

## Public Notice

The City of Houston (City) received contracts from the Texas General Land Office (GLO) for the Community Development Block Grant (CDBG) Disaster Recovery (DR) Program for Hurricane Ike Round 2, Phase 2. The City, through its Housing and Community Development Department (HCDD), holds two housing contracts with GLO, currently \$63,665,230.78 for its Single Family activities and \$91,401,917.00 for its Multifamily activities (including \$32,555,163 to the City for the Subsidized Housing Allocation, which the City will use in collaboration with the Houston Housing Authority (HHA)). The total amount of the City's Housing portion of Round 2 Hurricane Ike funds is \$155,067,147.78. The Round 2 Infrastructure (or non-Housing) grant was originally listed as \$26,148,986.00. The Single Family contract has been amended six times, the Multifamily contract has been amended five times, and the Infrastructure contract has been amended three times.

HCDD proposes a sixth amendment to the Multifamily contract and a fourth amendment to the Infrastructure contract to move \$2,396,294 in funds from the Multifamily contract to the Infrastructure contract. While this changes the totals for both these contracts, the total amount awarded to HCDD remains the same. Here are the proposed budgets for these two contracts:
