

Houston Parks and Recreation Department 2022 Summer Aquatics Modified Pool Opening

The 2022 Summer Aquatics Center modified operational plan will provide an opportunity for a minimum of one pool in each Council District based on (24) available Lifeguards. To accommodate the most possible users, pool openings were prioritized based on historical attendance, and geographic distribution. As more Lifeguards are processed and come on board, we will add additional days and pools accordingly.

Twelve pools will open on Memorial Day weekend.

There are two phases for opening the 12 pools and are split into two different schedules (Schedule A & B).

Phase I - Weekend Operation; pools are only open on either Saturday or Sunday throughout June 5th.

Phase II - Open 3-days a week; pools open three alternate days throughout the week beginning June 7th.

Schedule A - pools open on Tuesdays, Thursdays, & Saturdays.

Schedule B - pools are open on Wednesdays, Fridays & Sundays.

Pool hours are 1:00 p.m. to 8:00 p.m. All pools are closed on Mondays for maintenance.

Pools - Schedule A

Aquatic Center	Address	Council District
Agnes Moffit	10645 Hammerly Blvd., 77043	A
