted the supply of affordable houses in the Houston area by severely damaging current dwelling units, displacing citizens, and welcoming residents from nearby counties and states.

**Distribution and Uses of Funds:**

NSP funds will be leveraged with private sector partners to address foreclosures, increase homeownership, and expand the stock of affordable housing while removing the blight of vacant and abandoned buildings. To identify areas with the greatest need, HCDD rated census tracts and zip codes based upon the number of credit and tax foreclosures, numbers of REO (real estate owned) properties by lenders, and data provided by HUD regarding risk of foreclosure and relative levels of subprime lending. HCDD used risk ratings to determine census tracts most impacted by increased foreclosure activity. The level of risk ranged from ten being the highest, to one being the lowest. As a result, Target Zones were defined as contiguous high risk areas, containing multiple properties ranging between nine and ten. Based upon the data found in the Target Zones, HCDD decided to implement the following three activities or programs: 1. $1,354,219 for administrative use 2. $3,385,549 to benefit households at or below 50% of area median income (AMI). A. Deliverable: 40 units of for-sale housing for low-income (<50% of AMI) households 3. $8,802,425 to benefit households at or below 120% of AMI. A. Deliverable: 1 multi-family unit acquired to be conveyed to qualified third parties to construct 115 units with 25% being rented to households earning less than 50% of AMI.

** Acquisition and Relocation:**

**Public Comment:**
Federal Grant from HUD:
The $13,542,193 in funding from HUD is broken down into the following activities:

Project One:
HCDD has awarded $8,802,742 in NSP funds to South Union Development LLC for its acquisition and rehabilitation of the Zollie Scales Apartments. This property was sold in November 2010 to South Union Development LLC. We have expended $2,038,107.23. The rehabilitation construction is on schedule to be completed by November 2012.

Project Two:
HCDD has awarded $3,385,549 in NSP funds for single-family rehabilitation. We have expended $1,627,884 in our single family program.

Future Planning:
The single family housing market continues dealing with high lending standards by mortgage lenders and a supply of unsold single family houses targeted towards low to moderate income families. Our NSP single-family partners face a difficult market, and HCDD has a NSP1 spending deadline that is fast approaching. HCDD is making plans to ensure that the funds are spent in a timely manner. Over the next several months, HCDD will be prepared to transfer...
funds from the single-family partners that are having a hard time selling houses to a single-family partner that is developing and selling houses at a quicker pace. HCDD will also research other available programs to help our slow selling single-family partners to sell completed houses more quickly.

One of our original single-family partners has breached its contract with the City of Houston. After providing proper notice, we have terminated the City's funding obligation and will need to transfer the unused funds to another single family partner.
