

## Public Notice

The City of Houston (City) through its Housing and Community Development Department (HCDD), is proposing an ordinance approving and authorizing a Memorandum of Understanding between the City and Daikin Comfort Technologies North America, Inc. (Daikin), to establish the terms of a gift of twenty (20) energy-efficient Heating, Ventilation, and Air Conditioning (HVAC) units by Daikin to the City.

The City will install the HVAC units in a limited number of residential homes on behalf of homeowners who participate in the Home Repair Program (HRP). Homes within the HRP pipeline will be selected on a first come, first served basis set by the Daikin initiative. Eligible homes may be funded under Community Development Block Grant (CDBG), Community Development Block Grant - Disaster Recovery (CDBG-DR), and Tax Increment Reinvestment Zone (TIRZ) funding and will follow the regulations required by the appropriate funding source(s).

Daikin will provide all relevant product warranties, instructions, and literature included with the HVAC units. Additionally, Daikin will provide technical training and support to each City Contractor who will select, install, and commission the HVAC equipment, at no cost to the City or City Contractor. No funding is attached to this item.

The previous Mayor Sylvester Turner approved Daikin's donation on behalf of the City on April 18, 2023.
