2.08.3 WITHIN 60 DAYS AFTER BEING NOTIFIED OF THE CLAIM, CONTRACTOR SHALL, AT ITS OWN EXPENSE, EITHER (1) OBTAIN FOR THE CITY THE RIGHT TO CONTINUE USING THE EQUIPMENT, SOFTWARE, PROCESS, AND DOCUMENTS OR, (2) IF BOTH PARTIES AGREE, REPLACE OR MODIFY THEM WITH COMPATIBLE AND FUNCTIONALLY EQUIVALENT PRODUCTS. IF NONE OF THESE ALTERNATIVES IS REASONABLY AVAILABLE, THE CITY MAY RETURN THE EQUIPMENT, SOFTWARE, OR DOCUMENTS, OR DISCONTINUE THE PROCESS, AND CONTRACTOR SHALL REFUND THE PURCHASE PRICE.

2.09 SUBCONTRACTOR'S INDEMNITY

2.09.1 CONTRACTOR SHALL REQUIRE ALL OF ITS SUBCONTRACTORS (AND THEIR SUBCONTRACTORS) TO RELEASE AND INDEMNIFY THE CITY TO THE SAME EXTENT AND IN SUBSTANTIALLY THE SAME FORM AS ITS RELEASE AND INDEMNITY TO THE CITY.

2.10 INDEMNIFICATION PROCEDURES

2.10.1 Notice of Claims. If the City or Contractor receives notice of any claim or circumstances which could give rise to an indemnified loss, the receiving Party shall give written notice to the other Party within 30 days. The notice must include the following:

2.10.1.1 a description of the indemnification event in reasonable detail;

2.10.1.2 the basis on which indemnification may be due; and

2.10.1.3 the anticipated amount of the indemnified loss.

2.10.1.4 This notice does not estop or prevent the City from later asserting a different basis for indemnification or a different amount of indemnified loss than that indicated in the initial notice. If the City does not provide this notice within the 30-day period, it does not waive any right to indemnification except to the extent that Contractor is prejudiced, suffers loss, or incurs expense because of the delay.

2.10.2 Defense of Claims (except for claims alleging professional liability for which there is no obligation to defend)

2.10.2.1 Assumption of Defense. Contractor may assume the defense of the claim at its own expense with counsel chosen by it that is reasonably satisfactory to the City Attorney. Contractor shall then control the defense and any negotiations to settle the claim, subject to the City Attorney's consent or agreement to the settlement, which consent or agreement shall not unreasonably be withheld. Within 10 days after receiving written notice of the indemnification request, Contractor must advise the City as to whether or not it will defend the claim. If Contractor does not assume the defense, the City shall assume and control the defense, and all defense expenses constitute an indemnification loss.

2.10.2.2 Continued Participation. If Contractor elects to defend the claim, the City may retain separate counsel to participate in (but not control) the defense and to participate in (but not control) any settlement negotiations.

2.11 **INSURANCE**

2.11.1 **Risks and Limits of Liability.** Contractor shall maintain the following insurance coverages in the following amounts:

<u>COVERAGE</u>	<u>LIMIT OF LIABILITY</u>

Prior to beginning performance under the Agreement, at any time upon the Director's request, or each time coverage is renewed or updated, Contractor shall furnish to the Director current certificates of insurance, endorsements, all policies, or other policy documents evidencing adequate coverage, as necessary. Contractor shall be responsible for and pay: (i) all premiums; and (ii) any claims or losses to the extent of any deductible amounts. Contractor waives any claim it may have for premiums or deductibles against the City, its officers, agents, or employees. Contractor shall also require all subcontractors or consultants whose subcontracts exceed \$100,000 to provide proof of insurance coverage meeting all requirements stated above except amount. The amount must be commensurate with the amount of the subcontract, but no less than \$500,000 per claim.

2.11.3 **Form of insurance.** The form of the insurance shall be approved by the Director and the City Attorney; such approval (or lack thereof) shall never: (i) excuse non-compliance with the terms of this Section; or (ii) waive or estop the City from asserting its rights to terminate this Agreement. The policy issuer shall: (i) have a Certificate of Authority to transact insurance business in Texas; or (ii) be an eligible non-admitted insurer in the State of

2.11.4 **Required Coverage.** The City shall be an Additional Insured under this Agreement, and all policies, except Professional Liability and Worker's Compensation, shall explicitly name the City as an Additional Insured. The City shall enjoy the same coverage as the Named Insured without regard to other Agreement provisions. Contractor waives any claim or right of subrogation to recover against the City, its officers, agents, or employees, and each of Contractor's insurance policies except professional liability must contain coverage waiving such claim. Each policy, except Workers' Compensation and Professional Liability, must also contain an endorsement that the policy is primary to any other insurance available to the Additional Insured with respect to claims arising under this Agreement. If professional liability coverage is written on a "claims made" basis, Contractor shall also provide proof of renewal each year for two years after substantial completion of the project, or in the alternative: evidence of extended reporting period coverage for a period of two years after substantial completion, or a project liability policy for the project covered by this Agreement with a duration of two years after substantial completion. All certificates of insurance submitted by Contractor shall be accompanied by endorsements for: (i) Additional Insured coverage in favor of the City for Commercial General Liability and Automobile Liability policies; and (ii) Waivers of Subrogation in favor of the City for Commercial General Liability, Automobile Liability and Workers' Compensation/Employers' Liability policies. The Director will consider all other forms on a case-by-case basis.

2.11.5 **Notice. CONTRACTOR SHALL GIVE 30 DAYS' ADVANCE WRITTEN NOTICE TO THE DIRECTOR IF ANY OF ITS INSURANCE POLICIES ARE CANCELED OR NON-RENEWED.** Within the 30-day period, Contractor shall provide other suitable policies in order to maintain the required coverage. If Contractor does not comply with this requirement, the Director, at his or her sole discretion, may immediately suspend Contractor from any further performance under this Agreement and begin procedures to terminate for default.

2.11.6 **Other Insurance.** If requested by the Director, Contractor shall furnish adequate evidence of Social Security and Unemployment Compensation Insurance, to the extent applicable to Contractor's operations under this Agreement.

2.12 **PROFESSIONAL STANDARDS**

2.12.1 Contractor's performance shall conform to the professional standards prevailing in the Harris County, Texas, with respect to the scope, quality, due diligence, and care of the services and products Contractor provides under this Agreement.

2.13.1 Contractor represents that it shall perform all work consistent with the Standard of Care (as defined in Section B of Exhibit "B") for work of this kind. Contractor shall perform all work using trained and skilled persons having substantial experience performing the work required under this Agreement.

2.14.3 Contractor conveys and assigns to the City its entire interest and full ownership worldwide in and to all Work Products and all Proprietary Rights therein.

2.14.9 Contractor may retain copies of the Work Products for its archives. Contractor shall not otherwise use, sell, license, or market the Work Products.

2.14.10 Notwithstanding anything to the contrary, the City is, will be, and shall remain at all times the sole owner of all City Documents and all Work Products. Contractor expressly acknowledges that the City has all right, title, or other ownership interest in all City Documents and all Work Products. Contractor shall not possess or assert any lien or other right against any City Documents or Work Products.

Contractor shall have no liability for any claims arising out of City's reuse of Contractor's services on other projects where Contractor has not been retained to provide services.

Contractor shall make good faith efforts to award subcontracts or supply agreements in at least **24%** of the value of this Agreement to MWBEs. Contractor acknowledges that it has reviewed the requirements for good faith

efforts on file with the City’s Office of Business Opportunities (“OBO”) and will comply with them.

2.22.2 Contractor shall ensure that all subcontracts with MWBE subcontractors and suppliers contain the following terms:

[Name of MWBE subcontractor] shall not delegate or subcontract more than 50% of the work under this subcontract to any other subcontractor or supplier without the express written consent of the City of Houston’s Office of Business Opportunity Director (the “Director”).

[Name of MWBE subcontractor] shall permit representatives of the City of Houston, at all reasonable times, to perform: (i) audits of the books and records of the subcontractor; and (ii) inspections of all places where work is to be undertaken in connection with this subcontract. Subcontractor shall keep such books and records available for such purpose for at least 4 years after the end of its performance under this subcontract. Nothing in this provision shall affect the time for bringing a cause of action nor the applicable statute of limitations.

Within five Business Days of execution of this subcontract, Contractor and Subcontractor shall designate in writing to the Director an agent for receiving any notice required or permitted to be given pursuant to Chapter 15 of the Houston City Code of Ordinances, along with the street and mailing address and phone number of such agent.

Any controversy between the Parties involving the construction or application of any of the terms, covenants, or conditions of this subcontract may be submitted to the Director. The Director may prescribe procedures to provide dispute resolution by neutrals in accordance with the requirements of Chapter 15 of the Houston City Code of Ordinances.

2.22.3 Contractor shall adhere to and comply with 2 CFR § 200.321 if subcontracts are to be let under this Agreement. The Contractor, if subcontracts are to be let, is required to take the following affirmative steps to ensure that small business firms, minority business firms, women’s business enterprises, and labor surplus area firms are used when possible pursuant to 2 CFR Section § 200.321. Affirmative

steps must include: (1) Placing qualified small and minority businesses and women's business enterprises on solicitation lists; (2) Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources; (3) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises; (4) Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises; and (5) Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce.

2.22.4 Contractor must clearly document the communication and outreach to the certified business. Documentation may include mail logs, phone logs, or similar records documenting the use of the above identified sources of information about MWSBE firms, the efforts to contact them, and other efforts to meet the above requirements.

2.23. **DRUG ABUSE DETECTION AND DETERRENCE**

2.23.1 It is the policy of the City to achieve a drug-free workforce and workplace. The manufacture, distribution, dispensation, possession, sale, or use of illegal drugs or alcohol by contractors while on City Premises is prohibited. Contractor shall comply with all the requirements and procedures set forth in the Mayor's Drug Abuse Detection and Deterrence Procedures for Contractors, Executive Order No. 1-31 (the "Executive Order"), which is incorporated into this Agreement and is on file in the City Secretary's Office.

2.23.2 Before the City signs this Agreement, Contractor shall file with the Contract Compliance Officer for Drug Testing ("CCODT"):

2.23.2.1 a copy of its drug-free workplace policy;

2.23.2.2 the Drug Policy Compliance Agreement substantially in the form set forth in Exhibit "C", together with a written designation of all safety impact positions; and

2.23.2.3 if applicable (e.g., no safety impact positions), the Certification of No Safety Impact Positions, substantially in the form set forth in Exhibit "D".

2.23.3 If Contractor files a written designation of safety impact positions with its Drug Policy Compliance Agreement, it also shall file every 6 months during the performance of this Agreement or on completion of this Agreement if performance is less than 6 months, a Drug Policy Compliance Declaration in a form substantially similar to Exhibit "E". Contractor shall submit the Drug Policy Compliance Declaration to the CCODT within 30 days of the expiration of each 6-month period of performance and within 30 days of completion of this Agreement. The first 6-month period begins to run on the date the City issues its Notice to Proceed or, if no Notice to Proceed is issued, on the first day Contractor begins work under this Agreement.

2.23.4 Contractor also shall file updated designations of safety impact positions with the CCODT if additional safety impact positions are added to Contractor's employee work force.

2.23.5 Contractor shall require that its subcontractors comply with the Executive Order, and Contractor shall secure and maintain the required documents for City inspection.

2.24. **CONTRACTOR'S PERFORMANCE**

2.24.1 Contractor shall make citizen satisfaction a priority in providing services under this Agreement. Contractor shall train its employees to be a customer service-oriented and to positively and politely interact with citizens when performing contract services. Contractor's employees shall be clean, courteous, efficient, and neat in appearance and committed to offering the highest quality of service to the public. If, in the Director's opinion, Contractor is not interacting in a positive and polite manner with citizens, he or she shall direct Contractor to take all remedial steps to conform to these standards.

2.25. **PAY OR PLAY**

2.25.1 The requirements and terms of the City of Houston Pay or Play program, as set out in Executive Order 1-7, as revised from time to time, are incorporated into this Agreement for all purposes. Contractor has reviewed Executive Order No. 1-7, as revised, and shall comply with its terms and conditions.

2.26. **ACCEPTANCE AND REJECTION**

2.26.1 Except as otherwise provided in this Section 2.26, Contractor shall not submit an invoice or request for payment (each, a "Request for Payment") and Contractor shall not be entitled to payment and the City shall have no duty to pay Contractor unless the Project Administrator accepts the services and other Deliverables specified in Exhibit "B" in accordance with this Section 2.26.

2.26.2 Contractor shall provide written notice the Project Administrator upon completion or delivery of the services or Deliverables specified in Exhibit "B". On or before the twentieth (20th) Business Day after the date the Project Administrator receives Contractor's written notice, the Project Administrator shall provide written notice to Contractor stating whether the Project Administrator has accepted or rejected the services or Deliverables along with the reason(s) for any rejection. Failure of the Project Administrator to provide written notice of acceptance or rejection of any services or Deliverables on or before the 20th Business Day from their receipt of the Contractor's written notice does not constitute acceptance or approval of the services or Deliverables by the Project Administrator or the City. If the Project Administrator fails to provide a written notice of acceptance or rejection by the 20th Business Day from the Project Administrator's receipt of Contractor's written notice of completion or delivery, Contractor may submit a Request for Payment for the services or Deliverables and such Request for Payment shall be subject to the Project Administrator's review, verification, and approval or dispute processes specified in the Payment Terms in Section 3.01 of this Agreement.

2.26.3 Notwithstanding anything to the contrary in this Agreement or elsewhere, the Project Administrator may, in their sole discretion, approve in writing a partial acceptance of the services and other Deliverables set forth in Exhibit "B".

2.26.4 If the Project Administrator rejects any services or Deliverables, in whole or part, Contractor shall have fifteen (15) Business Days after the Contractor receives the Project Administrator written notification of rejection to correct or otherwise replace such services or Deliverables as necessary to conform to the Project Administrator's rejection notice. Contractor's corrections or replacements for rejected services or Deliverables shall be provided at no additional cost to the City. Contractor shall provide written notice to the Project Administrator upon completion of any such correction(s) or replacement(s) after the receipt of which the Project Administrator shall continue to either accept or reject (as provided under this Section) and Contractor shall continue to make any necessary correction(s) or replacement(s) (as provided under this Section) until the Project Administrator either accepts in writing all previously rejected services or Deliverable or issues a written final rejection notice in accordance with Section 2.26.5 of this Agreement.

2.26.5 Notwithstanding anything to the contrary in this Agreement, if the Project Administrator does not accept any services or Deliverable after one or more attempted correction(s) or replacement(s) of such services or Deliverables by Contractor, the Director may, in their sole discretion, issue a written final rejection notice to Contractor for such services and other Deliverables and the City shall have no obligation to pay any amount whatsoever related to those services or Deliverables that are the subject of the final rejection notice. The Director may, at any time after a final rejection notification has been issued, declare a default and elect to terminate this Agreement, in whole or in part, as provided in Section 4.05 of this Agreement.

2.26.6 The City reserves all other available rights and remedies at law or in equity, including without limitation all rights and remedies and rights under Article 2 of the Texas Business and Commerce Code.

2.27. **ADDITIONS AND DELETIONS**

2.27.1 **Additional Products and Services.** Subject to the allocation of funds, the CPO may add similar equipment, supplies, services, or locations, within the scope of this Agreement, to the list of equipment, supplies, services, or locations to be performed or provided by giving written notification to Contractor. For purposes of this Section, the "Effective Date" means the date specified in the notification from the CPO. As of the Effective Date, each item added is subject to this Agreement, as if it had originally been a part, but the charge for each item starts to accrue only on the Effective Date. In the event the additional equipment, supplies, services, or locations are not identical to the items(s) already under this Agreement, the charges therefor will then be Contractor's normal and customary charges or rates for the equipment, supplies, services, or locations classified in the Fees and Costs (Exhibit "F").

2.27.2 Exclusion of Products and Services. If a deliverable or service that is subject to this Agreement is deleted, lost, stolen, destroyed, damaged, sold, replaced, or otherwise disposed of, the CPO may exclude it from the operation of this Agreement by notifying Contractor in writing. The notice takes effect immediately on its receipt by Contractor. More than one notice may be given. When a notice is received, Contractor shall delete the charge for the excluded deliverable or service from the sum(s) otherwise due under this Agreement.

2.27.3 The total charges for additions and deletions to this Agreement must never exceed 25% of the original contract amount unless:

2.27.3.1 The additions are exempt from the competitive bidding or proposal requirements set forth in Tex. Local Govt. Code Chapter 252; or

2.27.3.2 The City acquires the additions from Contractor through a competitive bid or competitive proposal.

2.28 **COMPLIANCE WITH CERTAIN STATE LAW REQUIREMENTS**

2.28.1 Anti-Boycott of Israel. Contractor certifies that Contractor is not currently engaged in, and agrees for the duration of this Agreement not to engage in, the boycott of Israel as defined by Section 808.001 of the Texas Government Code.

2.28.2 Anti-Boycott of Energy Companies. Contractor certifies that Contractor is not currently engaged in, and agrees for the duration of this Agreement not to engage in, the boycott of energy companies as defined by Section 809.001 of the Texas Government Code.

2.28.3 Anti-Boycott of Firearm Entities or Firearm Trade Associations. Contractor certifies that Contractor does not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association, or will not discriminate against a firearm entity or firearm trade association for the duration of this Agreement, as defined by Section 2274.001 of the Texas Government Code.

2.28.4 Certification of No Business with Foreign Terrorist Organizations. For purposes of Section 2252.152 of the Texas Government Code, Contractor certifies that, at the time of this Agreement neither Contractor nor any wholly owned subsidiary, majority-owned subsidiary, parent company or affiliate of Contractor, is a company listed by the Texas Comptroller of Public Accounts under Sections 2252.153 or 2270.0201 of the Texas Government Code as a company known to have contracts with or provide supplies to a foreign terrorist organization.

2.29 **ZERO TOLERANCE POLICY FOR HUMAN TRAFFICKING AND RELATED ACTIVITIES**

2.29.1 The requirements and terms of the City of Houston's Zero Tolerance Policy for Human Trafficking and Related Activities, as set forth in Executive Order 1-56, as revised from time to time, are incorporated into this Agreement for all purposes. Contractor has reviewed Executive Order 1-56, as revised, and shall comply with its terms and conditions as they are set out at the time of the Countersignature

Date. Contractor shall notify the CPO, City Attorney, and the Director of any information regarding possible violation by Contractor or its subcontractors providing services or goods under this Agreement within 7 days of Contractor becoming aware of or having a reasonable belief that such violations may have occurred, have occurred, or are reasonably likely to occur.

2.30 **PRESERVATION OF CONTRACTING INFORMATION**

2.30.1 The requirements of Subchapter J, Chapter 552, Texas Government Code, may apply to this Agreement and the Contractor agrees that this Agreement can be terminated if the Contractor knowingly or intentionally fails to comply with a requirement of that subchapter. If the requirements of Subchapter J, Chapter 552, Texas Government Code, apply to this Agreement, then for the duration of this Agreement (including the initial term, any renewal terms, and any extensions), Contractor shall preserve all Contracting Information, as defined by Section 552.003 of the Texas Government Code, related to this Agreement as provided by the records retention requirements applicable to the City pursuant to federal or state law or regulation, city ordinance or city policy, which record retention requirements include but are not limited to those set forth in Chapters 201 and 205 of the Texas Local Government Code and Texas Administrative Code Title 13, Chapter 7. Within five business days after receiving a request from the Director, Contractor shall provide any Contracting Information related to this Agreement that is in the custody or possession of Contractor. Upon the expiration or termination of this Agreement, Contractor shall, at the Director's election, either (a) provide, at no cost to the City, all Contracting Information related to this Agreement that is in the custody or possession of Contractor, or (b) preserve the Contracting Information related to this Agreement as provided by the records retention requirements applicable to the City pursuant to federal or state law or regulation, city ordinance or City policy.

2.30.2 If Contractor fails to comply with any one or more of the requirements of this Section, Preservation of Contracting Information, or Subchapter J, Chapter 552, Texas Government Code, then, in accordance with and pursuant to the processes and procedures set forth in Sections 552.373 and 552.374 of the Texas Government Code, the Director shall provide notice to the Contractor and may terminate this Agreement. To effect final termination, the Director must notify Contractor in writing with a copy of the notice to the CPO. After receiving the notice, Contractor shall, unless the notice directs otherwise, immediately discontinue all services under this Agreement, and promptly cancel all orders or subcontracts chargeable to this Agreement.

ARTICLE 3. DUTIES OF CITY

3.01 **PAYMENT TERMS**

3.01.1 Subject to all terms and conditions of this Agreement, the City shall pay fees to Contractor and Contractor agrees to accept fees for services actually performed under each task detailed in Exhibit "B". Contractor further acknowledges that the fees set forth in Exhibit "B" represent the maximum compensation to be received by Contractor for performing the Services, unless the Director agrees, in writing,

to expand the scope of the Services and simultaneously provide additional funding for the expanded scope. City's payments to Contractor for services are subject to the allocation of funds and all fees and expenses may only be paid from the Allocated Funds, as provided in below.

3.01.2 Texas Prompt Payment Act. The City of Houston's standard payment term is to pay 30 days after receipt of invoice or receipt of goods or services, whichever is later, according to the requirements of the Texas Prompt Payment Act (Tex. Gov't Code, Ch. 2251).

3.01.3 If the City fails to make a payment according to the early payment schedule above but does make the payment within the time specified by the Prompt Payment Act, the City shall not receive the discount, but shall pay no other penalty. When the payment date falls on a Saturday, Sunday, or official holiday when City offices are closed and City business is not expected to be conducted, payment may be made on the following Business Day.

3.02 **TAXES**

3.02.1 The City is exempt from payment of Federal Excise and Transportation Tax and Texas Limited Sales and Use Tax. Contractor's invoices to the City must not contain assessments of any of these taxes. The Director will furnish the City's exemption certificate and federal tax identification number to Contractor if requested.

3.03 **METHOD OF PAYMENT**

3.03.1 Upon the Project Administrator's written acceptance and approval of the services or Deliverables, or upon the Project Administrator's failure to provide a written notification of acceptance or rejection of services or Deliverables in accordance with Section 2.26 of this Agreement, Contractor may submit a Request for Payment to the Director. No Request for Payment, nor the cumulative sum of all Requests for Payment, shall exceed the contract price or the maximum budget for each line item set forth in the Fee Schedule, Exhibit B.

3.03.2 Subject to all terms and conditions of this Agreement, the City shall pay Contractor on the basis of Requests for Payment submitted by Contractor and approved by the Director showing (1) a description of the services performed during the period covered by the Request for Payment and (2) the amount the Contractor requests for payment. Requests for Payment must state the specific services performed or Deliverables delivered and the corresponding prices for each item as indicated in the Scope of Services. If applicable, for hourly rates for items billable as a time and materials payment in accordance with the Fee Schedule, Contractor must provide detailed timesheets which shall include the name of Contractor's or subcontractor's staff person, date services were performed by each staffer, the amount of time spent performing the services per day by each staffer, and a detailed description of the services performed by each staffer on each day which description and services must correspond to a specific and discrete Deliverable or subtask in the Scope of Services including Exhibit "B". The City shall make payments to Contractor at its address for notices within 30 days of receipt of an approved

invoice, unless the parties agree to the payment time under the Early Payment Discount described above. All fees due to Contractor under this Agreement shall only be payable from certain Allocated Funds, as provided below.

3.03.3 If the City disputes any item in an invoice Contractor submits for any reason, including lack of supporting documentation, the Project Administrator shall temporarily delete the disputed item and pay the remainder of the invoice. The Project Administrator shall promptly notify Contractor of the dispute and request remedial action. After any dispute is settled, Contractor shall include the disputed amount on a subsequent regularly scheduled invoice or on a special invoice for the disputed item only.

3.04 **LIMIT OF APPROPRIATION**

3.04.1 The City's duty to pay money to Contractor under this Agreement is limited in its entirety by the provisions of this Section.

3.04.2 Contractor understands that the City's obligation for payment under this Agreement, if any, is limited to CDBG-DR17 funds received by the City from the Texas General Land Office ("GLO") in accordance with the applicable GLO Harvey Contract for the performance of services under this Agreement. HCDD shall perform the day-to-day administration and oversight of the CDBG-DR17 funds. Unless adequate CDBG-DR17 funds are received, the City shall have no obligation to pay Contractor. Contractor must look to these designated funds only and to no other funds for the City's payment under this Agreement, and that the City is permanently excused from making payments due under this Agreement if, for whatever reason, there is a lack of CDBG-DR17 funds.

3.04.3 In order to comply with Article II, Sections 19 and 19a of the City's Charter and Article XI, Section 5 of the Texas Constitution, the City has appropriated and allocated the sum of **TWO HUNDRED THOUSAND AND 0/100 dollars (\$200,000.00) during the current fiscal year** to pay money due under this Agreement during the City's current fiscal year (the "Original Allocation"). The executive and legislative officers of the City, in their discretion, may allocate supplemental funds (each a "Supplemental Allocation" and collectively, the "Supplemental Allocations") for this Agreement, but they are not obligated to do so. Therefore, the Parties have agreed to the following procedures and remedies:

3.04.3.1 The City has not allocated supplemental funds or made a Supplemental Allocation for this Agreement unless the City has issued to Contractor a Service Release Order, or similar form approved by the City Controller, containing the language set out below. When necessary, the Supplemental Allocation shall be approved by motion or ordinance of City Council.

NOTICE OF SUPPLEMENTAL ALLOCATION OF FUNDS

By the signature below, the City Controller certifies that, upon the request of the Director, the supplemental sum set out below has been allocated for the purposes of the Agreement out of funds appropriated for this purpose by the City Council of the City of Houston. This Supplemental Allocation has been charged to such appropriation.

\$ _____

3.04.3.2 The Original Allocation plus all Supplemental Allocations are the “Allocated Funds.” The City shall never be obligated to pay any money under this Agreement in excess of the Allocated Funds. Contractor must assure itself that sufficient allocations have been made to pay for services it provides. If Allocated Funds are exhausted, Contractor’s only remedy is suspension or termination of its performance under this Agreement, and it has no other remedy in law or in equity against the City and no right to damages of any kind.

3.05 ACCESS TO SITE

3.05.1 Contractor may enter and leave the premises at all reasonable times without charge. Contractor and its employees may use the common areas and roadways of the premises where it is to perform the services together with all facilities, equipment, improvements, and services provided in connection with the premises for common use. This excludes parking for Contractor’s personnel. Contractor shall repair any damage caused by it or its employees as a result of its use of the common areas.

3.06 ACCESS TO DATA

3.06.1 The City shall, to the extent permitted by law, allow Contractor to access and make copies of documents in the possession or control of the City or available to it that are reasonably necessary for Contractor to perform under this Agreement.

3.06.2 The City does not, however, represent that all existing conditions are fully documented, nor is the City obligated to develop new documentation for Contractor’s use.

3.06.3 For any raw data created, assembled, used, maintained, collected, or stored by Contractor for or on behalf of the City, Contractor shall provide the City either the raw data itself or the ability to extract the raw data in a format mutually agreed upon by both Parties at no additional cost to the City.

3.07 NO QUANTITY GUARANTEE

3.07.1 This Agreement does not create an exclusive right in Contractor to perform all services concerning the subject of this Agreement. The City may procure and

execute contracts with other consulting firms for the same, similar, or additional services as those set forth in this Agreement or any Scope of Services or Change Order.

3.07.2 The City makes no express or implied representations, warranties, or guarantees whatsoever, that any particular quantity, type, task area, or dollar amount of services will be procured or purchased from Contractor through this Agreement or any Scope of Services; nor does the City make any express or implied representations, warranties, or guarantees, whatsoever for the amount or value of revenue that Contractor may ultimately derive from or through this Agreement or any Scope of Services.

ARTICLE 4. TERM AND TERMINATION

4.01. AGREEMENT TERM

4.01.1 This Agreement is effective on the Countersignature Date and shall expire December 31, 2023 (the "Initial Term").

4.02. NOTICE TO PROCEED

4.02.1 Contractor shall begin performance under this Agreement on the date specified in a Notice to Proceed from the CPO or Director.

4.03. EXTENSIONS

4.03.1 Prior to the expiration of the Initial Term, the Director, in his or her sole discretion, may extend this Agreement for up to six (6) months by written notice to Contractor. The Director may exercise this right to extend this Agreement as many times as necessary so long as such extensions cumulatively do not exceed six (6) months.

4.04. TERMINATION FOR CONVENIENCE BY CITY

4.04.1 The Director may terminate this Agreement at any time by giving 30 days' written notice to Contractor, with a copy of the notice to the CPO. The City's right to terminate this Agreement for convenience is cumulative of all rights and remedies, which exist now or in the future.

4.04.2 On receiving the notice, Contractor shall, unless the notice directs otherwise, immediately discontinue all services under this Agreement and cancel all existing orders and subcontracts that are chargeable to this Agreement. As soon as practicable after receiving the termination notice, Contractor shall submit an invoice showing in detail the services performed under this Agreement up to the termination date. The City shall then pay the fees to Contractor for services actually performed, but not already paid for, in the same manner as prescribed in this Agreement unless the fees exceed the allocated funds remaining under this Agreement.

4.04.3 RECEIPT OF PAYMENT FOR SERVICES RENDERED IS CONTRACTOR'S ONLY REMEDY FOR THE CITY'S TERMINATION FOR CONVENIENCE, WHICH

DOES NOT CONSTITUTE A DEFAULT OR BREACH OF THIS AGREEMENT. CONTRACTOR WAIVES ANY CLAIM (OTHER THAN ITS CLAIM FOR PAYMENT AS SPECIFIED IN THIS SECTION), IT MAY HAVE NOW OR IN THE FUTURE FOR FINANCIAL LOSSES OR OTHER DAMAGES RESULTING FROM THE CITY'S TERMINATION FOR CONVENIENCE.

4.05. **TERMINATION FOR CAUSE BY CITY**

4.05.1 If Contractor defaults under this Agreement, the Director may either terminate this Agreement or allow Contractor to cure the default as provided below. The City's right to terminate this Agreement for Contractor's default is cumulative of all rights and remedies which exist now or in the future. Default by Contractor occurs if:

4.05.1.1 Contractor fails to perform any of its duties under this Agreement;

4.05.1.2 Contractor becomes insolvent;

4.05.1.3 all or a substantial part of Contractor's assets are assigned for the benefit of its creditors; or

4.05.1.4 a receiver or trustee is appointed for Contractor.

4.05.2 If a default occurs, the Director may, but is not obligated to, deliver a written notice to Contractor (with a copy of the notice to the CPO) describing the default and the termination date. The Director, at their sole option, may extend the termination date to a later date. If the Director allows Contractor to cure the default and Contractor does so to the Director's satisfaction before the termination date, then the termination is ineffective. If Contractor does not cure the default before the termination date, then the Director may terminate this Contract on the termination date, at no further obligation of the City.

4.05.3 To effect final termination, the Director must notify Contractor in writing, with a copy of the notice to the CPO. After receiving the notice, Contractor shall, unless the notice directs otherwise, immediately discontinue all services under this Agreement and promptly cancel all orders or subcontracts chargeable to this Agreement.

4.06. **EFFECTS OF TERMINATION**

4.06.1 Upon termination, Contractor shall immediately turn over all work in progress and final Deliverables to the Director.

ARTICLE 5. MISCELLANEOUS

5.01 **INDEPENDENT CONTRACTOR**

5.01 Contractor shall perform its obligations under this Agreement as an independent contractor and not as an employee of the City.

5.02 **FORCE MAJEURE**

5.02.1 Timely performance by both Parties is of cardinal importance in this Agreement. However, neither Party is liable for reasonable delays in performing its obligations under this Agreement to the extent the delay is caused by Force Majeure that directly impacts the City or Contractor. The event of Force Majeure may permit a reasonable delay in performance but does not excuse a Party's obligations to complete performance under this Agreement. Force Majeure means: fires, interruption of utility services, pandemics or epidemics in the City, floods, hurricanes, tornadoes, ice storms and other natural disasters, explosions, war, terrorist acts against the City or Contractor, riots, court orders, and the acts of superior governmental or military authority, and which the affected Party is unable to prevent by the exercise of reasonable diligence. The term does not include any changes in general economic conditions such as inflation, interest rates, economic downturn, or other factors of general application, or an event that merely makes performance more difficult, expensive, or impractical. Force Majeure does not entitle Contractor to extra reimbursable expenses or payment.

5.02.2 This relief is not applicable unless the affected Party does the following:

5.02.2.1 uses due diligence to remove the effects of the Force Majeure as quickly as possible and to continue performance notwithstanding the Force Majeure; and

5.02.2.2 provides the other Party with prompt written notice of the cause and its anticipated effect.

5.02.3 The Director will review claims that a Force Majeure that directly impacts the City or Contractor has occurred and render a written decision within 14 days.

5.02.4 The City may perform contract functions itself or contract them out during periods of Force Majeure. Such performance is not a default or breach of this Agreement by the City.

5.02.5 If the Force Majeure continues for more than 7 days from the date performance is affected, the Director may terminate this Agreement by giving 7 days' written notice to Contractor. This termination is not a default or breach of this Agreement. **CONTRACTOR WAIVES ANY CLAIM IT MAY HAVE FOR FINANCIAL LOSSES OR OTHER DAMAGES RESULTING FROM THE TERMINATION EXCEPT FOR AMOUNTS DUE UNDER THE AGREEMENT UP TO THE TIME THE WORK IS HALTED DUE TO FORCE MAJEURE.**

5.02.6 Contractor is not relieved from performing its obligations under this Agreement due to a strike or work slowdown of its employees. Contractor shall employ only fully trained and qualified personnel during a strike.

5.03 **SEVERABILITY**

5.03.1 If any part of this Agreement is for any reason found to be unenforceable, all other parts remain enforceable unless the result materially prejudices either Party.

5.04 **ENTIRE AGREEMENT**

5.04.1 This Agreement merges the prior negotiations and understandings of the Parties and embodies the entire agreement of the Parties with respect to this subject matter hereof. No other agreements, assurances, conditions, covenants (express or implied), or other terms of any kind exist between the Parties regarding this Agreement.

5.05 **WRITTEN AMENDMENT**

5.05.1 Unless otherwise specified elsewhere in this Agreement, this Agreement may be amended only by written instrument executed on behalf of the City (by authority of an ordinance adopted by the City Council) and Contractor. The Director is only authorized to perform the functions specifically delegated to him or her in this Agreement.

5.06 **GOVERNING LAW AND VENUE**

5.06.1 This Agreement shall be construed and interpreted in accordance with the applicable laws of the State of Texas and City of Houston. Venue for any disputes relating in any way to this Agreement shall lie exclusively in Harris County, Texas.

5.07 **NOTICES**

5.07.1 All notices to either Party to the Agreement must be in writing and must be delivered by hand, facsimile, United States registered or certified mail, return receipt requested, United States Express Mail, Federal Express, UPS, or any other national overnight express delivery service or by email (with retained receipt). The notice must be addressed to the Party to whom the notice is given at its address set out in Article 1 of this Agreement or other address the receiving Party has designated previously by proper notice to the sending Party. Postage or delivery charges must be paid by the Party giving the notice.

5.08 **CAPTIONS**

5.08.1 Captions contained in this Agreement are for reference only and therefore have no effect in construing this Agreement. The captions are not restrictive of the subject matter of any section in this Agreement.

5.09 **NON-WAIVER**

5.09.1 If either Party fails to require the other to perform a term of this Agreement, that failure does not prevent the Party from later enforcing that term and all other terms. If either Party waives the other's breach of a term, that waiver does not waive a later breach of this Agreement.

5.09.2 An approval by the Director, or by any other employee or agent of the City, of any part of Contractor's performance does not waive compliance with this Agreement or establish a standard of performance other than that required by this Agreement

and by law. The Director is not authorized to vary the terms of this Agreement.

5.10 INSPECTIONS AND AUDITS

- 5.10.1 City representatives (including without limitation the Director and City Controller), and State, and Federal Government authorized representatives (collectively "Auditing Entities") may perform, or have performed (1) audits of Contractor's books and records, or (2) inspections of all places where work is undertaken in connection with this Agreement. Contractor shall keep its books and records (including without limitation any documentation required under 2 C.F.R. Part 200, Subpart D) available for this purpose for at least (i) three (3) years after the GLO's closeout of the CDBG-DR17 program that is the subject of the GLO Harvey Contract, (ii) the time period required by 2 C.F.R. § 200.333 (retention requirements for records) in the event the City receives federal funds for all or a portion of this Agreement, or (iii) seven (7) years after the Agreement terminates, whichever is longer. If the books and records are located outside of Harris County, Texas, Subrecipient agrees to make them available in Harris County, Texas. This Section 5.10 does not affect the applicable statute of limitations.

G. Scope of Work

Include detailed information about each task with a listing of deliverables, timeline for the task/deliverables, and the fees. The scope of work should correspond to Table 1 and Section H Schedule. If there are multiple deliverables for one task, the Consultant may create subtasks under each task; each subtask should also include a description, fee, list of deliverables, and timeline.

The following is the Scope of Work for the Houston Buy-in Buy-out Plan.

Task 1 – Baseline Analysis and Inventory

Description: The Contractor will review the RFP identified prior studies and other noted literature to identify buy-in / buy-out plan challenges, solutions, and best practices. Contractor will also refer to important publications and plans pertaining to the general housing market and the affordable housing market in particular. Contractor will assemble relevant data and maps relating to housing, flood risk, prior flood insurance claims, prior flood damages, housing tenure, demographic information, social vulnerability index information, housing costs and market conditions, land ownership and land uses, school attendance zones and locations, church locations, childcare facility locations, and similar data. Contractor will conduct geographic information system (GIS) mapping and spatial analysis and to identify areas of interest; estimate or determine information within each area of interest including housing needs, appraised value of vulnerable households, value of co-benefits, and other factors within each area of interest. During this baseline mapping work Contractor will intentionally avoid designating priority areas for buy-outs to avoid local community opposition from people who may perceive the planning process as a top-down decision-making process that excludes them. Contractor will use the GIS analysis to identify initial typologies for further study and evaluation.

Contractor will develop initial buy-in / buy-out plan strategies for each typology that consider timing, implementation community engagement, implementation partners, equity, willingness to relocate, displacement, availability and source of relocation assistance, nearby vacant land, funding sources and mechanisms, income, affordable housing options, availability of affordable housing, incentives, post-buy-out land use, flood risk reduction efforts, and compliance with laws and regulations. Contractor will identify barriers and challenges including costs, housing availability, and other factors. Contractor will initiate an evaluation of how well proposed initial buy-in / buy-out strategies will work in the different identified typologies (scenarios).

Contractor will prepare a memorandum with draft area of interest map, initial typologies, initial buy-in / buy-out strategies for each typology, initial challenges and barriers, and anticipated outcomes from use of strategies. Deliver the memorandum to City staff, project manager, project steering committee for review and input. Feedback comments will be used to inform subsequent tasks and deliverables.

Deliverable: Memorandum with draft area of interest map, initial typologies, initial buy-in / buy-out strategies for each typology, initial challenges and barriers, and anticipated outcomes from use of strategies.

Timeline: Memorandum within seven (7) weeks of notice to proceed.

Task 2 – Stakeholder and Community Engagement

Description: Contractor believes that there are two main groups of stakeholders that should be consulted to develop the city plan: ***policy stakeholders*** and ***resident stakeholders***. We define ***policy stakeholders*** to include the project steering team, peer cities, city departments, flood risk reduction agencies, academia, non-profits, housing advocates, leaders representing vulnerable

front-line communities, and others as noted in the RFP. We define *resident stakeholders* to include residents of vulnerable front-line communities in areas with housing and social stresses, high vulnerability, and high inundation risks. During the plan development work under this contract, we will work with both groups in slightly different ways.

We will develop workshop materials including agenda, purpose, sign-in sheet, draft questions for resident stakeholders, and areas of interest map to support workshops with *policy stakeholders*. Contractor will provide workshop materials for city review and approval prior to workshops. Purpose of the workshops are to obtain policy stakeholder input. Contractor will conduct and facilitate up to three workshops with policy stakeholders to discuss areas of interest, GIS maps, identified typologies (scenarios), and buy-in / buy-out plan strategies. Workshops will not exceed four hours and will be able to conduct these workshops in person or virtually. Contractor assumes that all in person meetings will be conducted in city facilities or Contractor meeting rooms with no venue costs incurred. Contractor will prepare notes of each workshop and will distribute the notes to all attendees for review and comment. Contractor will take comments into consideration in subsequent tasks and deliverables.

Contractor will engage with *resident stakeholders* differently. To better understand the needs *resident stakeholders* Contractor will recruit and train front-line community group leaders with deep connections to *resident stakeholders* and with appropriate language skills to conduct interviews with *resident stakeholders*. These groups may include Texas Housers, Coalition for Environment, Equity, and Resilience (CEER), and Texas Appleseed. Contractor will prepare draft materials to support community group leader training. Materials will include agenda, purpose, sign-in sheet, draft questions for resident stakeholders, and project overview slide deck. Contractor will prepare updated materials on city comments. Contractor will conduct one training session with community group leaders.

Contractor will attend up to three resident stakeholder interviews as observers, but will not “lead” them. Interview scheduling and execution will be handled by the community group leaders. Interviews will address more in-depth questions regarding housing, quality of life, health and disability situations, and front-line community member needs. Contractor will provide a summary of front-line resident input to the city and community group leaders. Contractor will take comments into consideration in subsequent tasks and deliverables.

Deliverables:

Task 3 – Performance Criteria, Barriers, and Challenges

Description: As noted in Task 1, we view typologies as unique scenarios or situations that reflect a combination of flood risk, vulnerability, housing tenure, social situation, housing needs, housing desires, and a broad range of people-centered factors. We will use the input obtained from both policy and resident stakeholders and the GIS analysis information to further refine the main typologies (scenarios) that should be addressed in the city wide plan. We will consider the four typologies outlined in the RFP, which were:

1. Areas where floodway/floodplain is being reduced through infrastructure improvements;
2. Areas where a buy-in strategy is needed to work with existing buy-outs;
3. Areas where a buy-in/buy-out strategy will be most successful, and,
4. Areas where additional buy-out opportunities exist, or a combination of two or more these elements.

We believe that after considering the full range of information pertaining to housing, infrastructure, vulnerability, and other people-centered information other important typologies will emerge. For illustration purposes we present the following four typology examples for consideration:

1. **Typology A - Senior Citizens (Downsizing):** A low-income senior living alone in a single-family home whose family no longer wants her to live in an area that is in danger of flooding. She needs affordable senior housing but can't find/access it on her own.
2. **Typology B - Rent-to-Own:** This scenario may describe neighborhoods that are primarily renters who want to purchase homes, where the use of Uniform Relocation Assistance programs and other first-time homeowner incentives may provide the financial leverage to renters to make down payments. Special consideration for engaging rental property owners may be needed for this scenario, such as incentives that make giving up rental income for a buy-out enticing.
3. **Typology C - Infill:** This scenario may describe areas where high-and-dry homeowners are open to 'infill projects', such as Accessory Dwelling Units (ADUs), or where there may be vacant land available for redevelopment. This may also include the *property swap* strategy alluded to in the RFQ where the city is able to acquire homes and enable 'property swaps'.

These hypothetical scenarios are presented based on conversations our team has had with other communities facing similar challenges and opportunities in the design of their buy-out programs. Each scenario presents different opportunities for the City of Houston to explore the funding and policy mechanisms that will enable different Buy-In / Buy-Out strategy pathways.

Contractor will evaluate the initially defined typologies and buy-in / buy-out plan strategies and refine them. Contractor's refinement will include consideration of funding and financing options; partnerships; applicable laws, rules, regulations; and policies. Contractor will identify other potential barriers and challenges and strategies to overcome them. Contractor will also consider equity when identifying typologies and developing plan strategies.

Contractor will prepare a memorandum that includes a description of the initial typologies, refined typologies, and new typologies; a description of the initial plan strategies, refined plan strategies, and new plan strategies; and our assessment of how suitable each typology and strategy is for inclusion in the final plan. We will present the memorandum to City staff, project manager, project steering committee for review and input. Contractor will take comments into consideration in subsequent tasks and deliverables.

Deliverable: Memorandum that includes a description of the initial typologies, refined typologies, and new typologies; a description of the initial plan strategies, refined plan strategies, and new plan strategies; and our assessment of how suitable each typology and strategy is for inclusion in the final plan.

Timeline: Five week after receipt of city feedback on resident stakeholder input summary.

Task 4 – Case Study Testing and Draft Plan

Description: Based on prior task work efforts, Contractor will refine and update the identified typologies (scenarios) and the suite of buy-in / buy-out strategies that would be suitable for each on the ground scenario. To further refine the typologies and strategies Contractor will identify three case study areas for testing purposes. Case study areas will be selected to include the three most common typologies identified during prior work activities. Case study areas will be provided to the city for approval.

After city approval, Contractor will apply the initial buy-in / buy-out plan strategies to the three case study areas and will estimate the likely outcome of strategy implementation. Test strategies will include implementation timing, funding sources, resident stakeholder engagement method, housing types, resident stakeholder views and desires, pending or current flood risk reduction infrastructure projects, and similar factors. Contractor will document all assumptions made and all tested strategies.

Contractor will estimate costs, benefits, and qualitative outcomes from each strategy implementation test. Contractor anticipates that estimated outcomes will include participation rate, acquisition costs, relocation costs, rehousing costs, flood risk reduction, future land use, long term operations and maintenance costs, community cohesion, displacement, and similar factors. Contractor will evaluate the results of each case study test and prepare a summary of findings.

This information will help the Contractor to understand what plan changes are required for the tested typologies. Contractor will then refine buy-in / buy-out plan strategies.

Contractor will also develop a draft implementation schedule that will include consideration of the following major implementation activities:

- Approach potential funding partners.
- Secure funding partnership agreements, for affordable housing, wrap around services, and green space operations & maintenance.
- Create and publish affordable housing plans.
- Implement affordable housing plans and create new affordable units.

- Identify resident stakeholders who want to move.
- Initiate buy-out / buy-in process with interested resident stakeholders.
- Provide wrap around services to those who decide to relocate.
- Design and implement green space enhancements.
- Conduct ongoing operations and maintenance of green space areas.

Contractor will prepare a review memorandum that will include the case study areas, the case study test outcome summary, the refined strategies, and the implementation schedule to City staff, project manager, project steering committee for review and input. Contractor will present an updated external memorandum to policy stakeholders for review. Contractor will take comments into consideration in subsequent tasks and deliverables.

FEDERAL CONTRACT REQUIREMENTS

All references to "Contractor" in this Exhibit shall apply to any contractor, or subcontractor performing work on behalf of the Contractor pursuant to the foregoing Agreement/Contract. The following Federal Contract Requirements will generally apply to all Contractors. Also see 2 CFR Part 200; applicable federal program requirements at 24 CFR Part 570 (CDBG), 24 CFR Part 92 (HOME), 24 CFR Part 574 (HOPWA), 24 CFR Part 576 (Emergency Solutions Grant); and applicable laws, rules and regulations relating to other programs administered by the U.S. Department of Housing and Urban Development ("HUD").

SECTION 1

Public Law 88-352 and Public Law 90-284; Affirmatively Furthering Fair Housing; Executive Order 11063

A. The Contractor shall comply with Title VI of the Civil Rights Act of 1964 (P.L. 88-352 42 U.S.C. §2000d et seq.) ("Title VI") and with Title 24 Code of Federal Regulations (CFR) Part 1, which implements Title VI. In accordance with Title VI, no person in the United States shall, on the basis of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the Contractor receives federal financial assistance. The Contractor will immediately take any measures necessary to comply with Title VI. If any real property or structure thereon is provided or improved with the aid of federal financial assistance, this clause shall obligate the owner, or in the case of any transfer of such property, any transferee, to comply with the requirements and restrictions contained in this clause for the period during which the real property or structure is used for a purpose for which the federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

B. The Contractor shall comply with Public Law 90-284, which refers to Title VII of the Civil Rights Act of 1968, also known as the Fair Housing Act (42 U.S.C. §3601 et seq.), which provides that it is the policy of the United States to provide, within constitutional limitations, for fair housing throughout the United States and prohibits any person from discriminating in the sale of rental of housing, the financing of housing, or the provision of brokerage services, including otherwise making unavailable or denying a dwelling to any person, because of race, color, religion, sex or national origin. In accordance with the Fair Housing Act, the Secretary of HUD requires that grantees administer all programs and activities related to housing and urban development in a manner to affirmatively further the policies of the Fair Housing Act. Furthermore, in accordance with section 104(b)(2) of the Act, for each community receiving a grant, the certification that the grantee will affirmatively further fair housing shall specifically require the grantee to take meaningful actions to further the goals identified in the grantee's AFH conducted in accordance with the requirements of 24 CFR §5.150 through 5.180 and take no action that is materially inconsistent with its obligation to affirmatively further fair housing.

C. Executive Order 11063, as amended by Executive Order 12259 (3 CFR §1959-1963 Com., p. 652; 3 CFR §1980 Comp., p 307) (Equal Opportunity in Housing), and implementing regulations in 24 CFR Part 107, as applicable.

The use of any funds provided for acquisition or construction in identified areas shall be subject to the Mandatory Purchase of Flood Insurance requirements of section 102(a) of said act.

B. Any contract or agreement for the sale, lease, or other transfer of land acquired, cleared, or improved with assistance provided under this Agreement shall contain, if the land is located in an area identified by HUD as having a special flood hazard, provisions which obligate the transferee and its successors or assigns to obtain and maintain, during the life of the project, flood insurance as required under section 102(a) of the Flood Disaster Protection Act of 1973, as amended. These provisions shall be required notwithstanding the fact that the construction on the land is not itself funded with funds provided under this Agreement.

SECTION 4

(2) The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, or national origin.

(3) The Contractor will send to each labor union or representative of workers with which the Contractor has a collective bargaining agreement or other contract or understanding, a notice to be provided by the City, advising the labor union or workers' representative of the Contractor's commitments under Section 202 of Executive Order 11246 of September 24, 1965, as amended, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(4) The Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, as amended, and of the rules, regulations, and relevant orders of the Secretary of Labor set forth at 41 CFR Part 60.

(5) The Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, as amended, and by the rules, regulations and orders of the Secretary of the U.S. Department of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(6) In the event of the Contractor's noncompliance with the nondiscrimination clauses of this Agreement or with any of such rules, regulations or orders, this Agreement may be canceled, terminated or suspended in whole or in part and the Contractor may be declared ineligible for further government contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, as amended, other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, as amended, or by rule, regulation, or order of the Secretary of the U.S. Department of Labor, or as otherwise provided by law.

The Contractor will take such action with respect to any subcontract or purchase order as the City may direct as a means of enforcing such provisions including sanctions for noncompliance: PROVIDED, however, that in the event the Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the City, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

B. Section 3 of The Housing and Urban Development Act of 1968

(1) The work to be performed under this Agreement is on a project assisted under a program providing federal financial assistance from the Department of Housing and Urban Development (HUD). (2) The Contractor will comply with the provisions of Section 3, and all applicable rules and orders of HUD issued thereunder prior to the execution of the Agreement. The Contractor certifies and agrees that there is no contractual or other disability which would prevent compliance with these requirements.

(3) The Contractor shall send to each labor organization or representative of workers with which it has a collective bargaining agreement or other contract or understanding, if any, a notice advising the labor organization or workers' representative of the commitments under this Section 3 clause and shall post copies of the notice in conspicuous places available to employees and applicants for employment or training.

(4) The Contractor will include or have included a Section 3 clause in every subcontract for work in connection with the project. The Contractor shall, at the direction of the City, take appropriate action pursuant to any subcontract upon a finding that the subcontractor is in violation of this Section 3 clause. The Contractor will not subcontract with any subcontractor where it has notice or knowledge that the latter has been found in violation of regulations under 24 CFR Part 135. The Contractor shall not let any subcontract unless the subcontractor has provided the Contractor with a preliminary statement of ability to comply with the requirements of this Section 3 clause.

(5) Compliance with the provisions of Section 3, and all applicable rules and orders of HUD issued thereunder prior to the execution of this Agreement shall be a condition of the federal financial assistance provided to the project. These provisions are binding upon the City, its contractors and subcontractors, their successors and assigns. Failure to fulfill these requirements shall subject the City, its contractors and subcontractors, their successors and assigns to those sanctions specified by the grant or loan agreement or contract through which federal assistance is provided.

(6) The Contractor shall have completed, signed and delivered a Voluntary Compliance Form (provided by the City) to the Director prior to the execution of this Agreement.

Further, the ADA requires the removal of architectural barriers and communication barriers that are structural in nature in existing facilities, where such removal is readily achievable--that is, easily accomplishable and able to be carried out without much difficulty or expense.

SECTION 14

Without limitation to any other provision of the foregoing Agreement/Contract the Contractor shall maintain all records concerning the program or project financed under this Agreement which the City reasonably requires from the date of submission of the final expenditure report or, for Federal awards that are renewed quarterly or annually, from the date of the submission of the quarterly or annual financial report, respectively, as reported to the Federal awarding agency or pass-through entity in the case of a subrecipient pursuant to 2 CFR §200.333. A. Limited Scope Audit - Contractor understands that Non-Federal entities that expend less than \$750,000 a year in Federal awards are exempt from Federal audit requirements for that year, but records must be available to review and audit as described hereinabove at Section 17. Contractor further understands that limited scope audits can and may be required by the City for non-Federal entities that expend less than \$750,000. If the City requires such limited scope audits, same shall be performed in accordance with 2 CFR Part 200, Subpart F - Audit Requirements.

B. Single Audit - Single Audit - Contractor further understands that non-Federal entities that expend \$750,000 or more a year in Federal awards shall have a single audit conducted pursuant to 2 CFR Part 200, Subpart F - Audit Requirements, except when an election is made to have a program specific audit pursuant to and described in 2 CFR Part 200, Subpart F - Audit Requirements. Once the Contract is executed, Contractor understands that it is barred from considering such audit and must have a single audit conducted as described hereinabove.

SECTION 16
Additional Federal Requirements Under 2 CFR PART 200, Appendix II, As Applicable

(A) **Simplified Acquisition Threshold.** Contracts for more than the simplified acquisition threshold currently set at \$150,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. §1908, as may be amended from time to time, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

(B) **Contract Minimum for Termination for Cause and Convenience.** All contracts in excess of \$10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be affected and the basis for settlement.

(C) **Davis Bacon Act, as amended (40 U.S.C. §3141–3148).** When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. §3141–3144, and 3146–3148) as supplemented by Department of Labor regulations (29 CFR Part 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

(D) **Copeland Anti-Kick Back Act.** Contracts must also include a provision for compliance with the Copeland “Antikickback” Act (40 U.S.C. §3145), as supplemented by Department of Labor

regulations (29 CFR Part 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

(E) **Contract Work Hours and Safety Standards Act (40 U.S.C. §3701–3708)**. Where applicable, all contracts awarded by the nonfederal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. §3702 and §3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. §3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. §3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

(F) **Rights to Inventions Made Under a Contract or Agreement**. If the Federal award meets the definition of “funding agreement” under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.

(H) **Byrd Anti-Lobbying Amendment (31 U.S.C. §1352)**. Contractors that apply or bid for an award of \$100,000 or more must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. §1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

(I) **Procurement of Recovered Materials**. See 2 CFR §200.323.

EQUAL OPPORTUNITY CLAUSE

The applicant/Contractor hereby agrees that it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, as defined in the regulations of the Secretary of Labor at 41 C.F.R. Chapter 60, which is paid for in whole or in part with funds obtained from the Federal Government or borrowed on the credit of the Federal Government pursuant to a grant, contract, loan, insurance, or guarantee, or undertaken pursuant to any Federal program involving such grant, contract, loan, insurance, or guarantee, the following equal opportunity clause quoted and bolded below:

“During the performance of this contract, the Contractor agrees as follows:

(1) The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(3) The Contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(4) The Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(5) The Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(6) The Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the Contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The Contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the Contractor may request the United States to enter into such litigation to protect the interests of the United States."

The applicant/Contractor further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: *Provided*, That if the applicant/Contractor so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant/Contractor agrees that it will assist and cooperate actively with the GLO and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the GLO and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the GLO in the discharge of the GLO's primary responsibility for securing compliance.

The applicant/Contractor further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts, as defined in 41 C.F.R. § 60-1.3, and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II,

Subpart D of the Executive Order. In addition, applicant/Contractor agrees that if it fails or refuses to comply with these undertakings, the GLO may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this Contract; refrain from extending any further assistance to Contractor under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from Contractor; and refer the case to the Department of Justice for appropriate legal proceedings.

The applicant/Contractor may make such necessary changes in language in the equal opportunity clause as shall be appropriate to identify properly the parties and their undertakings.

Where any information required of the Contractor is in the exclusive possession of another who fails or refuses to furnish this information, the Contractor shall so certify to the sponsor or the FAA, as appropriate, and shall set forth what efforts it has made to obtain the information.
5. Sanctions for Noncompliance - In the event of the Contractor's noncompliance with the non-discrimination provisions of this Agreement, the sponsor shall impose such contract sanctions as it or the FAA may determine to be appropriate, including but not limited to:
