

Public Notice

The City of Houston (City) received \$87,092,000 of Community Development Block Grant – Disaster Recovery (CDBG-DR15) funds from the United States Department of Housing and Urban Development (HUD) to address unmet needs in areas impacted by 2015 flood events.

On Wednesday, October 16, 2019 the City, through its Housing and Community Development Department (HCDD), posted a Public Notice in the Houston Chronicle to provide \$11,168,297.21 in CDBG-DR15 funds to the Houston Public Works Department (HPW) for the Neuens Road Drainage Project. The City is now proposing to increase this amount from \$11,168,297.21 to \$11,788,980.20. This project, located along Neuens Road between Gessner Road and Blalock Road, will mitigate flooding and reduce localized drainage problems through drainage and paving improvements.

The public may comment on this proposed project during the 14-day comment period that extends from Thursday, October 22, 2020 through Thursday, November 5, 2020. Written comments can be submitted via email to Kennisha London at Kennisha.London@houstontx.gov. Upon completion of the 14-day public comment period, HCDD will enter into a Letter of Agreement with HPW for this project.
