# The Care You Need When You Need It

## Our Specialties

From cardiology and orthopedics to cancer care, Kelsey-Seybold Clinic offers care in 65+ medical specialties. While not every clinic offers all specialties, our 40+ locations across Greater Houston ensure you're never far from the quality specialty care

you deserve. Best of all, no referral is ever needed to see a Kelsey-Seybold specialist!

**Scan QR Code for our complete list of specialties.**

---

## Diagnostic & Treatment Services

Kelsey-Seybold offers a wide array of medical services, including CT, EKG, MRI, X-ray and much more. Services vary by location. Please refer to individual location pages for a list of available services.

**Scan QR Code for a complete list of diagnostic and treatment services.**

---

## Kelsey Pharmacy

Many Kelsey-Seybold Clinic locations have an onsite pharmacy. For even greater convenience, you can access pharmacy services online to:

- Order and manage your refills and medications
- Set reminders and notification preferences
- Manage delivery to your home or office

**Scan QR Code to locate the nearest Kelsey Pharmacy and explore our online pharmacy services.**

## Your Care Team Is Connected

At Kelsey-Seybold, your doctors are connected to each other and to you. By working together, your care team provides the personalized care you need, plus a more streamlined healthcare experience.

- 850+ physicians and providers
- 65+ medical specialties
- 40+ locations and growing!

Schedule an appointment today. Call 713-442-6565 or visit [kelsey-seybold.com/make-an-appointment](http://kelsey-seybold.com/make-an-appointment)

## All in One Place

Primary and specialty care, on-site labs, diagnostic services, and more all in one location. Plus, our regional campus locations bring outpatient surgery and nationally accredited cancer care even closer to home.

## Virtual Care, 365 Days a Year

No matter where you are, Kelsey-Seybold care is there, day or night. Choose VideoVisitNOW (on-demand), schedule a Video Visit, or start an E-Visit online.

## After-Hours Nurse Hotline

Kelsey-Seybold registered nurses provide the care and reassurance you need after regular business hours and on weekends and holidays.

## You Have a Secure Patient Portal

MyKelseyOnline (MKO) and your MyKelsey App keep you connected 24/7 with Kelsey-Seybold. Schedule appointments, email your doctor's office, get most test results, and more!

**Download the FREE MyKelsey App**

## **Access, Convenience, and Quality You Can Count On**

With locations all across Greater Houston, you'll find a Kelsey-Seybold location close to where you live or work. Same-day and next-day primary care appointments are available.
