

CITY OF HOUSTON
ASSISTED MULTIFAMILY PROPERTIES

These properties are privately owned, but are required to set aside a certain number of units to be affordable for lower income persons and families. However, this is not a guarantee that units will be available at a given time. When you contact them, be prepared to report all of your family income and ask if they have any units available for that income group. They will let you know if they can assist you.

* Projects serving special needs populations (seniors, mentally and physically handicapped, homeless, and HIV/AIDS)
