

## HPARD Beryl Recovery Update What's Open, Reopening, and Closed

Update as of Friday, July 26, 2024

Houston Parks and Recreation Department is working hard to address the aftermath of Hurricane Beryl. We appreciate the community's patience and understanding during this time as crucial resources are directed to support citywide disaster recovery, relief, and tree emergency efforts on streets and roads. Park condition assessments, repairs, and maintenance are underway.

As we move forward with recovery and reopening facilities, HPARD's staff is committed to returning services as they were before the storm.

Below is a list of facilities that are open, scheduled to reopen, and those that remain closed:
