Program Overview FY2017 YTD Jul 1, 2016 – Dec 31, 2016

Hire Houston First Program Overview

Hire Houston First (HHF) was developed in an effort to promote economic opportunity for Houston area businesses and to support local job creation. The City of Houston spends billions of dollars to maintain and improve the City's infrastructure, and provide services for the public. Hire Houston First grants the City the ability to give preference to local companies and local workers, as long as their pricing is competitive.

It is the policy of the City of Houston as defined in the Hire Houston First Ordinance, Chapter 15, Article XI, to use the City's spending powers in a manner that promotes fiscal responsibility and maximizes the effectiveness of local tax dollars by ensuring that City spending provides expanded business opportunities for home grown businesses.

To be certified for participation in HHF, businesses <u>must</u> meet at least one of two requirements:

- Be headquartered in the incorporated limits of the City or the 10 local counties; OR
- Have 20% or more of the entity's workforce regularly based and have a substantial part of its
 operations based in the incorporated limits of the City or the 10 local counties: Harris, Brazoria,
 Chambers, Fort Bend, Galveston, Liberty, Montgomery, Waller, Austin and San Jacinto.

Chapter 15, Article XI, permits the City to award to City and local businesses under the following criteria:

Personal Property (Goods)	Services
	If the contract value is \$100,000 or greater, then the contract is awarded to a Local Business that is within 3% of
lowest bid.	lowest bid.
If the contract value is under \$100,000*, then the contract is awarded to a City Business that is within 5% of the lowest bid.	If the contract value is under \$100,000*, then the contract is awarded to a Local Business that is within 5% of the lowest bid.

*For Purchases under \$50,000.00: "the city shall, subject to the requirements of section 15-181, select vendors and services providers with a principal place of business in the local area, provided that any such vendor's bid is no more than five percent greater than the lowest bid, in the event the lowest bid is from one other than a city business or a local business."

Note: 1. According to Texas Government Code, Chapter 2254.004, architectural, engineering, and land surveying professional services contracts must be chosen on "demonstrated competence and qualifications to perform the services; and for a fair and reasonable price".

^{3.} In accordance with Local Government Code § 271.9051, this program does not apply to the purchase of telecommunications services or information services, as those terms are defined by 47 U.S.C. Section 153.

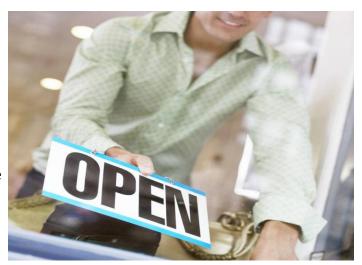

^{2.} The program does not apply to any contract in which the federal government participates in the form of a grant or loan, or the city acts as a conduit for federal money. (Code of Ordinances, Sec. 15-181.)
